It is your entirely own become old to operate reviewing habit. accompanied by guides you could enjoy now is **Best Of Ljubljana** below.

Ana Ros - Ana Ros 2020-03-25

A personal chef monograph, and the first book, from globally-acclaimed chef Ana Roš of Hiša Franko in Slovenia Set near the Italian border in Slovenia's remote Soča valley, in the foothills of mountains and beside a turquoise river full of trout, Ana Roš tells the story of her life. Through essays, recollections, recipes, and photos, she shares the idyllic landscape that inspires her, the abundant seasonal ingredients from local foragers, the tales of fishing and exploring, and the evolution of her inventive and sophisticated food at Hiša Franko - where she has elevated Slovenian food and become influential in the global culinary landscape.

The Rough Guide to Slovenia - Norm Longley 2004

The brand-new Rough Guide to Slovenia is the definitive handbook to one of Europe's smallest, yet most beguiling nations. The northernmost republic of the former Yugoslavia, straddles central Europe and the Balkans, and is said to be the greenest country on the continent. There's a wealth of things to see and do. The guide covers the country in all the detail it deserves, with as much attention to the capital Ljubljana's youthful culture and Baroque and Hapsburg architecture as to the stunning cave network at Postojna, the wilds of the Julian Alps and the charms of the Istrian coastline. There are maps and plans throughout and a full-colour introductory section listing the author's favourite "things not to miss". The contexts section includes informed background

on Slovenian history, folklore, music and wildlife.

Travel Like a Local - Map of Ljubljana (Black and White Edition): The Most Essential Ljubljana (Slovenia) Travel Map for Every Adventure - Maxwell Fox 2019-03-25

Burek - Jernej Mlekuz 2015-09-01

?As simple as burek? is a popular phrase used by many young people in Slovenia. In this book Jernej Mleku? maintains that the truth is just the opposite. The burek is a pie made of pastry dough filled with various fillings that is well-known in the Balkans, and also in Turkey and the Near East by other names. Whether on the plate or as a cultural artifact, it is in fact, not that simple. After a brief stroll through its innocent history, Mleku? focuses on the present state of the burek, after parasitical ideologies had attached themselves to it and poisoned its discourses. In Slovenia, the burek has become a loaded metaphor for the Balkans and immigrants from the republics of the former Socialist Federal Republic of Yugoslavia. Without the burek it would be equally difficult to consider the jargon of Slovenian youth, the imagined world of Slovenian chauvinism and the rhetorical arsenal of advertising agents when promoting healthy foods. In this analysis, Mleku? refers to the burek as the ?metaburek.? All at the same time it is greasy, Balkan, Slovene, not-Slovene, Yugoslavian, familiar, foreign, the greatest, the worst, disturbingly unhealthy, plebeian, junk food, and finally, a cherub

(burek spelled backwards is kerub, the Slovene word for cherub). And this metaburek, the protagonist of this book, is never a completely pure, innocent, unconditioned burek. It is much more. ÿ

Forbidden Bread - Erica Johnson Debeljak 2009-04-07

"[A] sunny, can-do look at intense culture shock. Debeljak makes a humorous, self-effacing guide to her own story and the only complaint I have is that I wish she'd told us more. I hope someday she gives us a sequel."—Christian Science Monitor • "Witty and warm."—Kirkus Reviews Forbidden Bread is an unusual love story that covers great territory, both geographically and emotionally. The author leaves behind a successful career as an American financial analyst to pursue Ales Debeljak, a womanizing Slovenian poet who catches her attention at a cocktail party. The story begins in New York City, but quickly migrates, along with the author, to Slovenia. As she struggles to forge an identity in her new home, Slovenia itself undergoes the transformation from a communist to a capitalist society. A complicated language, politically incorrect ethnic jokes, and old-fashioned sexism are just a few of the challenges Debeljak faces on her journey. Happily, she marries her poet and comes to love her new husband's family as well as the fast-disappearing rural traditions of this beautiful country. Set against the dramatic backdrop of the Slovenian Ten Day War and the much longer Yugoslav wars of succession, Forbidden Bread shows a worldly and courageous woman coming to grips with her new life and family situation in a rapidly changing European landscape.

