[In Arabian Nights](#) - Tahir Shah 2009-03-24

Named one of Time magazine's Ten Best Books of the Year, Tahir Shah's *The Caliph's House* was hailed by critics and compared to such travel classics as *A Year in Provence* and *Under the Tuscan Sun*. Now Shah takes us deeper into the real Casablanca to uncover mysteries hidden for centuries from Western eyes. In this entertaining jewel of a book, Tahir Shah sets off across Morocco on a bold new adventure worthy of the mythical Arabian Nights. As he wends his way through the labyrinthine medinas of Fez and Marrakech, traverses the Sahara sands, and samples the hospitality of ordinary Moroccans, Tahir collects a dazzling treasury of traditional wisdom stories, gleaned from the heritage of *A Thousand and One Nights*, which open the doors to layers of culture most visitors hardly realize exist. From master masons who labor only at night to Sufi wise men who write for soap operas, *In Arabian Nights* takes us on an unforgettable, offbeat, and utterly enchanted journey.

**Trekking in Tajikistan** - Jan Bakker  
2018-11-15

This guide describes twenty high-altitude treks of 2-9 days in the mountains of Tajikistan,

covering the Fann Mountains, Pamirs and northern ranges, plus five day hikes near the capital, Dushanbe, and a 10-day trek in the Afghan Wakhan Corridor. As well as detailed route description and 1:100,000 mapping for each trek, there is a wealth of practical advice on transport and visas, trekking support, equipment, cultural awareness, safety and security, as well as background notes on history, flora and fauna and a Tajik-Russian-Pamiri-English glossary. The guide can be used either to plan an independent trek or to select, prepare for and enhance an organised expedition. Known as 'the Roof of the World', Tajikistan is one of the most mountainous countries on Earth, with 93% of its landmass considered mountainous territory. This is where the mighty Himalaya meet the Tian Shan, Karakoram and Hindu Kush, and a centuries-old network of trails criss-crosses the remote terrain, linking isolated villages and shepherds' camps. Although infrastructure is fragile and tourism in its infancy, this Central Asian nation presents some outstanding opportunities for the adventurous trekker. The hand-picked routes showcase Tajikistan's breathtaking landscapes of lofty snow-capped peaks, turquoise lakes and sweeping high-altitude plateaus. Trekking here is also a rich cultural experience: in addition to wild camping, many of the treks include the

opportunity to experience the fascinating local culture and warm hospitality in a traditional homestay, meeting those who call this remote wilderness home. This guide will be your companion to discovering Tajikistan, a country with so much to offer and one of Central Asia's

best kept secrets.
