Gilgamesh the Hero -

Geraldine McCaughrean 2002
A major publishing event - two of the UK's outstanding prize-winning artists working together for the first time
The legend of Gilgamesh is the oldest written story, pre-dating both The Bible and The Iliad.
An epic story about a quest for immortality, it also includes a legend of the Flood that is remarkably similar to the story of Noah.* Geraldine McCaughrean has won every major prize for children's literature in this country, including the Carnegie Medal, the Whitbread Award, the

Guardian Children's Fiction Award, and, most recently, The Blue Peter Best Book to Keep Forever Award.* David Parkins is a highly acclaimed artist, and has been shortlisted for the Kurt Maschler and Smarties awards. He received many critical accolades for God's Story with Jan Mark
[Gilgamesh - 2014-11-11](#)
A new verse rendering of the great epic of ancient Mesopotamia, one of the oldest works in Western Literature. Ferry makes Gilgamesh available in the kind of energetic and readable translation that Robert

Fitzgerald and Richard Lattimore have provided for readers in their translations of Homer and Virgil.

Gilgamesh - Herbert Mason
2003-07-08

National Book Award Finalist:
The most widely read and enduring interpretation of this ancient Babylonian epic. One of the oldest and most universal stories known in literature, the epic of Gilgamesh presents the grand, timeless themes of love and death, loss and reparations, within the stirring tale of a hero-king and his doomed friend. A National Book Award finalist, Herbert Mason's retelling is at once a triumph of scholarship, a masterpiece of style, and a labor of love that grew out of the poet's long affinity with the original. "Mr. Mason's version is the one I would recommend to the first-time reader."

—Victor Howes, *The Christian Science Monitor* "Like the Tolkien cycle, this poem will be read with profit and joy for generations to come."

—William Alfred, Harvard University

The Buried Book - David Damrosch 2007-12-26

Adventurers, explorers, kings, gods, and goddesses come to life in this riveting story of the first great epic—lost to the world for 2,000 years, and rediscovered in the nineteenth century. Composed by a poet and priest in Middle Babylonia around 1200 bce, *The Epic of Gilgamesh* foreshadowed later stories that would become as fundamental as any in human history, *The Odyssey* and the Bible. But in 600 bce, the clay tablets that bore the story were lost—buried beneath ashes and ruins when the library of the wild king Ashurbanipal was sacked in a raid. *The Buried Book* begins with the rediscovery of the epic and its deciphering in 1872 by George Smith, a brilliant self-taught linguist who created a sensation when he discovered *Gilgamesh* among the thousands of tablets in the British Museum's collection. From there the story goes backward in time, all the way to *Gilgamesh* himself.

Damrosch reveals the story as

a literary bridge between East and West: a document lost in Babylonia, discovered by an Iraqi, decoded by an Englishman, and appropriated in novels by both Philip Roth and Saddam Hussein. This is an illuminating, fast-paced tale of history as it was written, stolen, lost, and—after 2,000 years, countless battles, fevered digs, conspiracies, and revelations—finally found.

The Babylonian Gilgamesh Epic - A. R. George 2003

"The Babylonian Gilgamesh epic is the oldest long poem in the world, with a history going back four thousand years. It tells the fascinating and moving story of Gilgamesh's heroic deeds and lonely quest for immortality. This book collects for the first time all the known sources in the original cuneiform, including many fragments never published before. The author's personal study of every available fragment has produced a definitive edition and translation, complete with comprehensive introductory chapters that place the poem

and its hero in context."--
Publisher's description.

The Smoky God: A Voyage to the Inner World - Willis

George Emerson 2016-05-08

THE SMOKY GOD is an Edwardian era "hollow earth" fantasy novel, presented as a true story. The narrator, Olaf Jansen, voyages through a polar opening in 1829 and spends 2 years in a strange underground world, believed to be the original Garden of Eden. This inner Earth is lit by its own sun, and here

underground civilization has diverged from the ways of the surface. Here are giants, monsters, omnipotent High Priests, and lost races that speak Sanskrit -- a world of wonders, which Olaf will be lucky to survive! Includes the original color illustrations from the serialization in The National Magazine (1907-8). "Fictional reconciliation of hollow-earth theories with eclectic Fundamentalism." -- Science-Fiction: The Early Years

