Who's who of Rhodesia, Mauritius, Central and East Africa - 1969

A Dictionary of Music and Musicians: T-Z and appendix - George Grove 1910

A Supplement to Allibone's Critical Dictionary of English Literature and British and American Authors - John Foster Kirk 1891

Athenae Britannicae - Myles Davies 1716

The Bibliographer's Manual of English Literature - William Thomas Lowndes 1864

Chambers' Edinburgh Journal - 1851

Possession and Ownership - Aleksandra IľUľr'evna Aikhenval'd 2013

Linguists and anthropologists explore the intriguing variety of possessive phrases denoting ownership of property, whole-part relations (such as body and plant parts), and blood and affinal kinship relations across a wide range of languages. Like others in the series this pioneering book will be equally valued in linguistics and anthropology.

Oxford English Dictionary Additions Series - J. A. Simpson 1997

This is the third in a major series of volumes supplementing the Second Edition of the Oxford English Dictionary. Volume 3 contains 3,000 new words and meanings from around the English-speaking world, including the UK (Citizen's Charter), North America (affluent, Clintonomics), Australia (beardie), and the West Indies (zouk). A wide variety of subjects is covered, including the sciences (buckyball,

nanotechnology, Tourette syndrome), finance (junk bond, negative equity), literary theory (metafiction), computing (freeware, core dump), and sport (basho, lowball).

South African Who's who - 1957

The Shorter Oxford English Dictionary on Historical Principles - William Little 1933

A Supplement to the Oxford English Dictionary: H-N - R. W. Burchfield 1972

These volumes replace the 1933 Supplement to the OED. The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary -- that is, between 1884, when the first fascicle of the letter A was published, and 1928, when the final section of the Dictionary appeared -- together with accessions to the English language in Britain and abroad from 1928 to the present day. Nearly all the material in the 1933 Supplement has been retained here, though in revised form (Preface).

English Plus, Level 1 - Ben Wetz 2011-07-21

English Plus is a flexible and supportive course that builds confidence through graded practice.

Holland House and Portugal, 1793-1840 - Jose Baptista de Sousa 2018-02-22

'Holland House and Portugal', a study in political and diplomatic history, focuses on the relations between Lord Holland and Portugal from 1793 to 1840. The book traces the evolution of Holland's views on Portugal from the time of his first visit to Spain to his later contribution to the establishment of a constitutional regime in Portugal. Lord Holland's influence on the establishment of a constitutional regime in Spain in 1809-10 and - indirectly and unintentionally - in Portugal in 1820-23 is examined at some length, as is his contribution to the establishment of a Liberal regime in Portugal in 1834. 'Holland House and Portugal' includes a study of the extent of Holland's support for the Portuguese Liberal cause after Dom Miguel's usurpation of the throne in 1828 and of his subsequent role in the 'Liberal invasion' of Portugal. The book also discusses Holland's contribution to the end of the Portuguese Civil War in 1834 and to the subsequent establishment of a constitutional regime in that country.

The Oxford Dictionary of American English - Oxford University Press 2005

The Workbook helps students get the most out of the Dictionary.

The Law Times - 1904

The English Plus Teacher's Resources offer a wealth of support so that you can

The Dictionary of Obscure Sorrows - John Koenig 2021-11-16

NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

Oxford Content and Language Support: History - Juan Carlos Ocaña 2010-08-26

A Thesaurus of English Word Roots - Horace Gerald Danner 2014-03-27

Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and

acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, *A Thesaurus of English Word Roots* places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.
