Witches - Erica Jong 2017-08-29

The New York Times–bestselling author of *Fear of Flying* celebrates witches in a gorgeously illustrated brew of witchcraft lore, potions, secrets, and myth. With a mix of genuine fascination, passionate enthusiasm, and keen feminist insight, Erica Jong wades through a bog of myths, misinformation, historical hysteria, and contemporary Halloween costumes to offer a generous exploration and celebration of witches. From their origins as descendants of ancient goddesses to contemporary practitioners of the craft, the evolution of the concept of “witch” has been as changeable as the centuries themselves. From evil crone to sexual seductress, they are the embodiment of both light and dark, fertility and death, divinity and paganism, baleful curses and healing cures. They have been scapegoated as the object of men’s worst fears and embraced as heroines of female empowerment. As muses, they have influenced popular culture from Shakespeare and Yeats to Anne Sexton and Ken Russell. With reverence and a hint of mischief, Jong reveals witches’ rites, rituals, and magical recipes, including authentic spells and incantations. “A steaming cauldron of beautifully illustrated prose, poetry, love potions and flying lotions” (*Glamour*) from the renowned author of *Fanny, Witches* is “nothing less than a complete transformation of our concept of witches . . . accomplishe[d] with panache in this sumptuously and provocatively illustrated book” (*Publishers Weekly*). This ebook features an illustrated biography of

Erica Jong, including rare photos and never-before-seen documents from the author's personal collection.

Which Witch? - Eva Ibbotson 2008-09-04

Which Witch? is a brilliantly witty tale of magic and marriage by Eva Ibbotson, shortlisted for the Carnegie Medal. 'Find me a witch!' cried Arriman the Awful, feared Wizard of the North. Arriman has decided to marry. His wife must be a witch of the darkest powers - but which witch will she be? To find the most fiendish, he holds a spell-casting competition. Glamorous Madame Olympia performs the terrifying Symphony of Death and conjures up a thousand plague-bearing rats. The magic of gentle Belladonna, the white witch, goes hopelessly wrong. She produces perfumed flowers instead of snakes. And bats roost in her golden hair instead of becoming blood-sucking vampires. Poor Belladonna longs to be an evil enchantress - but how? 'This kind of fun will never fail to delight' - Philip Pullman.

Calico Captive - Elizabeth George Speare 2001-10-29

From a Newbery Medal-winning author, an "exciting novel" about a colonial girl's experience during the French and Indian War (Saturday Review). In the year 1754, the stillness of Charlestown, New Hampshire,

is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister's baby, Captive, born on the trail. Miriam and her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets the prominent Du Quesne family, who introduce her to a life she has never imagined. Based on an actual narrative diary published in 1807, Calico Captive skillfully reenacts an absorbing facet of history. "Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New Hampshire, presents American history with force and verve." —Kirkus Reviews

Between the Living and the Dead - Eva Pocs 1999-01-01

The author, one of the most highly respected scholars of historical anthropology, has undertaken extensive research on folk beliefs related to communication with the supernatural sphere. In this book, she examines the systems of such communication known by early modern Hungarians, and the role these systems played in the everyday life of the village. New types of mediators are identified such as "the neighborhood witch," the healing witch, and the demons seen in dreams. Representing a major contribution to the most up-to-date international research, Eva Pocs draws on significant East European material and literature not previously coordinated with that from the West. In so doing, she makes a valuable contribution to a subject that has recently attracted the attention of several leading scholars.

