

Like Dreamers The Story Of The Israeli Paratroopers Who Reunited Jerusalem And Divided A Nation

Eventually, you will unconditionally discover a further experience and finishing by spending more cash. yet when? complete you assume that you require to acquire those all needs subsequently having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more in relation to the globe, experience, some places, past history, amusement, and a lot more?

It is your unquestionably own mature to law reviewing habit. in the midst of guides you could enjoy now is **Like Dreamers The Story Of The Israeli Paratroopers Who Reunited Jerusalem And Divided A Nation** below.

The Story of Israel - Martin Gilbert 2011

Traces the country's history, from Theodor Herzl's proposal for a Jewish state and the first settlers in Palestine to the turbulent peace talks between the Israelis and Palestinians, with photographs, maps, and facsimiles of historical documents.

Like Dreamers - Yossi Klein Halevi 2014-11-04

Winner, Jewish Book Council's Everett Family foundation award, Jewish Book of the Year Winner, American Library Association's Sophie Brody Medal for Best Jewish Book of the Year Editors' Choice, New York Times Book Review In restoring Jewish sovereignty to the Holy City during 1967's Six-Day War, the paratroopers of Reserve Brigade 55 fulfilled a dream of two millennia, forever changing the history of Israel and of the Middle East. And, as veteran journalist Yossi Klein Halevi compellingly reveals in *Like Dreamers*, they served pivotal roles in shaping Israel's destiny long after their resounding military success. As he follows the lives of this Israeli band of brothers, and charts the ideological divides among them, he weaves an epic chronicle of modern Israel that humanizes the country's political and cultural dilemmas, and offers an unprecedented glimpse into its soul.

The Prime Ministers - Yehuda Avner 2010

Looks at the lives of Israeli prime ministers Levi Eshkol, Golda Meir, Yitzhak Rabin, and Menachem Begin, and the events surrounding their leadership in Israel.

In the Land of Israel - Amos Oz 1993-10-31

A snapshot of Israel and the West Bank in the 1980s, through the voices of its inhabitants, from the National Jewish Book Award-winning author of *Judas*. Notebook in hand, renowned author and onetime kibbutznik Amos Oz traveled throughout his homeland to talk with people—workers, soldiers, religious zealots, aging pioneers, desperate Arabs, visionaries—asking them questions about Israel's past, present, and future. Observant or secular, rich or poor, native-born or new immigrant, they shared their points of view, memories, hopes, and fears, and Oz recorded them. What emerges is a distinctive portrait of a changing nation and a complex society, supplemented by Oz's own observations and reflections, that reflects an insider's view of a country still forming its own identity. In *In the Land of Israel* is "an exemplary instance of a writer using his craft to come to grips with what is happening politically and to illuminate certain aspects of Israeli society that have generally been concealed by polemical formulas" (The New York Times).

No Room for Small Dreams - Shimon Peres 2017-09-12

In 1934, eleven-year-old Shimon Peres emigrated to the land of Israel from his native Poland, leaving behind an extended family who would later be murdered in the Holocaust. Few back then would have predicted that this young man would eventually become one of the towering figures of the twentieth century. Peres would indeed go on to serve the new state as prime minister, president, foreign minister, and the head of several other ministries. He was central to the establishment of the Israeli Defense Forces and the defense industry that would provide the young state with a robust deterrent power. He was crucial to launching Israel's nuclear energy program and to the creation of its high-tech "Start-up Nation"

revolution. His refusal to surrender to conventional wisdom and political norms helped save the Israeli economy and prompted some of the most daring military operations in history, among them the legendary Operation Entebbe. And yet, as important as his role in creating and deploying Israel's armed forces was, his stunning transition from hawk to dove—with its accompanying unwavering commitment to peace—made him one of the globe's most recognized, honored, and admired statesmen. In this, his final work, finished only weeks before his passing, Peres offers a long-awaited examination of the crucial turning points in Israeli history through the prism of having been a decision maker and eyewitness. Told with the frankness of someone aware this would likely be his final statement, *No Room for Small Dreams* spans decades and events, but as much as it is about what happened, it is about why it happened. Examining pivotal moments in Israel's rise, Peres explores what makes for a great leader, how to make hard choices in a climate of uncertainty and distress, the challenges of balancing principles with policies, and the liberating nature of imagination and unpredicted innovation. In doing so, he not only charts a better path forward for his beloved country but provides deep and universal wisdom for younger generations who seek to lead—be it in politics, business, or the broader service of making our planet a safer, more peaceful, and just place.

