**Harlem Quartet** - James Baldwin 2017-09-27  
Dans le Harlem des années cinquante, se nouent les destins de quatre adolescents : Julia l'enfant évangéliste qui enflamme les foules, Jimmy son jeune frère, Arthur le talentueux chanteur de gospel et Hall son frère aîné. Trente ans plus tard, Hall tente de faire le deuil d'Arthur et revient sur leur jeunesse pour comprendre la folle logique qui a guidé leur vie. Pourquoi Julia a-t-elle subitement cessé de prêcher ? Pourquoi le quartet s'est-il dispersé ? Pourquoi Arthur n'a-t-il jamais trouvé le bonheur ? Ce roman magistral, où la violence et l'érotisme sont constamment maîtrisés par la tendresse et l'humour du poète, est, comme l'écrit Alain Mabanckou, « l'un des plus beaux chants de fraternité, d'amour, d'espérance et d'expiation ». Traduit de l'anglais (États-Unis) par Christiane Besse. Préface d'Alain Mabanckou.

**The Untold Stories of Excellence** - Charles E. Shaw 2011-07-14

I am not a historian. I am simply an American citizen who grew up in Brooklyn, New York after my birth in the state of Virginia. My family, African-Americans from the south, decided to leave a life of farming and despair to move to New York to start anew, with nine children; three girls, six boys, and mother and father, who firmly believed that they could make a better life for all their family members. As the exception to the rule, I finished high school along with my brothers and sisters, and went on to college where I earned degrees in business and in law. This enabled me to become an officer and manager in the banking industry, where I served over twenty eight years. In addition I served a number of years as a businessman, served in state government, and served in the regular

Army of the U.S. I have written other books on business and banking that were published by and for the banking community as training and management material. I am currently working on a series of business books which will be introduced to members of the business community as a source of training for new small business owners and entrepreneurs.

**Old Books, Rare Friends** - Madeline B. Stern 2012-05-30

Louisa May Alcott once wrote that she had taken her pen for a bridegroom. Leona Rostenberg and Madeleine Stern, friends and business partners for fifty years, have in many ways taken up their pens and passion for literature much in the same way. The "Holmes & Watson" of the rare book business, Rostenberg and Stern are renowned for unlocking the hidden secret of Louisa May Alcott's life when they discovered her pseudonym, A.M. Barnard, along with her anonymously published "blood and thunder" stories on subjects like transvestitism, hashish smoking, and feminism. Old Books, Rare Friends describes their mutual passion for books and literary sleuthing as they take us on their earliest European book buying jaunts. Using what they call Finger-spitzengefühl, the art of evaluating antiquarian books by handling, experience, and instinct, we are treated to some of their greatest discoveries amid the mildewed basements of London's booksellers after the Blitz. We experience the thrill of finding one of the earliest known books printed in America between 1617-1619 by the Pilgrim Press and learn about the influential role of publisher-printers from the fifteenth century. Like a precious gem, Old Books, Rare Friends is a book to treasure about the companionship of two rare

friends and their shared passion for old books.

**Pan-Africanism: Political Philosophy and Socio-Economic Anthropology for African Liberation and Governance** - Kini-Yen Kinni 2015-09-04

This Book is the outcome of a long project begun thirty years ago. It is a book on the makings of pan-Africanism through the predicaments of being black in a world dominated by being white. The book is a tribute and celebration of the efforts of the African-American and African-Caribbean Diaspora who took the initiative and the audacity to fight and liberate themselves from the shackles of slavery. It is also a celebration of those Africans who in their own way carried the torch of inspiration and resilience to save and reconstruct the Free Humanism of Africa. As a story of the rise from the shackles of slavery and poverty to the summit of Victors of their Renaissance Identity and Self-Determination as a People, the book is the story of African refusal to celebrate victimhood. The book also situates women as central actors in the Pan-African project, which is often presented as an exclusively masculine endeavour. It introduces a balanced gender approach and diagnosis of the Women actors of Pan-Africanism which was very much lacking. The problem of balkanisation of Africa on post-colonial affiliations and colonial linguistic lines has taken its toll on Africa's building of its common identity and personality. The result is that Africans are more remote to each other in their pigeon-hole-nation-states which put more restrictions for African inter-mobility, coupled by education and cultural affiliations, the communication and transportation and trading networks which are still tied more to their colonial masters than among themselves. This book looks into the problem of the new wave of Pan-Africanism and what strategies that can be proposed for a more participatory Pan-Africanism inspired by the everyday realities of African masses at home and in the diaspora. This book is the first book of its kind that gives a comprehensive and multidimensional coverage of Pan-Africanism. It is a very timely and vital compendium.