DK Eyewitness Travel Guide Slovenia - DK Travel 2017-07-18

With handy itineraries, author favourites and Top 5 boxes picking out the unmissable highlights, The Rough Guide to Slovenia won't let you down. Make the most of your trip with The Rough Guide to Slovenia.

Slovenia - Culture Smart! - Jason Blake 2011-09-01

Slovenia seems closer to Austria or Italy than to its Balkan neighbors.

The richest of the Slavic nation-states, it has an entirely Western tradition, having belonged in the past to the Roman Empire, the Frankish kingdom, the Holy Roman Empire, the Republic of Venice, the Habsburg monarchy, and the First French Empire. After the Second World War it became part of the Republic of Yugoslavia, before declaring independence in 1991. This extraordinary cultural legacy is what sets Slovenia apart, matched by an amazingly varied topography packed into a small area. Traveling toward the coast, you see changes in the landscape and in the architecture. This reflects both the natural and the historical variety: the Venetians built their buildings one way, the Austrians another. Slovenia's natural beauty is astonishing. Legend relates that when God was allotting nature's bounty, he forgot Slovenia. His last-minute solution was to take bits of the best from other places: gorgeous Alpine ranges, the less craggy Pohorje mountains, the Pannonian plain stretching toward Hungary, hill after hill rolling

southward into the horizon, the unique karst landscape, rivers aplenty, and a few miles of Adriatic coastline. Never having had a glorious unified kingdom in the past, Slovenians identify themselves not by blood or history but by their language, which differs from the other languages of the ex-Yugoslavia. The older generation is fluent in Serbo-Croatian, which helps for politics and trade, but has little of its historical baggage, and the country has geo-political importance as a politically stable stepping stone to the Balkans. As far as nationhood goes, Slovenia's golden age is now. There is a sense of change in the country—mostly for the better, and not the dull stampede toward materialism that one sees in some other former Eastern bloc countries. As a tourist destination Slovenia has it all, from medieval ruined monasteries to whitewater rafting. The people of this lovely land are genuinely glad that others are "discovering" their country. There are no real language problems; the younger people all speak English. Moreover, membership of the EU means that this is a country in transition. Culture Smart! Slovenia will introduce you to the inner world of this moderate, orderly, and conservative people who have emerged into the post-Communist world hungry for change.

Hike It Baby - Shanti Hodges 2018-06-01

New parents and parents of toddlers face unique challenges when it comes to planning outdoor trips. "Family-friendly trail" is often a misleading phrase, and doesn't take young children under the age of 5 into consideration, whose safety and comfort require a different perspective. The unpredictable nature of little ones leads many parents to put their adventure dreams on the back burner, missing out on years of meaningful experiences as a family. Hike it Baby presents 100 outdoor adventures across the U.S. that you can take with babies and toddlers (really!), along with everything you need to know about exploring the natural world. Sourced from real families using Hike it Baby's trail-tested system, this book helps moms and dads get out there in their comfort zone, yet feel like hardcore adventurers! Whether you've always wanted to hike part of the Appalachian Trail, splash around in gentle Northwest waterfalls, or scramble up rocks in the desert surrounded by Joshua

Trees, this book shows you how to plan a truly memorable journey together.

Berlitz Pocket Guide Slovenia - Berlitz 2017-05-01

Slovenia is a diverse and varied country, with some of Europe's most pristine and dramatic landscapes. From its friendly capital city, Ljubljana, to its snowcapped mountains, azure lakes, dense forests and fragment of jagged coastline, Slovenia has much to offer. The new edition of Berlitz Pocket Guide Slovenia, a concise, full-colour travel guide that combines lively text with vivid photography, brings this enchanting country to life. Inside Berlitz Pocket Guide Slovenia: Where To Go details all the key sights in the country, from its charming capital, Ljubljana, to spectacular scenic spots like Lake Bled. Top 10 Attractions gives a run-down of the best sights to take in on your trip, including the arresting Soca Valley and the medieval splendour of Koper old town. A Perfect Day provides an itinerary for the best things to do in one day in Ljubljana. What To Do is a snapshot of ways to spend your spare time, from an array of outdoor sports to shopping in Ljubljana's upmarket boutiques. Essential information on Slovenian culture, including a brief history of the country. Eating Out covers the country's best cuisine. A-Z of all the practical information you'll need. About Berlitz: Berlitz draws on years of travel and language expertise to bring you a wide range of travel and language products, including travel guides, maps, phrase books, language-learning courses, dictionaries and kids' language products.

