Afro-Brazilian Numerology - Diego de Oxóssi 2022-09-20

- Offers step-by-step instructions to calculate your Birth Odus and cast your full Orisha Birth Chart
- Presents detailed interpretations of each of the 16 Birth Odus, showing how their energies manifest in an individual's personality, relationships, financial status, and general approach to life
- Shares self-transformation techniques to help you improve the positive qualities of your chart while embracing, integrating, and neutralizing negative energies and tendencies

Much like the celestial influences revealed by a natal astrology chart or the numerology of your birth date, African spiritual traditions believe that every person has specific personal energies ruling how we relate to each other and the way we foresee and achieve life goals. Called the birth Odus, these inner energies influence your choices and decisions throughout life, defining and differentiating you from everyone else--and revealing the best ways to maximize your potential and meet the challenges you face. Offering a complete guide to discovering, interpreting, and working with your birth Odus, Diego de Oxóssi details step by step how to calculate your birth Odus and cast your full Orisha birth Chart. He explains the Afro-Brazilian concept of numerology and its relationship with the 16 Odus and their related Orishas, the deities of the Afro-Brazilian spiritual

tradition. He explores how to determine the influences in the major and minor houses of your Orisha birth chart, including those related to personality and identity, career and success, relationships and love, and challenges and personal evolution. Presenting case studies from his practice, the author offers detailed interpretations of each of the 16 birth Odus, showing how their energies manifest in an individual's life. He looks at the positive and negative aspects of each Odu, including how the negative aspects represent the shadow forces that one has to overcome to succeed in life. He offers self- transformation techniques to help you improve the positive qualities of your chart while embracing, integrating, and neutralizing the negative energies and tendencies. Revealing how to better know yourself and understand the spiritual dynamics behind your choices and behaviors, this guide shows you how to work with the energies of the Odus and the strength of the Orishas to improve your communication and relationship skills, overcome life's challenges, and ensure success and happiness on your life's path.

The Book of Changes and the Unchanging Truth - Hua Ching Ni 1995

You will appreciate discovering the inexhaustible source for continued study, reflection and self-cultivation which Master Ni's lucid rendition of this timeless wisdom provides.

Magnificent Addiction - Philip R. Kavanaugh
1992

The author, a psychiatrist, proposes that addiction is not negative in and of itself, explaining how people with unhealthy addictions can develop positive addictions and gain full and permanent recovery from their harmful habits.

The Complete I Ching — 10th Anniversary Edition - Taoist Master Alfred Huang 2010-11-17

A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, *The Complete I Ching* has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods; in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

While Mommy Is Out - Teri Errico Griffis
2017-05-17

In every child's life there comes a point when he or she realizes that the babysitter coming means Mommy is leaving. Whether the child has known the babysitter for his or her whole life, or whether she is a complete stranger, it's terrifying to be left behind--and worse to wonder if Mommy will ever come back. Follow Little One's adventures as Mommy says good-bye and he meets his babysitter for the first time. He'll face his biggest fears, make a new friend, and hug his Mommy once again. This book, inspired

by real events, is an exceptional narrative for children who need an introduction to what a babysitter is and why she really isn't so scary after all, as well as reassurance that Mommy will always come back home to her Little One in the end.

First Arabic Reader - Saher Ahmed Salama 2010

First Arabic Reader for beginners bilingual for speakers of English. The book consists of Elementary and Pre-intermediate courses. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author had to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only 29 new words each. All audio tracks are available on lppbooks.com for free download.

Black Holes to the Oort Cloud - Beyond Our Solar System - Cosmology for Kids -

Children's Cosmology Books - Professor Gusto
2016-06-21

What lies beyond our solar system? We don't know yet. But what do we know? Well, some of which are detailed in this educational picture book for kids. Open this book to take a look at the beauty of the universe. Read the included texts to understand some facts. This is a great educational resource that your child should own next!

I Ching and the Genetic Code - Martin Schonberger 1992

The universal claims of both the I Ching, "the book of changes", the compendium of Chinese natural knowledge and the genetic code, "the book of life", encouraged Dr. Schönberger to establish the hypothesis of a general system in nature. He has verified in numerous parallels the congruence of both the I Ching code and the genetic code. The sensational results are detailed for the first time in this book. The "I Ching & the Genetic Code" is an important and exciting link between science and spirituality!