## **Situating the Feminist Gaze and Spectatorship in Postwar Cinema** -

Marcelline Block 2009-01-14

Marcelline Block's *Situating the Feminist Gaze and Spectatorship in Postwar Cinema* breaks new ground in exploring feminist film theory. It is a wide-ranging collection (re)visiting important theoretical questions as well as offering close analyses of films produced in the United States, France, England, Belgium, and Russia. This anthology investigates exciting areas of research for critical inquiry into film and gender studies as well as feminist, queer, and postfeminist theories, and treats film texts from Marguerite Duras to 21st century horror films; from Agnès Varda's 2007 installation at the Panthéon to the post-Soviet Russian filmmakers Aleksei Balabanov and Valerii Todorovskii; from Quentin Tarantino's *Death Proof* to Sofia Coppola's postfeminist trilogy; from Chantal Akerman's "transhistorical, transgressive and transgendered gaze" to the "quantum gaze" in Steven Spielberg's *Jurassic Park*; from Hitchcock's "good-looking blondes" to the career-woman-in-peril thriller, among others. According to the semiotician Marshall Blonsky of the New School University in New York, "given the breadth of the editor's choices, this volume makes a splendid contribution to feminist and cinematic fields, as well as cultural and media studies, postmodernism, and postfeminism. It lends readers 'new eyes' to view canonical and other film texts." David Sterritt, chairman of the National Society of Film Critics, states that this anthology "should be required reading for students and scholars, among other readers interested in the interaction of cinema with contemporary culture." *Situating the Feminist Gaze and Spectatorship* is prefaced by Jean-Michel Rabaté's brilliant essay, "Mulvey was the First..."

**Con Brio** - Nat Brandt 2000-07-26

A 1959 *New Yorker* profile captured the inspired risk-taking and raw creative spark of a Budapest String Quartet rehearsal: "Sasha leaped from his chair and with violin held aloft, played the passage with exaggerated schmalz, like a street fiddler in Naples. Kroyt...stopped playing and started singing a Russian song...Mischa Schneider thereupon performed a number of

stupendous triads on his cello....Only Roisman went quietly on with his part, untouched by the pandemonium around him, playing Beethoven with his noble tone and elegant bowing." Here were four men with personalities as varied as their ways of playing. Yet when they played, they produced a perfect union of instrumental voices and interpretive nuances that not only created an entirely new audience for chamber music in America but also made the Budapest String Quartet the premier chamber music group of the twentieth century.

Experiencing Chick Corea - Monika Herzig  
2017-10-06

With twenty-three Grammy wins, Chick Corea is a legendary jazz figure and one of the most prolific and influential contemporary pianists of our time. He has produced hundreds of releases in multiple genres over five decades, and he is one of the hardest-working musicians in the industry, with a yearly tour schedule of over 250 international concerts. He has authored multiple books and instructional works, and many regard him today as easily one of the most influential musicians of his generation. Experiencing Chick Corea looks at the full span of Corea's career, decade by decade, touching on the vast array of musical styles he engaged, from his initial work with Herbie Mann to his free explorations with Circle. It touches on his arguably most influential album *Now He Sings, Now He Sobs*, his involvement with Miles Davis' *Bitches Brew* and subsequent efforts as pioneer in the fusion scene with *Return to Forever*, his duo collaborations, classical outings, and his acoustic and trio work in the 1990s and beyond. Learning how to listen to Corea is itself a bit of a magic carpet ride, given the range of material he has created and the breadth and depth of that work. Experiencing Chick Corea introduces this American Icon to audiences beyond the domain of jazz fans already familiar with this work. Monika Herzig places Corea's creations in their historical and social contexts so any music lover can gain a fuller understanding of the incredible range of his work.

