To Bless the Space Between Us - John O'Donohue 2008-03-04

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains “blessing” as a way of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

Christian Symbol and Ritual - Bernard Cooke 2005-09-08

In *Christian Symbol and Ritual*, Bernard Cooke and Gary Macy offer an accessible and engaging introduction to the topic written from a non-denominational perspective. Cooke and Macy demonstrate that celebration, ritual, and symbol are already central to our lives, even though most do not see their actions as symbolic or ritualistic. They connect central Christian symbols to the symbols and rituals already present in everyday life and place Christian theology in a familiar context. After discussing the characteristics and functions of rituals, they explore different kinds of ritual, including those of friendship, worship, and healing. The authors also examine such questions as how rituals establish and maintain power relationships, how "official" rituals are different from "popular" Christian rituals and devotions, and how Christian rituals function in the process of human salvation. *Christian Symbol and Ritual* is an invaluable resource for students, teachers, and lay readers.

The Grace Outpouring - Roy Godwin 2012-10-01

An inspiration for the creation of houses of prayer around the world, *The Grace Outpouring* is a captivating account of spiritual renewal on a Welsh hillside. When Roy Godwin turned his back on a lucrative

consulting job to lead the quiet retreat center Ffald-y-Brenin in West Wales, he wasn't sure what was next. Then God showed up. In the years since the Godwins welcomed their first surprise guests to Ffald-y-Brenin, God has drawn thousands of seekers to this converted hill-farm with a tangible presence of healing and power. Along with its accompanying study guide, *The Grace Outpouring* offers fascinating stories of God's work on a remote hillside as well as inspiring insight into how God can work in readers' own communities.

[Sport and the Spiritual Life](#) - Anthony M J Maranise Oblsb 2013-12

The "wide world of sports," as it's often called, has quite obviously become a cultural phenomenon. In the United States alone, sports generate more than 400 billion dollars annually. However, for its many athlete-participants, coaches, fans, and investors, it provides much more than simple monetary value. While some critics see modern sport (especially those known for their rather intense physical contact) as somewhat "brutish" or even, "uncivilized," sport itself, when played with proper intentions, provides unlimited opportunities for positive human growth, including even that of a spiritual nature. Known perhaps as "the greatest of Christian missionaries," St. Paul, who also gained the title, "the athlete of Christ," for his frequent use of athletically-themed metaphors throughout the New Testament, encouraged the faithful to "pray without ceasing" (1 Thessalonians 5:17 NAB). While his exhortation may seem challenging, participation in sports provide a refreshing opportunity to embrace such a deep spirituality, rather than providing an impediment to it. In the first year of his Pontificate, Pope Francis acknowledged both the importance of sport as a worldwide cultural phenomenon, while also recognizing within it the inherent and numerous opportunities for growth in the Christian spiritual life. He said, "I ask that you 'live your sport' as a gift from God, an opportunity not only to bring your talents to fruition, but also as a responsibility to God and all of the human family." Within "Sport & the Spiritual Life: The Integration of Playing and Praying," we are challenged to view sport not simply as yet another worldly distraction, amusement, or task on an already hectic schedule, but rather to view it as an opportunity to discover God "in the here and now;" to communicate with Him in every play; every movement; every moment... To ultimately recognize that sport is a "school of virtue" wherein we learn that God transforms even our most profane activities into sacred ones wherein He may be glorified and we may have the honor of praising He who is most deserving.