Gilgamesh Cycle - Alhena
Gadotti 2014-08-08

Alhena Gadotti offers a much needed new edition of the Sumerian composition Gilgamesh, Enkidu, and the Netherworld, last published by Aaron Shaffer in his 1963 doctoral dissertation. Since then, several new manuscripts have come to light, prompting not only a new edition of the text, but also a re-examination of the composition. In this book, Gadotti argues that Gilgamesh, Enkidu, and the Netherworld was the first, not the last of the Sumerian stories about Gilgamesh. She also suggests that a Sumerian Gilgamesh Cycle, currently only attested in old Babylonian manuscripts (ca. 18th century BCE), was in fact developed during the Ur III period (ca. 2100-2000 BCE). Providing a new way to look at the Sumerian Gilgamesh stories, this book is relevant not only to scholars of the ancient Near East, but also to anyone interested in epic and epic cycle.

Gilgamesh, The New

gilgamesh-andrew-george

Translation - Gerald J. Davis
2014-07-07

The EPIC OF GILGAMESH is the oldest story that has come down to us through the ages of history. It predates the BIBLE, the ILIAD and the ODYSSEY. The EPIC OF GILGAMESH relates the tale of the fifth king of the first dynasty of Uruk (in what is modern day Iraq) who reigned for one hundred and twenty-six years, according to the ancient Sumerian King List. GILGAMESH was first inscribed in cuneiform writing on clay tablets by an unknown author during the Sumerian era and has been described as one of the greatest works of literature in the recounting of mankind's unending quest for immortality.

Gilgamesh - Stephen Mitchell
2014-02-27

Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create

Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.

Gilgamesh - Michael Schmidt
2021-04-13

"Reflections on a lost poem and its rediscovery by contemporary poets. Gilgamesh is the most ancient long poem known to exist. It is also the newest classic in the canon of world literature. Lost for centuries to the sands of the Middle East but found again in the 1850s, it tells the story of a great king, his heroism, and his eventual defeat. It is a story of monsters, gods, and cataclysms, and of intimate friendship and love. Acclaimed literary historian Michael Schmidt provides a unique meditation on the rediscovery of Gilgamesh and its profound influence on poets today. Schmidt describes how the poem is a work in progress even now, an undertaking that has drawn on the talents and obsessions of an unlikely cast of characters, from archaeologists and museum curators to tomb raiders and jihadis. Fragments of the poem, incised on clay tablets, were

Downloaded from
latitudenews.com on by
guest

scattered across a huge expanse of desert when it was recovered in the nineteenth century. The poem had to be reassembled, its languages deciphered. The discovery of a pre-Noah flood story was front-page news on both sides of the Atlantic, and the poem's allure only continues to grow as additional cuneiform tablets come to light. Its translation, interpretation, and integration are ongoing. In this illuminating book, Schmidt discusses the special fascination Gilgamesh holds for contemporary poets, arguing that part of its appeal is its captivating otherness. He reflects on the work of leading poets such as Charles Olson, Louis Zukofsky, and Yusef Komunyakaa, whose own encounters with the poem are revelatory, and he reads its many translations and editions to bring it vividly to life for readers."--Publisher's website.

[The Chaldean Account of Genesis](#) - George Smith 1876
The Chaldean Account of Genesis by George Smith, first published in 1876, is a rare

manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

House Most High - A. R.

George 1993

Originally begun in collaboration with Professor W. L. Moran, this work collects all of the extant cuneiform tablets inscribed with lists of temples. The temple lists are classified in terms of their organization, whether associated with lexical lists, organized theologically, topographically, or hierarchically--presenting deities and temples according to their relative rank. The main part of the book is an up-to-date gazetteer of the ceremonial names of ancient Mesopotamian temples. This gazetteer replaces similar

(though less complete) listings from earlier in the century and provides (where known) location, divine owner, and other relevant information for each temple listed. By including not only names from temple lists, but also from other literary genres, Professor George has provided a standard reference guide that Assyriologists and others with interest in Mesopotamian religion will consult with regularity for years to come. Indexes to the gazetteer of divine, personal, and royal names, and of cuneiform tablets enhance the reference value of this unique tool. The sixteen plates include some material not previously published.