[Like Dreamers](#) - Yossi Klein Halevi 2013-10-01

Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Fear No Evil - Natan Sharansky 1998-11-27

The noted Soviet dissident recounts his trial by Soviet authorities, his nine-year term in the Soviet gulag, his release and reunion with his wife and their new life in Israel

Loud and Clear - Iftach Spector 2009-06-15

A recently retired Israeli Air Force general and its second-highest-scoring fighter ace, Iftach Spector is one of Israel's living legends. He was the leader of the flight that attacked the USS Liberty in 1967. After the 1967 and 1973 wars, in which he commanded a squadron of fighter-bombers, he rose to head the IAF's Training and War Lessons Section and later became its the Chief of Operations. He was one of the eight

Israeli pilots who attacked Saddam Hussein's nuclear reactor at Osirik in 1981. In 2003, his career took an even more dramatic turn: he was the senior signatory of the famous "Pilots' Letter," in which Spector and 27 other Israeli pilots stated their refusal to bomb targets in Palestine where collateral damage would likely be severe. His maverick conscience is well on display in this artfully written memoir, which is currently a 10-week-and-counting bestseller in Israel and has been licensed in Brazil as well. The son of a family that immigrated to Palestine at the turn of the 20th century, whose father and mother served in the Palmach, Israel's early clandestine commando force, Spector has written a rich and reflective meditation on loyalty, on what is right and wrong in war, and on his dedication to the idea and reality of the state of Israel. The Pilots' Letter ended Spector's military career, but also made him one of the most compelling and celebrated defenders of the conscience of the Jewish state. In that battle, as in his previous battles against Nasser's MiGs, his mother's constant lesson to him sustained him: "All from within." General Spector's first book, *A DREAM IN BLACK AND AZURE* (1992; never translated into English), won the Sade Literary Award, given to him personally by Prime Minister Yitzhak Rabin. He has a B.A. in history and Middle East Studies from Tel Aviv University and a masters in political science from UCLA, both with honors.

Israel - Noa Tishby 2021-04-06

A "fascinating and very moving" (Aaron Sorkin, award-winning screenwriter of *The West Wing* and *The Social Network*) chronological timeline spanning from Biblical times to today that explores one of the most interesting countries in the world—Israel. Israel. The small strip of arid land is 5,700 miles away but remains a hot-button issue and a thorny topic of debate. But while everyone seems to have a strong opinion about Israel, how many people actually know the facts? Here to fill in the information gap is Israeli American Noa Tishby. But "this is not your Bubbie's history book" (Bill Maher, host of *Real Time with Bill Maher*). Instead, offering a fresh, 360-degree view, Tishby brings her "passion, humor, and deep intimacy" (Yossi Klein Halevi, *New York Times* bestselling author of *Letters to My Palestinian Neighbor*) to the subject, creating an accessible and dynamic portrait of a tiny country of outsized relevance. Through bite-sized chunks of history and deeply personal stories, Tishby chronicles her homeland's evolution, beginning in Biblical times and moving forward to cover everything from WWI to Israel's creation to the disputes dividing the country today. Tackling popular misconceptions with an abundance of facts, Tishby provides critical context around headline-generating controversies and offers a clear, intimate account of the richly cultured country of Israel.

The Gaon of Vilna - Immanuel Etkes 2002-05-30

"As a full-length study in English of a tremendously influential teacher, his times, and his legacy, *The Gaon of Vilna* will be welcomed by all students of Eastern European Jewish history; of Orthodoxy, Hasidism, and rabbinic scholarship; and of comparative religion."--BOOK JACKET.

Sadness Is a White Bird - Moriel Rothman-Zecher 2018-02-13

****A 2019 Dayton Literary Peace Prize Finalist** **A 2018 National Jewish Book Award Finalist for Debut Fiction**** In this "nuanced, sharp, and beautifully written" (Michael Chabon) debut novel, a young man prepares to serve in the Israeli army while also trying to reconcile his close relationship to two Palestinian siblings with his deeply ingrained loyalties to family and country. The story begins in an Israeli military jail, where—four days after his nineteenth birthday—Jonathan stares up at the fluorescent lights of his cell and recalls the series of events that led him there. Two years earlier: Moving back to Israel after several years in Pennsylvania, Jonathan is ready to fight to preserve and defend the Jewish state. But he is also conflicted about the possibility of having to monitor the occupied Palestinian territories, a concern that grows deeper and more urgent when he meets Nimreen and Laith—the twin daughter and son of his mother's friend. From that morning on, the three become inseparable: wandering the streets on weekends, piling onto buses toward new discoveries, laughing uncontrollably. They share joints on the beach, trading snippets of poems, intimate secrets, family histories, resentments, and dreams. But with his draft date rapidly approaching, Jonathan wrestles with the question of what it means to be proud of your heritage, while also feeling love for those outside of your own family. And then that fateful day arrives, the one that lands Jonathan in prison and changes his relationship with the twins forever. "Unflinching in its honesty, unyielding in its moral complexity" (Geraldine Brooks, Pulitzer Prize-winning author), *Sadness Is a White Bird* explores one man's attempts to find a place for himself, discovering in the process a beautiful, against-the-odds love that

flickers like a candle in the darkness of a never-ending conflict.

