[The Big Goodbye](#) - Sam Wasson 2020-02-04  
From the New York Times bestselling author of Fifth Avenue, Five A.M. and Fosse comes the revelatory account of the making of a modern American masterpiece Chinatown is the Holy Grail of 1970s cinema. Its twist ending is the most notorious in American film and its closing line of dialogue the most haunting. Here for the first time is the incredible true story of its making. In Sam Wasson's telling, it becomes the defining story of the most colorful characters in the most colorful period of Hollywood history. Here is Jack Nicholson at the height of his powers, as compelling a movie star as there has ever been, embarking on his great, doomed love affair with Anjelica Huston. Here is director Roman Polanski, both predator and prey, haunted by the savage death of his wife, returning to Los Angeles, the scene of the crime, where the seeds of his own self-destruction are quickly planted. Here is the fevered dealmaking of "The Kid" Robert Evans, the most consummate of producers. Here too is Robert Towne's fabled script, widely considered the greatest original screenplay ever written. Wasson for the first time peels off layers of myth to provide the true account of its creation. Looming over the story of this classic movie is the imminent eclipse of the '70s filmmaker-friendly studios as they gave way to the corporate Hollywood we know today. In telling that larger story, The Big Goodbye will take its place alongside classics like Easy Riders, Raging Bulls and The Devil's Candy as one of the great movie-world books ever written. Praise for Sam Wasson: "Wasson is a canny chronicler of old Hollywood and its outsize personalities...More

than that, he understands that style matters, and, like his subjects, he has a flair for it." - The New Yorker "Sam Wasson is a fabulous social historian because he finds meaning in situations and stories that would otherwise be forgotten if he didn't sleuth them out, lovingly." - Hilton Als  
**Death by Hollywood** - Steven Bochco  
2009-08-17

One evening, spying on his Hollywood Hills neighbours through his \$4,000 electronic telescope, Bobby witnesses a beautiful woman making love to a handsome Latin actor called Ramon. As their pillow talk turns ugly, Bobby watches in horror as the woman appears to bludgeon her lover to death with his own acting trophy. Instead of rushing to the cops, Bobby decides to find out more about the events that led up to the crime, and to use the material for his next movie screenplay. However, when he sneaks into the actor's apartment, the discovery he makes changes his life forever. Empowered by his secret knowledge, Bobby is able to seduce the beautiful woman, while forging a unique friendship with Detective Dennis Farentino, the cop in charge of the investigation. Before long Bobby has dragged the detective, his wife, his lover, and his agent into a Hollywood fun-house hall of mirrors, where only the most manipulative player will survive.

**The Grove Book of Hollywood** - Christopher Silvester 2007-12-01

A "treasure trove" of insider accounts of the movie business from its earliest beginnings to the present day—"exceedingly savvy . . . astute and entertaining" (Variety). The Grove Book of Hollywood is a richly entertaining anthology of anecdotes and reminiscences from the people

who helped make the City of Angels the storied place we know today. Movie moguls, embittered screenwriters, bemused outsiders such as P. G. Wodehouse and Evelyn Waugh, and others all have their say. Organized chronologically, the pieces form a history of Hollywood as only generations of insiders could tell it. We encounter the first people to move to Hollywood, when it was a dusty village on the outskirts of Los Angeles, as well as the key players during the heyday of the studio system in the 1930s. We hear from victims of the blacklist and from contemporary players in an industry dominated by agents. Coming from a wide variety of sources, the personal recollections range from the affectionate to the scathing, from the cynical to the grandiose. Here is John Huston on his drunken fistfight with Errol Flynn; Cecil B. DeMille on the challenges of filming *The Ten Commandments*; Frank Capra on working for the great comedic producer Mark Sennett; William Goldman on the strange behavior of Hollywood executives in meetings; and much more. "A masterly, magnificent anthology," *The Grove Book of Hollywood* is a must for anyone fascinated by Hollywood and the film industry (Literary Review, London).