James Baldwin: The Last Interview - James Baldwin  
2014-12-02

Never before available, the unexpurgated last interview with James Baldwin "I was not born to be what someone said I was. I was not born to

be defined by someone else, but by myself, and myself only." When, in the fall of 1987, the poet Quincy Troupe traveled to the south of France to interview James Baldwin, Baldwin's brother David told him to ask Baldwin about everything—Baldwin was critically ill and David knew that this might be the writer's last chance to speak at length about his life and work. The result is one of the most eloquent and revelatory interviews of Baldwin's career, a conversation that ranges widely over such topics as his childhood in Harlem, his close friendship with Miles Davis, his relationship with writers like Toni Morrison and Richard Wright, his years in France, and his ever-incisive thoughts on the history of race relations and the African-American experience. Also collected here are significant interviews from other moments in Baldwin's life, including an in-depth interview conducted by Studs Terkel shortly after the publication of *Nobody Knows My Name*. These interviews showcase, above all, Baldwin's fearlessness and integrity as a writer, thinker, and individual, as well as the profound struggles he faced along the way.

James Baldwin's Later Fiction - Lynn O. Scott  
2002-02-28

James Baldwin's Later Fiction examines the decline of Baldwin's reputation after the middle 1960s, his tepid reception in mainstream and academic venues, and the ways in which critics have often mis-represented and undervalued his work. Scott develops readings of *Tell Me How Long the Train's Been Gone*, *If Beale Street Could Talk*, and *Just Above My Head* that explore the interconnected themes in Baldwin's work: the role of the family in sustaining the arts, the price of success in American society, and the struggle of black artists to change the ways that race, sex, and masculinity are represented in American culture. Scott argues that Baldwin's later writing crosses the cultural divide between the 1950s and 1960s in response to the civil rights and black power movements. Baldwin's earlier works, his political activism and sexual politics, and traditions of African American autobiography and fiction all play prominent roles in Scott's analysis.

**Trouble in Black Paradise** - Fundi 2013-04-12  
National anti gay marriage laws join California's voter approved Proposition 8 challenging America. Afro-American Christians launch from sidelined shadows hitting the streets, vocally backing these measures. Intense Afro denunciation of gays capture media coverage; angry images fuel America's sensational discourse stage they've become the new self-appointed representatives of global religious advocacy. Afro supporters justify opposition citing standard historical verbiage. Claimed is that no evidence of sacredly integrated gay life, or gay marriage resonates from antiquity. Intense condemnation of gays professes compassion, not hate. A white gay mainstream, shocked and baffled, wonders in their eyes how so-called fellow Civil Rights seeking groups could in turn condemn them. Afro religious though, vehemently reject any claim to shared Civil Rights predicament made by gays. *Trouble In Black Paradise* tackles this entanglement head on. Highly volatile situations are fleshed-out in a way unprecedented by impassioned literary presentation. Now, a man steeped in Civil Rights tradition through Southern Baptist

family initiates a sensitive, intimate dialogue with broader Afro-Christian communities. Fundi is an educator, historian and social/cultural activist of 38 years; concurrently he's been a practitioner of Buddhism and an openly gay Black man coming out in the pre AIDS era. Afro-Americans and the gay mainstream do not live in a vacuum. Troubling civil nuances impacting each cultural phenomenon reveals a strangely unused bridge. Here, decades of cutting edge social/anthropological research is finely organized, enlightening each side about one another's heroes, villains, institutions (uplifting and disingenuous) and media, all are laid bare. Exposes confront negligible Civil Rights participation by an entrenched Afro-Christian establishment; white gays in parallel light reveal extreme political/multiethnic disconnect. Racism and homophobia are intertwined aspects inexplicably tying both and find rigorous review. *Trouble In Black Paradise* holds unforeseen surprises with a shocking conclusion. Fasten yourself for a beginning-to-end rollercoaster ride.