Six Days - Jeremy Bowen 2013-12-03

Suicide attacks on Israelis, bombings, assassinations, and bloodshed in Jerusalem, Gaza, and the West Bank dominate the news from the Middle East. It is the most troubled region on earth. At its heart is the conflict between Palestinians and Israelis - and the legacy of six days of war in 1967. After the state of Israel emerged from war in 1948, both sides knew more battles were coming. In June 1967, years of slow-burning tension exploded. In six extraordinary days, Israel destroyed the armed forces of Egypt, Jordan, and Syria. But far from bringing peace, as many Israelis hoped, their stunning victory turned into a curse. From the initial battle order issued to the Israeli air force on Monday June 5, 1967 to the final ceasefire on the evening of Saturday the 10th, the Six-Day War was a riveting human drama. Building on his first-hand experience of the region after his five years as the BBC's Middle East Correspondent, as well as extensive original research, Jeremy Bowen presents a compelling new history of the conflict. *Six Days* recreates day by day, hour by hour, the bullying and brinkmanship that led four nations to war, interweaving testimonies of combatants from all sides in a seamless narrative. A rigorous and original piece of modern history is as vivid as fiction, *Six Days* not only sheds new light on one of the key conflicts of the twentieth century, it explains much about the Middle East and the problems the region still faces today.

Memoirs of a Jewish Extremist - Yossi Klein Halevi 1995

An award-winning Israeli journalist recounts his youth as a Jewish activist in America and the Soviet Union, his devotion to the late rabbi Meir Kahane, and his eventual moderation and advocacy of Jewish-Gentile reconciliation.

At the Entrance to the Garden of Eden - Yossi K. Halevi 2002-06-18

A brilliantly observed memoir of an unprecedented and remarkable spiritual journey. While religion has fuelled the often violent conflict plaguing the Holy Land, Yossi Klein Halevi wondered whether it could be a source of unity as well. To find the answer, this religious Israeli Jew began a two-year exploration to discover a common language with his Christian and Muslim neighbours. He followed their holiday cycles, befriended Christian monastics and Islamic mystics, and joined them in prayer in monasteries and mosques in Israel, the West Bank, and Gaza. At the Entrance to the Garden of Eden traces that remarkable spiritual journey. Halevi candidly reveals how he fought to reconcile his own fears and anger as a Jew to relate to Christians and Muslims as fellow spiritual seekers. He chronicles the difficulty of overcoming multiple obstacles—[e]ological, political, historical, and psychological—at separate believers of the three monotheistic faiths. And he introduces a diverse range of people attempting to reconcile the dichotomous heart of this sacred place—struggle central to Israel, but which resonates for us all.

Ally - Michael B. Oren 2015-06-23

NEW YORK TIMES BESTSELLER • Includes a new afterword about the Iran nuclear agreement, the 2016 presidential race, and the future of the U.S.-Israel alliance Michael B. Oren's memoir of his time as Israel's ambassador to the United States—a period of transformative change for America and a time of violent upheaval throughout the Middle East—provides a frank, fascinating look inside the special relationship between America and its closest ally in the region. Michael Oren served as the Israeli ambassador to the United States from 2009 to 2013. An American by birth and a historian by training, Oren arrived at his diplomatic post just as Benjamin Netanyahu, Barack Obama, and Hillary Clinton assumed office. During Oren's tenure in office, Israel and America grappled with the Palestinian peace process, the Arab Spring, and existential threats to Israel posed by international terrorism and the Iranian nuclear program. Forged in the Truman administration, America's alliance with Israel was subjected to enormous strains, and its future was questioned by commentators in both countries. On more than one occasion, the friendship's very fabric seemed close to unraveling. *Ally* is the story of that enduring alliance—and of its divides—written from the perspective of a man who treasures his American identity while proudly serving the Jewish State he has come to call home. No one could have been better suited to strengthen bridges between the United States and Israel than Michael Oren—a man equally at home jumping out of a plane as an Israeli paratrooper and discussing Middle East history on TV's Sunday morning political shows. In the pages of this fast-paced book, Oren interweaves the story of his personal journey with behind-the-scenes accounts of fateful meetings between President Obama and Prime Minister Netanyahu, high-stakes summits with the

Palestinian leader Mahmoud Abbas, and diplomatic crises that intensified the controversy surrounding the world's most contested strip of land. A quintessentially American story of a young man who refused to relinquish a dream—irrespective of the obstacles—and an inherently Israeli story about assuming onerous responsibilities, *Ally* is at once a record, a chronicle, and a confession. And it is a story about love—about someone fortunate enough to love two countries and to represent one to the other. But, above all, this memoir is a testament to an alliance that was and will remain vital for Americans, Israelis, and the world.