[Read My Lips](#) - Sally Kellerman 2013-04-30

The Academy Award and Golden Globe nominee best known for her portrayal of Margaret "Hot Lips" Houlihan on *M\*A\*S\*H* shares the story of her long career, from her years as an up-and-coming actress in small-town 1960s Hollywood and her Vietnam War-era relationship with Henry Kissinger through her marriage to producer Jonathan Crane and their adoption of three children. 50,000 first printing.

**Actress** - Madison Ava Jones 2021-05-02

First International Edition - May 2021 In the spirit of *The Handmaid's Tale* comes this explicit autobiographical account of a young actress's initiation into a hidden society of dominating film industry power brokers. Told in an intelligent and unfiltered voice by the young ingénue herself as she learns what a select group of talent agents really wants in exchange for her ascent to notoriety, it is an unapologetic erotically-charged confession unlike anything ever written about life behind the silver screen. The author recounts an intense period of her life when an audition for a film triggers an offer

from an elite Hollywood agency to sign her on as a client. When she becomes personally involved with Wyatt, her charismatic agent, she falls madly in love, only to discover the insane world of control and power that he expects her to submit to if she wants to make it. From the unfiltered eroticism to the provocative psychology behind her cult-like ownership to the secretive inner-workings of global movie agencies, *Actress* tells it all and doesn't leave anything out. .... Chapters: The Factory The Audition The Agency The Private, Private Gym True Cinematic Romance Complete Career Control Sky-High Obedience Training The War for Fame Discipline and Punishment A Dream of Slavery A Break from Reality The Grand Auction ..... From *The Book*: I gave him a swift glance, but he quickly looked away. I put the glass to my lips and could taste that it was vodka. I tipped it to my mouth and gulped it down. The liquor sent a chill through my body and caused my eyes to water. There was a moment of silence as I looked at all the men standing there in front of a long row of windows and the dirty blue skyscape of Los Angeles in the background. I had certainly never been to any meeting like this. "Do you really want to be famous, Madison?" I closed my eyes and opened them again, suddenly realizing what was happening here. There was no way I could do this, I thought. There was no way I was going to be manhandled like this, I told myself. "Yes," I said to him." In this business, power is all about who owns the stars. The stars are our propaganda and their obedience to us is our collateral," he went on. "And obedience is a very difficult thing to be sure of." "You don't have to worry about me," I insisted. He put his legs against my thighs and pushed them open so I was spread wide for everyone there to see. He began to casually fondle me, rolling his fingers up and down my bare legs. I could feel Wyatt looking at me. I wanted to look back and see that he was in control of what was happening here and that he would protect me. It was just last night that he had been so tender. "Do you understand you need to submit without hesitation?" "Yes," I said again. I wanted more than anything else just to scream out that I couldn't do this, that this wasn't me and I couldn't be controlled by men like this. "Do you

understand that you need to be broken in?" he asked, abruptly grabbing me by the hair. There was a sense of exhilaration in his words that made me want to just stop thinking about anything. I had never been treated so roughly before, yet it wasn't that. It was more the looming expectation that this was going to be some kind of ritualistic force. It was as if I was going through a trial of submission that had been established long before I walked into the room and long before I had even started down the path to becoming an actress. "Yes," I told him again in a hesitant attempt to sound confident, yet not having any idea what his words truly meant. I couldn't believe this was happening.

**Heather Goes to Hollywood** - Sheri Cooper Sinykin 2000-01-01

Being asked to stand in for child star Rena Malone, Heather is thrilled with the chance of becoming famous, but when things in Hollywood begin to get a little suspicious, Heather wonders where the real Rena may be.

**Hollywood Ending** - Ken Auletta 2022-07-12  
A vivid biography of Harvey Weinstein—how he rose to become a dominant figure in the film world, how he used that position to feed his monstrous sexual appetites, and how it all came crashing down, from the author who has covered the Hollywood and media power game for The New Yorker for three decades. Twenty years ago, Ken Auletta wrote an iconic New Yorker profile of the Hollywood mogul Harvey Weinstein, who was then at the height of his powers. The profile made waves for exposing how volatile, even violent, Weinstein was to his employees and collaborators. But there was a much darker story that was just out of reach: rumors had long swirled that Weinstein was a sexual predator. Auletta confronted Weinstein, who denied the claims. Since no one was willing to go on the record, Auletta and the magazine concluded they couldn't close the case. Years later, he was able to share his reporting notes and knowledge with Ronan Farrow; he cheered as Farrow, and Jodi Kantor and Megan Twohey, finally revealed the truth. Still, the story continued to nag him. The trail of assaults and cover-ups had been exposed, but the larger questions remained: What was at the root of Weinstein's monstrousness? How, and why, was it never checked? Why the silence?