**A Critical Cinema 4** - Scott MacDonald 2005  
*A Critical Cinema 4* is the fourth volume in Scott MacDonald's *Critical Cinema* series, the most extensive, in-depth exploration of independent cinema available in English. In this new set of interviews, MacDonald once again engages filmmakers in detailed discussions of their films and of the personal experiences and political and theoretical currents that have shaped their work. The interviews are arranged to express the remarkable diversity of modern independent cinema and the network of interconnections within the community of filmmakers. *A Critical Cinema 4* includes the most extensive interview with the late Stan Brakhage yet published; a conversation with P. Adams Sitney about his arrival on the New York independent film scene; a detailed discussion with Peter Kubelka about the experience of making *Our African Journey*; a conversation with Jill Godmilow and Harun Farocki on modern political documentary; Jim McBride's first extended published conversation in thirty years; a discussion with Abigail Child about her evolution from television documentarian to master editor; and the first extended interview with Chuck Workman. This volume also contains discussions with Chantal

Akerman about her place trilogy; Lawrence Brose on his examination of Oscar Wilde's career; Hungarian Peter Forgács about his transformation of European home movies into video operas; Iranian-born Shirin Neshat on working between two cultures; and Ellen Spiro about exploring America with her video camera and her dog. Each interview is supplemented by an introductory overview of the filmmaker's contributions. A detailed filmography and a selected bibliography complete the volume. *Sinfonietta No. 1* - 1976

[African American Culture: An Encyclopedia of People, Traditions, and Customs \[3 volumes\]](#) - Omari L. Dyson 2020-07-31  
Covering everything from sports to art, religion, music, and entrepreneurship, this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States. According to

the latest census data, less than 13 percent of the U.S. population identifies as African American; African Americans are still very much a minority group. Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture—in music, the arts, and entertainment; in education and religion; in sports; and in politics and business. African American Culture: An Encyclopedia of People, Traditions, and Customs covers virtually every aspect of African American cultural expression, addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post-Obama era. The most comprehensive reference work on African American culture to date, the book covers topics such as black contributions to literature and the arts, music and entertainment, religion, and professional sports. It also provides coverage of less-commonly addressed subjects, such as African American fashion practices and beauty culture, the development of jazz music across different eras, and African American business. • Identifies influential aspects of African American culture through entries on topics such as African Americans in sports, in musical genres such as blues, gospel, hip hop, and jazz, and in religions such as Christianity, Islam, and Yoruba • Makes clear the numerous ways African Americans have produced, maintained, and evolved their culture in the United States • Enables readers to truly comprehend what "diversity" is by gaining substantive knowledge of how a particular group of persecuted people has learned to thrive artistically and culturally in the United States

**James Baldwin** - Glynnis Reed 2019-12-15

The connection between American whites and blacks is far deeper and more passionate than any of us like to think. These words from the introduction of his collection of essays in "Nobody Knows My Name" shows the truth-telling strength of a brave man. James Baldwin was an outspoken advocate for social justice and equality for black people in America. He lent a creative and powerful voice to the civil rights struggle of the 1960s and brilliantly critiqued the problems of race in the twentieth century. Through his novels, plays, poetry, and essays, Baldwin urged the world to understand and appreciate the humanity and complexity of African Americans. This thought-provoking biography analyzes the life behind this creative force and will inspire your readers to be true to themselves and strong of conviction.

[Harlem's Hell Fighters](#) - Stephen L. Harris 2003-06-30

When the United States entered World War I in 1917, thousands of African-American men volunteered to fight for a country that granted them only limited civil rights. Many from New York City joined the 15th N.Y. Infantry, a National Guard regiment later designated the 369th U.S. Infantry. Led by mostly inexperienced white and black officers, these men not only received little instruction at their training camp in South Carolina but were frequent victims of racial harassment from both civilians and their white comrades. Once in France, they initially served as laborers, all while chafing to prove their worth as American soldiers. Then they got their chance. The 369th became one of the few U.S. units that American commanding general John J. Pershing agreed to let serve under French command. Donning French uniforms and taking up French rifles, the men of the 369th fought valiantly alongside French Moroccans and held one of the widest sectors on the Western Front. The entire regiment was awarded the Croix de Guerre, the French government's highest military honor. Stephen L. Harris's accounts of the valor of a number of individual soldiers make for exciting reading, especially that of Henry Johnson, who defended himself against an entire German squad with a large knife. After reading this book, you will

know why the Germans feared the black men of the 369th and why the French called them hell fighters. "

**University of Massachusetts Lowell: 125 Years** - Dr. Marie Frank 2020

The University of Massachusetts Lowell owes its origins to two institutions founded in the 1890s. In 1894, the state authorized the founding of the Lowell Normal School, an institution that trained teachers for the state's public school system. In 1895, the state also authorized the founding of Lowell Textile School to encourage research in new technologies related to textile manufacture. Over the decades, the two schools on opposite sides of the Merrimack River grew. Lowell Normal became Lowell Teacher's College in 1932 and then Lowell State College in 1960, and Lowell Textile became Lowell Technological Institute in 1953. In 1975, the state merged the two institutions to form the University of Lowell, which, in 1991, became part of the UMass system. University of Massachusetts Lowell: 125 Years draws from a rich array of historical images to honor the school's past and present and preserve the memory of students, faculty, staff, buildings, and events.

