

Live Fast Die Young The Wild Ride Of Making Rebel

Eventually, you will completely discover a additional experience and feat by spending more cash. still when? accomplish you say you will that you require to acquire those all needs in the manner of having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more vis--vis the globe, experience, some places, bearing in mind history, amusement, and a lot more?

It is your utterly own become old to work reviewing habit. along with guides you could enjoy now is **Live Fast Die Young The Wild Ride Of Making Rebel** below.

The Wild Robot - Peter Brown
2016-04-19

Wall-E meets Hatchet in this New York Times bestselling illustrated middle grade novel from Caldecott Honor winner Peter Brown Can a robot survive in the wilderness? When robot Roz opens her eyes for the first time, she discovers that she is all alone on a remote, wild island. She has no idea how she got there or what her purpose is--but she knows she needs to survive. After

battling a violent storm and escaping a vicious bear attack, she realizes that her only hope for survival is to adapt to her surroundings and learn from the island's unwelcoming animal inhabitants. As Roz slowly befriends the animals, the island starts to feel like home--until, one day, the robot's mysterious past comes back to haunt her. From bestselling and award-winning author and illustrator Peter Brown comes a heartwarming

and action-packed novel about what happens when nature and technology collide.

A Queer History of the United States - Michael Bronski

2012-05-15

Winner of a 2012 Stonewall Book Award in nonfiction The first book to cover the entirety of lesbian, gay, bisexual, and transgender history, from pre-1492 to the present. In the 1620s, Thomas Morton broke from Plymouth Colony and founded Merrymount, which celebrated same-sex desire, atheism, and interracial marriage. Transgender evangelist Jemima Wilkinson, in the early 1800s, changed her name to “Publick Universal Friend,” refused to use pronouns, fought for gender equality, and led her own congregation in upstate New York. In the mid-nineteenth century, internationally famous Shakespearean actor Charlotte Cushman led an openly lesbian life, including a well-publicized “female marriage.” And in the late 1920s, Augustus Granville Dill was fired by W. E. B. Du Bois from the NAACP’s

magazine the Crisis after being arrested for a homosexual encounter. These are just a few moments of queer history that Michael Bronski highlights in this groundbreaking book. Intellectually dynamic and endlessly provocative, A Queer History of the United States is more than a “who’s who” of queer history: it is a book that radically challenges how we understand American history. Drawing upon primary documents, literature, and cultural histories, noted scholar and activist Michael Bronski charts the breadth of lesbian, gay, bisexual, and transgender history, from 1492 to the 1990s, and has written a testament to how the LGBT experience has profoundly shaped our country, culture, and history. A Queer History of the United States abounds with startling examples of unknown or often ignored aspects of American history—the ineffectiveness of sodomy laws in the colonies, the prevalence of cross-dressing women soldiers in the Civil War, the impact of new technologies on

LGBT life in the nineteenth century, and how rock music and popular culture were, in large part, responsible for the devastating backlash against gay rights in the late 1970s. Most striking, Bronski documents how, over centuries, various incarnations of social purity movements have consistently attempted to regulate all sexuality, including fantasies, masturbation, and queer sex. Resisting these efforts, same-sex desire flourished and helped make America what it is today. At heart, *A Queer History of the United States* is simply about American history. It is a book that will matter both to LGBT people and heterosexuals. This engrossing and revelatory history will make readers appreciate just how queer America really is.

How to Read a Film - James Monaco 2009-05-08

James Monaco discusses the elements necessary to understand how a film conveys its meaning, and, more importantly, how the audience can best discern all that a film

is attempting to communicate. **Love You Forever** - Robert N. Munsch 1986

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Giant - Don Graham
2018-04-10

"Featuring James Dean, Rock Hudson, and Elizabeth Taylor, *Giant* is an epic film of fame and materialism, based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas. Isolating his star cast in the wilds of West Texas, director George Stevens brought together a volatile mix of egos, insecurities, sexual proclivities, and talent. Stevens knew he was overwhelmed with Hudson's promiscuity, Taylor's high diva-dom, and Dean's egotistical eccentricity. Yet he coaxed performances out of them that made cinematic history, winning Stevens the Academy Award for Best Director and garnering nine other nominations, including a nomination for Best Actor for

James Dean, who died before the film was finished. Don Graham chronicles the stories of Stevens, whose trauma in World War II intensified his ambition to make films that would tell the story of America; Edna Ferber, a considerable literary celebrity, who meets her match in the imposing Robert Kleberg, proprietor of the vast King Ranch; and Glenn McCarthy, an American oil tycoon; and Errol Flynn lookalike with a taste for Hollywood. Drawing on archival sources Graham's *Giant* is a comprehensive depiction of the film's production showing readers how reality became fiction and fiction became cinema. "--

Adapted from dust jacket.