Letters to My Palestinian Neighbor - Yossi Klein Halevi 2019-06-18

New York Times bestseller Now with a new Epilogue, containing letters of response from Palestinian readers. "A profound and original book, the work of a gifted thinker."--Daphne Merkin, *The Wall Street Journal* Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of *Like Dreamers* directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you "neighbor" because I don't know your name, or anything personal about you. Given our circumstances, "neighbor" might be too casual a word to describe our relationship. We are intruders into each other's dream, violators of each other's sense of home. We are incarnations of each other's worst historical nightmares. Neighbors? *Letters to My Palestinian Neighbor* is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi's letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

The Bride and the Dowry - Avi Raz 2012-01-01

Israel's victory in the June 1967 Six Day War provided a unique opportunity for resolving the decades-old Arab-Zionist conflict. Having seized the West Bank, the Gaza Strip, the Sinai Peninsula, and the Golan Heights, Israel for the first time in its history had something concrete to offer its Arab neighbors: it could trade land for peace. Yet the political deadlock persisted after the guns fell silent. This book sets out to find out why. Avi Raz places Israel's conduct under an uncompromising lens. He meticulously examines the critical two years following the June war and substantially revises our understanding of how and why Israeli-Arab secret contacts came to naught. Mining newly declassified records in Israeli, American, British, and UN archives, as well as private papers of individual participants, Raz dispels the myth of overall Arab intransigence and arrives at new and unexpected conclusions. In short, he concludes that Israel's postwar diplomacy was deliberately ineffective because its leaders preferred land over peace with its neighbors. The book throws a great deal of light not only on the post-1967 period but also on the problems and pitfalls of peacemaking in the Middle East today.

Israel - Daniel Gordis 2016-10-18

Winner of the Jewish Book of the Year Award The first comprehensive yet accessible history of the state of Israel from its inception to present day, from Daniel Gordis, "one of the most respected Israel analysts" (*The Forward*) living and writing in Jerusalem. Israel is a tiny state, and yet it has captured the world's attention, aroused its imagination, and lately, been the object of its opprobrium. Why does such a small country speak to so many global concerns? More pressingly: Why does Israel make the decisions it does? And what lies in its future? We cannot answer these questions until we understand Israel's people and the questions and conflicts, the hopes and desires, that have animated their conversations and actions. Though Israel's history is rife with conflict, these conflicts do not fully communicate the spirit of Israel and its people: they give short shrift to the dream that gave birth to the state, and to the vision for the Jewish people that was at its core. Guiding us through the milestones of Israeli history, Gordis relays the drama of

the Jewish people's story and the creation of the state. Clear-eyed and erudite, he illustrates how Israel became a cultural, economic and military powerhouse—but also explains where Israel made grave mistakes and traces the long history of Israel's deepening isolation. With Israel, public intellectual Daniel Gordis offers us a brief but thorough account of the cultural, economic, and political history of this complex nation, from its beginnings to the present. Accessible, levelheaded, and rigorous, Israel sheds light on the Israel's past so we can understand its future. The result is a vivid portrait of a people, and a nation, reborn.

Builders and Dreamers - Jonathan Jeremy Goldberg 1993

"This is the story of a unique strand in the American Jewish tapestry, a subculture that has persisted on the landscape of Jewish life for more than a half-century: the Labor Zionist youth movement, Habonim."

