**Let 'em Eat Cake** - Susan Jedren 2010-02-10  
When the heat in Brooklyn climbs to a hundred, there's only one thing worse than being a delivery man for HomeMade Cakes. It's being a delivery woman for Homemade. Because Anna, the feisty heroine of this earthy and irreverent novel, has to put up with things that her male co-workers can't imagine, from a boss who despises

women to storekeepers who feel her up when they aren't trying to rip her off for the price of a carton of Chocos. As realized by Susan Jerden, Anna is a true representative of blue-collar, no-glitz New York, a valiant single mother, whose attempts to keep her head above water—and her dignity intact—are both hilarious and uplifting. Let 'Em Eat Cake is a novel for anyone who has

ever worked at a demeaning job and dreamed of dancing on the merchandise, a book as real as a corner bodega and as refreshing as an open hydrant in the middle of a scolding summer.

The Gershwins and Me - Michael Feinstein

2012-10-16

Presents an illustrated tribute to the lives and legacies of the Gershwins that is presented through the stories of twelve of their most enduring songs including "Strike Up the Band" and "Love Is Here to Stay."

**Ira Gershwin** - Philip Furia 1997-07-24

To the perennial question "which comes first, the music or the words?" Ira Gershwin always responded, "the contract." The jest reveals both Ira's consummate professionalism and the self-effacing wit with which he ducked the spotlight whenever possible. Yet the ingeniously inventive melodies George Gershwin composed for such classic songs as "Someone to Watch Over Me," "Embraceable You," "Fascinating Rhythm," "It Ain't Necessarily So," and "Love is Here to Stay"

live on in no small part because of the equally unforgettable lyrics of Ira Gershwin, lines crafted with a precision that earned him the sobriquet "The Jeweller" among his Broadway peers. In Ira Gershwin: The Art of the Lyricist, the older and less flamboyant of the Gershwin brothers at last steps out of the shadows to claim his due as one of American songwriting's most important and enduring innovators. Philip Furia traces the development of Ira Gershwin's lyrical art from his early love of light verse and Gilbert and Sullivan, through his apprentice work in Tin Pan Alley, to his emergence as a prominent writer for the Broadway musical theater in the 1920s. Furia illuminates his work in satirical operettas such as *Of Thee I Sing* and *Strike Up the Band*, the smart "little" revues of the 1930s, and his contributions to the opera *Porgy and Bess*. After describing the Gershwin brothers' brief but brilliant work in Hollywood before George's sudden death--work that produced such classics as "They Can't Take That

Away From Me" and "Let's Call the Whole Thing Off"--Furia follows Ira's career through such triumphs as Lady in the Dark with Kurt Weill, Cover Girl with Jerome Kern, and A Star is Born, with Harold Arlen. Along the way, Furia provides much insight into the art of the lyricist and he captures the magic of a golden era when not only the Gershwins, but Irving Berlin, Cole Porter, Jerome Kern, Oscar Hammerstein II, Gertrude Lawrence, Fred Astaire, and other luminaries made the lights of Broadway and the Hollywood screen shine brighter than ever before. From his first major success, the now-classic "The Man I Love" (1924) to his last great hit, "The Man That Got Away" (1954), Ira Gershwin wrote the words to some of America's most loved standards. In Ira Gershwin: The Art of the Lyricist, Philip Furia illuminates the craft behind this remarkable achievement to reveal how Gershwin took the everyday speech of ordinary Americans and made it sing.