Peacock Revolution - Daniel Delis Hill 2018-04-05

The Peacock Revolution in menswear of the 1960s came as a profound shock to much of America. Men's long hair and vividly colored, sexualized clothes challenged long established traditions of masculine identity. *Peacock Revolution* is an in-depth study

of how radical changes in men's clothing reflected, and contributed to, the changing ideas of American manhood initiated by a 'youthquake' of rebellious baby boomers coming of age in an era of social revolutions. Featuring a detailed examination of the diverse socio-cultural and socio-political movements of the era, the book examines how those dissents and advocacies influenced the youthquake generation's choices in dress and ideas of masculinity. Daniel Delis Hill provides a thorough chronicle of the peacock fashions of the time, beginning with the mod looks of the British Invasion in the early 1960s, through the counterculture street styles and the mass-market trends they inspired, and concluding with the dress-for-success menswear revivals of the 1970s Me-Decade.

The Fast Ride - Jack Gilden 2022-04

"The Fast Ride" is a story about a great racehorse, unfulfilled dreams, the exhilaration and steep price of

striving at all costs, and an American era in which getting everything you ever wanted could be the most unfulfilling sensation of them all"--
OK2BG - Jack Dunsmoor 2015
OK2BG is narrative nonfiction, a Memoir about a guy who wants to be a Mentor preferably to a teenager, so they can have a decent & meaningful conversation about stuff & preferably with a kid at-risk, or just otherwise lost, in order to help both the teenager as well as the determined subject of this story realize their unique potential & find or reinforce their place in the world. Overall, a chronicle about the author's attempt over several years to understand the question of 'why do I want to be a Mentor' which eventually helps him become a more insightful person. Subsequently in September, 2010 after a plague of teen suicides, Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at-risk, from bullying. After 5 years Jack has

categorized 2,000+ books in the form of Memoirs, Biographies & Autobiographies written by or about 1,000+ allegedly gay men. The primary message in OK2BG is to read & reassess before you run asunder!

Contemporary Authors - Joseph Palmisano 2006-08

Your students and users will find biographical information on more than 120,000 modern novelists, poets, playwrights, nonfiction writers, journalists and scriptwriters in the award-winning Contemporary Authors(r) series. Sketches typically include personal information, addresses, career history, writings, work in progress, biographical/critical sources and authors' comments and/or informative essays about their lives and work. Beginning with Vol. 187, Contemporary Authors(r) expanded its coverage to include more international authors, devoting 20% of each volume to authors from outside the U.S. For your convenience, a softcover cumulative index is published twice per year

(included in subscription)
Violet Bent Backwards Over
the Grass - Lana Del Rey
2020-09-29

The New York Times bestselling debut book of poetry from Lana Del Rey, *Violet Bent Backwards Over the Grass*. “Violet Bent Backwards Over the Grass is the title poem of the book and the first poem I wrote of many. Some of which came to me in their entirety, which I dictated and then typed out, and some that I worked laboriously picking apart each word to make the perfect poem. They are eclectic and honest and not trying to be anything other than what they are and for that reason I’m proud of them, especially because the spirit in which they were written was very authentic.” —Lana Del Rey Lana’s breathtaking first book solidifies her further as “the essential writer of her times” (The Atlantic). The collection features more than thirty poems, many exclusive to the book: Never to Heaven, The Land of 1,000 Fires, Past the Bushes Cypress Thriving,

LA Who Am I to Love You?, Tessa DiPietro, Happy, Paradise Is Very Fragile, Bare Feet on Linoleum, and many more. This beautiful hardcover edition showcases Lana’s typewritten manuscript pages alongside her original photography. The result is an extraordinary poetic landscape that reflects the unguarded spirit of its creator. *Violet Bent Backwards Over the Grass* is also brought to life in an unprecedented spoken word audiobook which features Lana Del Rey reading fourteen select poems from the book accompanied by music from Grammy Award-winning musician Jack Antonoff.

