Killer's Shadow - John E. Douglas 2020-11-17
The legendary FBI criminal profiler and international bestselling author of Mindhunter

and The Killer Across the Table returns with this timely, relevant book that goes to the heart of extremism and domestic terrorism, examining

in-depth his chilling pursuit of, and eventual prison confrontation with Joseph Paul Franklin, a White Nationalist serial killer and one of the most disturbing psychopaths he has ever encountered. Worshippers stream out of an Midwestern synagogue after sabbath services, unaware that only a hundred yards away, an expert marksman and avowed racist, antisemite and member of the Ku Klux Klan, patiently awaits, his hunting rifle at the ready. The October 8, 1977 shooting was a forerunner to the tragedies and divisiveness that plague us today. John Douglas, the FBI's pioneering, first full-time criminal profiler, hunted the shooter—a white supremacist named Joseph Paul Franklin, whose Nazi-inspired beliefs propelled a three-year reign of terror across the United States, targeting African Americans, Jews, and interracial couples. In addition, Franklin bombed the home of Jewish leader Morris Amitay, shot and paralyzed Hustler magazine publisher Larry Flynt, and seriously wounded civil rights leader

Vernon Jordan. The fugitive supported his murderous spree robbing banks in five states, from Georgia to Ohio. Douglas and his writing partner Mark Olshaker return to this disturbing case that reached the highest levels of the Bureau, which was fearful Franklin would become a presidential assassin—and haunted him for years to come as the threat of copycat domestic terrorist killers increasingly became a reality. Detailing the dogged pursuit of Franklin that employed profiling, psychology and meticulous detective work, Douglas and Olshaker relate how the case was a make-or-break test for the still-experimental behavioral science unit and revealed a new type of, determined, mission-driven serial killer whose only motivation was hate. A riveting, cautionary tale rooted in history that continues to echo today, *The Killer's Shadow* is a terrifying and essential exploration of the criminal personality in the vile grip of extremism and what happens when rage-filled speech evolves into deadly

action and hatred of the "other" is allowed full reign. The Killer's Shadow includes an 8-page color photo insert.

Her Hidden Genius - Marie Benedict
2022-01-25

"Brings to life Franklin's grit and spirit...an important contribution to the historical record."
—The Washington Post
The new novel from the New York Times bestselling author of *The Mystery of Mrs. Christie!* She changed the world with her discovery. Three men took the credit. Rosalind Franklin has always been an outsider—brilliant, but different. Whether working at the laboratory she adored in Paris or toiling at a university in London, she feels closest to the science, those unchanging laws of physics and chemistry that guide her

experiments. When she is assigned to work on DNA, she believes she can unearth its secrets. Rosalind knows if she just takes one more X-ray picture—one more after thousands—she can unlock the building blocks of life. Never again will she have to listen to her colleagues complain about her, especially Maurice Wilkins who'd rather conspire about genetics with James Watson and Francis Crick than work alongside her. Then it finally happens—the double helix structure of DNA reveals itself to her with perfect clarity. But what unfolds next, Rosalind could have never predicted. Marie Benedict's powerful new novel shines a light on a woman who sacrificed her life to discover the nature of our very DNA, a woman whose world-changing contributions were hidden by the men around her but whose relentless drive advanced our understanding of humankind. Also By Marie Benedict: *The Other Einstein* *Carnegie's Maid* *The Only Woman in the Room* *Lady Clementine* *The Mystery of Mrs. Christie*
