[Hamlet and the Acting of Revenge](#) - Peter Mercer 1987

The Importance of Forgiveness and the Futility of Revenge - Audrey Wells 2022-01-01

Forgiveness is important in international politics because it can save thousands of lives. Its opposite, vengefulness, has played a significant part in various wars of the 20th and 21st centuries. These conflicts are examined in this book, showing how forgiveness could have avoided the tremendous ensuing bloodshed. Despite its importance, in the context of international relations, forgiveness as a means of preventing the outbreak of war (as opposed to facilitating reconciliation after conflicts) has largely been neglected as a subject of study. Indeed, it has also been ignored by politicians, as a result of which there are few examples of forgiveness to study compared with those of revenge. This book reflects this reality, but also seeks to change it by raising public awareness of the importance of forgiveness in international affairs and the need to demand that political leaders explore this avenue. The book also provides a succinct, informative guide to the background of today's international affairs. Each chapter can be read independently and highlights either forgiveness in action or the futility and loss of life caused by vengefulness, demonstrating where and how forgiveness could have made a dramatic difference.

Alchemy of Revenge - Athan Noel 2021-04-30

A Duty of Revenge - Quentin Dowse 2021-09-28

Twenty years after retiring Hull based Detective Superintendent Matt Darnley decides to 'tell the truth, the whole truth and nothing but the truth' about his biggest case; his 1998/99 investigation into a gang of ruthless armed robbers, whose crimes escalate into kidnap and murder.

a novel about a woman's quest for vengeance against her unfaithful husband.

Circle of Revenge - Michael French 1989

Robbie's participation in an experiment conducted by a psychology professor specializing in mind control leads to his discovery of a plot to torture political prisoners.

The Best Revenge - Stephen White 2003-12-02

In a riveting new novel of psychological suspense, Stephen White shines a brilliant light on the darkness that hides just beneath the surface of ordinary lives, on the fears that cripple us and the prisons we create—prisons of the body, mind, and spirit. A thriller of runaway tension, taps into our most closely guarded fears, taking us on a harrowing journey into a realm of terror and pain, of love gone wrong and vengeance gone mad. Psychologist Alan Gregory is living through a season of discontent. With a new daughter, a wonderful wife, and a prospering career, he has little to complain about and lots of regrets: past cases that won't let him go, patients who don't get better, and a growing unease with keeping secrets. But Gregory has two new patients who will drag him out of his introspection—and dare him to enter a storm of injustice and revenge. FBI special agent Kelda James is a hero, a woman who as a rookie agent made a choice, drew her gun, and saved a life, taking another. Now Kelda is hiding from the world a secret pain that is gradually crippling her body—and she has turned to Alan Gregory to help free her from the prison of her pain. Then Kelda refers a patient to Gregory, who is terrifyingly dangerous to them both. Tom Clone served thirteen years on Colorado's death row for a crime he claimed he didn't commit—until an FBI agent dug up evidence that set him free. The agent's name: Kelda James. With both Kelda and Clone telling him their innermost secrets, Alan Gregory becomes the one person who can piece together an extraordinary puzzle—of two unsolved violent deaths of vulnerable women, of a man who may be innocent or may be very lucky, and of the strange, fatal attraction between two people trapped in a horrific plot to get revenge—at any price. A thriller that delivers a stunning body-blow of a surprise ending, captures lives colliding at unpredictable angles, probing the dangerous lies people tell to each other and themselves. In this astonishing work by a novelist at the height of his powers, Stephen White brilliantly blends thrilling action and breakneck pacing with unrivaled insight into the human mind, heart, and psyche.