"Although it never numbered more than four thousand members at its peak, Habonim has had an influence far beyond its size. Habonim members were a key segment of the worldwide pioneering youth movement that built the state of Israel. They set out to change Jewish history by transforming young Jews into the working class of a new nation. And while most remained in America, so many went on to become leading actors in the modern Jewish drama - both in Israel and in America - that Habonim, the editors write, "sometimes seems to be nothing less than an officers' training corps for the Jewish people of the late twentieth century." "Recounted largely in the members' own words, this book follows these young American and Canadian pioneers from the early years to the present day. It includes the memories of immigrant youngsters like Golda Meir, who went off in the 1920s to till the rocky soil of the Galilee, and of 1960s-era youth like the founders of Kibbutz Gezer, home of the Israel Softball League. Also featured are recollections of dozens of ordinary and extraordinary Habonim graduates in both Israel and North America, for whom "the movement" remains forever etched as the central experience of their youth." "Contributors include Golda Meir, Mordecai Richler, Muki Tsur, Marion Magid, Leonard Fein, Moshe Kerem, David Breslau, Aharon Remez, David Twersky, Yosef Goell, Nahum Guttman, Jill Benderly, Daniel Elazar, Jacob Katzman, Saadia Gelb, Arthur Goren, Martin and Ethel Taft, and many more. Also included is an afterword by Israeli President Chaim Herzog, a founder of Irish Habonim. Extensive essays by the editors link the inner life of the youth movement to the historic events surrounding it." "Builders and Dreamers combines ideas, action, and powerful emotions as it recounts the struggles of the young men and women to merge their social idealism with their Zionist commitment. It follows them from the labor picket lines of the 1920s to the civil rights struggles of the 1950s. It travels from the Displaced Persons camps of post-World War II Europe to the decks of the "illegal" immigration boats running the British blockade of pre-state Israel and from the Israeli battlefields of 1948 to the American antiwar movement of the 1960s and the more recent conservative eras in both countries." "This work is both an inside view of a dramatic chapter in modern Jewish history and a portrait across time of American youth activism at its most idealistic. This is a book for anyone who wants to know more about Israeli history, Jewish community life, or American youth culture."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Contested Utopia - Marc J. Rosenstein 2021-03

The first volume to examine the Jewish state through the lens of Jewish utopian thought from its biblical beginnings to modernity, *Contested Utopia* illuminates a kaleidoscope of conflicting utopian visions influencing Israel.

The Dove Flyer - Eli Amir 2014-02-11

The Dove Flyer tells the story of the last years of the Jewish community in Baghdad, before their expulsion in 1950 and settlement in Israel. The young narrator, Kabi, watches as the members of his extended family each develop different dreams and a different sets of fears throughout these tumultuous, transitional times: his mother wants to move out of the new Jewish quarter and back to their old Muslim neighborhood where she felt safer; his father wants to emigrate to the promised land, the new State of Israel, where he will farm and grow rice; his uncle Hizkel, a Zionist, is arrested and taken off to prison to await trial and a possible death sentence; his headmaster, Salim, believes in the equality of Arabs and Jews; and his uncle Edouard just wants to hang out on the rooftop with his doves. Meanwhile, as World War II draws closer and Israeli statehood seems more assured, a noose begins to tighten around Jewish Iraqis. Houses are appropriated, Jews are beaten in the streets and hung in public, and young Kabi watches as the storied legacy of the Jewish community in Baghdad is dismantled piecemeal and finally decimated. As for the land of milk and

honey, there is neither milk, nor honey. It is a desert, a place as barren and coarse as the community Kabi and his family left behind was vibrant, bountiful, and dreamy.

Memoirs of a Jewish Extremist - Yossi Klein Halevi 2014-10-07

Now available in paperback for the first time, with a new introduction, the poignant and insightful memoir from Yossi Klein Halevi, the award-winning journalist and author of the acclaimed *Like Dreamers*—a coming-of-age story about a traumatic family history, radical politics, and spiritual transformation that speaks to a new generation struggling to understand what it means to be Jewish in America. The child of a Holocaust survivor, Yossi Klein Halevi grew up in 1960s Brooklyn perceiving reality through the lens of his family's brutal past. Increasingly identifying with their history of suffering, he regarded the non-Jewish world with fear and loathing. Determined to take action—and seek retribution—he became a disciple of the late rabbi Meir Kahane and a member of the radical fringe of the American Jewish community. In this wry and moving account, Halevi explores the deep-rooted anger of his adolescence and early adulthood that fueled his increasingly aggressive activism. He reveals how he started to question his beliefs—and his self-inflicted suffering as a hostage of history—and see the world from his own clear perspective. As a journalist and author, Halevi has dedicated himself to fostering interfaith reconciliation. *Memoirs of a Jewish Extremist* explains how such a transformation can happen—giving hope that peaceful coexistence between faiths is possible.

The Lion's Gate - Steven Pressfield 2015-05-26

From the bestselling author of *Gates of Fire* and *Killing Rommel*, the thrilling true story of one of the most unlikely and astonishing military victories in history. June 5, 1967. Israel is surrounded by enemies who want nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation's southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack. June 10, 1967. The Arab armies have been routed, their air forces totally destroyed. Israel's citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. Moshe Dayan has entered the Lion's Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism's holiest site—the Western Wall. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and others—bestselling author Steven Pressfield tells the story of the Six Day War as you've never experienced it before.

