Clancy the Courageous Cow - Lachie Hume 2007-03-13

Clancy the cow is a misfit in his herd, but when he proves himself in the annual cow wrestling match, he demonstrates the foolishness of judging by appearances. Jr Lib Guild.

Nicholas in Trouble - René Goscinny 2013

The fifth book in the series about the much-loved cheeky French schoolboy and his friends. In this new collection of adventures, things are never easy for Nicholas and his gang: the shopkeeper won't let them buy chocolate, their teacher won't let them play Geoffrey's fantastic new game and Jeremy is none to pleased about the appearance of his new little brother. This international classic in children's fiction by Jean-Jacques Sempé (b.1932) and René Goscinny (1926 - 77) is now available to English-speaking children worldwide in a delightful translation by Anthea Bell. It features 16 stories written by one of the most successful children's authors of all time, with illustrations by one of today's best-loved illustrators. Aimed at readers from 7 upwards, these stories will be enjoyed by adults and children alike.

**The Book of Why** - Nicholas Montemarano 2013-01-08

"This is a haunting and extraordinary book." -- Julie Orringer, author of *The Invisible Bridge* Self-help writer Eric Newborn's motivational books have spawned a legion of devoted followers who swear that his ideas have pulled their lives from the brink. But after Eric can't save his own wife from dying, he finds himself at a loss -- the power of positive thinking is simply not enough to overcome his grief. Retreating to the home he and his wife shared on Martha's Vineyard, Eric, with his dog as his closest companion, attempts to distance himself from the teachings he has come to hate. But when a woman named Sam shows up at his door one night five years later, Eric must finally confront his heartache and reconcile his worldview with the pain he has suffered. At once a powerful love story, a stirring portrait of a soul laid bare by grief, and a celebration of coincidence, connection, and the belief that true love never dies, *The Book of Why* explores the deep powers of the heart and mind to shape the world around us, blurring the lines between loss and love, fate and free will, despair and joy.

**Object of Virtue** - Nicholas B.A. Nicholson 2004-04-15

A dazzling debut about the power of family and the pain of betrayal set within Manhattan's Fifth Avenue apartments, the opulent mansions of the new Moscow, and the pre-revolutionary palaces of Saint Petersburg. Sasha Ozerovsky is a young expert in Russian art at Leighton's, an exclusive Manhattan auction house. When a dealer arrives from Moscow with an exquisite 1913 Fabergé figurine, Sasha immediately recognizes a rare masterpiece. But in the high stakes art world, the price of an object is tied to its history. If Sasha can determine for whom the bejeweled piece was made and where it has been hiding for the past century, its value -- and Sasha's career -- will soar. But as Sasha moves between New York's high society and Russia's new rich, he discovers that the piece once belonged to his family, and he must face questions about their past that he never dared to ask. Superbly plotted and evoking the elegance of Russia's gilded age, *Object of Virtue* is an enthralling tale that explores what happens to a family torn between vanity and virtue.

*Skin in the Game* - Nassim Nicholas Taleb 2018-02-27

#1 NEW YORK TIMES BESTSELLER • A bold work from the author of *The Black Swan* that challenges many of our long-held beliefs about risk and reward, politics and religion, finance and personal responsibility In his most provocative and practical book yet, one of the foremost thinkers of our time redefines what it means to understand the world, succeed in a profession, contribute to a fair and just society, detect nonsense, and influence others. Citing examples ranging from Hammurabi to Seneca, Antaeus the Giant to Donald Trump, Nassim Nicholas Taleb shows how the willingness to accept one's own risks is an essential attribute of heroes, saints, and flourishing people in all walks of life. As always both accessible and iconoclastic, Taleb challenges long-held beliefs about the values of those who spearhead military interventions, make financial investments, and propagate religious faiths. Among his insights: • For