The Penguin Book of Myths and Legends of Ancient

Egypt - Joyce Tyldesley

2010-08-05

first time, *The Archeologist* is a landmark of Greek national literature, and an important document in the history of archeology and classicism. Published for the bicentennial year of the outbreak of the Greek War of Independence. A Penguin Classic The year 2021 marks the bicentennial of the outbreak of the Greek War of Independence. This historical milestone provides the impetus for a new period of intensified reflection on the past, present, and future of Greece, especially in light of recent financial and humanitarian challenges the country has found itself facing: the debt crisis that began in the last days of 2009 and the migration crisis five years later. These crises had already stirred renewed and often animated debate about Greek national identity, especially in relation to Europe, and the legacy of classical antiquity remains central to how that relationship is imagined. Where does Greece fit into the modern world and what role, if any, should its celebrated and

idealized antiquity play in the country's national identity? More than a century ago, Karkavitsas's *The Archeologist* (1904) helped to articulate and frame these kinds of questions. The work is an allegory of Greek nationalism that is stylized as a folktale about Aristodemus and Dimitrakis Eumorphopoulos, two brothers and descendants of the illustrious Eumorphopoulos line. For centuries, the family had been persecuted by the Khan family, but when the Khan dynasty starts to topple, the Eumorphopoulos family resolves to regain their ancestral lands and restore their line's ancient glory. Yet the two brothers disagree about the best path forward into the future. Aristodemus insists, to the point of mania, that they must look only to the ancient past—to the family's ancient language, texts, religion, and monuments; Dimitrakis, on the other hand, exuberantly embraces the present. *The Archeologist*, however, attempts to map and dramatize the tensions that

*Downloaded from
latitudenews.com on by
guest*

were violently brewing in the Balkans at the turn of the twentieth century and which, within a decade of the work's publication, would contribute to the outbreak of World War I. Also included in this edition are a selection of "sea tales," which Karkavitsas heard from sailors during his extensive time aboard ships in the Mediterranean. Considered as indigenous to Greek literature, the four sea stories represent some of the best known of the Tales from the Prow. "The Gorgon," one of Karkavitsas's shortest sea stories, is also one of the most famous.

Penguin Epics - N. K. Sandars
2006-05

View every book in the Penguin Epics series. This beautiful limited edition boxed set contains the stunningly designed new Penguin Epics series: twenty short tales of human adventure, legend and myth. Penguin Epics depict the most extreme acts of heroism, ambition, bravery and violence, and in doing so they reveal mankind's most profound aspirations and darkest fears.

From the rip-roaring exploits of Alexander the Great, through Dante's terrifying description of the Descent into Hell, to the swashbuckling adventures of Sindbad, these works will take the reader on a journey through the most astonishing and heroic legends of the past four-and-a-half thousand years of literature. Gilgamesh among Us -

Theodore Ziolkowski

2011-12-15

The world's oldest work of literature, the Epic of Gilgamesh recounts the adventures of the semimythical Sumerian king of Uruk and his ultimately futile quest for immortality after the death of his friend and companion, Enkidu, a wildman sent by the gods. Gilgamesh was deified by the Sumerians around 2500 BCE, and his tale as we know it today was codified in cuneiform tablets around 1750 BCE and continued to influence ancient cultures—whether in specific incidents like a world-consuming flood or in its quest structure—into Roman times. The epic was, however, largely forgotten, until the cuneiform tablets were rediscovered in 1872 in the British Museum's collection of recently unearthed Mesopotamian artifacts. In the decades that

followed its translation into modern languages, the Epic of Gilgamesh has become a point of reference throughout Western culture. In *Gilgamesh among Us*, Theodore Ziolkowski explores the surprising legacy of the poem and its hero, as well as the epic's continuing influence in modern letters and arts. This influence extends from Carl Gustav Jung and Rainer Maria Rilke's early embrace of the epic's significance—"Gilgamesh is tremendous!" Rilke wrote to his publisher's wife after reading it—to its appropriation since World War II in contexts as disparate as operas and paintings, the poetry of Charles Olson and Louis Zukofsky, novels by John Gardner and Philip Roth, and episodes of *Star Trek: The Next Generation* and *Xena: Warrior Princess*. Ziolkowski sees fascination with Gilgamesh as a reflection of eternal spiritual values—love, friendship, courage, and the fear and acceptance of death. Noted writers, musicians, and artists from Sweden to Spain, from

