Rivers of Revival - Neil T. Anderson 2019-06-18

Since the Day of Pentecost, seasons of revival and awakening have brought refreshing to the spiritually dry, life to the spiritually dead, and miraculous encounters with the Holy Spirit. In this timely and prophetic volume, two bestselling generals of the faith, Dr. Elmer Towns and Dr. Neil T. Anderson, offer collective wisdom, insight, and strategy on how you can experience and release a river of Holy Spirit outpouring into your world! Additionally, Drs. Towns and Anderson have compiled contributions from other key authorities on revival who have encountered the move of God firsthand. Each contributor provides practical wisdom on how you can experience the Spirit's touch in your own life, church and even geographical region. Featuring powerful teaching from a diverse

range of revival leaders, including: Jack Hayford: How worship releases the reviving touch of the Spirit. Ed Silvoso: How to bless the unsaved and prepare them for God encounters. R.A. Torrey: How to experience the fullness of the Holy Spirit. John Dawson: How to break agreement with generational sin. C. Peter Wagner & George Otis Jr.: How to win battles in the heavenly realm over regions and cities. Billy Graham: How proclamation of the Gospel releases the revival power of God. Henry Blackaby: How cultivating a lifestyle of daily encounters with God brings revival. A fresh move of God is on the way. Prepare yourself to experience Holy Spirit outpouring like never before!

Sinners in the Hands of an Angry God -

Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741,

this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who

attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior. New Voices in Greek Orthodox Thought -

of a western orientation. International - and Greek - media tend to focus on the extreme views and to categorise positions in the public debate along well known dichotomies such as traditionalists vs. modernisers. Demonstrating that in late modernity, parallel to rising nationalisms, there is a shift towards religious communities becoming the central axis for cultural organization and progressive thinking, the book presents Greece as a case study based on empirical field data from contemporary theology and religious education, and makes a unique contribution to ongoing debates about the public role of religion in contemporary Europe.

Where the Sacred and Secular Harmonize -

David G. Holmes 2017-11-13

Among pivotal historical moments in the United States, the civil rights movement stands out. In *Where the Sacred and Secular Harmonize: Birmingham Mass Meeting Rhetoric and the Prophetic Legacy of the Civil Rights Movement*, David G. Holmes offers an original rhetorical analysis of six speeches delivered during the 1963 civil rights campaign in Birmingham, Alabama. Holmes frames his analysis within the biblical concept of prophecy. However, he stresses the idea of prophecy as sociopolitical forth-telling, rather than mystical foretelling. Based on his own transcriptions from rare recordings, Holmes examines how these orations, which clergy and laypeople delivered, address enduring themes such as the role of religion and politics, black leadership and black activism, and the political and popular legacies

of the civil rights movement. Drawing upon American history, politics, hermeneutics, homiletics, and rhetoric, Holmes's discussion ranges from civil rights prophets to contemporary politicians, including Martin Luther King Jr. and Barack Obama. Where the Sacred and Secular Harmonize illustrates how the Birmingham mass meeting oratory of 1963 represented a quality of democratic discourse desperately needed today.

Why Revival Tarries - Leonard Ravenhill
2004-08-01

Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. Why Revival Tarries contains the heart of his message. A.W. Tozer called Ravenhill "a man sent from God" who "appeared at [a] critical moment in history," just as the Old Testament prophets did. Included are questions for group

and individual study.

The Churches and the Third Reich - Klaus Scholder 2018-05-04

This second volume of *The Churches and the Third Reich*, the last which the author lived to write, covers the year 1934. This year, which saw the birth of the Confessing Church and the great Synods of Barmen and Dahlem, was the year of disillusionment, in which all the hopes of 1933 were shattered one by one. The gripping narrative of the first volume is continued as in addition to the rise of a legitimate church opposition we see how the German Christians overreached themselves by seeking, without Hitler's approval and against the law, to set up a Reich Church fully coordinated with the state. Meanwhile, the Roman Catholic Church was running into increasing difficulties as it tried to cope with the problems left unresolved on the conclusion of the Concordat. Like the first, this volume has many illustrations.

[Fire on the Island](#) - Tom Bratrud 2022-04-08

In 2014, the island of Ahamb in Vanuatu became the scene of a startling Christian revival movement led by thirty children with 'spiritual vision'. However, it ended dramatically when two men believed to be sorcerers and responsible for much of the society's problems were hung by persons fearing for the island's future security. Based on twenty months of ethnographic fieldwork on Ahamb between 2010 and 2017, this book investigates how upheavals like the Ahamb revival can emerge to address and sometimes resolve social problems, but also carry risks of exacerbating the same problems they arise to address.

Falling Up - Thomas Holliday 2013-01-25
Actors know about "falling up": a split-second
ignition from the wings, propelling entrance as a
new character, an unwilling ascent to a different
mode of being, an in-body experience that
overlays preparation, opportunity, choice, or
chance. *Falling Up*, the first and only full-length
Floyd study, is a metaphor for humanity's
uncanny ability to rise from seeming disaster
into rebirth. Floyd's consistent succession of
soars, stumbles, slides, or wrenches sings of
triumph over odds. A modern Renaissance man,
Floyd is our greatest living opera composer and

librettist, a trained concert pianist, a master
stage director, and a teacher. In *Falling Up*,
Holliday offers an intimate account of the life
that shaped the words and music. Combining
insights from hundreds of interviews with Floyd,
his family, and many of the last half-century's
greatest singers, conductors, and opera
administrators, *Falling Up* traces Floyd's
Southern roots and the struggles and sacrifices
that accompanied his rise to operatic stardom.
With more than forty photographs, the detailed
evolution of Floyd's fourteen operas, and in-
depth analysis of his nonoperatic works, *Falling
Up* is essential reading for opera fans and
professionals alike, a book that moves, informs,
and entertains.

The Ten Greatest Revivals Ever - Elmer L.
Townes 2004-01-31

Over the centuries God has touched the earth
with revival, lifting men and women into his
presence in extraordinary ways. And in some
epochs the divine hand seems to have rested on

us longer and to have caused more profound changes in the church and the culture. Authors Towns and Porter have studied revival eras throughout history in order to identify the ten which seem to have been the greatest of all time. If you want to understand revival and if you long to see revival in our day, this book will speak to both your mind and your heart.

Oral Roberts - David Edwin Harrell, Jr.

1985-09-22

"This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear." -- Oral Roberts "Among several biographies of Oral Roberts, the most recent, most accurate, and best documented is Oral Roberts: An American Life, an objective,

impressive study... " -- New York Review of Books "Oral Roberts: An American Life is more than the story of a well-known evangelist and educator. It is the story of a part of the American religious life that not many Americans know or understand.... Dr. Harrell has researched thoroughly and written superbly." -- Billy Graham "... a first-rate biography, one which should give pause to Roberts' supporters and critics alike.... Roberts' first scholarly biographer has done a beautiful job." -- Allen Boyer, Newsday