social justice, focus on symmetry and risk sharing. You cannot make profits and transfer the risks to others, as bankers and large corporations do. You cannot get rich without owning your own risk and paying for your own losses. Forcing skin in the game corrects this asymmetry better than thousands of laws and regulations. • Ethical rules aren't universal. You're part of a group larger than you, but it's still smaller than humanity in general. • Minorities, not majorities, run the world. The world is not run by consensus but by stubborn minorities imposing their tastes and ethics on others. • You can be an intellectual yet still be an idiot. "Educated philistines" have been wrong on everything from Stalinism to Iraq to low-carb diets. • Beware of complicated solutions (that someone was paid to find). A simple barbell can build muscle better than expensive new machines. • True religion is commitment, not just faith. How much you believe in something is manifested only by what you're willing to risk for it. The phrase "skin in the game" is one we have often heard but rarely stopped to truly dissect. It is the backbone of risk management, but it's also an astonishingly rich worldview that, as Taleb shows in this book, applies to all aspects of our lives. As Taleb says, "The symmetry of skin in the game is a simple rule that's necessary for fairness and justice, and the ultimate BS-buster," and "Never trust anyone who doesn't have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them."

**Nicholas. Ediz. Inglese** - René Goscinny 2005

In France and Germany practically every child of seven and upwards knows the adventures of Nicholas. Written by the author of *Asterix*, René Goscinny, and with illustrations by New Yorkerillustrator, Jean-Jacques Sempé, the five Nicholasbooks tell of the endearing exploits of the young French school boy and his chums. Available in twenty six languages and established as a literary cult figure, the sublimely innocent Nicholas has seduced millions of readers all over the world. Considered a classic and regularly used by primary and junior school teachers, these stories have the ability to delight both children and adults. Nicholasis the first of five titles to become available to English speaking children all over the world In some way similar to the cheekiness of Calvin and Hobbes and the innocence and naiveté of characters created by the Italian film maker Roberto Benigni, Goscinny and Sempé have created a world of confusion that makes you chuckle out load. Written between 1959 and 1965 these classic books are continually reprinted around the globe and offer, not only an entertaining read, but a vivid description of French life and culture

**A Troublesome Inheritance** - Nicholas Wade 2015-04-28

Drawing on startling new evidence from the mapping of the genome, an explosive new account of the genetic basis of race and its role in the human story Fewer ideas have been more toxic or harmful than the idea of the biological reality of race, and with it the idea that humans of different races are biologically different from one another. For this understandable reason, the idea has been banished from polite academic conversation. Arguing that race is more than just a social construct can get a scholar run out of town, or at least off campus, on a rail. Human evolution, the consensus view insists, ended in prehistory. Inconveniently, as Nicholas Wade argues in *A Troublesome Inheritance*, the consensus view cannot be right. And in fact, we know that populations have changed in the past few thousand years—to be lactose tolerant, for example, and to survive at high altitudes. Race is not a bright-line distinction; by definition it means that the more human populations are kept apart, the more they evolve their own distinct traits under the selective pressure known as Darwinian evolution. For many thousands of years, most human populations stayed where they were and grew distinct, not just in outward appearance but in deeper senses as well. Wade, the longtime journalist covering genetic advances for *The New York Times*, draws widely on the work of scientists who have made crucial breakthroughs in establishing the reality of recent human evolution. The most provocative claims in this book involve the genetic basis of human social habits. What we might call middle-class social

traits—thrift, docility, nonviolence—have been slowly but surely inculcated genetically within agrarian societies, Wade argues. These “values” obviously had a strong cultural component, but Wade points to evidence that agrarian societies evolved away from hunter-gatherer societies in some crucial respects. Also controversial are his findings regarding the genetic basis of traits we associate with intelligence, such as literacy and numeracy, in certain ethnic populations, including the Chinese and Ashkenazi Jews. Wade believes deeply in the fundamental equality of all human peoples. He also believes that science is best served by pursuing the truth without fear, and if his mission to arrive at a coherent summa of what the new genetic science does and does not tell us about race and human history leads straight into a minefield, then so be it. This will not be the last word on the subject, but it will begin a powerful and overdue conversation.

**The Child and the Book** - Nicholas Tucker 1990-09-13

This study considers the appeal of popular children's books from both a psychological and a literary viewpoint. It covers a range of reading matter including: picture books; fairy stories; myths and legends; comics and books for teenagers and adolescents.