Embracing Survival - Dydine Umunyana
2016-08-10

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan

Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict.

While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

Secrets of the I Ching - Joseph Murphy
1999-12-01

The classic guide to tapping the practical benefits of an age-old book of wisdom--revised to captivate today's spiritual seekers. Based on the revered Chinese philosophy with a 5,000-year-old tradition, the I Ching, or Book of Changes, is rich in revelations. An eminent expert on the powers of the subconscious, Dr. Joseph Murphy opens the guiding force of this ancient text to anyone with an appreciation of the possibilities. With the help of three coins--ordinary pennies will do-- readers will learn to apply their intuitive abilities to receive the I Ching's answers. With a practical outlook, this hands-on guide presents simple techniques for enlisting the I Ching's aid in everyday problem-solving and decision-making. Murphy explains the I Ching hexagram system, revealing its roots in human psychology and the principle of constant change.

Demystifying obscure terms and symbols, the author leads the way to consulting the I Ching for clarity and guidance in times of confusion and crisis. By combining basic mathematical formulas with spiritual awareness, readers will realize the miracle-working potential of their own mind and connect with the I Ching's truths. As a result, they'll gain vital insights into questions about career, family, romance, financial security, and life goals. And they'll discover the wonder of genuine peace of mind. *SECRETS OF THE I CHING*, does not claim to predict the future. But it does provide the tools to mark any future with the promise of greater personal and spiritual fulfillment.

My Tooth Aches - Marshall Kids 2015-08-04
Is your child scared of going to the dentist? Use a coloring book to ease the fear even just enough to recognize the need to have his/her teeth checked. Introducing concepts through coloring is said to be highly effective because it is a form of hands-on learning. Don't forget to grab a copy of this coloring book today!

Sea Glass Windows - Richard Morgan
2016-05-03

Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.

Five Meters of Time - 2020-05-10

What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews "charming"-Kirkus Reviews "A proposal to improve the world"-Westfälische Nachrichten "humorous"-Ehrensens "interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books."-ForeWord Clarion Reviews "fabulous"-Spiegel Online "A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action "sets out to demonstrate

what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon.com Customer Review"beautiful"-Geizkragen"The story of a little snail who triggers big changes."-Münstersche Zeitung

Book2 English - French for Beginners -

Johannes Schumann 2008-10

book2 is available in many languages is ideal for beginners has 100 short and easy chapters corresponds to the European levels A1 and A2 requires no prior knowledge of grammar covers the basic vocabulary uses simple structures to help you learn a language helps you to speak complete sentences immediately applies the latest memory research All downloads can be accessed at www.book2.de. The Rave I'Ching - Ra Uru Hu 1999-03-01

3rd Person Observation - Darby Powers
2013-06-09

3rd Person Observation is the author's interpretation of the situations and events that surround her everyday. We all find comfort in hearing other people's experiences and applying them to our own. These amazing true experiences can give you a different perspective into what you are going through at any given time. 3rd Person Observation is written to help you be more understanding to the people around you and at the same time be more understanding to yourself.

Researches on the I CHING - Iulian

Konstantinovich Shchutskii 2017-03-14

A noted Russian sinologue, Iulian Shchutskii tried to find out how the I Ching was put together and what the terms meant when they were written. Accordingly, he goes back to the original text, studies the structure of its language, and examines its concepts in terms of its own images and ideas rather than through the preconceived constructs with which most Western scholars approach the book. Originally

published in 1979. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Secret Source - Jodi Wille 2011-03

The Secret Source reveals the actual occult doctrines that gave birth to "The Law of Attraction" and inspired the media phenomenon known as The Secret. Why did The Secret divulge only one of the seven Hermetic Laws? What are the others, what do they say, and how could they enrich your life? The Secret Source provides the actual texts and fascinating stories behind the "Emerald Tablet," the Kabbalistic treatise known as "The Kybalion," and Manly P. Hall's essay on the occult movement that produced it. Maja D'Aoust lectures at the Philosophical Research Society; Adam Parfrey, editor of Apocalypse Culture, is writing a history of secret societies in America; and Jodi Wille is editing a book on the mystical commune known as "the Source." Manly P. Hall is the author of The Secret Teachings of All Ages.