Dillinger's Wild Ride - Elliott J. Gorn 2011-09-29

Presents an account of the activities of the Dillinger gang in 1933 and 1934 when they robbed over a dozen banks. *The Making of Rebel Without a Cause* - Douglas L. Rathgeb 2015-06-08

In 1954, troubled director Nicholas Ray chatted at a dinner party about his controversial plan for a film

about middle-class juvenile delinquents. He was told of a book, written by a prison psychologist and owned by Warner Bros., called *Rebel Without a Cause*. Though he was initially unimpressed, Ray adapted the book into his own screenplay and Warner Bros. hired him to direct what would become a classic. From the backgrounds of the many players to the pre-production, production, and post-production of the film, this complete history recounts every aspect of *Rebel Without a Cause* from its rudiments to the 1955 Academy Awards: the selection of cast and crew, legal fights, changing screenwriters and the many variations of the story, location scouting, auditions, script readings, difficulties with the censors, romances and fights, the editing, test screenings, and, of course, the death of its star. Dozens of intimate anecdotes, from wardrobe decisions to James Dean's pranks, add rich detail. An epilogue discusses the possible sequels, rights conflicts,

documentaries, musicals, and spin-off attempts, and offers concluding words on the cast and crew.

Various Positions - Ira B. Nadel 2007-10-01

Known as the "Prince of Bumpers," Leonard Cohen is a multi-talented poet, singer-songwriter, novelist, and Zen Buddhist whose career has spanned more than forty years and inspired countless other artists. In this critically acclaimed biography originally published in 1996 by Pantheon Books, Ira Nadel draws on extensive interviews with Cohen, as well as excerpts from his unpublished letters, journals, notebooks, songs, and other writings, to offer a full portrait of this enigmatic man and his artistic career. A new concluding chapter brings Cohen's story up-to-date, including the release of the albums *Dear Heather*, *Ten New Songs*, *The Essential Leonard Cohen*, and *Blue Alert*, as well as the publication of *Book of Longing* and the screening of the documentary film *Leonard Cohen, I'm Your Man*.

American Stranger - Will Scheibel 2017-02-02

Rebel - Donald Spoto 2000-08-22

This authoritative biography of film icon James Dean offers a clear-eyed look at the actor who crossed America's cinematic landscape with the brilliance and brevity of a meteor.

No Promises in the Wind (DIGEST) - Irene Hunt 2002-01-08

From the Newbery Award-winning author of *Across Five Aprils* and *Up a Road Slowly* comes a tale of a brave young man's struggle to find his own strength during the Great Depression. "A powerfully moving story."—Chicago Daily News In 1932, American's dreams were simple: a job, food to eat, a place to sleep, and shoes without holes. But for millions of people these simple needs were nothing more than dreams. At fifteen years of age, Josh has to make his own way through a country of angry and frightened people. This is the story of a young

man's struggle to find a life for himself in the most turbulent of times.

The Advocate - 2005-11-08

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine.

Established in 1967, it is the oldest continuing LGBT publication in the United States.

After Ever Happy - Anna Todd 2015-02-24

The romance between Tessa and Harry continues as forces try to tear them apart. By the author of *After Ever Happy* and *After We Fell*. Original.

The Horse who Drank the Sky - Murray Pomerance 2008

The author argues in this book that what is most important for cinema is that we are alive with it and that for all its dramatic, literary, political, sociological, and philosophical weight, film is ultimately an art that provokes, touches, and riddles the viewer through an image that transcends narrative and theory.

Scoring the Hollywood Actor in the 1950s - Gregory Camp 2020-12-31

Scoring the Hollywood Actor in the 1950s theorises the connections between film acting and film music using the films of the 1950s as case studies. Closely examining performances of such actors as James Dean, Montgomery Clift, and Marilyn Monroe, and films of directors like Elia Kazan, Douglas Sirk, and Alfred Hitchcock, this volume provides a comprehensive view of how screen performance has been musicalised, including examination of the role of music in relation to the creation of cinematic performances and the perception of an actor's performance. The book also explores the idea of music as a temporal vector which mirrors the temporal vector of actors' voices and movements, ultimately demonstrating how acting and music go together to create a forward axis of time in the films of the 1950s. This is a valuable resource for scholars and researchers of musicology, film music and film studies more generally.