**Tightrope** - Nicholas D. Kristof 2020-09-01

NATIONAL BESTSELLER • With stark poignancy and political dispassion Tightrope addresses the crisis in working-class America while focusing on solutions to mend a half century of governmental failure. This must-read book from the authors of *Half the Sky* “shows how we can and must do better” (Katie Couric). “A deft and uniquely credible exploration of rural America, and of other left-behind pockets of our country. One of the most important books I've read on the state of our disunion.”—Tara Westover, author of *Educated* Drawing us deep into an “other America,” the authors tell this story, in part, through the lives of some of the people with whom Kristof grew up, in rural Yamhill, Oregon. It’s an area that prospered for much of the twentieth century but has been devastated in the last few decades as blue-collar jobs disappeared. About a quarter of the children on Kristof’s old school bus died in adulthood from drugs, alcohol, suicide, or reckless accidents. While these particular stories unfolded in one corner of the country, they are representative of many places the authors write about, ranging from the Dakotas and Oklahoma to New York and Virginia. With their superb, nuanced reportage, Kristof and WuDunn have given us a book that is both riveting and impossible to ignore.

**Double Trouble** - Nicholas Eliopoulos 2009

When Titanium Chief captures Wasabi and his green flame and makes a duplicate of the little hero, it is up to Sushi Pack to locate the real Wasabi and save his friend from the dangerous grip of the evil villain in this exciting media tie-in to the television show “Sushi Pack.” Simultaneous.

**Nicholas on Holiday** - René Goscinny 2013

Nicholas on Holiday is part of the acclaimed series of classic and much-loved stories about the endearing exploits of the cheeky French schoolboy, Nicholas. All the stories in this volume take place by the sea, during the summer holidays. There are eventful fishing trips, treasure hunts in the middle of the night and a whole new gang of friends with whom Nicholas can get into trouble.

**VC** - Tom Nicholas 2019-06-03

“In principle, venture capital is where the ordinarily conservative, cynical domain of big money touches dreamy, long-shot enterprise. In practice, it has become the distinguishing big-business engine of our time...[A] first-rate history.” —New Yorker “An excellent and original economic history of venture capital.” —Tyler Cowen, *Marginal Revolution* “It is an article of faith that ready access to venture capital makes an economy more dynamic. Nicholas frames the case historically.” —Wall Street Journal “A detailed, fact-filled account of America’s most celebrated moneymen.” —New Republic VC tells the riveting story of how the venture capital industry arose from America’s longstanding identification with entrepreneurship and risk-taking. Whether the venture is a whaling voyage setting sail from New Bedford (as in VC’s infancy) or the latest Silicon Valley startup, VC is a state of mind as much as a way of doing business, exemplified by an appetite for seeking extreme financial rewards, a tolerance for failure and experimentation, and a faith in the promise of innovation to generate new wealth. Tom Nicholas’s authoritative history takes us on a roller coaster of entrepreneurial successes and setbacks. It describes how iconic firms like Kleiner Perkins and Sequoia invested in Genentech and Apple as it tells the larger story of VC’s birth and evolution, revealing along the way why it is such a quintessentially American institution—one that has proven difficult to recreate elsewhere.

**Godchildren** - Nicholas Coleridge 2011-12-29

An enthralling epic of love, money, power and revenge. On a luxurious Balinese island, the charismatic tycoon Marcus Brand entertains his six godchildren. By the end of the weekend, secrets will be revealed that will change everybody's life, a climax to the web of lies and betrayals spun over the course of thirty years. The godchildren are Charlie - the aristocratic Old Etonian, who's fascinated and enthralled by Marcus's wealth and who devotes his life to securing an inheritance; Mary - the daughter of one of Marcus's business colleagues, her life is blighted by tragedy; Jamie - feckless but utterly charming, he drifts from one job to another, crossing Marcus's path just once too often for comfort; Saffron - delicate and sensitive as well as stunningly beautiful, she is unaware of her power over men ... and of Marcus's power over her; Abigail - insecure and gauche, she blames Marcus for the disaster of her life; and Stuart - the working-class son of Marcus's dead chauffeur, he is torn between admiration and hatred for his supremely successful, capitalist godfather...

