**Broken Harbour** - Tana

French 2012-07-19

In Broken Harbour, a ghost estate outside Dublin - half-built, half-inhabited, half-abandoned - two children and their father are dead. The mother is on her way to intensive care. Scorcher Kennedy is given the case because he is the Murder squad's star detective. At first he and his rookie partner, Richie, think this is a simple one: Pat Spain was a casualty of the recession, so he killed his children, tried to kill his wife Jenny, and finished off with himself. But there are too many inexplicable details and the evidence is pointing in two directions at once. Scorcher's personal life is tugging for his attention. Seeing the case on the news has sent his sister Dina off the rails again, and she's resurrecting something that Scorcher thought he had tightly under control: what

happened to their family, one summer at Broken Harbour, back when they were children. The neat compartments of his life are breaking down, and the sudden tangle of work and family is putting both at risk . . .

A woman used to taking charge is about to meet a man who'll make her lose control in this novel from the New York Times bestselling author of *On Dublin Street*. It has always been up to Johanna to care for her family, particularly her younger brother, Cole. With an absent father and a useless mother, she's been making decisions based on what's best for Cole for as long as she can remember. She even determines what men to date by how much they can provide for her brother and her, not on whatever sparks may—or may not—fly. But with Cameron MacCabe, the attraction is

undeniable. The sexy new bartender at work gives her butterflies every time she looks at him. And for once, Jo is tempted to put her needs first. Cam is just as obsessed with getting to know Jo, but her walls are too solid to let him get close enough to even try. Then Cam moves into the flat below Jo's, and their blistering connection becomes impossible to ignore. Especially since Cam is determined to uncover all of Jo's secrets...even if it means taking apart her defenses piece by piece.

*A Dublin Student Doctor* -

Patrick Taylor 2011-10-11

Patrick Taylor's devoted

readers know Doctor Fingal Flahertie O'Reilly as a pugnacious general practitioner in the quaint Irish village of Ballybucklebo. Now Taylor turns back the clock to give us a portrait of the young Fingal—and show us the pivotal events that shaped the man he would become. In the 1930s, fresh from a stint in the Royal Navy Reserve, and against the wishes of his disapproving father, Fingal O'Reilly goes to Dublin to study medicine. Fingal and his fellow aspiring doctors face the arduous demands of Trinity College and Sir Patrick Dun's Hospital. The hours are long and the cases challenging, but Fingal manages to find time to box and play rugby—and to romance a fetching, gray-eyed nurse named Kitty O'Hallorhan. Dublin is a city of slums and tenements, where brutal poverty breeds diseases that the limited medical knowledge of the time is often ill-equipped to handle. His teachers warn Fingal not to become too attached to his patients, but can he truly harden himself to

**The Blackwater Lightship -**

Colm Toibin 2014-10-07

From the author of *The Master and Brooklyn*, Colm Tóibín weaves together the lives of three generations of estranged women as they reunite to witness and mourn the death of a brother, a son, and a grandson. It is Ireland in the early 1990s. Helen, her mother, Lily, and her grandmother, Dora, have come together to tend to Helen's brother, Declan, who is dying of AIDS. With Declan's two friends, the six of them are forced to plumb the shoals of their own histories and to come to terms with each other.

Shortlisted for the Booker Prize, *The Blackwater Lightship* is a deeply resonant story about three generations of an estranged family reuniting to mourn an untimely death. In spare, luminous prose, Colm Tóibín explores the nature of love and the complex emotions inside a family at war with itself. Hailed as "a genuine work of art" (*Chicago Tribune*), this is a novel about the capacity of stories to heal the deepest wounds.

**Sorry for Your Trouble** - Ann Marie Hourihane 2021-10-07  
The Irish do death differently. Funeral attendance is a solemn duty - but it can also be a big day out, requiring sophisticated crowd control, creative parking solutions and a high-end sound system. Despite having the same basic end-of-life infrastructure as

other Western countries, Irish culture handles death with a unique blend of dignified ritual and warm sociability. In *Sorry for Your Trouble*, Ann Marie Hourihane holds up a mirror to the Irish way of death: the funny bits, the sad bits, and the hard-to-explain bits that tell us so much about who we are. She follows the last weeks of a woman's life in hospice; she witnesses an embalming; she attends inquests; she talks to people working to prevent suicide; she follows the team of specialists working to locate the remains of people 'disappeared' by the IRA; and she visits some of Ireland's most contested graves. She also explores the strange and sometimes surprising histories of Irish death practices, from the traditional wake and ritual lamentations to the busy commerce between anatomists and bodysnatchers. And she goes to funerals, of ordinary and extraordinary people all over the country - including that of her own father. 'I had joined a club,' she writes, 'the club of people who have lost

someone very close to them.' And then, with her family, she sets about planning a funeral in the middle of a pandemic. Sorry for Your Trouble sheds fresh, wise and witty light on a key pillar of Irish culture: a vast but strangely underexplored subject. Rich, sparkling and eye-opening, it is one of the best books ever written about Irish life.