The Occult I Ching - Maja D'Aoust 2019-12-10

An illustrated guide to the occult history, serpent magic, and practical application of the I Ching • Reveals how the sacred language of the original eight trigrams of the I Ching was discovered by a wisdom serpent known as Fu Xi • Explores how the I Ching formed the basis of the earliest Taoist philosophies, its complex correlation with human DNA, and its relationship with artificial intelligence • Provides new contemporary analysis of each of the 64 hexagrams, their changing lines, and archetypes of the I Ching • Includes original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience One of the oldest books in the world, the I Ching has been used in China for millennia to open a dialogue with divinity, gain insight and wisdom,

and pull aside the curtain of reality to reveal the light of the heavens. Yet, despite its popularity over thousands of years, few understand its mysterious origins, symbolism, or occult connections. In this illustrated guide, Maja D'Aoust applies her significant experience as a professional practitioner and scholar of the I Ching to provide a history of the oracle, explain the mechanisms at work behind it, and offer a new experiential approach to its interpretation. The author begins by examining the discovery of the I Ching by the first mythical emperor of China, Fu Xi, a divine being with the body of a serpent. She reveals how Fu Xi's eight original trigrams, also called the Ba Gua, provided a sacred language of symbols that allowed for communication between the diviner and the spirit world. Using the I Ching's principles of cosmology as a basis, the shamans of ancient China developed the earliest Taoist philosophies of nature, medicine, martial arts, and mathematics as well as ecstatic practices, war strategies, birth and death rituals, agricultural systems, and alchemical studies. D'Aoust further shows how the I Ching relates to the mathematical sequences of biology and human DNA, examining the correlation between the serpent's tail and the double helix. She reveals how the ways the oracle connects with your own inner knowing parallel the ways in which DNA repairs itself. Providing a new analysis of each of the 64 hexagrams and their changing lines and archetypes, the author explores each hexagram's meanings in depth, alongside original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience. Revealing how the oracle holds complex networks of meaning that language alone fails to capture, D'Aoust offers a new understanding of the Book of Changes and its many hidden lessons.

Distant Valor - C. X. Moreau 2012-07-01

Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: *The Red Badge Of Courage*, *All Quiet on the Western Front*, *The Caine Mutiny*, *Fields of Fire* and *The Thirteenth Valley*. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which

ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs, Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the Marines serving in Lebanon, it was another war in a foreign country where the enemy could be anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of *Semper Paratus*. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews "Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly "Outstanding! A classic in, yet above and beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio, New York Times best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things* "With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, New York Times best-selling author of "The Corps" and "The Brotherhood of War" series "A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union "A novel of character, as are all great war novels...cuts to the heart of the military experience in our time .

.. "--San Jose Mercury News "An absolutely authentic portrayal of the Marines who endured the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea* "C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, New York Times best-selling author of *The War In 2020*

Mr Lazarus - Patrice Chaplin 2016-08-03
 '... a surging intensity that keeps the reader glued to the page.' - New York Times
 London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal...
 Mr Lazarus is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renown international bestselling author. Praise for Patrice Chaplin 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer
 Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She

has published more than 36 books, plays and short stories.

Familiars in Witchcraft - Maja D'Aoust
 2019-07-16

A comprehensive exploration of familiars and their many forms and powers • Explores witch's familiars in folklore, shamanic, and magical traditions around the world, including Africa, India, Scandinavia, ancient Greece, and China • Explains how familiars are related to shamanic power animals and how the witch draws on her personal sexual energy to give this creature its power • Examines the familiar in alchemical, Hermetic, and Egyptian magical literature, including instructions for procuring a supernatural assistant
 Exploring the history and creation of a "witch's familiar," also known as a spirit double or guardian spirit, Maja D'Aoust shows how there is much more to these supernatural servant spirits and guardians than meets the eye. She reveals how witches are not the only ones to lay claim to this magician's "assistant" and examines how the many forms of witch's familiars are well known in folklore throughout Europe and America as well as in shamanic and magical traditions around the world, including Africa, India, and China. The author explains how familiars are connected with shapeshifting and how the classic familiars of medieval witchcraft tradition are related to the power animals and allies of shamanic practices worldwide, including animal guardian spirits of Native American traditions and the daimons of the ancient Greeks and Romans. She examines the fetch spirit, also known as the fylgia in Scandinavian tradition, and how the witch or sorcerer draws on their personal sexual energy to give this creature its power to magnetize and attract what it was sent to retrieve. She looks at incubus, succubus, doubles, doppelgangers, and soul mates, showing how familiars can also adopt human forms and sometimes form romantic or erotic attachments with the witch or shaman.
 Reviewing alchemical, Hermetic, and Egyptian magical literature, including the nearly forgotten alchemical works of Anna Kingsford, D'Aoust explores their instructions for procuring the attention of a supernatural assistant as well as an extensive description of the alchemical wedding and how this ritual joins the magician

