Jane and the Madness of Lord Byron -

Stephanie Barron 2010-09-28

The restorative power of the ocean brings Jane Austen and her beloved brother Henry, to Brighton after Henry's wife is lost to a long illness. But the crowded, glittering resort is far from peaceful, especially when the lifeless body of a beautiful young society miss is discovered in the bedchamber of none other than George Gordon—otherwise known as Lord Byron. As a poet and a seducer of women, Byron has carved out a shocking reputation for himself—but no one would ever accuse him of being capable of murder. Now it falls to Jane to pursue this puzzling investigation and discover just how “mad, bad, and dangerous to know” Byron truly is. And she must do so without falling victim to the charming versifier's legendary charisma, lest she, too, become a cautionary example for the ages.

Top Tips for Girls - Kate Reardon 2008-06-24

REAL LIFE MADE EASIER In today's lifestyle guru-obsessed world, where we all turn to magazines and TV personalities to teach us how to organize our lives, cook, look, and live better, it's refreshing to hear clever, who-would've-thunk-it suggestions from regular women. In Top

Tips for Girls, today's primer for women in the know, Kate Reardon has collected just that—literally hundreds of tips on all areas of our lives, be it raising kids, staying fit, dressing well, planning a wedding, gardening, dating, dieting, traveling, or working. Far from garden variety, the tips you'll find here are surprising—the sort that women used to get word-of-mouth from their own moms, grandmothers, aunts, and best friends. Some of the many helpful, and even hilarious, tips you'll read here include: •To avoid blisters from new shoes, coat your feet with Vaseline. •Invest in a certain number of “nice” hangers. When you start having to use the metal ones from the dry cleaner, it's time to clean out your closet. •Impress guests with homemade-tasting mayonnaise by adding fresh lemon juice and capers or thyme to ordinary mayo. •Perk up wilted ferns by spraying them once a month with weak tea. •To find your car in an unfamiliar area, use the camera on your cell phone to take a picture of the nearest street sign. •Tone up your butt by squeezing it in quick reps of fifty while watching TV. •To safely dispose of receipts and bank statements without buying a shredder, simply keep a container of water to pop them in and let them dissolve. And many more!

Dido - Adèle Geras 2010

While she was still trembling with the complete unexpectedness of what Aeneas had just said and done, he leaned forward a little and kissed her on the mouth. Just one swift, soft touch of his lips on hers and then he turned and walked away. Love c

Hester's Story - Adèle Geras 2013-11-21

A heart-wrenching saga that follows the life of a supremely talented dancer whose life is the stuff of drama. A bleak Yorkshire childhood is transformed by her amazing gifts; a dangerous love affair leads to heartbreak; and she guards a secret that would topple her from the pinnacle of fame if it ever came to light. Hester Fielding was the leading ballerina of her day. Now she has returned to Yorkshire, to Wychwood where, each year at Christmas, a ballet is performed on *Twelfth Night* in the little theatre there. Just before the company arrives at Wychwood, Hester receives a phone call that brings back haunting memories. As the dancers prepare for the opening night of *Sarabande*, and loyalties shift and tempers flare, the past comes crashing into the present in ways that Hester could never have predicted.

[The Tower Room](#) - Adèle Geras 2005-08-01

This new series puts a modern spin on familiar fairy tales. In this take on "Rapunzel," Megan, who lives at a secluded girl's school where her foster mother is headmistress, falls in love for the first time with the young man her foster mother has chosen for herself.

Me - Elton John 2020-10-13

Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In *Me* Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.

[Watching the Roses](#) - Adèle Geras 2005-08-01

In this modern-day retelling of "Sleeping Beauty," Alice seemed destined to lead a princess's life-except for the frightening curse that "dreaded" Aunt Violette bestowed at her christening: that she will die at the age of eighteen. And on the night of her birthday, this

malediction becomes a frightening possibility when Alice is brutally raped by the loathsome Angus. "Geras has achieved a tremendous narrative hook even though she is telling a familiar story, and she has deftly added just the right modern twists and details to allure older readers back to the story that enchanted them as children."-VOYA

Chalk & Cheese - Adèle Geras 2010-12-15

"I'd hate to look absolutely sweet," said Lily. "I'm glad it's not me who has to be the Fairy..." Lily and Jo are sisters, but they are as different as chalk and cheese. Jo adores her ballet lessons, but Lily wants to go riding or learn judo. Jo's dream is to be given a special part in the annual ballet school display. Lily can't think of anything she'd like less - she thinks ballet is soppy! But will she change her mind when disaster strikes?

Happy Ever After - Adèle Geras 2011-01-18

The Tower Room: Loosely based on Rapunzel, this is the story of a sudden, unexpected, passionate relationship and the unforeseen yet inevitable results of defying convention. When Megan glimpses Simon from her tower room, their worlds are changed forever. Watching the Roses: A modern version of Sleeping Beauty, this is a haunting tale of treachery and betrayal. An ill-wishing has been placed on Alice, and it seems to be coming true. Pictures of the Night: A retelling of the Snow White fairytale, this is a thrilling story of jealousy and enchantment. Is Bella's stepmother really as wicked as she believes?