Downloaded from
latitudenews.com *on by*
guest

the United States to Australia, have adapted the story in ways that meet the social and artistic trends of the times. The spirit of this capacious hero has absorbed the losses felt in the immediate postwar period and been infused with the excitement and optimism of movements for gay rights, feminism, and environmental consciousness. Gilgamesh is at once a seismograph of shifts in Western history and culture and a testament to the verities and values of the ancient epic. *The Buried Foundation of the Gilgamesh Epic* - Daniel E. Fleming 2010-02-16
Based on contrasting characterization and narrative logic between the central Huwawa episode and the remaining material for the earliest Akkadian Gilgamesh, this book challenges the accepted notion that the famous epic was composed without recourse to a previous Akkadian narrative. *Primary Sources on Monsters* - Marcus Hensel 2020-04-30
This volume and its companion gather a wide range of

readings and sources to enable us to see and understand what monsters show us about what it means to be human. *Primary Sources on Monsters* brings together some of the most influential and indicative monster narratives from the West.

[The Cambridge Companion to the Epic](#) - Catherine Bates
2010-04-22

Every great civilisation from the Bronze Age to the present day has produced epic poems. Epic poetry has always had a profound influence on other literary genres, including its own parody in the form of mock-epic. This Companion surveys over four thousand years of epic poetry from the Babylonian Epic of Gilgamesh to Derek Walcott's postcolonial *Omeros*. The list of epic poets analysed here includes some of the greatest writers in literary history in Europe and beyond: Homer, Virgil, Dante, Camões, Spenser, Milton, Wordsworth, Keats and Pound, among others. Each essay, by an expert in the field, pays close attention to the way these

writers have intimately influenced one another to form a distinctive and cross-cultural literary tradition. Unique in its coverage of the vast scope of that tradition, this book is an essential companion for students of literature of all kinds and in all ages.

The Epic of Gilgamesh - R. Campbell Thompson
2017-08-18

Gilgamesh - Sophus Helle 2021

A poem for the ages, freshly and accessibly translated by an international rising star, bringing together scholarly precision and poetic grace

"Sophus Helle's new translation . . . [is] a thrilling, enchanting, desperate thing to read."--Nina MacLaughlin,

Boston Globe "Looks to be the last word on this Babylonian masterpiece."--Michael Dirda,

Washington Post Gilgamesh is a Babylonian epic from three thousand years ago, which tells of King Gilgamesh's deep love for the wild man Enkidu and his pursuit of immortality when Enkidu dies. It is a story about love between men; loss and

grief; the confrontation with death; the destruction of nature; insomnia and restlessness; finding peace in one's community; the voice of women; the folly of gods, heroes, and monsters--and more. Millennia after its composition, Gilgamesh continues to speak to us in myriad ways. Translating directly from the Akkadian, Sophus Helle offers a literary translation that reproduces the original epic's poetic effects, including its succinct clarity and enchanting cadence. An introduction and five accompanying essays unpack the history and main themes of the epic, guiding readers to a deeper appreciation of this ancient masterpiece.

Mesopotamian literature. Studying the text draws us into an orbit that is engaging and thrilling, for it is a work of fantasy and legend that addresses some of the very existential issues with which contemporary readers still grapple. We experience the excitement of trying to penetrate the mind-set of another civilization, an ancient one—in this instance, a civilization that ultimately gave rise to our own. The studies gathered here all demonstrate Tzvi Abusch’s approach to ancient literature: to make use of the tools of literary, structural, and critical analysis in service of exploring the personal and psychological dimensions of the narration. The author focuses especially on the encounters between males and females in the story. The essays are not only instructive for understanding the Epic of Gilgamesh, they also serve as exemplary studies of ancient literature with a view to investigating streams of commonality between ancient times and ours

The Ramayana - R. K.