Into the Wild - Jon Krakauer

2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had

Downloaded from
latitudenews.com on by
guest

roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for

his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Jesse James and the Movies - Johnny D. Boggs 2014-01-10

This illustrated filmography analyzes the plots and players of the more than forty motion pictures about the legendary Missouri outlaw Jesse James (1847-1882), from the silent era to the 21st century. Among the films and actors covered are *Jesse James* (1939) with Tyrone Power, *Kansas Raiders* (1950) with Audie Murphy, *The Great Northfield Minnesota Raid* (1972) with Robert Duvall,

and *The Assassination of Jesse James by the Coward Robert Ford* (2007) with Brad Pitt. Each evaluation compares Hollywood's version of history to the hard facts. A brief biography of the outlaw provides an overview of his life and career. Also examined are European films, made-for-television movies and continuing TV series that have featured episodes involving Jesse James.

Acting - Claudia Springer
2015-08-18

Screen performances entertain and delight us but we rarely stop to consider actors' reliance on their craft to create memorable characters. Although film acting may appear effortless, a host of techniques, artistic conventions, and social factors shape the construction of each role. The chapters in *Acting* provide a fascinating, in-depth look at the history of film acting, from its inception in 1895 when spectators thrilled at the sight of vaudeville performers, Wild West stars, and athletes captured in

motion, to the present when audiences marvel at the seamless blend of human actors with CGI. Experts in the field take readers behind the silver screen to learn about the craft of film acting in six eras: the silent screen (1895-1928), classical Hollywood (1928-1946), postwar Hollywood (1947-1967), the auteur renaissance (1968-1980), the New Hollywood (1981-1999), and the modern entertainment marketplace (2000-present). The contributors pay special attention to definitive performances by notable film stars, including Lillian Gish, Dick Powell, Ginger Rogers, Beulah Bondi, Marilyn Monroe, Marlon Brando, Jack Nicholson, Robert De Niro, Nicholas Cage, Denzel Washington, and Andy Serkis. In six original essays, the contributors to this volume illuminate the dynamic role of acting in the creation and evolving practices of the American film industry. *Acting* is a volume in the *Behind the Silver Screen* series—other

titles in the series include Animation; Art Direction and Production Design; Cinematography; Costume, Makeup, and Hair; Directing; Editing and Special/Visual Effects; Producing; Screenwriting; and Sound.

Natalie Wood - Rebecca Sullivan 2016-06-10

Throughout her career, Natalie Wood teetered precariously on the edge of greatness. Trained in the classical Hollywood studio style, but best mentored by Method directors, Wood was the ideal actress for roles depicting shifting perceptions of American womanhood.

Nonetheless, while many of her films are considered classics of mid-twentieth century American cinema, she is less remembered for her acting than she is for her mysterious and tragic death. Rebecca Sullivan's lucid and engaging study of Natalie Wood's career sheds new light on her enormous, albeit uneven, contributions to American cinema. This persuasive text argues for renewed appreciation of Natalie Wood

by situating her enigmatic performances in the context of a transforming star industry and revolutionary, post-war sexual politics.

Real Life Rock - Greil Marcus
2015-01-01

The Washington Post hails Greil Marcus as our greatest cultural critic. Writing in the London Review of Books, D. D. Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson. For nearly thirty years, he has written a remarkable column that has migrated from the Village Voice to Artforum, Salon, City Pages, Interview, and The Believer and currently appears in the Barnes & Noble Review. It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements, teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission. Published to complement the paperback edition of *The History of Rock*

& Roll in Ten Songs, Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, astute, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