**Dublin's Joyce** - Hugh Kenner 1956

One of the most important books ever written on Ulysses, Dublin's Joyce established Hugh Kenner as a significant modernist critic. This pathbreaking analysis presents Ulysses as a "bit of anti-matter that Joyce sent out to eat the world." The author assumes that Joyce wasn't a man with a box of mysteries, but a writer with a subject : his native European metropolis of Dublin.

LONGLISTED FOR THE  
PEN/OPEN BOOK AWARD

“Compellingly complex...Expands the future of the immigrant novel even as it holds us in uneasy thrall to the past.” – Gish Jen, New York Times Book Review Combining the emotional resonance of Home Fire with the ambition and innovation of Asymmetry, a lyrical and thought-provoking debut novel that explores the complex web of grief, memory, time, physics, history, and selfhood in the immigrant experience, and the complicated bond between daughters and mothers. On the night of June Fourth, a woman gives birth in a Beijing hospital alone. Thus begins the unraveling of Su Lan, a brilliant physicist who until this moment has successfully

erased her past, fighting what she calls the mind's arrow of time. When Su Lan dies unexpectedly seventeen years later, it is her daughter Liya who inherits the silences and contradictions of her life. Liya, who grew up in America, takes her mother's ashes to China—to her, an unknown country. In a territory inhabited by the ghosts of the living and the dead, Liya's memories are joined by those of two others: Zhu Wen, the woman last to know Su Lan before she left China, and Yongzong, the father Liya has never known. In this way a portrait of Su Lan emerges: an ambitious scientist, an ambivalent mother, and a woman whose relationship to her own past shapes and ultimately unmakes Liya's own sense of displacement. A story of migrations literal and emotional, spanning time, space and class, Little Gods is a sharp yet expansive exploration of the aftermath of unfulfilled dreams, an immigrant story in negative that grapples with our tenuous

**A Star Called Henry** - Roddy Doyle 2010-06-04

An historical novel like none before it, *A Star Called Henry* marks a new chapter in Booker Prize-winner Roddy Doyle's writing. It is a vastly more ambitious book than any he has previously written. A subversive look behind the legends of Irish republicanism, at its centre a passionate love story, this new novel is a triumphant work of fiction. Born in the slums of Dublin in 1902, his father a one-legged warehouse bouncer and settler of scores, Henry Smart has to grow up fast. By the time he can walk he's out robbing, begging, charming, often cold, always hungry, but

a prince of the streets. At fourteen, already six foot two, Henry's in the General Post Office on Easter Monday 1916, a soldier in the Irish Citizen Army, fighting for freedom. A year later he's ready to die for Ireland again, a rebel, a Fenian, and, soon, a killer. With his father's wooden leg as his weapon, Henry becomes a republican legend - one of Michael Collins' boys, a cop killer, an assassin on a stolen bike, a lover.

In a series debut for fans of Tana French and Kate Atkinson, set in Dublin and New York, homicide detective Maggie D'arcy finally tackles the case that changed the course of her life. Twenty-three years ago, Maggie D'arcy's

family received a call from the Dublin police. Her cousin Erin has been missing for several days. Maggie herself spent weeks in Ireland, trying to track Erin's movements, working beside the police. But it was to no avail: no trace of her was ever found. The experience inspired Maggie to become a cop. Now, back on Long Island, more than 20 years have passed. Maggie is a detective and a divorced mother of a teenager. When the Gardaí call to say that Erin's scarf has been found and another young woman has gone missing, Maggie returns to Ireland, awakening all the complicated feelings from the first trip. The despair and frustration of not knowing what happened to Erin. Her attraction to Erin's coworker, now a professor, who never fully explained their relationship. And her determination to solve the case, once and for all. A lyrical, deeply drawn portrait of a woman - and a country - over two decades - *The Mountains Wild* introduces a compelling