World of Wanderlust - Brooke Saward 2016-10-31

What are the world's greatest destinations? Where are the best places to travel solo? From airport fashion to road trip rules, professional traveller Brooke Saward shows us where to go, what to do and how to get that holiday feeling without even leaving home. Full of beautiful photographs that will ignite the imagination and featuring enduring favourites like Paris, New York, and London, this is the book that will inspire you to make every day an adventure.

Sourdough Mania - Anita Sumer 2020-08-30

Anita Sumer is a passionate, self-taught, 100% sourdough baker and

teacher, based in Slovenia who has become an international sensation - she now has over 70,000 followers on Instagram @sourdough_mania. She started baking sourdough when her husband was ill and could not eat yeasted bread. So successful has she been that she is now teaching sourdough baking around the world; 9 countries and across 3 continents. In 2017, she published her unique sourdough book in her native Slovenia, a first of its kind and the book received two Gourmand World Cookbook Awards. The book has now been published in German, Dutch, French and Croatian. The book features both simple-to-make recipes and more ambitious recipes for more festive occasions. Readers can feast their eyes (and later their stomachs) on rye bread, simple white bread, corn bread, buckwheat bread, fruit bread, donuts, brioches and much more. Sourdough Mania contains chapters on types of grain, making a sourdough leaven, the baking process, ingredients and useful tools. Every stage is fully illustrated with step-by-step photography on weighing, mixing, kneading, shaping, scoring, and baking, to take you on a journey to the healthy world of sourdough baking made easy. Anita has started a real bread revolution which more and more people are joining in to bake healthier and more delicious bread. Sourdough Mania is here.

A Street in Bronzeville - Gwendolyn Brooks 2014-10-07

Gwendolyn Brooks was one of the most accomplished and acclaimed poets of the last century, the first black author to win the Pulitzer Prize and the first black woman to serve as poetry consultant to the Library of Congress—the forerunner of the U.S. Poet Laureate. Here, in an exclusive Library of America E-Book Classic edition, is her groundbreaking first book of poems, a searing portrait of Chicago's South Side. "I wrote about what I saw and heard in the street," she later said. "There was my material."

Slovenia - Steve Fallon 2010

No one knows Slovenia like Lonely Planet. From the best ski spots in the Julian Alps, the most blissed-out spa experiences in Stajerska, the coolest white-water rafting in the Soca Valley and the spookiest caves in Europe, this 6th edition will tell you all you need to know. Lonely Planet guides are written by experts who get to the heart of every destination they

visit. This fully updated edition is packed with accurate, practical and honest advice, designed to give you the information you need to make the most of your trip.

Let's See the City - Špela Kuhar 2018

The Unbearable Lightness of Being - Milan Kundera 2004-05-04

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the *New York Times Book Review*. It went on to win the *Los Angeles Times Book Prize for Fiction* and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a

beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

Slovenology - Noah Charney 2017

Interruption - Deborah Cullen 2013

This title presents the work of this year's exhibiting artists with full-colour images, situated within a framework focussed upon the Biennial's theme of the effect and impact within the local and international context.

Ljubljana Well Done - Marko Miladinović 2018

Peer to Peer Accommodation Networks - Sara Dolnicar 2017-12-01

The first book to present a new conceptual framework which offers an initial explanation for the continuing and rapid success of such 'disruptive innovators' and their effects on the international hospitality industry. It discusses all the hot topics in this area, with a specific focus on Airbnb, in the international context.