How does a man run the day-to-day operations of a company with hundreds of employees and revenues in the hundreds of millions of dollars, and at the same time live a shadow life of sexual predation without ever being caught? How much is this a story about Harvey Weinstein, and how much is this a story about Hollywood and power? In pursuit of the answers, Auletta digs into Weinstein's life, searching for the mysteries beneath a film career unparalleled for its extraordinary talent and creative success, which combined with a personal brutality and viciousness to leave a trail of ruined lives in its wake. *Hollywood Ending* is more than a prosecutor's litany; it is an unflinching examination of Weinstein's life and career, embedding his crimes in the context of the movie business, in his failures and the successes that led to enormous power. Film stars, Miramax employees and board members, old friends and family, and even the person who knew him best—Harvey's brother, Bob—all talked to Auletta at length. Weinstein himself also responded to Auletta's questions from prison. The result is not simply the portrait of a predator but of the power that allowed Weinstein to operate with such impunity for so many years, the spiderweb in which his victims found themselves trapped.

**Hollywood Dynasties** - Stephen Farber 1984  
This investigation of the roles of family ties in the motion picture industry profiles thirteen representative dynastic families, exploring their complexities and psychological dynamics, and assesses the causes and consequences of nepotism in Hollywood

**Hollywood Godfather** - Gianni Russo 2019-03-12  
*Hollywood Godfather* is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make *The Godfather* a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of *The Godfather* and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for

New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from *The Godfather*. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in *The Godfather: Parts I and II*, *Seabiscuit*, *Any Given Sunday* and *Rush Hour 2*, among many other films. *Hollywood Godfather* is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

**Son of the Mob** - Gordon Korman 2012-12-11  
Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

*Secrets of My Hollywood Life* - Jen Calonita  
2008-11-16

What if... Your picture was taped inside teenage boys' lockers across America, your closets were bursting with never-worn designer clothing, and the tabloids constantly asked whether you were losing your "good girl" status? It's a glamorous life, but sixteen-year-old Kaitlin Burke, costar of one of the hottest shows on TV, is exhausted from the pressures of fame. Then she hits on an

outrageously daring solution, one that has to remain top secret or it will jeopardize everything she's ever worked for. Don't miss the first book in Jen Calonita's six-book *Secrets of My Hollywood Life* series!

**The Reactive** - Masande Ntshanga 2014-10-03

In a city that has lost its shimmer, Lindanathi and his two friends Ruan and Cecelia sell illegal pharmaceuticals while chasing their next high. Lindanathi, deeply troubled by his hand in his brother's death, has turned his back on his family, until a message from home reminds him of a promise he made years before. When a puzzling masked man enters their lives, Lindanathi is faced with a decision: continue his life in Cape Town, or return to his family and to all he has left behind. Rendered in lyrical, bright prose and set in a not-so-new South Africa, *The Reactive* is a poignant, life-affirming story about secrets, memory, chemical abuse and family, and the redemption that comes from facing what haunts us most.

**Opera News** - 1949

**Red Carpet** - Erich Schwartzel 2022-02-08

"This is a fascinating book. It will educate you. Schwartzel has done some extraordinary reporting." — *The New York Times Book Review*  
"In this highly entertaining but deeply disturbing book, Erich Schwartzel demonstrates the extent of our cultural thrall to China. His depiction of the craven characters, American and Chinese, who have enabled this situation represents a significant feat of investigative journalism. His narrative is about not merely the movie business, but the new world order." —Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon*  
An eye-opening and deeply reported narrative that details the surprising role of the movie business in the high-stakes contest between the U.S. and China. From trade to technology to military might, competition between the United States and China dominates the foreign policy landscape. But this battle for global influence is also playing out in a strange and unexpected arena: the movies. The film industry, *Wall Street Journal* reporter Erich Schwartzel explains, is the latest battleground in the tense and complex rivalry between these two world powers. In recent decades, as China has grown into a giant of the international economy,