and familiar spirit into a single unified consciousness. Exploring fairy familiars, she reveals how a practitioner can establish a "marriage" with a totemic plant or tree spirit, who, in return, would offer teachings about its medicinal and visionary powers. Delving deeply into the intimate relations of humanity with the spirit world, D'Aoust shows how forming connections with living forces other than human enables us to move beyond the ego, expand our magical abilities, as well as evolve our conscious awareness.

The Lost Language of Symbolism - Harold Bayley 1912

Russian Black Magic - Natasha Helvin
2019-10-22

A rare look into the history, theory, and craft of the black mages and sorcerers of Russia • Examines practical rituals and spells, the demonic pantheon, places of power, offerings and sacrifices, Hell Icons, and instructions for cemetery magic • Provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality • Details how the Russian practice of black magic preserved ancient pagan traditions and evolved as the antithesis of Christianity Born in the Soviet Union and descended from a matrilineal line of witches, Natasha Helvin offers a rare look into the secret practices of Russian black magic, passed down from teacher to disciple for generations both orally and through their grimoires bound in black. Drawing from her own experience, Helvin provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality. She explains a mage's view on fate and predestination, how the world was created, and their relationship with the demons that grant them their power. She examines the demonic pantheon as well as how a black sorcerer is able to influence the forces in the universe and pass on his or her powers and knowledge to further generations. Exploring the history of occult practices in Russia, including how Christianity had a profound effect upon magic and witchcraft, Helvin shows how attempts to forcibly convert the Russian population to the Christian faith were widely

resisted, and instead of these ancient pagan practices disappearing, they blended with Christian belief. Authorities repainted old pagan gods as demons in order to eradicate ancient traditions. Black magic became labelled as defiantly anti-Christian simply for preserving the old ways, and as a result, some branches of black magic evolved as a reaction against enforced Christianity and practitioners proudly accepted the label of "blasphemer" or "heretic." Through this book, readers can explore the Left-Hand path of Russian magic and its spells and rituals. The author explains about cemetery magic, sacrifices, the creation of Hell Icons, and places of power, such as crossroads, swamps, and abandoned villages, as well as the best times to practice black magic, how to choose the best grave for your spell, and how to summon demons. Providing many concrete examples of spells, Helvin demonstrates the broad range of what can be accomplished by those who practice the black arts, if they commit themselves to the craft.

Book of Sun and Moon (I Ching) - Stuart Alve Olson 2014-10-18

The books in this two-volume series present the most important tools and information on how to utilize the "Book of Changes (I Ching)." The "Book of Sun and Moon," an alternative-though accurate-translation for the title of the "I Ching," is both a book of divination and calculation. Its use in divination means to apply intuition concerning the oracle of the hexagrams (the sixty-four images of broken and unbroken Yin-and-Yang lines). Its ability to calculate and determine possible outcomes for any situation involves examining the logical correlations associated with each of the hexagrams and what images they change into and head toward. Using the "Book of Sun and Moon" is like being a detective or tracker. The images are the clues and tracks, and a good detective or tracker needs not only tools of deduction and observation, but also a strong sense of intuition. Hence, the "Book of Sun and Moon" provides the main tools for both. Some questions put to the "Book of Sun and Moon" may only seem to need an understanding of the oracle portion, while others may only seem to require the use of logic and calculation. Without applying both intuition and logic, however, you are only

receiving half the picture and limiting the amount of information the "Book of Sun and Moon" can provide. Volume I contains background historical information and explanations of the "I Ching's" construction and uses for divination and calculation. Volume II contains the translations of the original "Book of Sun and Moon," along with specific correlations for the hexagrams and trigrams for interpretation, as well as Stuart Alve Olson's commentaries derived from various Chinese sources. These new editions of the "Book of Sun and Moon" provide a distinctly Daoist perspective on the work, which sets them apart from the majority of other translations of the "I Ching" that contain commentaries based on Confucian ideals and philosophy.