*Pan-African Chronology III* - Everett Jenkins, Jr. 2011-02-14

This third volume of the Pan-African Chronology set covers 1914 through 1929, a time of two seminal events: World War I and the Black Awakening. In World War I, people of African descent fought for both sides, earning distinction on the battlefields of France as well as in the jungles and deserts of Africa. The "Black Awakening," a period from 1919 through 1929, marked the dawning of global awareness of the contributions of African people to the culture of the world. The book is arranged by year and events of each year are grouped by region. It also has two special biographical divisions for W.E.B. DuBois and Marcus Garvey. James Baldwin - Jules B. Farber 2016-07-01

*Harlem Quartet : roman* - James Baldwin 2017-09-27

La 4ème de couverture indique : "Dans le Harlem des années cinquante, se nouent les destins de quatre adolescents : Julia l'enfant

évangéliste qui enflamme les foules, Jimmy son jeune frère, Arthur le talentueux chanteur de gospel et Hall son frère aîné. Trente ans plus tard, Hall tente de faire le deuil d'Arthur et revient sur leur jeunesse pour comprendre la folle logique qui a guidé leur vie. Pourquoi Julia a-t-elle subitement cessé de prêcher ? Pourquoi le quartet s'est-il dispersé ? Pourquoi Arthur n'a-t-il jamais trouvé le bonheur ? Ce roman magistral, où la violence et l'érotisme sont constamment maîtrisés par la tendresse et l'humour du poète, est, comme l'écrit Alain Mabanckou, "l'un des plus beaux chants de fraternité, d'amour, d'espérance et d'expiation". [The Critical Reception of James Baldwin in France](#) - Rosa Bobia 1997

"James Baldwin's reputation has to a large extent been studied as an isolated American phenomenon. This book-length study is the first that examines the large body of criticism by French-language critics. The wealth of documents makes possible the comparison of African critics of French expression of African-American literature and allows for comparisons of Francophone and American critics as well. James Baldwin is the most intensely studied author in France among the postwar group of African-American authors since Richard Wright. This study shows that the complex and substantive reasons for Baldwin's success go beyond the obvious interest of the French in African-American literature and his intermittent stay in France for nearly four decades."--BOOK JACKET. James Baldwin's Turkish Decade - Magdalena J. Zaborowska 2008-12-26

Between 1961 and 1971 James Baldwin spent extended periods of time in Turkey, where he worked on some of his most important books. In this first in-depth exploration of Baldwin's "Turkish decade," Magdalena J. Zaborowska reveals the significant role that Turkish locales, cultures, and friends played in Baldwin's life and thought. Turkey was a nurturing space for the author, who by 1961 had spent nearly ten years in France and Western Europe and failed to reestablish permanent residency in the United States. Zaborowska demonstrates how Baldwin's Turkish sojourns enabled him to re-imagine himself as a black queer writer and to revise his

views of American identity and U.S. race relations as the 1960s drew to a close. Following Baldwin's footsteps through Istanbul, Ankara, and Bodrum, Zaborowska presents many never published photographs, new information from Turkish archives, and original interviews with Turkish artists and intellectuals who knew Baldwin and collaborated with him on a play that he directed in 1969. She analyzes the effect of his experiences on his novel *Another Country* (1962) and on two volumes of his essays, *The Fire Next Time* (1963) and *No Name in the Street* (1972), and she explains how Baldwin's time in Turkey informed his ambivalent relationship to New York, his responses to the American South, and his decision to settle in southern France. *James Baldwin's Turkish Decade* expands the knowledge of Baldwin's role as a transnational African American intellectual, casts new light on his later works, and suggests ways of reassessing his earlier writing in relation to ideas of exile and migration.