Into the Jungle - Erica Ferencik
2021-01-26

In this “hypnotic, violent, unsparing” (A.J. Banner, USA TODAY bestselling author) thriller from the author of the “haunting, twisting thrill ride” (Megan Miranda, New York Times bestselling author) *The River at Night*, a young woman leaves behind everything she knows to take on the Bolivian jungle, but her excursion abroad quickly turns into a fight for her life. Lily Bushwold thought she’d found the antidote to endless foster care and group homes: a gig teaching English in Cochabamba, Bolivia. As soon as she could steal enough cash for the plane, she was on it. But the program was a scam. And bonding with other broke,

rudderless girls in the local youth hostel wasn’t the answer. Falling crazy in love with Omar, a savvy, handsome local who’d left his life as a hunter in Ayachero—a remote jungle village—to try city life: this was the last thing Lily could have imagined. When Omar learns that a jaguar had killed his four-year-old nephew in Ayachero, he gives Lily a choice: stay alone in the unforgiving city, or travel to the last in the ever-more-isolated string of river towns in the jungles of Bolivia. Thirty-foot anacondas? Puppy-sized spiders? Vengeful shamans with unspeakable powers? None of it matters to love-struck Lily. She follows Omar to a ruthless new world of lawless poachers, bullheaded missionaries, and desperate indigenous tribes driven to the brink of extinction. To survive, Lily must navigate the jungle—and all its residents—using only her wits and resilience. “Gripping, breathtaking, and exquisitely told—*Into the Jungle* pulls you into another world, returning

you forever transformed”
(Wendy Walker, USA TODAY
bestselling author).

**Lonely Places, Dangerous
Ground** - Steven Rybin

2014-02-01

A range of approaches to the director’s life and work. The director of such classic Hollywood films as *In a Lonely Place*, *Johnny Guitar*, and *Rebel Without a Cause*, Nicholas Ray nevertheless remained on the margins of the American studio system throughout his career, and despite his cult status among auteurist critics and cinephiles, he has also remained at the margins of film scholarship. *Lonely Places, Dangerous Ground* offers twenty new essays by international film historians and critics that explore the director’s place in the history of the Hollywood industry and in the larger institution of cinema, as well as a 1977 interview with Ray that has never before been published in its entirety in English. In addition to readings of Ray’s most celebrated films, the book provides a range of approaches

to his life and work, engaging new questions of his cinematic authorship with areas that include history and culture, politics and society, gender and sexuality, style and genre, performance, technology, and popular music. The collection also looks at Ray’s lesser-known and underappreciated films, and devotes attention to the highly experimental *We Can’t Go Home Again*, his recently restored final film made in the 1970s with his students at Binghamton University, State University of New York. Rediscovering what Ray means to contemporary film studies, the essays show how his films continue to possess a vital power for film history and criticism, and for film culture.

Out of My Mind - Sharon M. Draper 2012-05

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Live Fast, Die Young - John

Gilmore 1998-08-13

Drawing on letters, diaries, and tape-recorded conversations, the author recounts his friendship with Dean, including their sexual relationship, and reveals Dean's feelings about his success, his parents, and death

Teenage Thunder - A Front Row Look at the 1950s

Teenpics - Mark Thomas McGee

"Man, I believe the older generation doesn't want the younger generation have any fun," complained one Arizona high school student in the midst of what has often been called "The Fabulous Fifties." For the first time in history, thanks to a booming post-war economy and an emerging middle class, teenagers had money to spend. They developed their own culture, language and fashion and by 1957 it was their music coming out of the radios and the jukeboxes, and their movies that were out-grossing the big block-busters. This exercise of new power was seen by the old guard as a threat to the social

fabric of America. They declared war on everything the kids liked, claiming that everything they liked was turning them into juvenile delinquents. "[F]ascinating factoids and archival quotes. Generously illustrated with relevant posters and stills, TEENAGE THUNDER is a must-read for fans of '50s genre fare." - THE PHANTOM OF THE MOVIES' VIDEOSCOPE

[Live Fast, Die Young](#) -

Lawrence Frascella 2005-10-04
When it was released in 1955, the film *Rebel Without a Cause* had a revolutionary impact on moviemaking and youth culture, virtually giving birth to our concept of the American teenager. For the first time, *Live Fast, Die Young* tells the complete story of the explosive making of *Rebel*, a film that has rocked every generation since its release. Set against a backdrop of the Atomic Age and an old Hollywood studio system on the verge of collapse, it vividly evokes the cataclysmic, immensely influential meeting of four of