it has become a crucial source of revenue for the American film industry. Hollywood studios are now bending over backward to make movies that will appeal to China's citizens—and gain approval from severe Communist Party censors. At the same time, and with America's unwitting help, China has built its own film industry into an essential arm of its plan to export its national agenda to the rest of the world. The competition between these two movie businesses is a Cold War for this century, a clash that determines whether democratic or authoritarian values will be broadcast most powerfully around the world. Red Carpet is packed with memorable characters who have—knowingly or otherwise—played key roles in this tangled industry web: not only A-list stars like Matt Damon, Angelina Jolie, and Richard Gere but also eccentric Chinese billionaires, zany expatriate filmmakers, and starlets who disappear from public life without explanation or trace. Schwartzel combines original reporting, political history, and show-biz intrigue in an exhilarating tour of global entertainment, from propaganda film sets in Beijing to the boardrooms of Hollywood studios to the living rooms in Kenya where families decide whether to watch an American or Chinese movie. Alarming, occasionally absurd, and wildly entertaining, Red Carpet will not only alter the way we watch movies but also offer essential new perspective on the power struggle of this century.

Fruit of the Drunken Tree - Ingrid Rojas Contreras 2019-06-04

"One of the most dazzling and devastating novels I've read in a long time...Readers of Fruit

of the Drunken Tree will surely be transformed." --San Francisco Chronicle "Simultaneously propulsive and poetic, reminiscent of Isabel Allende...Listen to this new author's voice — she has something powerful to say." --Entertainment Weekly Seven-year-old Chula lives a carefree life in her gated community in Bogotá, but the threat of kidnappings, car bombs, and assassinations hover just outside her walls, where the godlike drug lord Pablo Escobar reigns, capturing the attention of the nation. When her mother hires Petrona, a live-in-maid from the city's guerrilla-occupied slum, Chula makes it her mission to understand Petrona's mysterious ways. Petrona is a young woman crumbling under the burden of providing for her family as the rip tide of first love pulls her in the opposite direction. As both girls' families scramble to maintain stability amidst the rapidly escalating conflict, Petrona and Chula find themselves entangled in a web of secrecy. Inspired by the author's own life, Fruit of the Drunken Tree is a powerful testament to the impossible choices women are often forced to make in the face of violence and the unexpected connections that can blossom out of desperation.

Secrets of the Hollywood Girls Club - Maggie Marr 2014-08-06

A page-turning exposé at how blockbusters are churned out--and the dishy follow-up to "The Hollywood Girls Club"--this is also a fabulous tale about four phenomenal women in the biz and their friendships that manage to survive the backstabbing Hollywood machine.

**Just the Funny Parts** - Nell Scovell 2018-03-20 Just the Funny Parts is a juicy and scathingly funny insider look at how pop culture gets made. For more than thirty years, writer, producer and director Nell Scovell worked behind the scenes of iconic TV shows, including The Simpsons, Late Night with David Letterman, Murphy Brown, NCIS, The Muppets, and Sabrina, the Teenage Witch, which she created and executive produced. In 2009, Scovell gave up her behind-the-scenes status when the David Letterman sex scandal broke. Only the second woman ever to write for his show, Scovell used the moment to publicly call out the lack of gender diversity in late-night TV writers' rooms. "One of the boys" came out hard for "all of the girls." Her criticisms fueled a cultural debate. Two years

later, Scovell was collaborating with Sheryl Sandberg on speeches and later on Lean In, which resulted in a worldwide movement. Now Scovell is opening up with this fun, honest, and often shocking account. Scovell knows what it's like to put words in the mouths of President Barack Obama, Mark Harmon, Candice Bergen, Bob Newhart, Conan O'Brien, Alyssa Milano, and Kermit the Frog, among many others. Through her eyes, you'll sit in the Simpson writers' room... stand on the Oscar red carpet... pin a tail on Miss Piggy...bond with Star Trek's Leonard Nimoy... and experience a Stephen King-like encounter with Stephen King. Just the Funny Parts is a fast-paced account of a nerdy girl from New England who fought her way to the top of the highly-competitive, male-dominated entertainment field. The book delivers invaluable insights into the creative process and tricks for navigating a difficult workplace. It's part memoir, part how-to, and part survival story. Or, as Scovell puts it, "It's like Unbroken, but funnier and with slightly less torture."

