Response Times - R. Duncan Luce 1986-07-24

This is a study of how response times influence our thinking about the mind. Professor Luce provides a clear, comprehensive review of the experimental data, and puts forward the idea of the hazard function - an important approach that he and his colleagues have developed. This function exaggerates the differences that normal analysis methods often obscure, enabling the researcher to rule out more confidently known mechanisms of time delay in human performance.

Nantucket Rose - CF Frizzell 2017-11-14

Maggie Jordan can't wait to convert an historic Nantucket home into a B&B and move on to her next project. However, her intention to flip it for a sizeable profit is something she must keep to herself if she hopes to win the acceptance of islanders and popularize the business. She can't afford to grow attached to the house, or succumb to Nantucket's quaint charms, and definitely must not fall in love. But neither can Maggie resist the conundrum that is Ellis Chilton, a reserved, solitary islander and mariner since childhood. Seemingly content being attached only to her boat and the ocean, Ellis projects a refreshing air of independence, an aura of conviction and grit that tugs Maggie ever closer to a decision that will alter both their lives.

Rich Dad, Poor Dad - Robert T. Kiyosaki 2016-04-27

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Nickel and Dimed - Barbara Ehrenreich 2010-04-01

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you intend to live indoors. *Nickel and Dimed* reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, *Nickel and Dimed* is more relevant than ever.