**George Gershwin** - Howard Pollack 2007-01-15

This comprehensive biography of George Gershwin (1898-1937) unravels the myths surrounding one of America's most celebrated composers and establishes the enduring value of his music. Gershwin created some of the most beloved music of the twentieth century and, along with Jerome Kern, Irving Berlin, and Cole Porter, helped make the golden age of Broadway golden. Howard Pollack draws from a wealth of sketches, manuscripts, letters, interviews, books, articles, recordings, films, and other materials—including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982—to create an expansive chronicle of Gershwin's meteoric rise to fame. He also traces Gershwin's powerful presence

that, even today, extends from Broadway, jazz clubs, and film scores to symphony halls and opera houses. Pollack's lively narrative describes Gershwin's family, childhood, and education; his early career as a pianist; his friendships and romantic life; his relation to various musical trends; his writings on music; his working methods; and his tragic death at the age of 38. Unlike Kern, Berlin, and Porter, who mostly worked within the confines of Broadway and Hollywood, Gershwin actively sought to cross the boundaries between high and low, and wrote works that crossed over into a realm where art music, jazz, and Broadway met and merged. The author surveys Gershwin's entire oeuvre, from his first surviving compositions to the melodies that his brother and principal collaborator, Ira Gershwin, lyricized after his death. Pollack concludes with an exploration of the performances and critical reception of Gershwin's music over the years, from his time to ours.

## **Tuk Music Tradition in Barbados** - Sharon Meredith 2016-12-05

Barbados is a small Caribbean island better known as a tourist destination rather than for its culture. The island was first claimed in 1627 for the English King and remained a British colony until independence was gained in 1966. This firmly entrenched British culture in the

Barbadian way of life, although most of the population are descended from enslaved Africans taken to Barbados to work on the sugar plantations. After independence, an official desire to promulgate the country's African heritage led to the revival and recontextualisation of cultural traditions. Barbadian tuk music, a type of fife and drum music, has been transformed in the post-independence period from a working class music associated with plantations and rum shops to a signifier of national culture, played at official functions and showcased to tourists. Based on ethnographic and archival research, Sharon Meredith considers the social, political and cultural developments in Barbados that led to the evolution, development and revival of tuk as well as cultural traditions associated with it. She places tuk in the context of other music in the country, and examines similar musics elsewhere that, whilst sharing some elements with tuk, have their own individual identities.

The Oxford Handbook of Shakespeare's Poetry -

Jonathan Post 2013-07-18

The Oxford Handbook of Shakespeare's Poetry contains thirty-eight original essays written by leading Shakespeareans around the world. Collectively, these essays seek to return readers to a revived understanding of Shakespeare's verbal artistry in both the poems and the drama. The volume understands poetry to be not just a formal category designating a particular literary

genre but to be inclusive of the dramatic verse as well, and of Shakespeare's influence as a poet on later generations of writers in English and beyond. Focusing on a broad set of interpretive concerns, the volume tackles general matters of Shakespeare's style, earlier and later; questions of influence from classical, continental, and native sources; the importance of words, line, and rhyme to meaning; the significance of songs and ballads in the drama; the place of gender in the verse, including the relationship of Shakespeare's poetry to the visual arts; the different values attached to speaking 'Shakespeare' in the theatre; and the adaptation of Shakespearean verse (as distinct from performance) into other periods and languages. The largest section, with ten essays, is devoted to the poems themselves: the Sonnets, plus 'A Lover's Complaint', the narrative poems, Venus and Adonis and The Rape of Lucrece, and 'The Phoenix and the Turtle'. If the volume as a whole urges a renewed involvement in the complex

matter of Shakespeare's poetry, it does so, as the individual essays testify, by way of responding to critical trends and discoveries made during the last three decades.

Reading Dance - Robert Gottlieb 2008-11-04

Robert Gottlieb's immense sampling of the dance literature—by far the largest such project ever attempted—is both inclusive, to the extent that inclusivity is possible when dealing with so vast a field, and personal: the result of decades of reading. It limits itself of material within the experience of today's general readers, avoiding, for instance, academic historical writing and treatises on technique, its earliest subjects are those nineteenth-century works and choreographers that still resonate with dance lovers today: Giselle, The Sleeping Beauty, Swan Lake; Bournonville and Petipa. And, as Gottlieb writes in his introduction, “The twentieth century focuses to a large extent on the achievements and personalities that dominated it—from Pavlova and Nijinsky and Diaghilev to