Catch-67 - Micah Goodman 2018-09-18

A controversial examination of the internal Israeli debate over the Israeli-Palestinian conflict from a best-selling Israeli author. Since the Six-Day War, Israelis have been entrenched in a national debate over whether to keep the land they conquered or to return some, if not all, of the territories to Palestinians. In a balanced and insightful analysis, Micah Goodman deftly sheds light on the ideas that have shaped Israelis' thinking on both sides of the debate, and among secular and religious Jews about the Israeli-Palestinian conflict. Contrary to opinions that dominate the discussion, he shows that the paradox of Israeli political discourse is that both sides are right in what they affirm—and wrong in what they deny. Although he concludes that the conflict cannot be solved, Goodman is far from a pessimist and explores how instead it can be reduced in scope and danger through limited, practical steps. Through philosophical critique and political analysis, Goodman builds a creative, compelling case for pragmatism in a dispute where a comprehensive solution seems impossible.

We Were the Future - Yael Neeman 2018-05-17

The kibbutz is one of the greatest stories in Israeli history. The kibbutzim are collective settlements in Israel which have been written about extensively and are praised as the only example in world history of entire communities attempting to live in total equality. Intended to be a socialist utopia by early pioneers, the kibbutz was a radical experiment in communal living, gender equality, economic egalitarianism, and the reorganisation of family life. But in spite of its progressive ideals, there is a dark side to the kibbutz which is being told in the stories of the children raised in the communal houses - an institution which victimised its offspring for the sake of ideology. In this spare and lucid memoir, Neeman - a child of the kibbutz in the 1960s - draws on the collective memory of the hundreds of thousands of people who grew up in kibbutzim

at their height and who have intimately shared their memories with her. *We Were the Future* is more than a compelling personal story: it is an unflinchingly honest examination of the perils of organising society and a new lens through which to see the history of Israel.

How to Be a Muslim - Haroon Moghul 2017-06-06

A young Muslim leader's memoir of his struggles to forge an American Muslim identity Haroon Moghul was thrust into the spotlight after 9/11, becoming an undergraduate leader at New York University's Islamic Center forced into appearances everywhere: on TV, before interfaith audiences, in print. Moghul was becoming a prominent voice for American Muslims even as he struggled with his relationship to Islam. In high school he was barely a believer and entirely convinced he was going to hell. He sometimes drank. He didn't pray regularly. All he wanted was a girlfriend. But as he discovered, it wasn't so easy to leave religion behind. To be true to himself, he needed to forge a unique American Muslim identity that reflected his beliefs and personality. *How to Be a Muslim* reveals a young man coping with the crushing pressure of a world that fears Muslims, struggling with his faith and searching for intellectual forebears, and suffering the onset of bipolar disorder. This is the story of the second-generation immigrant, of what it's like to lose yourself between cultures and how to pick up the pieces.

Emil and Karl - Yankev Glatshteyn 2006-04-04

Written in the form of a suspense novel, *Emil & Karl* draws readers into the dilemma faced by two young boys—one Jewish, the other not—when they suddenly find themselves without homes or families in Vienna on the eve of World War II. A taut, gripping page-turner, it offers a picture of life during the period and the moral challenges faced under Nazism—and a prescient glimpse of the early days of the Holocaust. Written in Yiddish, it is here translated into English for the first time.

Sages and Dreamers - Elie Wiesel 1993

The Nobel Peace Prize-winning author of more than 30 books, including the bestselling *Souls on Fire* and, most recently, *The Forgotten*, offers a collection of 25 portraits of men and women of the Bible, the Talmud, and the Hasidic tradition. *Sages and Dreamers* is a moving and revealing reminder of our common history, beliefs, and aspirations. Glossary.

Letters to Talia - Dov Indig 2012-10-15

Letters to Talia describes the rich cultural worlds of a yeshiva student and a kibbutz girl who succeed in creating a dialogue of understanding and compassion. Their distant outlooks meet in a meaningful and touching dialogue that reveals how much common ground they share despite their divergent worldviews. *Letters to Talia* is an exceptional, engaging book that brings hope to those seeking a serious dialogue and real understanding between the religious and secular in Israeli society today.