[An Oxford Murder](#) - G. G. Vandagriff 2019-10-17

A stylish 1930's mystery set in Oxford with a love triangle, a murder, and a cast of eccentric suspects. Fans of Lord Peter Wimsey and Harriet Vane will love this tale! "Vandagriff's atmospheric are first rate. She amazes me."-- Anna Stone. After Miss Catherine Tregowyn, poet, and Dr. Harry Bascombe, her bête noire,

discover a body in the Somerville College chapel, they are declared suspects in a murder inquiry. How can they prove their innocence? The pair decide they must launch their own investigation into the strangling of Oxford don, Agatha Chenowith. But working as a team will not be easy. Their relations are anything but cordial. It is not long before they uncover motives aplenty. Apparently, Dr. Chenowith was not at all what she seemed. As the surprises about the victim's secret life multiply, they are awash in a sea of suspects. Into this scenario sails the former love of Catherine's life as he returns from Kenya. Is she going to give Rafe another chance to break her heart? He convinces her to give him a six-month trial, and eager to show his worth, he joins in the investigation. Rafe offers to fly Catherine and Harry in his de Havilland six-seater to the Isle of Man where they must pursue a lead. Inevitably, Rafe and Harry square off in a battle for Catherine's affections. Meanwhile, playing detectives proves to be a dangerous pursuit. Catherine and Harry shortly embroil themselves in a plot much larger than mere murder. No one wants to hear their theory, however. It contains truths too painful to contemplate. And it makes Catherine and Harry's lives expendable.

**Hollywood's Hellfire Club** - Gregory William Mank 2007-10-01

They made fans go crazy and censors apoplectic, spent fortunes faster than they made them, forged Rembrandts and hung them in major museums, went on trial for committing statutory rape with necrophiliac teenage girls, reinterpreted Hamlet as an incestuous mama's boy, and swilled immeasurable quantities of spirits during week-long parties on wobbly yachts. They were "The Bundy Drive Boys," and they made the Rat Pack look like Cub Scouts. Their self-destructiveness was spectacular, the misanthropy profound, but behind the boozy bravado was a devoted mutual affection. The Bundy Drive Boys' un-bowdlerized stories have never been illustrated so well or told so completely as within Hollywood's Hellfire Club. Author Gregory William Mank also wrote *It's Alive!: The Classic Cinema Saga of Frankenstein and Hollywood Cauldron*.

**The Breakfast Club** - Elissa H. Nelson  
2019-03-28

*The Breakfast Club* is a quintessential teen film. This book analyzes how multiple factors coalesced to solidify the status of *The Breakfast Club* as one of the most emblematic films of the 1980s and one of the most definitive teen films of the genre. The film brings together genre-defining elements – the conflicts between generations and peer pressure, archetypical characters and breaking down stereotypes, the celebration and survival of adolescence, and the importance of this time in life on the coming-of-age process – and became a significant moment for John Hughes as an auteur and for teen films in the 1980s. More than just embodying these elements of the genre, filmmaker Hughes and the Brat Pack stars helped introduce and popularize multiple generic features that would come to be expected with the teen film formula. The content of the film combined with its context of production in the middle of a boom in teen filmmaking in Hollywood. Meanwhile, the marketing that focused on contemporary music, peer group dynamics, and oppositions between

Generation X and baby boomers, merged with an enthusiastic reception by youth audiences. Its endurance speaks to the way the film's level of importance as a critical, commercial, and influential film with tremendous impact has grown since its initial debut.