**The Trouble with Being Born** - E. M. Cioran 2013-02-01

Through a series of aphorisms, the Romanian philosopher meditates on the nature of being alive. In this volume, which reaffirms the uncompromising brilliance of his mind, Cioran strips the human condition down to its most basic components, birth and death, suggesting that disaster lies not in the prospect of death but in the fact of birth, “that laughable accident.” In the lucid, aphoristic style that characterizes his work, Cioran writes of time and death, God and religion, suicide and suffering, and the temptation to silence. Through sharp observation and patient contemplation, Cioran cuts to the heart of the human experience. “A love of Cioran creates an urge to press his writing into someone’s hand, and is followed by an equal urge to pull it away as poison.” —The New Yorker “In the company of Nietzsche and Kierkegaard.” —Publishers Weekly “No modern writer twists the knife with Cioran’s dexterity. . . . His writing . . . is informed with the bitterness of genuine compassion.” —Boston Phoenix “An orgy of cynicism and philosophical violence that circles around a ludicrous jibe . . . that the thing to be avoided at all costs is—yes!—getting born. The renewal of Species is an endless holocaust, and in this “fallen universe” the one unpardonable crime is to inflict Life on the unborn.” —The Irish Times (Ireland)

**Walk on the Wild Side** - Nicholas Oldland 2021-09-07

One day, a bear, a moose and a beaver go for a walk in the mountains. To make the hike more exciting, they decide to race to the top. But soon the friends fall into deep trouble. Who will give up their chance for glory to save the day?

**Nicholas** - Goscinny 2005-06-14

Available to English-speaking children for the first time, this worldwide classic is one of a five-book series that brings to life the day-to-day adventures of a young school boy--amusing, endearing, and always in trouble. Illustrations.

**Nicholas Again** - René Goscinny 2006-03-14

.A collection of stories which continues the adventures and misadventures of little Nicolas and his friends at school and at play.

**Every Breath** - Nicholas Sparks 2018-10-16

Treat yourself to an epic #1 New York Times bestselling love story that spans decades and continents as two people at a crossroads -- one from North Carolina and one from Zimbabwe -- experience the transcendence and heartbreak of true love. Hope Anderson has some important choices to make. At thirty-six, she's been dating her boyfriend, an orthopedic surgeon, for six years. With no wedding plans in sight, and her father recently diagnosed with ALS, she decides to use a week at her family's cottage in Sunset Beach, North Carolina, to ready the house for sale and mull over some difficult decisions about her future. Tru Walls has never visited North Carolina but is summoned to Sunset Beach by a letter from a man claiming to be his father. A safari guide, born and raised in Zimbabwe, Tru hopes to unravel some of the mysteries surrounding his mother's early life and recapture memories lost with her death. When the two strangers cross paths, their connection is as electric as it is unfathomable . . . but in the immersive days that follow, their feelings for each other will give way to choices that pit family duty against personal happiness in devastating ways. Illuminating heartbreaking regrets and enduring hope, *Every Breath* explores the many facets of love that lay claim to our deepest loyalties while asking a life-changing question: How long can a dream survive?

**A Bend in the Road** - Nicholas Sparks 2001-09-18

Fall in love with this small-town love story about a widower sheriff and a divorced schoolteacher who are searching for second chances -- only to

be threatened by long-held secrets of the past. Miles Ryan's life seemed to end the day his wife was killed in a hit-and-run accident two years ago. As deputy sheriff of New Bern, North Carolina, he not only grieves for her and worries about their young son Jonah but longs to bring the unknown driver to justice. Then Miles meets Sarah Andrews, Jonah's second-grade teacher. A young woman recovering from a difficult divorce, Sarah moved to New Bern hoping to start over. Tentatively, Miles and Sarah reach out to each other...soon they are falling in love. But what neither realizes is that they are also bound together by a shocking secret, one that will force them to reexamine everything they believe in—including their love.