Christ in the Storm - Pope Francis 2020-10-02

Winner of a third-place award in Pope Francis books from the Catholic Media Association. "Why are you afraid? Have you no faith?"—Mark 4:40 As he calmed the storm at sea, Jesus reproached the apostles for their lack of faith. On March 27, 2020, Pope Francis used the Gospel passage as a sign of God's forgiveness and healing during the Extraordinary Urbi et Orbi Blessing from an empty St. Peter's Square. Even more than a year later, the Holy Father's words offer hope to a world that continues to fight its way back from the COVID-19 darkness. *Christ in the Storm* is the first book on the Pope's powerful and hopeful message during what we now know was just the beginning of the worldwide pandemic. This beautifully designed hardcover book gathers color photos, readings, the pope's homily and blessing, and also provides explanation of the symbolism and history throughout the event to create a powerful reminder that Jesus is always with us and that God's love never fails. It is not only a stunning keepsake of the Holy Father's important blessing, but more importantly a prayer resource you will return to again and again. An Urbi et Orbi Blessing (Urbi et Orbi means "to the city and to the world") is usually reserved for Christmas and Easter, but Pope Francis used his powerful and moving message to unite the world in prayer in the wake of the coronavirus. History will remember the dramatic images of the Holy Father walking alone in St. Peter's Square at twilight in the rain and his profound words of hope. The Pope said, "Faith begins when we realize we are in need of salvation. We are not self-sufficient; by ourselves we flounder: we need the Lord, like ancient navigators needed the stars. Let us invite Jesus into the boats of our lives. Let us hand over our fears to him so that he can conquer them. Like the disciples, we will experience that with him on board there will be no shipwreck. Because this is God's strength: turning to the good everything that happens to us, even the bad things. He brings serenity into our storms, because with God life never dies." In addition to reading about the historical background of the event, you also will learn the significance of elements of the unique and deeply moving service, including the icon of Mary, Health of the Roman People the Miraculous Crucifix plenary indulgence prayers such as the Litany of Supplication Eucharistic Adoration Chants such

Prayer - Philip Yancey 2008-09-09

Philip Yancey probes the very heartbeat of our relationship with God: prayer. What is prayer? Does it change God's mind or ours or both? This book is an invitation to communicate with God the Father who invites us into an eternal partnership through prayer. Polls reveal that 90 percent of people pray. Yet prayer, which should be the most nourishing and uplifting time of the believer's day, can also be frustrating, confusing, and fraught with mystery. Writing as a fellow pilgrim, bestselling author Philip Yancey probes such questions as: Is God listening? Why should God care about me? If God knows everything, what's the point of prayer? Why do answers to prayer seem so inconsistent? Why does God sometimes seem close and sometimes seem far away? How can I make prayer more satisfying? In this powerful read, Yancey tackles the tough questions and, in the process, comes up with a fresh new approach to this timeless topic. "I have learned to pray as a privilege, not a duty," he says, and he invites you to join him on this all-important journey.

Praying Christians are hungry to learn how to connect with God in a way that takes them beyond the typical grocery-list approach. *Transforming Prayer* explores the profound difference between seeking God's hand (what he does for people) and seeking God's face (who he really is). With captivating stories of the transformative power of personal worship and its connection with prayer, this book equips readers with practical tools for a more effective personal and corporate prayer life.

She Who Prays - Jane Richardson Jensen 2005-01-01

She Who Prays: A Woman's Interfaith Prayer Book offers women a new way to pray. Drawing on feminine images of God - and on the language and experience of women - it helps women tap into their own rich and unique spirituality. Readers will find a wealth of prayers from a variety of traditions - early Christian, Native American, and others. With a liturgical calendar honoring the lives of women of all faiths, along with rituals for group celebrations such as weddings and the welcoming of a child, *She Who Prays* will help women speak to God in their own voices. Jane Richardson Jensen, an author, translator, and scholar specializing in early Christian literature, is co-chaplain of Clare's Place, a women's spirituality center in College Station, Texas. Patricia Harris-Watkins, chaplain of Clare's Place, is a scholar specializing in English as a second language. She has taught workshops in dream interpretation and vision quests, and integrates her Native American spirituality with her Christian faith.

A Simple Blessing - Michael W. Smith 2011-03-22

Something wonderful and life-changing has been happening at Michael W. Smith's concerts. Recently he began closing the evening with a simple prayer of blessing woven from Scripture. The response has been overwhelming. The emails and letters of testimony are like nothing he has ever experienced in his 25 years of ministry. Far from being a 'magical' formula for extracting wealth and possessions from God, he has discovered that God's blessings are measured more by the flourishing of character in adversity than by the

flourishing of stuff. The amazing result of God's true blessing is overflowing joy and peace. Unfortunately, many are robbed of the promise of blessing because they seek to be blessed more than to bless others. This beautiful work, written with writer Thomas Williams, will inspire readers to examine their hearts and learn to experience God's blessing as they seek to bless others, thus discovering the secret to drawing near to the heart of God.