**The North Hollywood Detective Club in the Case of the Hollywood Art Heist** - Mike Mains  
2016-07-07

"You've got to help me," Marisol cried. "My brother is innocent!" With those words, the North Hollywood Detective Club officially begins as teen super-sleuths Jeffrey Jones and Pablo Reyes set out to prove the innocence of Marisol's brother and rescue him from jail. Their search for a stolen painting leads them to a mysterious pawn shop, a glamorous television star, and a 20-year-old unsolved murder! This is the first book in a new teen and middle grade mystery series, starring a pair of 14-year-old boys who start their own detective club. If you're the type who loves origin stories, then this is the book for you. (When I was a kid reading comic books, I always wanted to read the origin stories of all my favorite super heroes!) How are YOUR detective and mystery-solving skills? Check out Amazon's Look Inside feature for this book. When their teacher's apartment is broken into and the police can't solve the crime, Jeffrey Jones and Pablo Reyes take up the challenge! Can you solve the story's first mystery before our young detectives do? **REVIEWS:** "This is a fantastic read for young adults, teens, or anyone who wants to look back to our teenage years looking for a good mystery to solve." - Amazon Reviewer "This is a fun exciting read!" - Amazon Reviewer **A PERSONAL NOTE FROM THE AUTHOR:** I designed this mystery book series for teens, middle-grade and young adult readers. These are intelligent, well-written mystery and suspense stories, starring a pair of real teen heroes. The clues are laid out as challenges for the reader to solve, and each book is grounded in morality. Originally, I thought they would be good mystery books for boys, but I was pleasantly surprised to discover how much girls also liked them. I hope you enjoy reading these stories as much as I enjoyed writing them. If so, please leave a review, or shoot me an email. I always love hearing from my readers.  
mainsmike@yahoo.com Book Two in this

mystery and suspense series for young readers - "The Case of the Dead Man's Treasure" - is now available on Amazon. Middle grade adventure books, middle grade mystery books, teen books, teen fiction, teen mystery books, teen mystery books for boys, ya and young adult mystery books.

Letters from Hollywood - Rocky Lang 2019-09-10

Rare correspondence from Humphrey Bogart, Audrey Hepburn, Frank Sinatra, Jane Fonda, and other Hollywood luminaries from the silent film era to the 1970s. Letters from Hollywood reproduces in full color scores of entertaining and insightful pieces of correspondence from some of the most notable and talented film industry names of all time—from the silent era to the golden age, and up through the pre-email days of the 1970s. Culled from libraries, archives, and personal collections, the 135 letters, memos, and telegrams are organized chronologically and are annotated by the authors to provide backstories and further context. While each piece reveals a specific moment in time, taken together, the letters convey a bigger picture of Hollywood history. Contributors include celebrities like Greta Garbo, Alfred Hitchcock, Humphrey Bogart, Frank Sinatra, Katharine Hepburn, Marlon Brando, Elia Kazan, Cary Grant, Francis Ford Coppola, Tom Hanks, and Jane Fonda. This is the gift book of the season for fans of classic Hollywood. With a foreword by Peter Bogdanovitch. "This is, quite simply, one of the finest books I've ever read about Hollywood." —Leonard Maltin

*The Boys* - Ron Howard 2021-10-12

INSTANT NEW YORK TIMES BESTSELLER

"This extraordinary book is not only a chronicle of Ron's and Clint's early careers and their wild

adventures, but also a primer on so many topics—how an actor prepares, how to survive as a kid working in Hollywood, and how to be the best parents in the world! The Boys will surprise every reader with its humanity." — Tom Hanks "I have read dozens of Hollywood memoirs. But The Boys stands alone. A delightful, warm and fascinating story of a good life in show business." — Malcolm Gladwell Happy Days, The Andy Griffith Show, Gentle Ben—these shows captivated millions of TV viewers in the '60s and '70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. "What was it like to grow up on TV?" Ron Howard has been asked this question throughout his adult life. In The Boys, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on The Andy Griffith Show and Richie Cunningham on Happy Days offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as Gentle Ben and Star Trek petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint's teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, THE BOYS is a dual narrative that lifts the lid on the Howard brothers' closely held lives. It's the journey of a tight four-person family unit that held fast in an unforgiving business and of two brothers who survived "child-actor syndrome" to become fulfilled adults.