The Ghost Warriors - Samuel M. Katz 2016

The untold story of the Ya'mas, Israel's special forces undercover team that infiltrated Palestinian terrorist strongholds during the Second Intifada. It was the deadliest terror campaign ever mounted against a nation in modern times: the al-Aqsa, or Second, Intifada. This is the untold story of how Israel fought back with an elite force of undercover operatives, drawn from the nation's diverse backgrounds and ethnicities—and united in their ability to walk among the enemy as no one else dared. Beginning in late 2000, as black smoke rose from burning tires and rioters threw rocks in the streets, Hamas, Islamic Jihad, and Arafat's Palestinian Authority embarked on a strategy of sending their terrorists to slip undetected into Israel's towns and cities to set the country ablaze, unleashing suicide attacks at bus stops, discos, pizzerias—wherever people gathered. But Israel fielded some of the most capable and cunning special operations forces in the world. The Ya'mas, Israel National Police Border Guard undercover counterterrorists special operations units, became Israel's eyes-on-target response. Launched on intelligence provided by the Shin Bet, indigenous Arabic-speaking Dovrim, or "Speakers," operating in the West Bank, Jerusalem, and Gaza infiltrated the treacherous confines where the terrorists lived hidden in plain sight, and set the stage for the intrepid tactical specialists who often found themselves under fire and outnumbered in their effort to apprehend those responsible for the carnage inside Israel. This is their compelling true story: a tale of daring and deception that could happen only in the powder keg of the modern Middle East. INCLUDES PHOTOGRAPHS AND MAPS

Coming Together, Coming Apart - Daniel Gordis 2006-06-26

Praise for Coming Together, Coming Apart "Interesting conversation is Israel's most ingratiating commodity, and this is an especially interesting one. To read Coming Together, Coming Apart is to be engaged in an ongoing dialogue with one of Israel's most thoughtful observers--an American who made Israel his home, despite its imperfections and dangers. Gordis's conversational narrative is irresistible." -- Alan dershowitz, author of The Case for Israel "Whether describing a walk through Jerusalem in snow, a hike in the desert, or a farewell family drive to the Gaza settlements, Gordis manages to capture the essential details that tell us the larger meaning of our Israeli lives. There is much irony in this book, and also anger, especially against those who unfairly judge Israel in its most desperate and noble times. Most of all, though, this book is the chronicle of a love story--of an immigrant family in Jerusalem falling in love with Israel and, through that love, discovering the strength to cope with life on the front lines of a jihadist war. As a fellow Jerusalemite, I feel a profound debt to Gordis for explaining what it means to raise a family in the middle of a terror zone, and the courage that average Israelis instinctively display in maintaining the pretense of normal life. Those of us who share his passion are fortunate to be so well represented by this book." --Yossi Klein Halevi, Foreign Correspondent, The New Republic

My Promised Land - Ari Shavit 2013-11-19

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking From Beirut to Jerusalem has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as My Promised Land. Facing unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, My Promised Land asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, My Promised Land uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for My Promised Land "This book will sweep you up in its narrative force and not let go of you until it is done. [Shavit's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East."—Simon Schama, Financial Times "[A] must-read book."—Thomas L. Friedman, The New York Times "Important and powerful . . . the least tendentious book about Israel I have ever read."—Leon Wieseltier, The New York Times Book Review "Spellbinding . . . Shavit's prophetic voice carries lessons that all sides need to hear."—The Economist "One of the most nuanced and challenging books written on Israel in years."—The Wall Street Journal [Six-Day War 1967](#) - Shlomo Aloni 2019-06-27

On one day in June, the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history - Operation Moked, or Focus. In 1967, the

Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt, Syria, Jordan and Iraq. Operation Focus was Israel's ingenious strike plan to overturn the balance. At 0745hrs on June 6, Israeli jets hit Egypt's airfields simultaneously, first bombing runways and then strafing aircraft. Another 20 follow-up missions were already in the air, initially scheduled to hit every five minutes. This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned, the astonishing rate of serviceability and turnaround speed it required from ground crews, and how the relentless tempo of strikes shattered one air force after another. It is the story of how Israel's victory in the Six-Day War began with a single, shocking day.

Israel Since the Six-Day War - Leslie Stein 2014-08-13

Completing his acclaimed trilogy on the history of Israel, Leslie Stein brings readers right up to contemporary events in Israel Since the Six-Day War. Stein vividly chronicles Israel's wars and military engagements, but he also incorporates fascinating assessments of many other issues, including Israel's economic development, the nature of the PLO and Palestinian Authority, and Israeli settlements in the West Bank and Gaza. Furthermore, Stein explores broader social issues, such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia, to convey clearly a sense of the diversity and complexity of modern Israel. Wide-ranging and judicious, Stein's cogent and compellingly readable account of Israel's recent past will engage students and general readers alike.