In the Mind of Revenge - Liv Hadden 2018-04-13

"Raw and honest, a spectacular in-depth character study." - Foreword Clarion Reviews, 5/5 stars Mine is a tale of pain, hate, lies, murder, injustice, vengeance, and love unreturned. It began much like yours; a hopeful innocent born to a world of endless possibilities. But my journey has rarely been paved with opportunities of light. Confronted by those who sought to eclipse what light I had found, the darkness came for me. Wrapped in its intoxicating embrace, I have risen from the dead to reclaim my dignity and the life that was taken from me. I have begun my journey into the mind of revenge. Revenge for me. Revenge for those like me. Those who are shamed. This is a story for the shamed, by the shamed. The question is, are you ready for it? In the Mind of Revenge, book one of The Shamed Series, takes a deep look at how monsters are born. Set in a society that glorifies "normal" and demonizes different, this dark tale takes its readers on an emotionally wild ride of vengeance, murder, pain and desperation. Though the reader is warned by its main character, Shame, not to develop an attachment, the first person narrative combined with Shame's uninhibited vulnerability makes it nearly impossible not to do so. Raw, vivid, honest, fast-paced and beautifully vulgar, In the Mind of Revenge is sure to have you emotionally twisted from beginning to end. "The cliffhanger ending is nothing short of electric."-Kirkus Reviews "The portrayal of the gender-nonconforming antihero is executed effortlessly and truly places the reader 'in the mind of revenge'." -Read Diverse Books Review

[The Revenge of Magic](#) - James Riley 2020-02-04

When long-dead magical creatures are discovered all around the world, each with a buried book of magic, the governments of the world want to unlock the power the books, but need the help of kids to harness the magical power.

Family and the State in Early Modern Revenge Drama - Chris McMahon 2012

This book considers Early Modern revenge plays from a political science perspective, paying particular attention to the construction of family and state institutions. Exploring whether or not the plays see revenge as justified, McMahon argues that they suggest the private family should become an informal state apparatus, and considers the pertinence of this conclusion for contemporary politics. By mapping transactions of capital in and around the plays, this book discovers new ways of looking at traditional problematics. Considerations of plays such as *The Spanish Tragedy*, *Hamlet*, and *The Revenger's Tragedy* depart from the tradition of moral criticism by taking an anthropological stance, mapping capital transactions to come to a better understanding of the plays in all their brilliance and complexity. McMahon responds to deconstructionist, Marxist, and feminist readings as he studies symbolic and material forms of capital in exemplary Early Modern plays.

W.I.T.C.H. Chapter Book: Path of Revenge - Book #16 - Disney Book Group 2005-08-01

Will, Irma, Taranee, Cornelia, and Hay Lin (W.I.T.C.H.) have the ability to control air, water, earth, fire, and the one force that unites them all—the Heart of Candracar, but they seem unable to control their own tempers. As Nerissa and her evil sidekicks grow stronger, the Power of Five continues to weaken. With fear building in Candracar, it is up to the five friends to put aside their differences and face Nerissa before worlds are destroyed.

The Book of Revenge - Dragan Todorovic 2011-04-13

A darkly comic recollection of a country that no longer exists, and a lyrical examination of the importance of taking a stand when it counts. Set against a backdrop of horrific world events, this is narrative non-fiction at its best. To a young boy growing up poor but happy in an industrial town in Serbia, politics means many national holidays that result in parades, piglets roasting on a spit, and getting to see both his hard-working parents at the same time. An observant child, Dragan Todorovic quickly learns the power of words. Even before he can read or write, he is mesmerized by the squiggles made by the grownups around him and diligently recreates them in the notebooks he carries with him always. He also learns that reciting naughty limericks usually yields some chocolate. This love of words eventually takes Dragan to Belgrade, as editor for a cultural magazine. He hopes to inspire and support the young and innovative artists of the time, but soon discovers that naughty articles do not yield the same results as limericks, and he finds himself constantly clashing with the system. His many questions get only one answer: he is drafted into the army. Dragan survives his tour of duty, but his return to Belgrade is unsettling. Everything is changing, rapidly. Friendships are collapsing, conversations are guarded, nothing is as it seems. Bit by bit, the country he knows and loves is being torn apart. Filled with great characters and poignant and often hilarious stories, *The Book of Revenge* is a superb duet of a citizen and his country, a universal exploration of just what it is that inoculates the human spirit from dangerous ideologies and toxic nationalism.

Offer of Revenge - Jason Kasper 2019-09-24

An avenging survivor. An unconquerable enemy. And one impossible betrayal... David Rivers wants vengeance. But there's only one way to kill his greatest enemy—David must first join the secretive organization that slaughtered the only family he had. To prove his allegiance, he enters a life-or-death battle in the badlands of Somalia. But the closer David gets to his target, the more he realizes that the betrayal of his team was not as random as he thought. Someone inside the organization seems to know his true purpose, and that could mean only one thing: David might not have been the sole survivor after all.