*Transaction Man* - Nicholas Lemann 2019-09-10

An Amazon Best History Book of 2019 "A splendid and beautifully written illustration of the tremendous importance public policy has for the daily lives of ordinary people." —Ryan Cooper, *Washington Monthly* Over the last generation, the United States has undergone seismic changes. Stable institutions have given way to frictionless transactions, which are celebrated no matter what collateral damage they generate. The concentration of great wealth has coincided with the fraying of social ties and the rise of inequality. How did all this come about? In *Transaction Man*, Nicholas Lemann explains the United States'—and the world's—great transformation by examining three remarkable individuals who epitomized and helped create their eras. Adolf Berle, Franklin Delano Roosevelt's chief theorist of the economy, imagined a society dominated by large corporations, which a newly powerful federal government had forced to become benign and stable institutions, contributing to the public good by offering stable employment and generous pensions. By the 1970s, the corporations' large stockholders grew restive under this regime, and their chief theoretician, Harvard Business School's Michael Jensen, insisted that firms should maximize shareholder value, whatever the consequences. Today, Silicon Valley titans such as the LinkedIn cofounder and venture capitalist Reid Hoffman hope "networks" can reknit our social fabric. Lemann interweaves these fresh and vivid profiles with a history of the Morgan Stanley investment bank from the 1930s through the financial crisis of 2008, while also tracking the rise and fall of a working-class Chicago neighborhood and the family-run car dealerships at its heart. Incisive and sweeping, *Transaction Man* is the definitive account of the reengineering of America and the enormous impact it has had on us all.

*The Chronicles of Little Nicholas* - Sempé 1993

A little French boy recounts the many escapades that he and his classmates indulge in as they make their way through a year at primary school.

*The Trouble with France* - Alain Peyrefitte 1981

**Junk** - Nick Day 2018-07-15

Sylvia Samantha White is very good at finding--she just doesn't know exactly what all her "junk" is good for, not yet at least. But when completely ridiculous disaster strikes, she springs into action and uses her junk to create solutions to the town's troubles. A charming ode to collecting, creating, and following your bliss--even when you're not entirely sure where it will lead you.

*Marissa Mayer and the Fight to Save Yahoo!* - Nicholas Carlson 2015-01-06

A page-turning narrative about Marissa Mayer's efforts to remake Yahoo as well as her own rise from Stanford University undergrad to CEO of a \$30 billion corporation by the age of 38. When Yahoo hired star Google executive Mayer to be its CEO in 2012 employees rejoiced. They put posters on the walls throughout Yahoo's California headquarters. On them there was Mayer's face and one word: HOPE. But one year later, Mayer sat in front of those same employees in a huge cafeteria on Yahoo's campus and took the beating of her life. Her hair wet and her tone defensive, Mayer read and answered a series of employee-posed questions challenging the basic elements of her plan. There was anger in the room and, behind it, a question: Was Mayer actually going to be able to do this thing? **MARISSA MAYER AND THE FIGHT TO SAVE YAHOO!** is the inside story of how Yahoo got into such awful shape in the first place, Marissa Mayer's controversial rise at Google, and her desperate fight to save an Internet icon. In August 2011 hedge fund billionaire Daniel Loeb took a long look at Yahoo and decided to go to war with its management and board of directors. Loeb then bought a 5% stake and began a shareholder activist campaign that would cost the jobs of three CEOs before he finally settled on Google's golden girl Mayer to unlock the value lurking in the company. As Mayer began to remake Yahoo from a content company to a tech company, an internal civil war erupted. In

author Nicholas Carlson's capable hands, this riveting book captures Mayer's rise and Yahoo's missteps as a dramatic illustration of what it takes to grab the brass ring in Silicon Valley. And it reveals whether it is possible for a big lumbering tech company to stay relevant in today's rapidly changing business landscape.

*Nicholas on Vacation* - René Goscinny 2006-10-10

A collection of stories focuses on the whimsical adventures and misadventures of little Nicolas on vacation.