Narayan 2006-08-29

The greatest Indian epic, one of the world's supreme masterpieces of storytelling A Penguin Classic A sweeping tale of abduction, battle, and courtship played out in a universe of deities and demons, The Ramayana is familiar to virtually every Indian. Although the Sanskrit original was composed by Valmiki around the fourth century BC, poets have produced countless versions in different languages. Here, drawing on the work of an eleventh-century poet called Kamban, Narayan employs the skills of a master novelist to recreate the excitement he found in the original. A luminous saga made accessible to new generations of readers, The Ramayana can be enjoyed for its spiritual wisdom, or as a thrilling tale of ancient conflict. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best

works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. Gilgamesh Retold - Jenny Lewis 2018-10-25

Jenny Lewis relocates Gilgamesh to its earlier, oral roots in a Sumerian society where men and women were more equal, the reigning deity of Gilgamesh's city, Uruk, was female (Inanna), only women were allowed to brew beer and keep taverns and women had their own language - emesal. With this shift of emphasis, Lewis captures the powerful allure of the world's oldest poem and gives it a fresh dynamic while creating a fastpaced narrative for a new generation of readers.

The Hittite Gilgamesh - Gary M. Beckman 2018-11-15
From the late third millennium BCE on, the adventures of Gilgamesh were well known throughout Babylonia and

Assyria, and the discovery of fragmentary Akkadian-language fragments of versions of his tale at Bogazkoy, Ugarit, Emar, and Megiddo in Palestine demonstrates that tales of the hero's exploits had reached the periphery of the cuneiform world already in the Late Bronze Age. In addition to the manuscripts in the Hittite language recounting Gilgamesh's adventures, two Akkadian versions and fragmentary Hurrian renderings have turned up at the Hittite capital Hattusa. This volume offers an edition of the material from Bogazkoy, which has been of particular importance to modern scholars in reconstructing the epic and analyzing its development, since it documents a period in the history of the narrative's progressive restructuring and elaboration for which very few textual witnesses have yet been recovered from Mesopotamia itself. And it is this very Middle Babylonian or Kassite period to which scholarly consensus assigns the composition of the final, canonical, version of the

epic.

An Old Babylonian Version of the Gilgamesh Epic (English Edition) -

2020-05-20

The Epic of Gilgamesh is an epic poem from ancient Mesopotamia that is often regarded as the earliest surviving great work of literature and the second oldest religious text, after the Pyramid Texts. The literary history of Gilgamesh begins with five Sumerian poems about Bilgamesh (Sumerian for "Gilgamesh"), king of Uruk, dating from the Third Dynasty of Ur (c.2100 BC). These independent stories were later used as source material for a combined epic in Akkadian. The first surviving version of this combined epic, known as the "Old Babylonian" version dates to the 18th century BC and is titled after its incipit, *Shūtur eli sharrī* ("Surpassing All Other Kings"). Only a few tablets of it have survived. The later Standard Babylonian version compiled by *Sîn-lēqi-unninni* dates from the 13th to the 10th centuries BC and

bears the incipit *Sha naqba īmuru* ("He who Saw the Abyss", in modern terms: "He who Sees the Unknown"). Approximately two-thirds of this longer, twelve-tablet version have been recovered. Some of the best copies were discovered in the library ruins of the 7th-century BC Assyrian king Ashurbanipal.

Lingering over Words: Studies in Ancient Near Eastern Literature in Honor of William L. Moran - Tzvi Abusch 2018-08-14

Beowulf - Howell D. Chickering 1977

Babylonian Creation Myths - Wilfred G. Lambert 2013-09-26
For much of the last half of the twentieth century, W. G.