Perfect for fans of Vince Flynn, Brad Thor, Mark Greaney, and Brad Taylor.

The Ethics of Revenge and the Meanings of the Odyssey - Alexander C. Loney 2019-01-25

This book is the first in-depth examination of revenge in the *Odyssey*. The principal revenge plot of the *Odyssey*—Odysseus' surprise return to Ithaca after twenty years away and his vengeance on Penelope's suitors—is the act for which he is most celebrated. This story forms the backbone of the *Odyssey*. But is Odysseus' triumph over the suitors as univocally celebratory as is often assumed? Does the poem contain and even suggest other, darker interpretations of Odysseus' greatest achievement? This book offers a careful analysis of several other revenge plots in the *Odyssey*—those of Orestes, Poseidon, Zeus, and the suitors' relatives. It shows how these revenge stories color one another with allusions (explicit and implicit) that connect

them and invite audiences to interpret them in light of one another. These stories—especially Odysseus' revenge upon the suitors—inevitably turn out to have multiple meanings. One plot of revenge slips into another as the offender in one story becomes a victim to be avenged in the next. As a result, Odysseus turns out to be a much more ambivalent hero than has been commonly accepted. And in the *Odyssey*'s portrayal, revenge is an unstable foundation for a community. Revenge also ends up being a tenuous narrative structure for an epic poem, as a natural end to cycles of vengeance proves elusive. This book offers a radical new reading of the seemingly happy ending of the poem.

The Consequence of Revenge - Rachel Van Dyken 2015-06-09

After losing his best friend to another guy, the notoriously too-confident Max Emory suddenly feels lost. He may have devastatingly good looks, an abundance of charm, and a claim to one of the biggest hotel empires around, but he has no ambition anymore. So when his fed-up friends decide they've had enough of his moping, they sign him up to be the next bachelor on the reality series *Love Island*. And between his pride and his forged signature on an ironclad contract, Max just can't say no. Now he's stranded in paradise with twenty-four women, one terrifying goat, and Becca, the breathtaking barista who already turned him down back home. The closer Max gets to Becca, the more determined he becomes to win her over. As she gets to know him better, things start heating up. But is Becca really after Max's heart—or is she after the cash prize she could claim once the cameras stop rolling?

Honor and Revenge: A Theory of Punishment - Whitley R.P. Kaufman 2012-08-28

This book addresses the problem of justifying the institution of criminal punishment. It examines the “paradox of retribution”: the fact that we cannot seem to reject the intuition that punishment is morally required, and yet we cannot (even after two thousand years of philosophical debate) find a morally legitimate basis for inflicting harm on wrongdoers. The book comes at a time when a new “abolitionist” movement has arisen, a movement that argues that we should give up the search for justification and accept that punishment is morally unjustifiable and should be discontinued immediately. This book, however, proposes a new approach to the retributive theory of punishment, arguing that it should be understood in its traditional formulation that has been long forgotten or dismissed: that punishment is essentially a defense of the honor of the victim. Properly understood, this can give us the possibility of a legitimate moral justification for the institution of punishment.

A Taste of Revenge - Mercy Jane Ballesteros 2017-10-29

"If only I could hate her more than I should've had. I should've never trusted her. If I had known she would become a traitor in the end. She feigned innocence all along." Dark secrets, hidden lies and envy broke the bond of two successful entrepreneurs and caused a woman to lose all that she had. A modern-day story of passion, love and betrayal.

The Politics of Revenge - Paul Preston 2003-09-02

The role of the Spanish Right in the course of the twentieth-century has been a neglected area of academic study. *The Politics of Revenge* redresses this providing a succinct and disturbing account.

Payback - Thane Rosenbaum 2013-04-10

We call it justice—the assassination of Osama bin Laden, the incarceration of corrupt politicians or financiers like Rod Blagojevich and Bernard Madoff, and the climactic slaying of cinema-screen villains by superheroes. But could we not also call it revenge? We are told that revenge is uncivilized and immoral, an impulse that individuals and societies should actively repress and replace with the order and codes of courtroom justice. What, if anything, distinguishes punishment at the hands of the government from a victim's individual desire for retribution? Are vengeance and justice really so very different? No, answers legal scholar and novelist Thane Rosenbaum in *Payback: The Case for Revenge*—revenge is, in fact, indistinguishable from justice. Revenge, Rosenbaum argues, is not the problem. It is, in fact, a perfectly healthy emotion. Instead, the problem is the inadequacy of lawful outlets through which to express it. He mounts a case for legal systems to punish the guilty commensurate with their crimes as part of a societal moral duty to satisfy the needs of victims to feel avenged. Indeed, the legal system would better serve the public if it gave victims the sense that vengeance was being done on their behalf. Drawing on a wide range of support, from recent studies in behavioral psychology and neuroeconomics, to stories of vengeance and justice denied, to revenge practices from around the world, to the way in which revenge tales have

