The Immortal Marilyn - John De Vito
2006-12-07

From the late 1940s to the early '60s, Marilyn Monroe appeared in barely thirty movies, beginning with bit parts and moving on into supporting roles for such films as The Asphalt Jungle, All About Eve, and Clash by Night. She soon shot to international fame and gained

prominent roles in a number of classics like The Seven Year Itch, Gentlemen Prefer Blondes, and Some Like It Hot. By the time of her early death in 1962, she had already become established as one of the great icons of the silver screen. Even early in her career, Monroe had been a source of inspiration for playwrights, filmmakers, and others looking to cash in on her tremendous

impact. In *The Immortal Marilyn: The Depiction of an Icon*, authors John DeVito and Frank Tropea chronicle the many representations of Marilyn Monroe in the performing arts, from the 1950s to the present day. In a decade-by-decade review, the authors examine how Marilyn is portrayed in four distinct modes: as herself, as a Roman à Clef character, as a referent, and as a documentary subject. By looking closely at these individual works, the authors reveal the ways in which her persona, her history, and—most of all—her image have been appropriated for both fact and fiction. From an episode of *I Love Lucy* to Arthur Miller's play *The Fall*, from adaptations of works by Norman Mailer and Joyce Carol Oates to an ever-growing list of documentaries, Monroe has been the subject of countless depictions on stage, screen, radio, and television. Monroe is adored, imitated, and idolized, and the enormous amount of material written about her—either directly or indirectly—proves that she will continue to be a

source of interest and speculation. The first real analysis of all the many complex meanings that Marilyn Monroe has come to assume, this book attempts to encapsulate and understand the enormous influence the actress had on the public and the wide range of creative talents who found her such an intriguing subject. This book

[Marilyn Monroe: Biography of America's Sex Symbol](#) - Sara M. 2012-03-04

Her name is synonymous with Hollywood beauty. During Marilyn Monroe's own lifetime, her reputation as a fragile but charismatic beauty took the world by storm. Even many decades

after her death in 1962 at the tragic young age of 36, Monroe's reputation and popularity have not wavered for a second. In every generation since her death, Monroe's face has rivaled those of contemporary sex symbols as shorthand for beauty, sex appeal, charisma and seemingly effortless charm. With her halo of blonde hair, large, expressive eyes, dazzling smile, curvaceous figure and breathy high-pitched voice, Monroe seemed to stand for everything that was fun-loving, carefree and flirtatious about life. Despite her role as an over-the-top sex symbol, she managed to appeal to both men and women; men wanted to woo her, while women wanted to be her best friend.

Hollywood by Hollywood - Steven Cohan 2018

The backstudio picture, or the movie about movie-making, is a staple of Hollywood film production harking back to the silent era and extending to the present day. What gives backstudios their coherence as a distinctive genre, Steven Cohan argues in *Hollywood by*

Hollywood, is their fascination with the mystique of Hollywood as a geographic place, a self-contained industry, and a fantasy of fame, leisure, sexual freedom, and modernity. Yet by the same token, if backstudio pictures have rarely achieved blockbuster box-office success, what accounts for the film industry's interest in continuing to produce them? The backstudio picture has been an enduring genre because, aside from offering a director or writer a chance to settle old scores, in branding filmmaking with the Hollywood mystique, the genre solicits consumers' strong investment in the movies. Whether inspiring the "movie crazy" fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations, backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story. But more than that, a backstudio picture is concerned with shaping perceptions of how the film industry works, with

masking how its product depends upon an industrial labor force, including stardom, and with determining how that work's value accrues from the Hollywood brand stamped onto the product. Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstudios, some canonical and well-known, and others obscure and rarely seen. Covering the hundred-year timespan of feature length film production, Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies.

Marilyn Monroe, d'hier à aujourd'hui -

Dominique Choulant 2012-07-05

"Si je devais tout perdre et que je ne puisse conserver qu'une seule chose de ce que j'ai, je ne demanderais ni manteaux de fourrure, ni bijoux, ni diamants, mais de pouvoir garder mon grand lit. Si vous ne comprenez pas cela, c'est que vous n'avez jamais connu une enfance où, pas une seule fois, on ne peut dormir seule dans

un lit." 5 août 1962 : Marilyn Monroe, la "Star" de Hollywood, est retrouvée morte dans des circonstances mal élucidées. Cinquante ans après, son nom - même juste son prénom - évoque l'image absolue du glamour. Marilyn a réussi au-delà de ses plus folles ambitions de gamine : aujourd'hui, elle est bien plus connue pour ses portraits, ses photos, que pour ses films. Dans cette biographie détaillée et riche en anecdotes, l'auteur nous permet de suivre en chronologie parfaite l'itinéraire de Marilyn Monroe, année après année, sans jamais s'attarder plus que nécessaire sur sa vie privée. Sa "carrière" ne s'arrête pas avec son décès : Dominique Choulant nous invite à suivre jusqu'à nos jours tous les événements autour de celle qui est devenue le plus grand mythe de l'histoire du Cinéma mondial. Le vrai chef-d'oeuvre, c'est de durer. Brigitte Bardot, considérée à l'époque comme sa "rivale" en Europe, a accepté d'écrire la préface et de nous révéler ainsi toute sa tendresse et son admiration pour Marilyn.

Fan Phenomena: Marilyn Monroe -

Marcelline Block 2014-11-01

Born Norma Jeane Mortenson, Marilyn Monroe was an actress, singer and sex symbol whose influence far outlasted her short life.