**Nicholas. Ediz. Inglese** - René Goscinny 2011

Nicholas is the first of five books that bring to life the day to day adventures of a young school boy - amusing, endearing and always in trouble. An only child, Nicholas, appears older at school than he does at home and his touchingly naive reaction to situations, cut through the preconceptions of adults and result in a formidable sequence of escapades. This first book in the series contains a collection of nineteen individual stories where, in spite of trying to be good, Nicholas and his friends always seem to end up in some kind of mischief. Whether in the school room, at home, or in the playground, their exuberance often takes over and the results are calamitous - at least for their teachers and parents. Whether confusing the photographer hired to take the class picture, dealing with having to wear glasses for the first time, or trying desperately to help the teacher when the school inspector pays a visit, Nicholas always manages to make matters worse

**Nicholas St. North and the Battle of the Nightmare King** - Laura Geringer 2011-10-04

Nicholas St. North, a daredevil swordsman seeking treasure in the fiercely guarded village of Santoff Claussen finds, instead, the great wizard Ombric Shalazar and a battle against the Nightmare King and his evil Fearlings--a battle Nicholas can win only if he finds five other Guardians in time.

**Heart Trouble at Hilltop** - Nicholas Allan 2000-01-01

HILLTOP HOSPITAL - HEART TROUBLE it's St Valentine's Day at Hilltop and hearts are pounding and pulses racing! Nurse Kitty sends a valentine card to Dr Matthews, but he's asked Sally out on a dinner date, oh, and there's that little problem of the cowardly lion who needs a heart transplant! Will there be heartache at Hilltop, or will it all end happily ever after?

**St. Nicholas in Trouble** - Felix Timmermans 1929

St. Nicholas runs out of sweets before he gets to the house of Cecilia, 'the best child in the whole world,' only to discover that he has no money to purchase additional supplies.

**Dying Is My Business** - Nicholas Kaufmann 2013-10-08

Given his line of work in the employ of a psychotic Brooklyn crime boss, Trent finds himself on the wrong end of too many bullets. Yet each time he's killed, he wakes a few minutes later completely healed of his wounds but with no memory of his past identity. What's worse, each time he cheats death someone else dies in his place. Sent to steal an antique box from some squatters in an abandoned warehouse near the West Side Highway, Trent soon finds himself stumbling into an age-old struggle between the forces of good and evil, revealing a secret world where dangerous magic turns people into inhuman monstrosities, where impossible creatures hide in plain sight, and where the line between the living and the dead is never quite clear. And when the mysterious box is opened, he discovers he has only twenty-four hours to save New York City from certain destruction, in *Dying Is My Business* by Nicholas Kaufmann.

*The Misadventures of Nicholas Nabb* - Jenny Moore 2021-05-28

A botched bread roll robbery spells trouble for Victorian sewer scamp, Nicholas Nabb--big trouble. But when a mysterious veiled widow, Annie, steps in to save him, it looks like his luck might finally be changing. Only Annie vanishes before they can become properly acquainted, leaving Nick with nothing but questions. Who is the lady behind the black veil? Why does she seem determined to help him? And, most importantly of all, where is she now? Nick will stop at nothing to find out.

**Message In A Bottle** - Nicholas Sparks 2011-04-07

In a moment of desolation on a windswept beach, Garrett bottles his words of undying love for a lost woman, and throws them to the sea. My dearest Catherine, I miss you my darling, as I always do, but today is particularly hard because the ocean has been singing to me, and the song is that of our life together . . . But the bottle is picked up by Theresa, a mother with a shattered past, who feels unaccountably drawn to this lonely man. Who are this couple? What is their story? Beginning a search that will take her to a sunlit coastal town and an unexpected confrontation, it is a tale that resonates with everlasting love and the enduring promise of redemption.