permeated popular culture—including Hamlet, The Godfather, and Braveheart—Rosenbaum demonstrates that vengeance needs to be more openly and honestly discussed and lawfully practiced. Fiercely argued and highly engaging, Payback is a provocative and eye-opening cultural tour of revenge and its rewards—from Shakespeare to The Sopranos. It liberates revenge from its social stigma and proves that vengeance is indeed ours, a perfectly human and acceptable response to moral injury. Rosenbaum deftly persuades us to reconsider a misunderstood subject and, along the way, reinvigorates the debate on the shape of justice in the modern world.

Day of Revenge - Deanna Proach 2010-09

Military Captain Samuel La Font may be hot-tempered and headstrong, but he is certainly not about to flee his war-torn country without a fight. He is determined to stay in France and wage a war against the revolutionaries. For the greater part of the year, everything works in Samuel's favor. He has the love and support of his close-knit group of friends. His Corsica-based family has even recruited several skilled soldiers who are more than willing to die for Samuel's cause. But as autumn approaches, fate takes an unexpected and dangerous turn. Now Samuel is forced to make a choice—get his friends and himself out of France or die in battle against the revolutionaries.

Eight Faces of Revenge - Vibha S. Chauhan 2018-11-26

Interesting, informative, exploratory, the book attempts to interrogate the emotion of revenge. Combining academic discourses with popular representations, it moves across cultures and countries like India, Germany, USA, Africa and Brazil.

Bloodshot Salvation Vol. 1: the Book of Revenge - Jeff Lemire 2018-03-27

From New York Times best-selling writer Jeff Lemire (BLOODSHOT REBORN, Moon Knight) and extraordinary artists Lewis LaRosa (BLOODSHOT REBORN) & Mico Suayan (BLOODSHOT REBORN), a bloody and vengeful new era for Bloodshot begins here as Ray Garrison escapes his violent past to build the one thing he never thought he'd earn: a family. But when a hateful secret from his true love's past threatens their fragile peace, Bloodshot will be forced to run headlong into a barrage of blood, bullets, and broken bones for a revenge-fueled assault that will have crushing consequences for those he holds most dear... His sacrifice will be her salvation. Now: In the arms of his beloved girlfriend Magic, Bloodshot has finally found hope for the future...in the form of the couple's unborn child. But when Magic's estranged family - a cruel and sadistic clan of homegrown criminals - re-emerge to lay claim to their lost daughter, Bloodshot will be pushed back to the brink of madness, mayhem, and warfare... Soon: Eight years from today, Bloodshot's daughter has inherited her father's incredible abilities. Hunted by a high-tech kill squad called Omen, Jessie must hone her powers...and learn how to survive before the world is swallowed whole by the darkness that now pervades America... Collecting BLOODSHOT SALVATION #1-5.

Master of Revenge - Sienna Snow 2019-07-31

We are rivals. Sworn enemies. And he is the only man to ignite a fire in my soul. I walk a fine line between control and chaos, defined by my past and driven by my future. Nothing can stop me from protecting those I love. Zack Lykaos is cunning and dangerous. He wants to destroy everything I've built on his ruthless march to the top. All that I am, or ever will be, says I should avoid him. Still, I've been tempted. One card game. One night of all-consuming passion. One craving I can't deny. One need I can never quench. Wanting him can only lead to disaster. Loving him is guaranteed to destroy my world.

