## The Adventures of Tintin Volume 8 - Hergé 2015-11

Join the world's most famous travelling reporter in his exciting adventures as he gets mixed up with an aeroplane hijacking in Flight 714 to Sydney and a South American revolution in Tintin and the Picaros. This volume also includes the unfinished Tintin and Alph-Art, a fascinating insight into Hergé's creative process. Flight 714 to Sydney Tintin, Captain Haddock and Professor Calculus are on their way to Sydney, Australia. Through a chance meeting they are invited to travel on board the private jet of billionaire Lazlo Carreidas. But then they fall victim to a plot to kidnap Carreidas and are captured by Tintin's arch enemy Rastapopoulos. Tintin and the Picaros Bianca Castafiore has been imprisoned by General Tapioca! Also accused of threatening Tapioca's dictatorship, Tintin, Calculus and Haddock jet off to the jungle HQ of the revolutionaries, and hatch a plot surrounding the upcoming carnival and Haddock's sudden and mysterious disgust for whisky. Tintin and Alph-Art In an interview shortly before his death, Hergé wrote of the last Tintin adventure: "The plot revolves around a tale of forgers . . . The book is set in the world of contemporary art. The narration itself is in the course of evolution. I am still doing my research and I honestly don't know where this story will lead me." Sadly, the tale was never completed, but this unique book gives an insight into the work Hergé had done on the project before he died. At the end, Tintin is about to be cast into a living sculpture by a mysterious enemy - one last cliffhanger for the world's best-loved boy journalist. Join the most iconic character in comics as he embarks on an extraordinary adventures spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011, The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

## **The Adventures of Hergé** - Jose-Louis Bocquet 2011-12-06

A GRAPHIC BIOGRAPHY OF TINTIN'S CREATOR by Jose-Louis Bocquet and Jean-Luc Fromental, Illustrated by Stanislas Barthélémy The Adventures of Hergé is a biographical comic about the world-renowned comics artist Georges Prosper Remi, better known by his pen name, Hergé. Meticulously researched, with references to many of the Tintin albums and complete with a bibliography and mini-bios for each of the main "characters," the biography is appropriately drawn in Hergé's iconic clear line style as an homage to the Tintin adventures that have commanded the attention of readers across the world and of many generations. Seven-year-old Hergé first discovered his love of drawing in 1914 when his mother gave him some crayons to stay out of trouble. He continued drawing in school when he fatefully met the editor of XXe Siècle magazine, where Tintin first appeared. His popularity skyrocketed from the 1930s through post-World War Two. Hergé was perceived by some to have aided the Nazi government in Belgium by continuing to publish Tintin in a government-sanctioned magazine, and he was briefly imprisoned in the aftermath of the war and narrowly escaped execution. Also covered are his marriage troubles in the 1950s and subsequent affair with Fanny Vlamynck, who went on to become his lifelong partner; his late career in

the 1960s, as his interest in Tintin waned and he occasionally "disappeared" for weeks at a time as he contemplated giving up his career to become a fine-arts painter; and a recounting of a humorous encounter with Andy Warhol.

## The Adventures of Tintin - Hergé 2011

The Crab with the Golden Claws: Tintin is informed by Thomson and Thompson of a case involving the ramblings of a drunken man, later killed, found with a scrap of paper from what appears to be a tin of crab meat with the word "Karaboudjan" scrawled on it. His subsequent investigation and the kidnapping of a Japanese man interested in giving him a letter leads Tintin to a ship called the Karaboudjan, where he is abducted by a syndicate of criminals who have hidden opium in the crab tins The Shooting Star: A giant meteorite approaches the earth, observed from an observatory by Professor Decimus Phostle, while a self-proclaimed prophet, Philippulus, predicts the end of the world. The meteorite misses the earth, but a fragment of it plunges into the Arctic Ocean. Phostle determines it is made of a new material which he names Phostlite, and sets off to find it with a crew of European scientists, as well as Tintin and Snowy, in a ship helmed by Captain Haddock. The Secret of the Unicorn: When Tintin finds an old model sailing ship and gives it as a present to Captain Haddock, and exciting adventure quickly develops. From an ancient diary they learn the story of the of the ship, the Unicorn? a story of cutthroat pirates and lost treasure. Helped by their detective friends Thomson and Thompson, Tintin, Snowy, the Captain set out to uncover the secret of the Unicorn. But there are many narrow escapes for Tintin before the mystery is solved and he is ready to set off in his next strange adventure, The Hunt for Red Rackham's Treasure.

## **Total Jazz** - Blutch 2018-02-14

Blutch riffs on two quintessentially American art forms in this collection of jazz-themed comics. In this freewheeling collection of short stories and vignettes, the famed French cartoonist examines not only the music, but the nature of the jazz sub-culture. The grumpy festival goer, the curmudgeonly collector, and many other fan "types" are the targets of his unerring gimlet eye. Drawn in a range of styles as improvisational as Coltrane and Mingus — everything from loose linework to tight pen and ink to gestural pencils — Blutch captures the excitement of live performance, the lovelorn, and the Great Jazz Detective, who is out but not down.

## *Tintin and Alph-Art* - Hergé and Rodier 2019-01-26

This book is a pastiche by Y. Rodier, in homage to Hergé's last album. "The twenty-fourth adventure of Tintin, 'Tintin and Alph-Art', was left unfinished at the time of Hergé's death on the 3rd of March, 1983. Since then, several artists have tried their hand at finishing this ultimate adventure of Tintin. Presented here is the version drawn by Yves Rodier, a Canadian artist, in an English translation by Richard Wainman. The intention, when creating this translation, was to remain as faithful to the original as possible, and therefore. new place names and character names have not been anglicised. This practice, which was carried out by the English translators, Leslie Lonsdale-Cooper and Michael Tumer for the books in the established canon, has not been used here."