Half the Sky - Nicholas D. Kristof 2010-06-01

**#1 NATIONAL BESTSELLER** • A passionate call to arms against our era's most pervasive human rights violation—the oppression of women and girls in the developing world. From the bestselling authors of *Tightrope*, two of our most fiercely moral voices With Pulitzer Prize winners Nicholas D. Kristof and Sheryl WuDunn as our guides, we undertake an odyssey through Africa and Asia to meet the extraordinary women struggling there, among them a Cambodian teenager sold into sex slavery and an Ethiopian woman who suffered devastating injuries in childbirth. Drawing on the breadth of their combined reporting experience, Kristof and WuDunn depict our world with anger, sadness, clarity, and, ultimately, hope. They show how a little help can transform the lives of women and girls abroad. That Cambodian girl eventually escaped from her brothel and, with assistance from an aid group, built a thriving retail business that supports her family. The Ethiopian woman had her injuries repaired and in time became a surgeon. A Zimbabwean mother of five, counseled to return to school, earned her doctorate and became an expert on AIDS. Through these stories, Kristof and WuDunn help us see that the key to economic progress lies in unleashing women's potential. They make clear how so many people have helped to do just that, and how we can each do our part. Throughout much of the world, the greatest unexploited economic resource is the female half of the population. Countries such as China have prospered precisely because they emancipated women and brought them into the formal economy. Unleashing that process globally is not only the right thing to do; it's also the best strategy for fighting poverty. Deeply felt, pragmatic, and inspirational, *Half the Sky* is essential reading for every global citizen.

**Nicholas and the Gang** - René Goscinny 2011-09-19

Presents a collection of stories that focuses on the whimsical adventures and misadventures of little Nicolas and his friends, both in school and out.

**Safe Haven** - Nicholas Sparks 2010-09-14

In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the darkest

hour, love is the only true safe haven.

**George, Nicholas and Wilhelm** - Miranda Carter 2011-03-08

In the years before the First World War, the great European powers were ruled by three first cousins: King George V of Britain, Kaiser Wilhelm II of Germany, and Tsar Nicholas II of Russia. Together, they presided over the last years of dynastic Europe and the outbreak of the most destructive war the world had ever seen, a war that set twentieth-century Europe on course to be the most violent continent in the history of the world. Through brilliant and often darkly comic portraits of these men and their lives, their foibles and obsessions, Miranda Carter delivers the tragicomic story of Europe's early twentieth-century aristocracy, a solipsistic world preposterously out of kilter with its times.

**Voyagers** - Nicholas Thomas 2021-01-07

The extraordinary sixty-thousand-year history of how the Pacific islands were settled.

The Tribe That Lost Its Head - Nicholas Monsarrat 2012-05-24

Five hundred miles off southwest Africa lies the island of Pharamaul. In dense jungle live the notorious Maula tribe, kept under surveillance by a solitary District Officer and his young wife. When Chief-designate, Dinamaula, returns England with a spirited desire to speed the development of his people, political crisis erupts.

*There's Trouble Brewing* - Nicholas Blake 2017-05-12

A quiet English town is turned upside down by a grisly murder . . . Private detective and poet Nigel Strangeways has been invited to address the Maiden Astbury literary society in the sleepy and serene Dorset town. But all is not as peaceful as it seems. Local brewer Eustace Bunnett is on the warpath after his beloved dog is found dead in one of the Bunnett's Brewery vats. The grisly crime casts an air of suspicion over the whole town, but no culprit is found. When a body is discovered in the very same vat, gruesomely boiled down to its bones, Strangeways is called in to catch the killer and solve this very peculiar mystery in a town more perturbing than picturesque . . . "Blake's resourceful and well-read amateur investigator Nigel Strangeways is a distinctive sleuth." —The Times (London) "The Nicholas Blake books are something quite by themselves in English detective fiction." —Elizabeth Bowen

**Kings of the Wyld** - Nicholas Eames 2017-02-21

A retired group of legendary mercenaries get the band back together for one last impossible mission in this award-winning debut epic fantasy. "Fantastic, funny, ferocious." - Sam Sykes Clay Cooper and his band were once the best of the best, the most feared and renowned crew of mercenaries this side of the Heartwyld. Their glory days long past, the mercs have grown apart and grown old, fat, drunk, or a combination of the three. Then an ex-bandmate turns up at Clay's door with a plea for help—the kind of mission that only the very brave or the very stupid would sign up for. It's time to get the band back together. WINNER OF THE DAVID GEMMELL MORNINGSTAR AWARD FOR BEST FANTASY DEBUT. WINNER OF THE REDDIT/FANTASY AWARD FOR BEST DEBUT FANTASY NOVEL. For more from Nicholas Eames, check out: *Bloody Rose*