I Ching, Or, Book of Changes - Richard Wilhelm 1989

Jessica Hart has never forgotten Matthew Landley. After all, he was her first love when she was fifteen years old. But he was also her school maths teacher, and their forbidden affair ended in scandal with his arrest and imprisonment. Now, seventeen years later, Matthew returns with a new identity, a long-term girlfriend and a young daughter, who know nothing of what happened before. Yet when he runs into Jessica, neither of them can ignore the emotional ties that bind them together. With so many secrets to keep hidden, how long can Jessica and Matthew avoid the dark mistakes of their past imploding in the present?

Anemone Enemy - Ed Claire Fitzpatrick 2017-07-25

The deep sea is an environment completely unfriendly to mankind; it represents one of the least explored areas on Earth. Pressures in the mesopelagic zone become too great for traditional exploration methods, demanding alternative approaches for deep sea research. What is beneath the depths of the sea? Featuring award-winning authors including Deborah Sheldon, Liz Butcher, Gerry Huntman, and more!

How Being Consistent Changed Everything - Jason DeZurik 2013-02-26

Having left his job in 2007 and not knowing where the Lord would take him, the author and his family began a journey of spiritual growth and insight they had never expected or

experienced before.

Slavic Witchcraft - Natasha Helvin 2019-08-06
A practical guide to the ancient magical tradition of Russian sorcery and Eastern Slavic magical rites • Offers step-by-step instructions for more than 300 spells, incantations, charms, amulets, and practical rituals for love, career success, protection, healing, divination, communicating with spirits and ancestors, and other challenges and situations • Reveals specific places of magical power in the natural world as well as the profound power of graveyards and churches for casting spells • Explores the folk history of this ancient magical tradition, including how the pagan gods gained new life as Eastern Orthodox saints, and shares folktales of magical beings, including sorceresses shapeshifting into animals and household objects Passed down through generations, the Slavic practice of magic, witchcraft, and sorcery is still alive and well in Russia, the Ukraine, and Belarus, as well as the Balkans and the Baltic states. There are still witches who whisper upon tied knots to curse or heal, sorceresses who shapeshift into animals or household objects, magicians who cast spells for love or good fortune, and common folk who seek their aid for daily problems big and small. Sharing the extensive knowledge she inherited from her mother and grandmother, including spells of the "Old Believers" previously unknown to outsiders, Natasha Helvin explores in detail the folk history and practice of Russian sorcery and Eastern Slavic magical rites, offering a rich compendium of more than 300 spells, incantations, charms, and practical rituals for love, relationships, career success, protection, healing, divination, averting the evil eye, communicating with spirits and ancestors, and a host of other life challenges and daily situations, with complete step-by-step instructions to ensure your magical goals are realized. She explains how this tradition has only a thin Christian veneer over its pagan origins and how the Slavic pagan gods and goddesses acquired new lives as the saints of the Eastern Orthodox Church. She details how the magical energy for these spells and rituals is drawn from the forces of nature, revealing specific places of power in the natural world as well as the profound power of graveyards and churches for casting spells. She explores the creation of amulets and

talismans, the importance of icons, and the proper recital of magical language and actions during spells, as well as how one becomes a witch or sorceress. Offering a close examination of these two-thousand-year-old occult practices, Helvin also includes Slavic folk advice, adapted for the modern era. Revealing what it means to be a Slavic witch or sorceress, and how this vocation pervades all aspects of life, she shows that each of us has magic within that we can use to take control of our own destiny.