Contributors to Fan Phenomena: Marilyn Monroe situate the platinum blonde starlet's omnipresent cultural relevance within the zeitgeist of current popular culture and explore the influence she has had on numerous elements of it. Her aesthetics and images have been re-appropriated, recreated, imitated and emulated by such celebrities as Lindsay Lohan, Jayne Mansfield, Drew Barrymore, Anna Nicole Smith and Madonna. The quintessential American sex symbol, Monroe was an influential style icon for a spectrum of designers, including Dolce and Gabbana, Betsey Johnson and Nike, all of whom

have named lines of clothing, shoes or accessories after the star. The essays here explore representations of Monroe in visual culture by looking at the ways she is reimagined in visual art while also considering how her posthumous appearance and image are appropriated in current advertisements. With an inside look at the universe of Marilyn Monroe impersonators and look-alike contests for both males and females, the book also explores numerous homages to Monroe in music, from the 1979 opera Marilyn by Lorenzo Ferrero to Nicki Minaj's song 'Marilyn Monroe.' The definitive guide to one of the most famous women who ever lived, the book will be essential reading for any scholar of twentieth-century American popular culture.

Three Cups of Tea - Greg Mortenson 2006-03-02

The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the

individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

Lady Director - Joyce Chopra 2022-11-08
An intimate account of a seminal filmmaker's development—as a creator and as a woman—both in art and in life. "Joyce Chopra, what a gift of an extraordinary filmmaker you are, and one of our great pioneers who forged a very difficult path. And for female filmmakers everywhere, we are so blessed to have you as a storyteller to forge the way to make it easier for others."—Laura Dern, actor Hailed by the New Yorker as "a crucial forebear of generations," award-winning director Joyce Chopra came of age in the 1950s, prior to the dawn of feminism, and long before the #MeToo movement. As a young woman, it seemed impossible that she might one day realize her dream of becoming a film director—she couldn't name a single woman in that role. But with her desire fueled by a stay in Paris during the heady beginnings of the French New Wave, she was determined to find a

way. Chopra got her start making documentary films with the legendary D.A. Pennebaker. From her ground-breaking autobiographical short, *Joyce at 34* (which was acquired for NY MoMA'S permanent collection), to her rousing successful first feature, *Smooth Talk* (winner of the Best Director and Grand Jury Prize at Sundance in 1985), to a series of increasingly cruel moves by Hollywood producers unwilling to accept a woman in the director's role, Chopra's career trajectory was never easy or straightforward. In this engaging, candid memoir, Chopra describes how she learned to navigate the deeply embedded sexism of the film industry, helping to pave the way for a generation of women filmmakers who would come after her. She shares stories of her bruising encounters with Harvey Weinstein and Sydney Pollack, her experience directing Diane Keaton, Treat Williams, and a host of other actors, as well as her deep friendships with Gene Wilder, Arthur Miller, and Laura Dern. Along

with the successes and failures of her career, she provides an intimate view of a woman's struggle to balance the responsibilities and rewards of motherhood and marriage with a steadfast commitment to personal creative achievement. During a career spanning six decades, Joyce Chopra has worked through monumental shifts in her craft and in the culture at large, and the span of her life story offers a view into the implacable momentum of the push for all women's liberation. "Joyce Chopra has written a devastatingly frank, candid, and unsparing memoir of her life as a film director—a 'woman director' in a field notoriously dominated by men. The reader is astonished on her behalf, at times infuriated, moved to laughter, and then to tears. *Lady Director: Adventures in Hollywood, Television, and Beyond* is one of its kind—highly recommended." —Joyce Carol Oates, author of *"Where Are You Going, Where Have You Been?" I'm No Angel - Ellen Tremper 2006

Have you ever wondered why there are so many "dumb blonde" jokes--always about women? Or how Ivanhoe's childhood love, the "flaxen Saxon" Rowena, morphed into Marilyn Monroe?

Between that season in 1847 when readers encountered Becky Sharp playing the vengeful Clytemnestra--about to plunge a dagger into Agamemnon--and the sunny moment in 1932 when moviegoers watched Clark Gable plunge Jean Harlow's platinum-tressed head into a rain barrel, the playing field for women and men had leveled considerably. But how did the fairy-tale blonde, that placid, pliant girl, become the "tomato upstairs," as Monroe styled herself in *The Seven Year Itch*? In *I'm No Angel: The Blonde in Fiction and Film*, Ellen Tremper shows how, at its roots, the image of the blonde was remodeled by women writers in the nineteenth century and actors in the twentieth to keep pace with the changes in real women's lives. As she

demonstrates, through these novels and performances, fair hair and its traditional attributes--patience, pliancy, endurance, and innocence--suffered a deliberate alienation, which both reflected and enhanced women's personal and social freedoms essential to the evolution of modernity. From fiction to film, the active, desiring, and sometimes difficult women who disobeyed, manipulated, and thwarted their fellow characters mimicked and furthered women's growing power in the world. The author concludes with an overview of the various roles of the blonde in film from the 1960s to the present and speculates about the possible end of blond dominance. An engaging and lively read, *I'm No Angel* will appeal to a general audience interested in literary and cinematic representations of the blonde, as well as to scholars in Victorian, women's, and film studies.

Who was Who on TV - Norman Chance
2011-01-07

The information herein was accumulated of fifty

some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, "Who was the guy that played such and such a role?" Enjoy!