Hollywood's most passionate artists. When James Dean, Natalie Wood, Sal Mineo, and director Nicholas Ray converged, each was at a crucial point in his or her career. The young actors were grappling with fame, their burgeoning sexuality, and increasingly reckless behavior. As Ray engaged his cast in physical melees and psychosexual seductions of startling intensity, the on- and off-set relationships between his ambitious young actors ignited, sending a shock wave through the film. Through interviews with the surviving members of the cast and crew and firsthand access to both personal and studio archives, Lawrence Frascella and Al Weisel reveal Rebel's true drama -- the director's affair with sixteen-year-old Wood, his tempestuous "spiritual marriage" with Dean, and his role in awakening the latent homosexuality of Mineo, who would become the first gay teenager to appear on film. Complete with thirty photographs, including ten

never-before-seen photos by famed Dean photographer Dennis Stock, *Live Fast, Die Young* tells the absorbing inside story of an unforgettable and absolutely essential American film -- a story that is, in many ways, as provocative as the film itself.

Slim and None - Howard Baldwin 2014-09-05

From his start as an owner in the World Hockey Association at the age of 28 ("slim and none" was a Boston sportswriter's assessment of Howard's chances when he was first awarded the New England Whalers franchise), to winning the Stanley Cup with the Pittsburgh Penguins and then on to Hollywood success, sports entrepreneur and film producer Howard Baldwin recounts his spirited and hugely entertaining life story. Howard Baldwin has lived his life according to his belief that the life best-lived is one in which we pursue our heart's desire. He never met a challenge he couldn't beat. Beginning with his move at the age of twenty-eight from an

entry-level position in the ticket office of the Philadelphia Flyers to acquiring and building his own WHA franchise in New England, Howard has built an impressive reputation as a pioneer — and a maverick — in the world of professional hockey. As President of the WHA, Baldwin led the merger with the NHL, and then later became a key figure in the expansion of North American hockey into Russia. Topping his journey in hockey off with a stint as chairman of the Pittsburgh Penguins, he then moved successfully into the film industry, producing a number of outstanding films including the Academy-Award winning *Ray*. *Slim and None* is a story of perseverance, persistence, and ultimately, personal fulfillment. Baldwin and Milton have crafted an intimate portrait of a life within hockey spanning from the rebellious 1970s to the tumultuous 1990s and beyond into the exciting world of the movies.

Proud Highway - Hunter S. Thompson 2012-08-01

Here, for the first time, is the private and most intimate correspondence of one of America's most influential and incisive journalists--Hunter S. Thompson. In letters to a Who's Who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez--not to mention his mother, the NRA, and a chain of newspaper editors--Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor-sharp perspective. Passionate in their admiration, merciless in their scorn, and never anything less than fascinating, the dispatches of *The Proud Highway* offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur/provocateur ever to assault a typewriter.

[Wild Ride](#) - Chantal Fernando

Dragons MC series, as rival club president Talon has to decide what's more dangerous: facing down the WDMC, or losing his heart to a woman under their protection. Talon has a complicated relationship with the Wind Dragons Motorcycle Club. He's the president of their rival club, the Wild Men, but he's also related to one of their members—who hates him. He could handle that, but he's also got problems in his own club; someone is leaking information and disrupting their business, but Talon can't find the mole. So the last thing he needs is even more complication in the form of a beautiful single mother who's bolder than half the bikers on his squad. But he can't take his eyes—or his hands—off her... Tia's always been a little reckless, up for a good time wherever she found it, but she's also a great mom to her young son. So even though she thinks Talon is basically sex on a stick, when she realizes she wants to be more to him than just a club groupie, she has to take things

a bit slow. Plus, a momentary attraction, no matter how smoking hot, isn't worth risking her son's happiness in any way. Is there any chance that Talon might be up for a more permanent arrangement? Or has Tia leapt before looking once again?

Vengeance Road - Erin Bowman 2015

When her father is murdered for a journal revealing the location of a hidden gold mine, eighteen-year-old Kate Thompson disguises herself as a boy and takes to the gritty plains looking for answers -- and justice. What she finds are untrustworthy strangers, endless dust and heat, and a surprising band of allies, among them a young Apache girl and a pair of stubborn brothers who refuse to quit riding in her shadow. But as Kate gets closer to the secrets about her family, a startling truth becomes clear: some men will stop at nothing to get their hands on gold, and Kate's quest for revenge may prove fatal.