1949 the First Israelis - Tom Segev 2018-08-14

Renowned historian Tom Segev strips away national myths to present a critical and clear-eyed chronicle of the year immediately following Israel's foundation. "Required reading for all who want to understand the Arab-Israeli conflict...the best analysis...of the problems of trying to integrate so many people from such diverse cultures into one political body" (The New York Times Book Review). Historian and journalist Tom Segev stirred up controversy in Israel upon the first publication of 1949. It was a landmark book that told a different story of the country's early years, one that wasn't taught in schools or shown in popular culture. Rather than painting the idealized picture of the Israel's founding in 1948, after the wreckage of the Holocaust, Segev reveals gritty underside behind the early years. The new country of Israel faced challenges on all sides. Day-to-day life was severe, marked by austerity and food shortages; Israeli society was fractured between traditional and secular camps; Jewish immigrants from Middle-Eastern countries faced discrimination and second-class treatment; and clashes between settlers and the Arabs would set the tone for relations for the following decades, hardening attitudes and creating a violent cycle of retaliation. Drawing on journal entries, letters, declassified government documents, and more, 1949 is a richly detailed look at the friction between the idealism of the Zionist movement and the cold realities of history. Decades after its publication in the United States, Segev's groundbreaking book is still required reading for anyone who wants to understand Israel's past and future.

Company C - Haim Watzman 2005

An American-born journalist who immigrated to Israel describes his compulsory service in a reserve infantry unit, detailing his role as a soldier from 1984 to 2002 and his service in conflicts with Israel's Arab neighbors, conflicts that, as a civilian, he had demonstrated against, in a memoir that explores an individual's obligations to country, friends, family, and God.

Dreamers - Yuyi Morales 2018-09-04

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of Bright Star, Dreamers is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in

symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! A New York Times / New York Public Library Best Illustrated Book A New York Times Bestseller Recipient of the Flora Stieglitz Strauss Award A 2019 Boston Globe - Horn Book Honor Recipient An Anna Dewdney Read Together Honor Book Named a Best Book of 2018 by Kirkus Reviews, Publishers Weekly, School Library Journal, Shelf Awareness, NPR, the Boston Globe, the Chicago Tribune, Salon.com-- and many more! A Junior Library Guild selection A Eureka! Nonfiction Honoree A Bulletin of the Center for Children's Books Blue Ribbon title A Bank Street Best Children's Book of the Year A CLA Notable Children's Book in Language Arts Selected for the CBC Champions of Change Showcase

Genesis - John B. Judis 2014-02-04

A senior editor at The New Republic traces the flawed American policy, established during Truman's presidency, that he theorizes is the root of the half-century-long conflict between Jews and Arabs in the Middle East. 20,000 first printing.

Menachem Begin - Daniel Gordis 2014-03-04

Reviled as a fascist by his great rival Ben-Gurion, venerated by Israel's underclass, the first Israeli to win the Nobel Peace Prize, a proud Jew but not a conventionally religious one, Menachem Begin was both complex and controversial. Born in Poland in 1913, Begin was a youthful admirer of the Revisionist Zionist Ze'ev Jabotinsky and soon became a leader within Jabotinsky's Betar movement. A powerful orator and mesmerizing public figure, Begin was imprisoned by the Soviets in 1940, joined the Free Polish Army in 1942, and arrived in Palestine as a Polish soldier shortly thereafter. Joining the underground paramilitary Irgun in 1943, he achieved instant notoriety for the organization's bombings of British military installations

and other violent acts. Intentionally left out of the new Israeli government, Begin's right-leaning Herut political party became a fixture of the opposition to the Labor-dominated governments of Ben-Gurion and his successors, until the surprising parliamentary victory of his political coalition in 1977 made him prime minister. Welcoming Egyptian president Anwar Sadat to Israel and cosigning a peace treaty with him on the White House lawn in 1979, Begin accomplished what his predecessors could not. His outreach to Ethiopian Jews and Vietnamese "boat people" was universally admired, and his decision to bomb Iraq's nuclear reactor in 1981 is now regarded as an act of courageous foresight. But the disastrous invasion of Lebanon to end the PLO's shelling of Israel's northern cities, combined with his declining health and the death of his wife, led Begin to resign in 1983. He spent the next nine years in virtual seclusion, until his death in 1992. Begin was buried not alongside Israel's prime ministers, but alongside the Irgun comrades who died in the struggle to create the Jewish national home to which he had devoted his life. Daniel Gordis's perceptive biography gives us new insight into a remarkable political figure whose influence continues to be felt both within Israel and throughout the world. This title is part of the Jewish Encounters series.

The Story of Hebrew - Lewis Glinert 2018-09-11

The Story of Hebrew explores the extraordinary hold that Hebrew has had on Jews and Christians, who have invested it with a symbolic power far beyond that of any other language in history. Preserved by the Jews across two millennia, Hebrew endured long after it ceased to be a mother tongue, resulting in one of the most intense textual cultures ever known. Hebrew was a bridge to Greek and Arab science, and it unlocked the biblical sources for Jerome and the Reformation. Kabbalists and humanists sought philosophical truth in it, and Colonial Americans used it to shape their own Israelite political identity. Today, it is the first language of millions of Israelis. A major work of scholarship, *The Story of Hebrew* is an unforgettable account of what one language has meant and continues to mean.
