Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Decoding the New Mortgage Market - David Reed 2009-12-09

The housing market is in turmoil, but if there's a silver lining, it's the fact that purchase prices are at historic lows. Sure, there are still plenty of predatory lenders waiting to exploit the naïve potential buyer, but those who do their homework will be rewarded with a fair price and manageable mortgage terms. Decoding the New Mortgage Market is a map to finding the best and most realistic mortgage deals while navigating past potential obstacles and traps. Filled with money-saving advice, this practical guide will help prospective buyers understand: • How new lending and underwriting rules affect today's homebuyer • Different loan types and lending institutions • Credit issues and other qualifying factors • Creative down-payment solutions • How to reduce closing costs and other fees Because lenders and buyers alike have gotten "burned" in the mortgage crisis, finding and qualifying for a manageable loan may now be more difficult. Readers will find that Decoding the New Mortgage Market makes the search both easier and more fruitful, and that their dreams of home ownership are still within their reach.