A Practical Way to Get Rich

. . . and Die Trying - John Roa
2020-09-08

"A scathingly honest memoir of entrepreneurship's dark reality... I would advise every entrepreneur--or anyone who dreams of becoming one--to read this book." --Eric Schurenberg - CEO, Fast Company and Inc. A young tech entrepreneur's memoir of building his hugely successful company and the mental and physical price he paid for it At the age of twenty-six, John Roa was an aspiring but struggling entrepreneur. He was broke, racking up debt, and ready to give up on his dream of being self-made. In a final effort, he founded the design firm ÄKTA, which quickly became one of the fastest growing startups in America, and just five years later, he sold it for a fortune to Salesforce, the largest company in San Francisco. This is his account of rising from a self-described below-average student to becoming a poster boy for the successful young entrepreneur, while nearly destroying himself in the process. His journey is an

absurd, twisting, and often comical story of talent, luck, rapidly changing technology, larger-than-life personalities, sex, gambling, and excessive alcohol and drug consumption—which ultimately took their toll, resulting in a spectacular burnout that he almost didn't survive. As he healed in the aftermath, he began to question the ethos that had brought him to that dark place, and over time, came to realize how common these debilitating issues are in entrepreneurship, even if they are rarely discussed openly. Rather than another glamorous rags-to-riches saga, *A Practical Way to Get Rich . . . and Die Trying* is a cautionary and deeply honest memoir about the price of success for ambitious young people, who are so often unprepared for the adversity, mental health issues, and abuse that can come along with "making it." It also serves as the foundation for a campaign of honesty and vulnerability, in an industry that currently lacks both.

Natalie Wood (Turner Classic

Movies) - Manohar Bowman
2016-10-11

"The first family-authorized photographic study of Natalie Wood, and the first book to examine her glamorous film career as well as her private, off-screen life as a wife and mother"--Front jacket flap.

The Castle on Sunset -

Shawn Levy 2020-04-28

The definitive—and salacious—history of the iconic hotel that Hollywood stars have called a home away from home for almost a century.

"Fascinating, dishy, and glimmering with insight.... This is the definitive book about Hollywood's most storied hotel." —Cheryl Strayed, bestselling author of *Wild*
Since 1929, Hollywood's brightest stars have flocked to the Chateau Marmont as if it were a second home. An apartment building-turned-hotel, the Chateau has been the backdrop for generations of gossip and folklore: where director Nicholas Ray slept with his sixteen-year-old Rebel Without a Cause star Natalie Wood; Jim Morrison swung

from the balconies; John Belushi suffered a fatal overdose; and Lindsay Lohan got the boot after racking up nearly \$50,000 in charges in less than two months. But despite its mythic reputation, much of what has happened inside the Chateau's walls has eluded the public eye—until now. With wit and insight, Shawn Levy recounts the wild revelries and scandalous liaisons, the creative breakthroughs and marital breakdowns, the births and deaths to which the hotel has been a party. Vivid, salacious, and richly informed, *The Castle on Sunset* is a glittering tribute to Hollywood as seen from inside the walls of its most hallowed hotel.

The Couple Next Door - Shari Lapena 2016-08-23

A NEW YORK TIMES

BESTSELLER Another thrilling domestic suspense novel from the New York Times bestselling author of *Not a Happy Family*
"The twists come as fast [as] you can turn the pages."

—People "I read this novel at one sitting, absolutely riveted

by the storyline. The suspense was beautifully rendered and unrelenting!" —Sue Grafton It all started at a dinner party. . . . A domestic suspense debut about a young couple and their apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . . Anne and Marco Conti seem to have it all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets they've kept for years. What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and

unfaithfulness that will keep you breathless until the final shocking twist.

Electronic Media - Norman J. Medoff 2016-12-01

Electronic Media: Then, Now, and Later provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media. The Then, Now, and Later approach focuses on how past innovations laid the groundwork for changing trends in technology, providing the opportunity and demand for evolution in both broadcasting and digital media. An updated companion website provides links to additional resources, chapter summaries, study guides and practice quizzes, instructor materials, and more. This new edition features two new chapters: one on social media, and one on choosing your entertainment and information experience. The then/now/later thematic structure of the book helps instructors draw parallels (and contracts) between media history and current events, which helps get students more

engaged with the material. The book is known for its clear, concise, readable, and engaging writing style, which students and instructors alike

appreciate. The companion website is updated and offers materials for instructors (an IM, PowerPoint slides, and test bank)