Isadora Duncan and Martha Graham, from Ashton and Balanchine and Robbins to Merce Cunningham and Paul Taylor and Twyla Tharp, from Fonteyn and Farrell and Gelsey Kirkland (“the Judy Garland of Ballet”) to Nureyev and Baryshnikov and Astaire—as well as the critical and reportorial voices, past and present, that carry the most conviction.” In structuring his anthology, Gottlieb explains, he has “tried to help the reader along by arranging its two hundred-plus entries into a coherent groups.” Apart from the sections on major personalities and important critics, there are sections devoted to interviews (Tamara Toumanova, Antoinette Sibley, Mark Morris); profiles (Lincoln Kirstein, Bob Fosse, Olga Spessivtseva); teachers; accounts of the birth of important works from Petrouchka to Apollo to Push Comes to Shove; and the movies (from Arlene Croce and Alastair Macauley on Fred Astaire to director Michael Powell on the making of The Red Shoes). Here are the voices of Cecil Beaton and Irene Castle,

Ninette de Valois and Bronislava Nijinska, Maya Plisetskaya and Allegra Kent, Serge Lifar and José Limón, Alicia Markova and Natalia Makarova, Ruth St. Denis and Michel Fokine, Susan Sontag and Jean Renoir. Plus a group of obscure, even eccentric extras, including an account of Pavlova going shopping in London and recipes from Tanaquil LeClerq's cookbook." With its huge range of content accompanied by the anthologist's incisive running commentary, Reading Dance will be a source of pleasure and instruction for anyone who loves dance.

Fascinating Rhythm - Deena Rosenberg 1997

**Showstoppers** - Martin Rubin 1993

The name Busby Berkeley, creator of the dances for films such as 42nd Street, Babes in Arms, and Million Dollar Mermaid, is synonymous with the spectacular musical production number.

Films, television commercials, and MTV videos continue to use "Berkeleyesque" techniques long after Berkeley himself and the genre that nourished him have faded from the scene. The first major analysis of Berkeley's career on stage and screen, Showstoppers emphasizes his relationship to a colorful, somewhat disreputable tradition of American popular entertainment: that of P. T. Barnum, minstrel shows, vaudeville, Buffalo Bill Cody's Wild West Show, burlesque, and the Ziegfeld Follies. Rubin shows how Berkeley absorbed this declining theatrical tradition during his years as a Broadway dance director and then transferred it to the new genre of the early movie musical. With lively prose and engaging photographs, Showstoppers explores new ways of looking at Busby Berkeley, at the musical genre, and at individual films.

Appropriate for both specialists and general readers, Showstoppers is an exuberant study of a figure whose career, Rubin notes, "provides an extraordinarily rich point of convergence for a

wide range of cultural and artistic contexts".

**An Unsung Cat** - Safford Chamberlain

2004-11-09

An Unsung Cat explores the life and music of jazz saxophonist, Warne Marsh. Safford Chamberlain follows the artist from his start in youth bands like the Hollywood Canteen Kids and The Teen-Agers through his studies under Lennie Tristano, his brilliant playing of the 1950s, his disappearance from public view in the 1960s, his re-emergence in the 1970s, and his belated recognition in the 1980s as one of the finest tenor players of the post-World War II era. Through interviews with the Marsh family and friends, Chamberlain offers an inside view of Marsh's private life, including his struggles with drug abuse. Detailed analysis of outstanding performances complements the personal story, while an extensively researched discography and photographs reveal the public and private face of this unique performer. In addition to the book, Scarecrow is pleased to offer a companion

compact disc, released by Storyville Records.

The tracks on the CD provide a representative sampling of Marsh's best work, while providing a historical overview of his development, from the beginning track, "Apple Honey," which is a private, low-fidelity tape from an NBC radio broadcast in 1945 of the Hoagy Carmichael Show, to the final track, "Sweet and Lovely," captured months before his death in 1987.