The Revenge of Analog - David Sax 2016-11-08

One of Michiko Kakutani's (New York Times) top ten books of 2016 A funny thing happened on the way to the digital utopia. We've begun to fall back in love with the very analog goods and ideas the tech gurus insisted that we no longer needed. Businesses that once looked outdated, from film photography to brick-and-mortar retail, are now springing with new life. Notebooks, records, and stationery have become cool again. Behold the Revenge of Analog. David Sax has uncovered story after story of entrepreneurs, small business owners, and even big corporations who've found a market selling not apps or virtual solutions but real, tangible things. As e-books are supposedly remaking reading, independent bookstores have sprouted up across the country. As music allegedly migrates to the cloud, vinyl record sales have grown more than ten times over the past decade. Even the offices of tech giants like Google and Facebook increasingly rely on pen and paper to drive their brightest ideas. Sax's work reveals a deep truth about how humans shop, interact, and even think. Blending psychology and observant wit with first-rate reportage, Sax shows the limited appeal of the purely digital life-and the robust future of the real world outside it.

The Art of Revenge - Cara Cee 2021-02-25

After a traumatic event, my life began a downward spiral. I am lost. My head was so full of rage and hatred that all I could think about was revenge, so I threw myself headfirst into three things—my work, Taekwondo, and Jarrod. I used to think that Jarrod was "the one," but he friend-zoned me faster than you can say "free spar." What I did not expect was my whole world crashing together like a kaleidoscope of colour and blood that would leave me fighting for my life. But I am a fighter, and this is not the end.

The Revenge - Hannah Jayne 2017-07-04

From the author of Truly, Madly, Deadly, The Escape, and Twisted, comes another edge of your seat thriller sure to keep you guessing until the last page. After a bad breakup, Tony's ex-girlfriend Hope embarrasses him in front of the whole school and spreads vicious rumors. Tony is devastated and in a moment of revenge, he makes the location on her phone public. But a week later, when Hope calls Tony and begs him to stop the prank, he hears a shriek and a car door slamming. Then the call is dropped. Too late, Tony realizes that he may have put Hope's life in danger. Can he trace Hope's movements and save her before time runs out?

The Colour of Revenge - Frank Wyndam 2003-12-01

During World War Two Nathaniel Lerner had attained impressive grades at Sandhurst and was awarded

the sword of honour. Sadly he couldn't share his pride with his beloved parents because they were killed when their house took a direct hit from a German bomb. The sight of their bodies being dragged from the debris was to stay with him for ever and was to fuel his need for revenge during a lifetime of service in the British Army. "The story is up to speed and the attention to detail can only come from an intimate knowledge of experience. It is an exciting read."

The Revenant - Michael Punke 2015-01-06

NOW A MAJOR MOTION PICTURE #1 NEW YORK TIMES BESTSELLER A thrilling tale of betrayal and revenge set against the nineteenth-century American frontier, the astonishing story of real-life trapper and frontiersman Hugh Glass. The year is 1823, and the trappers of the Rocky Mountain Fur Company live a brutal frontier life. Hugh Glass is among the company's finest men, an experienced frontiersman and an expert tracker. But when a scouting mission puts him face-to-face with a grizzly bear, he is viciously mauled and not expected to survive. Two company men are dispatched to stay behind and tend to Glass before he dies. When the men abandon him instead, Glass is driven to survive by one desire: revenge. With shocking grit and determination, Glass sets out, crawling at first, across hundreds of miles of uncharted American

frontier. Based on a true story, *The Revenant* is a remarkable tale of obsession, the human will stretched to its limits, and the lengths that one man will go to for retribution.

[Act of Revenge](#) - Robert K. Tanenbaum 2000-05-30

Marlene Ciampi finds herself involved in an organized crime plot, while her husband, Butch Karp, supervises the investigation into a Mafia don's murder and their daughter Lucy witnesses a murder.

The Law of Revenge - Theresa Collins 1997

Having fled the Appalachian village of her youth after being raped, Alma Bashears--now a savvy attorney with a prestigious San Francisco law firm--discovers that the prosecutor in her latest case is the rapist from her past. Original.

[The Sword of Revenge](#) - Jack Ludlow 2011-05-23

With all the fire and passion of the ancient Romans, *The Sword of Revenge* follows in the epic footsteps of top ten bestseller *The Pillars of Rome*. Rome has lost its greatest warrior - for Aulus, the doom-laden prophecy of forty years earlier has come to pass. It is now left to Lucius to defy the oracle's curse alone, and the corrupt and powerful senator leaves nothing to chance in his bid to survive. But one boy, alone in the world, holds the key to his fate, and the future of the Roman Republic.