Downloaded from
latitudenews.com *on by*
guest

Lambert devoted much of his research energy and effort to the study of Babylonian texts dealing with Mesopotamian ideas regarding creation, including especially Enuma Elish. This volume, which appears almost exactly 2 years after Lambert's death, distills a lifetime of learning by the world's foremost expert on these texts. Lambert provides a full transliteration and translation of the 7 tablets of Enuma Elish, based on the known exemplars, as well as coverage of a number of other texts that bear on, or are thought to bear on, Mesopotamian notions of the origin of the world, mankind, and the gods. New editions of seventeen additional "creation tales" are provided, including "Enmesharra's Defeat," "Enki and Ninmah," "The Slaying of Labbu," and "The Theogony of Dunnu." Lambert pays special attention, of course, to the connection of the main epic, Enuma Elish, with the rise and place of Marduk in the Babylonian pantheon. He traces the development of this

deity's origin and rise to prominence and elaborates the relationship of this text, and the others discussed, to the religious and political climate Babylonia. The volume includes 70 plates (primarily hand-copies of the various exemplars of Enuma Elish) and extensive indexes.

The Pursuit of Europe -

Anthony Pagden 2022-01-13

The European Union, we are told, is facing extinction. Most of those who believe that, however, have no understanding of how, and why, it became possible to imagine that the diverse peoples of Europe might be united in a single political community. The Pursuit of Europe tells the story of the evolution of the 'European project', from the end of the Napoleonic Wars, which saw the earliest creation of a 'Concert of Europe', right through to Brexit. The question was how, after centuries of internecine conflict, to create a united Europe while still preserving the political legal and cultural integrity of each

*Downloaded from
latitudenews.com on by
guest*

individual nation. The need to find an answer to this question became more acute after two world wars had shown that if the nations of Europe were to continue to play a role in the world they could now only do so together. To achieve that, however, they had to be prepared to merge their zealously-guarded sovereign powers into a new form of trans-national constitutionalism. This, the European Union has tried to do. Here, Anthony Pagden argues that it has created not as its enemies have claimed, a 'super-state' but a new post-national order united in a political life based, not upon the old shibboleths of nationalism and patriotism, but upon a common body of values and aspirations. It is this, argues Pagden, that will allow the Union to defeat its political enemies from within, and to overcome the difficulties, from mass migration to the pandemic, which it faces from without. But it will only succeed in doing so if it also continues to evolve as it has

over the past two centuries.

A first-hand view of life in medieval France, as seen through the eyes of an elderly man instructing his young wife.

The Epic of Gilgamesh - 2003-04-29

Andrew George's "masterly new translation" (The Times) of the world's first truly great work of literature A Penguin Classic Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality.

Alongside its themes of family, friendship and the duties of kings, the Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for

over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluent narrative and will long rank as the definitive English Gilgamesh. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Epic of Gilgamesh - Gilgamesh 2001

The Epic of Gilgamesh is the world's oldest epic masterpiece.

The Epic of Gilgamesh - 2016-06-02

The ancient Sumerian poem
The Epic of Gilgamesh is one of

the oldest written stories in existence, translated with an introduction by Andrew George in Penguin Classics.

Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality.

Alongside its themes of family, friendship and the duties of kings, The Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluid narrative and will long rank as the definitive English

like Homer's Iliad, also available in Penguin Classics. 'A masterly new verse translation' The Times 'Andrew George has skilfully bridged the gap between a scholarly re-edition and a popular work' London Review of Books *Ea's Duplicity in the Gilgamesh Flood Story* - Martin Worthington 2019-11-15 This volume opens up new perspectives on Babylonian and Assyrian literature, through the lens of a pivotal passage in the Gilgamesh Flood story. It shows how, using a nine-line message where not all was as it seemed, the god Ea inveigled humans into building the Ark. The volume argues that Ea used a 'bitextual' message: one which can be understood in different ways that sound the same. His message thus emerges as an ambivalent oracle in the tradition of 'folktale prophecy'. The argument is supported by interlocking investigations of lexicography, divination, diet, figurines, social history, and religion. There are also extended discussions of

Babylonian word play and ancient literary interpretation. Besides arguing for Ea's duplicity, the book explores its implications - for narrative sophistication in Gilgamesh, for audiences and performance of the poem, and for the relation of the Gilgamesh Flood story to the versions in Atra-hasīs, the Hellenistic historian Berossos, and the Biblical Book of Genesis. Ea's Duplicity in the Gilgamesh Flood Story will interest Assyriologists, Hebrew Bible scholars and Classicists, but also students and researchers in all areas concerned with Gilgamesh, word-play, oracles, and traditions about the Flood.