Hollywood Park - Mikel Jollett 2020-05-26

**\*\*THE INSTANT NEW YORK TIMES**

**BESTSELLER\*\*** "A Gen-X This Boy's Life...Music and his fierce brilliance boost Jollett; a visceral urge to leave his background behind propels him to excel... In the end, Jollett shakes off the past to become the captain of his own soul.

Hollywood Park is a triumph." —O, The Oprah Magazine "This moving and profound memoir is for anyone who loves a good redemption story." —Good Morning America, 20 Books We're Excited for in 2020 "Several years ago, Jollett began writing Hollywood Park, the gripping and brutally honest memoir of his life. Published in the middle of the pandemic, it has gone on to become one of the summer's most celebrated books and a New York Times best seller..." -Los Angeles Magazine HOLLYWOOD PARK is a remarkable memoir of a tumultuous life. Mikel Jollett was born into one of the country's most infamous cults, and subjected to a childhood filled with poverty, addiction, and emotional abuse. Yet, ultimately, his is a story of fierce love and family loyalty told in a raw, poetic voice that signals the emergence of a uniquely gifted writer. We were never young. We were just too afraid of ourselves. No one told us who we were or what we were or where all our parents went. They would arrive like ghosts, visiting us for a morning, an afternoon. They would sit with us or walk around the grounds, to laugh or cry or toss us in the air while we screamed. Then they'd

disappear again, for weeks, for months, for years, leaving us alone with our memories and dreams, our questions and confusion. ... So begins Hollywood Park, Mikel Jollett's remarkable memoir. His story opens in an experimental commune in California, which later morphed into the Church of Synanon, one of the country's most infamous and dangerous cults. Per the leader's mandate, all children, including Jollett and his older brother, were separated from their parents when they were six months old, and handed over to the cult's "School." After spending years in what was essentially an orphanage, Mikel escaped the cult one morning with his mother and older brother. But in many ways, life outside Synanon was even harder and more erratic. In his raw, poetic and powerful voice, Jollett portrays a childhood filled with abject poverty, trauma, emotional abuse, delinquency and the lure of drugs and alcohol. Raised by a clinically depressed mother, tormented by his angry older brother, subjected to the unpredictability of troubled step-fathers and longing for contact with his father, a former heroin addict and ex-con, Jollett slowly, often painfully, builds a life that leads him to Stanford University and, eventually, to finding his voice as a writer and musician. Hollywood Park is told at first through the limited perspective of a child, and then broadens as Jollett begins to understand the world around him. Although Mikel Jollett's story is filled with heartbreak, it is ultimately an unforgettable portrayal of love at its fiercest and most loyal.

**White Masculinity in Crisis in Hollywood's  
Fin de Millennium Cinema** - Pete Deakin

2019-10-15

This book claims that Hollywood cinema had a significant relationship with the millennial crisis of masculinity, as the films of the fin de millennium movement reflected the cultural discourse of concern over the crisis of masculinity through a dichotomous structure of either feminine or hyper-masculine representations of male identity.

**Bath Haus** - P. J. Vernon 2021-06-15

Nominated for a 34th annual Lambda Literary Award • A scintillating thriller with an emotional punch: "The tension builds to unbearably claustrophobic levels. To say more would rob readers of the 'no, he didn't' suspense that makes Bath Haus an unexpectedly twisted, heart-pounding cat-versus-mouse thriller" (Los Angeles Times). Oliver Park, a recovering addict from Indiana, finally has everything he ever

wanted: sobriety and a loving, wealthy partner in Nathan, a prominent DC trauma surgeon. Despite their difference in age and disparate backgrounds, they've made a perfect life together. With everything to lose, Oliver shouldn't be visiting Haus, a gay bathhouse. But through the entrance he goes, and it's a line crossed. Inside, he follows a man into a private room, and it's the final line. Whatever happens next, Nathan can never know. But then, everything goes wrong, terribly wrong, and Oliver barely escapes with his life. He races home in full-blown terror as the hand-shaped bruise grows dark on his neck. The truth will destroy Nathan and everything they have together, so Oliver does the thing he used to do so well: he lies. What follows is a classic runaway-train narrative, full of the exquisite escalations, edge-of-your-seat thrills, and oh-my-god twists. P. J. Vernon's Bath Haus is perfect for readers curious for their next must-read novel.
