Elsevier Adaptive Learning Access Card + Elsevier Adaptive Quizzing for Maternal Child Nursing Care Access Card - Shannon E.

Perry 2014-08-01

Studying is about to get a whole lot easier! Corresponding chapter-by-chapter to Maternal Child Nursing Care, 5th Edition, the Elsevier Adaptive Solutions Package combines two innovative adaptive products into one powerful learning solution. Elsevier Adaptive Learning (EAL) helps you transform textbook information into lasting knowledge, while Elsevier Adaptive Quizzing (EAQ) ensures you know how to apply that knowledge to exams and clinical practice. Both EAL and EAQ are fun, engaging, and constantly tracking and adapting to your performance so you learn more effectively and efficiently. This dynamic duo is the personalized solution you need to learn faster, remember longer, and be better prepared for exams and licensure. Elsevier Adaptive Learning: An individual study schedule reduces cognitive workload and helps you become a more effective learner by automatically guiding the learning and review process. The mobile app offers a

seamless learning experience between your smartphone and the web with your memory profile maintained and managed in the cloud. UNIQUE! Your memory strength is profiled at the course, chapter, and item level to identify personal learning and forgetting patterns. UNIQUE! Material is re-presented just before you would naturally forget it to counteract memory decay. A personalized learning pathway is established based on your learning profile, memory map, and time required to demonstrate information mastery. The comprehensive student dashboard allows you to view your personal learning progress. Elsevier Adaptive Quizzing: In addition to detailed rationales for each question, select questions include interactive, multimedia resources such as illustrations, animations, videos, audio clips, summary tables, and study tips to help you master challenging material. Alternate item format questions - including multiple-response, fill-in-the-blank, prioritizing, graphic options, chart/exhibit, video, audio, and

hot spot - provide valuable licensure or certification exam preparation. The comprehensive dashboard allows you to view your personal learning progress with summaries of your strengths, weaknesses, mastery levels, and normative data. The engaging, easy-to-use interface ensures that you'll be able to navigate through the program with ease. UNIQUE! Elsevier's trusted, market-leading content serves as the foundation for all questions, which are written, reviewed, and leveled by experienced nursing and/or health professions educators, item writers, and authors. UNIQUE! Unfolding questions become progressively more complex as you advance to higher levels, incorporating concepts such as delegation, multi-system diseases, or complicating conditions to help you strengthen your critical thinking and clinical reasoning skills. Confidence level indicators allow you to indicate your confidence when submitting answers, providing valuable insight into areas where you might require further

study. UNIQUE! Practice in Study Mode, which provides immediate feedback, or in Exam Mode where the quiz is timed and results are summarized at the end. Multiple mastery levels for each chapter allow you to progress from one level to the next based on your performance. UNIQUE! Essential test-taking tips and strategies help you learn how to successfully dissect and tackle different question types and improve test-taking skills for both course exams and the licensure or certification examination. Maternal Child Nursing Care in Canada - E-Book - Lisa Keenan-Lindsay 2021-12-17 Featuring the most accurate, current, and clinically relevant information available, Perry's Maternal Child Nursing Care in Canada combines essential maternity and pediatric nursing information in one text. Comprehensive coverage includes promotion of wellness and the care for persons experiencing common health concerns throughout the lifespan, care in childbearing, as well as the health care of

children and child development in the context of the family. Health concerns, including physiological dysfunctions and special needs and illnesses, are also featured. This text provides a family-centred care approach that recognizes the importance of collaboration with families when providing care. Medication Alerts stress medication safety concerns for better therapeutic management. Safety Alerts highlighted and integrated within the content draw attention to developing competencies related to safe nursing practice. Research Focus boxes identify best practices by presenting evidence and how to apply the knowledge learned. Atraumatic Care boxes in the pediatric unit teach you how to provide competent and effective care to pediatric patients with the least amount of physical or psychological stress. Community Focus boxes emphasize community issues, supply resources and guidance, and illustrate nursing care in a variety of settings. Clinical reasoning case studies offer you

opportunities to test and develop your analytical skills and apply knowledge in various settings. Cultural Awareness boxes explore beliefs and practices about pregnancy, childbirth, parenting, women's health concerns, and caring for sick children. Evidence-Informed Practice boxes highlight findings that confirm effective practices or that identify practices with unknown, ineffective, or harmful effects. Emergency boxes alert you to emergency situations and guide you step-by-step through emergency procedures. Family-Centred Care boxes highlight the needs or concerns of families that you should consider in providing family-centred care. Guidelines boxes outline nursing procedures in an easy-to-follow format. Home Care boxes detail important information that you need to deliver care to patients and families in the home setting. Medication Guide boxes include key information about medications used in maternity and newborn care, including their indications, adverse effects, and nursing

considerations. Patient Teaching boxes assist you in helping patients and families become involved in their own care with optimal outcomes.

Maternity Nursing - Revised Reprint - Deitra Leonard Lowdermilk, RNC, PhD, FAAN
2013-11-25
Designed to meet the needs of today's students,

Lowdermilk's Maternity Nursing, 8th Edition - Revised Reprint addresses the fundamentals of maternity nursing with a concise, focused presentation of the care of women during the childbearing years. Integrating considerations for family, culture, and health promotion into the continuum of care, it also addresses community-based care to emphasize that nursing care takes place in many settings. Maternity Nursing focuses on childbearing issues and concerns, including care of the newborn, as well as wellness promotion and management of common women's health problems. Critical thinking exercises present case studies of real-life situations and corresponding critical thinking questions to help you develop your analytical skills. NEW! A helpful appendix identifies text content that reflects the QSEN competencies - patient-centered care, teamwork and collaboration, evidence-based practice, quality improvement, safety, and informatics - to assist you in developing competencies to provide safe

and effective nursing care. NEW! Focus on the family recognizes the nurse's need to integrate the family in the care of the mother and newborn and the importance of the role of the mother to the wellbeing of the family. NEW! Content updates throughout, including information on the late preterm infant and associated concerns such as feeding; guidelines on prioritization and delegation where relevant; and centering pregnancy, a new model of health care that brings women together in groups for their care. NEW! Evidence-based practice content focuses your attention on how to use current research to improve patient outcomes. NEW! Improved readability helps you learn more efficiently with shorter, more focused content discussions. NEW! 21st Century Maternity Nursing: Culturally Competent, Community Focused chapter combines introductory material, culture, and community into one chapter to help you focus on key content and concepts. NEW! Streamlined content highlights the most

essential, need-to-know information.