School Library Journal - 2005

Lizzie's Wish: The Historical House - Adèle Geras 2015-01-01

1857: On an extended visit to her cousins in London, country girl Lizzie struggles to adapt to her new life of stiff manners and formal pastimes at No. 6 Chelsea Walk. And her dream of

becoming a gardener is certainly frowned upon. But like her elder cousin, who wants to defy her middle-class upbringing and become a nurse, Lizzie has the strength of will to act against stifling Victorian conventions. And the chance to visit the newly opened Kew Gardens presents her with the ideal opportunity to start working towards her grand ambition... Adele Geras has previously been shortlisted for the Whitbread Children's Book Award and Highly Commended for the Carnegie Medal. "Dramatic stories with a real sense of atmosphere." - The Guardian
Facing the Light - Adele Geras 2004-04-23
Throwing a lavish party for her seventy-fifth birthday, Leonora invites numerous family members and a film crew that is working on a movie about her famous painter father, but the festivities are overshadowed by long-hidden family misdeeds. 15,000 first printing.

Pictures of the Night : Egerton Hall Trilogy 3 - Adèle Geras 2013-08-31

Once, when Megan, Bella and Alice shared a room, the Tower Room was theirs alone, remote from the rest of Egerton Hall School. Here they formed a deep friendship, which would continue long after they left their enchanted world. But now Bella thinks her life is in danger. Is her stepmother really as wicked as she believes, or can imagination sometimes be more sinister than reality?

Witchcraft, Witch-hunting, and Politics in Early Modern England - Peter Elmer 2016

A wide-ranging overview of the place of witchcraft and witch-hunting in the broader culture of early modern England. Based on a mass of new evidence extracted from a range of archives, both local and national, it seeks to relate the rise and decline of belief in witchcraft, alongside the legal prosecution of witches, to the wider political culture of the period. Building on the seminal work of scholars such as Stuart Clark, Ian Bostridge, and Jonathan Barry, it demonstrates how learned discussion of witchcraft, as well as the trials of those suspected of the crime, were shaped by religious and political imperatives in that period.

(Milton's) Comus - John Milton 1892

The Callendar Effect - James Fleming
2013-01-22

Guy Stewart Callendar (1898–1964) is noted for identifying, in 1938, the link between the artificial production of carbon dioxide and global warming. Today this is called the “Callendar Effect.” He was one of Britain’s leading steam and combustion engineers, a specialist in infrared physics, author of the standard reference book on the properties of steam at high temperatures and pressures, and designer of the burners of the notable World War II airfield fog dispersal system, FIDO. He was keenly interested in weather and climate, taking measurement so accurate that they were used to correct the official temperature records of central England and collecting a series of worldwide weather data that showed an unprecedented warming trend in the first four decades of the twentieth century. He formulated a coherent theory of infrared absorption and emission by trace gases, established the nineteenth-century background concentration of carbon dioxide, and argued that its atmospheric concentration was rising due to human activities, which was causing the climate to warm. Callendar’s contributions to climatology led the way in the mid-twentieth-century transition from the traditional practice of gathering descriptive climate statistics to the new and exciting field of climate dynamics. In the first half of the twentieth century, the carbon dioxide theory of climate change had fallen out of favor with climatologists.

Troy - Adele Geras 2014-08-07

The siege of Troy has lasted almost ten years. Inside the walled city, food is scarce and death is common. From the heights of Mount Olympus, the Gods keep watch. But Aphrodite, Goddess of Love, is bored with the endless, dreary war. Aided by Eros's bow, the goddess sends two sisters down a bloody path to an awful truth: In the fury of war, love strikes the deadliest blows. Heralded by fans and critics alike, Adele Geras breathes personality, heartbreak, and humour into this classic story.

Books in Print - 1991

A Room of One's Own - Virginia Woolf

2020-10-29

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of ‘Women and Fiction’; she spoke about her conviction that ‘a woman must have money and a room of her own if she is to write fiction’. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women’s independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. ‘Brilliant interweaving of personal experience, imaginative musing and political clarity’ — Kate Mosse, *The Guardian* ‘Probably the most influential piece of non-fictional writing by a woman in this century.’ — Hermione Lee, *The Financial Times*

Jane Austen among Women - Deborah Kaplan
2019-12-01

Austen, Kaplan contends, participated actively in a women's culture that promoted female authority and achievement—a culture that not only helped her become a novelist but influenced her fiction.

The Field of Blood - Joanne B. Freeman
2018-09-11

The previously untold story of the violence in Congress that helped spark the Civil War In *The Field of Blood*, Joanne B. Freeman recovers the long-lost story of physical violence on the floor of the U.S. Congress. Drawing on an extraordinary range of sources, she shows that the Capitol was rife with conflict in the decades before the Civil War. Legislative sessions were often punctuated by mortal threats, canings, flipped desks, and all-out slugfests. When debate broke down, congressmen drew pistols and waved Bowie knives. One representative even killed another in a duel. Many were beaten and bullied in an attempt to intimidate them into compliance, particularly on the issue of slavery. These fights didn’t happen in a vacuum. Freeman’s dramatic accounts of brawls and thrashings tell a larger story of how fisticuffs and journalism, and the

powerful emotions they elicited, raised tensions between North and South and led toward war. In the process, she brings the antebellum Congress to life, revealing its rough realities—the feel, sense, and sound of it—as well as its nation-shaping import. Funny, tragic, and rivetingly told, *The Field of Blood* offers a front-row view

of congressional mayhem and sheds new light on the careers of John Quincy Adams, Henry Clay, and other luminaries, as well as introducing a host of lesser-known but no less fascinating men. The result is a fresh understanding of the workings of American democracy and the bonds of Union on the eve of their greatest peril.