The Sacrifice - Kathleen Benner Duple 2008-06-20

In the year 1692, life changes forever for ten-year-old Abigail Faulkner and her family. In Salem, Massachusetts, witches have been found, and widespread fear and panic reign mere miles from Abigail's home of Andover. When two girls are brought from Salem to identify witches in Andover, suspicion sweeps the town as well-respected members of the community are accused of witchcraft. It isn't long before chaos consumes Andover, and the Faulkners find themselves in the center of it all when friend turns themselves in the center of it all when friend turns against friend, neighbor against neighbor, in a desperate fight for the truth. At the heart of this gripping story are Abigail and her sister, Dorothy, who together must find a way to persevere during a period marked by terror, adversity, and ignorance. Told from Abigail's point of view and based on actual events in the author's own family history, *The Sacrifice* offers a unique perspective of the Salem witch trials by delving into the devastating effects the trials had not just in Salem but throughout Massachusetts.

Salem Witch Judge - Eve LaPlante 2009-10-13

In 1692 Puritan Samuel Sewall sent twenty people to their deaths on trumped-up witchcraft charges. The nefarious witch trials in Salem, Massachusetts represent a low point of American history, made famous in works by Longfellow, Nathaniel Hawthorne (himself a descendant of one of the judges), and Arthur Miller. The trials might have doomed

Sewall to infamy except for a courageous act of contrition now commemorated in a mural that hangs beneath the golden dome of the Massachusetts State House picturing Sewall's public repentance. He was the only Salem witch judge to make amends. But, remarkably, the judge's story didn't end there. Once he realized his error, Sewall turned his attention to other pressing social issues. Struck by the injustice of the New England slave trade, a commerce in which his own relatives and neighbors were engaged, he authored "The Selling of Joseph," America's first antislavery tract. While his peers viewed Native Americans as savages, Sewall advocated for their essential rights and encouraged their education, even paying for several Indian youths to attend Harvard College. Finally, at a time when women were universally considered inferior to men, Sewall published an essay affirming the fundamental equality of the sexes. The text of that essay, composed at the deathbed of his daughter Hannah, is republished here for the first time. In *Salem Witch Judge*, acclaimed biographer Eve LaPlante, Sewall's great-great-great-great-great-granddaughter, draws on family lore, her ancestor's personal diaries, and archival documents to open a window onto life in colonial America, painting a portrait of a man traditionally vilified, but who was in fact an innovator and forefather who came to represent the best of the American spirit.

Six Women of Salem - Marilynne K. Roach 2013-09-03

The story of the Salem Witch Trials told through the lives of six women *Six Women of Salem* is the first work to use the lives of a select number of representative women as a microcosm to illuminate the larger crisis of the Salem witch trials. By the end of the trials, beyond the twenty who were executed and the five who perished in prison, 207 individuals had been accused, 74 had been "afflicted," 32 had officially accused their fellow neighbors, and 255 ordinary people had been inexorably drawn into that ruinous and murderous vortex, and this doesn't include the religious, judicial, and governmental leaders. All this adds up to what the Rev. Cotton Mather called "a desolation of names." The individuals involved are too often reduced to stock characters and stereotypes when accuracy is sacrificed to indignation. And although the flood of names and detail in the history of an extraordinary event like the Salem witch trials can swamp the individual lives involved, individuals still deserve to be remembered and, in remembering specific lives, modern readers can benefit from such historical intimacy. By examining the lives of six specific women, Marilynne Roach shows readers what it was like to be present throughout this horrific time and how it was impossible to live through it unchanged.

fearing residents. When the reverend's suggestible young daughter, Betsey, starts having fits, the townsfolk declare it to be the devil's work. I, Tituba, Black Witch of Salem - Maryse Condé 2009

This wild and entertaining novel expands on the true story of the West Indian slave Tituba, who was accused of witchcraft in Salem, Massachusetts, arrested in 1692, and forgotten in jail until the general amnesty for witches two years later. Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. She turns her into what she calls "a sort of female hero, an epic heroine, like the legendary 'Nanny of the maroons,'" who, schooled in the sorcery and magical ritual of obeah, is arrested for healing members of the family that owns her. African Literature Translated from French This book has been supported by a grant from the National Endowment for the Humanities, an independent federal agency.

The Crucible - Arthur Miller 2012-03-19

"The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of

Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.