New Architecture in Slovenia - Matevz Celik 2007-10-04

The countries in Central and Eastern Europe have undergone far-reaching economic and social changes over the last 15 years. This makes way for new conditions for new living spaces. In the economically flourishing state of Slovenia, which became a member of the EU in 2004, architecture production has developed with great optimism but also with a discernible bit of concern. Questions concerning the maintenance of the quality of life and the identity of cities, villages and landscape planning are of great interest at the moment. Slovenia's new architecture is taking a new approach to these problems and receiving great international recognition. The book discusses around 30 projects built over the last 10 years and includes descriptions, photos and plans. The projects include administration and office buildings, as well as educational and residential buildings.

Plečnik's Ljubljana - Peter Krečič 1991

AA CityPack Ljubljana - Daniela Zorko 2001

This pocket-sized reference to Ljubljana features the author's selection of the top 25 sights; details the best in Top Ten lists; provides restaurant recommendations for different price levels; and includes suggestions for shopping, entertainment and accommodation.

Taste Slovenia - Janez Bogataj 2007

THIS GUY'S ON HIS OWN TRIP - Neeraj Narayanan 2020-07-30

The fear of the unknown bothers most of us, even if it comes at the cost of chasing our dreams. How many of us want to drop everything that we are doing and travel the world? How many of us do? Neeraj Narayanan just did that, quitting his job one day and flying to Barcelona. Join him on his journey as he takes you rollicking across some countries in Europe and South East Asia, motoring up high mountain passes, hiding in jungles and being part of crazy festivals, hoping to find pretty girls in pursuit but only ending up with furious bulls, bears, and gypsies on his tail. At some point, he has almost no money left but his resolve to build a life out of travel doesn't ebb. This is a witty yet heart-warming tale of one man's solo journey for a year. While he goes to find beautiful places, he ends up finding trust, compassion, and a universe conspiring to make all his dreams come true. This guy's really on his own trip and promises to take you on one too!

Beyond Order - Jordan B. Peterson 2021-03-02

The companion volume to 12 Rules for Life offers further guidance on the perilous path of modern life. In 12 Rules for Life, clinical psychologist and celebrated professor at Harvard and the University of Toronto Dr. Jordan B. Peterson helped millions of readers impose order on the chaos of their lives. Now, in this bold sequel, Peterson delivers twelve more lifesaving principles for resisting the exhausting toll that our desire to order the world inevitably takes. In a time when the human will increasingly imposes itself over every sphere of life—from our social structures to our emotional states—Peterson warns that too much security is dangerous. What's more, he offers strategies for overcoming the cultural, scientific, and psychological forces causing us to tend toward tyranny, and teaches us how to rely instead on our instinct to find meaning and purpose, even—and especially—when we find ourselves powerless. While chaos, in excess, threatens us with instability and anxiety, unchecked order can petrify us into submission. Beyond Order provides a call to balance these two fundamental principles of reality itself, and guides us along the straight and narrow path that divides them.

Rick Steves Eastern Europe - Rick Steves 2017-07-03

You can count on Rick Steves to tell you what you really need to know when traveling in Eastern Europe—including the Czech Republic, Slovakia, Poland, Hungary, Slovenia, and Croatia. Explore Eastern Europe's top cities, from the romantic spires of Prague and the steamy thermal baths of Budapest to charming Kraków and laid-back Ljubljana. Enjoy the imperial sights of Vienna and walking tours of exotic Dubrovnik. Then delve into the region's natural wonders: hike through the waterfall wonderland at Plitvice Lakes National Park, drive the winding road to the Julian Alps, and watch the sun dip slowly into the Adriatic from the Dalmatian Coast. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll

learn which sights are worth your time and money, and how to get around by train, bus, car, and boat. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

Ljubljana - Robin McKelvie 2007

The guide covers the whole range of attractions in this historic city, as well as giving full details of practicalities.

National and University Library, Ljubljana - Mel Gooding 1997-11-09

Exploring one of Ljubljana's best-loved buildings by one of Slovenia's best-known architects, this is a document of a key work and the city as a whole. The building and its historical context are discussed with an account and illustrations of its construction and Plecnik's designs for