Are You My Mother ASL Curriculum - Jessica Parker 2016-08-01

Are You My Mother? ASL Curriculum is a themed American Sign Language instruction unit based on the classic children's book "Are You My Mother?" It is for children in grades Kindergarten to 2nd grade. This curriculum includes 20 specific lessons focusing on the following ASL Concepts: Pronouns, Yes/No Face, Head Nod/Head Shake, Listing Technique, and Role-Shifting. Each ASL lesson includes vocabulary, a step-by-step teacher's guide, curriculum framework aligned to national standards, worksheets, weekly take-home activity guide for the parents, weekly assessment to chart student progress, access to signed videos, and other supplementary materials. ASL Concepts offers quality instruction for both Deaf and hearing students to develop their ASL skills, while also instilling ASL grammar and knowledge of Deaf culture.

Certain Personal Matters - Herbert George Wells 1898

This early edition of H.G. Wells features the author's amusing commentary and opinion about the customs and issues of his time.

Animal Totems and the I Ching - Brynja Magnusson 2020-03-30

This book is an introduction to four tools of personal navigation. The I Ching, an ancient guidance tool, is paired with the closest corresponding animal totem from indigenous cultures. Accompanying the traditional I Ching translation are the perspectives of the Human Design System and the Gene Keys, two modern systems that incorporate the I Ching into the context of human energetics. These divination tools render a language that bridges the subconscious and aids in finding clarity during difficulties or moments of confusion and chaos.

This book will deepen your knowledge of the I Ching through animal totems, or vice versa. *Animal Totems and the I Ching* is a Rosetta Stone of four different systems that can be used to expand the tool belt of anyone traversing the human experience.

Salem VI - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

Mei Mei---a Beautiful Fish - 2013

The Covington Witches - Roz Carter 2014-01-10
Imara Covington has always known that she comes from a family of strong women. Only after an unexpected journey to the quaint town of Edenton, North Carolina, do the family secrets begin to unravel. Once she thought of her family as her safety net and her home as a haven, but now Imara is forced to confront the long buried secrets that are at the center of her family's strength. Part one introduces us to Imara Covington, a successful caterer who loves her work almost as much as she loves her family. What Imara doesn't know is that she comes from a family of witches and this installment starts the story of discovery for Imara. Delve into the creepy world of *The Covington Witches*, today. This serialized novel is a great, quick read.

[The Secret Language of Symbols](#) - David Fontana 1994-02-01

This credible, highly readable, and vividly illustrated encyclopedic volume traces the origins and evolution of hundreds of symbols and symbol systems that have impacted human culture, history, art, and psychology since the dawn of time. From the I Ching and the Chakras to the Tarot and the Zodiac; from mythical beasts and magical numbers to heraldic shields and geometric shapes, author and psychologist

David Fontana identifies symbols from around the world and draws upon his experience with dream workshops and meditation to help readers deepen their understanding and appreciation of these intriguing icons. Relevant, compelling, and visually appealing, *The Secret Language of Symbols* is a unique and practical reference tool, as well as an inspiring guide to the images that give meaning to our everyday lives.

Born to Fly - Robyn Walker 2013-05-26

'Born to Fly' is a poignant and heart warming story based on true-life adventures of captive birds being safely released back into nature...blended with a fictional story about a Rainbow Lorikeet named Cherub. It is predominantly a book for all ages, for storytelling and learning is universal. 'Born to Fly' is also a metaphor for us all - to free ourselves to live happy, fulfilling and creative lives...and as we do this we automatically assist others to do the same. It is this inherent wisdom that Cherub and her friends are lovingly and

patiently teaching us. As caretakers and guardians of the natural world, our role is to observe and delight in the many wondrous miracles and beauty of nature. It is also to teach each and every one of our children this precious gift, so we can all truly fly free.

What Ever It Takes - Mick Williams 2017-09-20

For the small town of Watkins Forge, the worst thing to happen is a heavy snowfall. That is, until widower Cory Keller visits for an annual hunting trip. When he witnesses a murder in the nearby forest, no one believes him. With no corpse, and as the only witness, he is faced with convincing the towns sceptical sheriff before the killer tracks him down to silence him. As he develops a friendship with an attractive waitress, Keller discovers that he is up against much more than a killer and he must not only save himself but the whole town. Mick Williams is the author of Amazon Top Ten title *A Reason To Grieve*, and the page turning adventure *A Guy Walks Into A Bar*.
