Gunmetal Lily - Rebecca Royce 2021-06-22
I was sold to my enemies. There was a deal made to keep the peace. War wasn't good for business. But deals were broken all the time. What did these powerful families have as collateral? Their daughters. A decade earlier, they decided that we were expendable, that we

could be sold in marriage to keep their dealings honest. I didn't matter more than the security I could bring to the marketplace. I was twelve when they decided that, in ten years, I'd belong to the Hernandez family. Everyone knew what was coming for me. Everyone...except me. I have no choices. The daughter of mobsters, I now

belong to the Mexican Cartel. But even the terrible images those words evoke are nothing compared to what is coming for me. My new family will discover I am more than just a pawn in their chess game. I'm named after a flower, but I don't wilt. I am determined to come out ahead in their Mafia Wars. *Gunmetal Lily is a full-length reverse harem novel in the dark and twisted Mafia Wars world * Recommended 18+ due to mature language, adult situations, and sensitive content

[A Royal Mistake](#) - Piper Rayne 2020-03-31

He's not your average Joe from the corner bar. He's the heir to the crown. I should know, I've followed him for years. Not in a stalkerish way. Magazines and online gossip blogs are fair game when you're royalty. But I do know every detail

about him, down to the brand of boxer briefs he wears. All my studying of the man who plays a starring role in my dreams pays off when I win a dinner with him. As if that wasn't enough, he barter a deal with me that has him moving into my spare guest room. I forgot that fairy tales don't exist though because just as I'm about to get everything I want, including the prince, I find out there's someone in Prince Adrian Marx's life I don't know—his fiancée.

Ryan's Bed (Hardcover) - Tijan 2021-07-20

I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed-her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it was the only thing I craved. I asked to stay. He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary. Because four hours earlier-my twin sister killed herself.

Ghost Ship - Brian Hicks 2004-06-01

On December 4th, 1872, a 100-foot brigantine was discovered drifting through the North Atlantic without a soul on board. Not a sign of struggle, not a shred of damage, no ransacked cargo—and not a trace of the captain, his wife and daughter, or the crew. What happened on board the ghost ship Mary Celeste has baffled and tantalized the world for 130 years. In his stunning new book, award-winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth. The Mary Celeste was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861. Her first captain died before completing the maiden voyage. In London she accidentally rammed and sank an English brig. Later she was abandoned after a storm drove her ashore at Cape Breton. But somehow the ship was recovered and refitted, and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named Benjamin Spooner

Briggs. It was Briggs who was at the helm when the Mary Celeste sailed into history. In Brian Hicks's skilled hands, the story of the Mary Celeste becomes the quintessential tale of men lost at sea. Hicks vividly recreates the events leading up to the crew's disappearance and then unfolds the complicated and bizarre aftermath—the dark suspicions that fell on the officers of the ship that intercepted her; the farcical Admiralty Court salvage hearing in Gibraltar; the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery. Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste. But, as Brian Hicks reveals, the truth is actually grounded in the combined tragedies of human error and bad luck. The story of the Mary Celeste acquired yet another twist in 2001, when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti. Written with the

suspense of a thriller and the vivid accuracy of the best popular history, *Ghost Ship* tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time.

Birmingham, England, c. 1973: industrial strikes, bad pop music, corrosive class warfare, adolescent angst, IRA bombings. Four friends: a class clown who stoops very low for a laugh; a confused artist enthralled by guitar rock; an earnest radical with socialist leanings; and a quiet dreamer obsessed with poetry, God, and the prettiest girl in school. Savage Queen - Alley Ciz 2021-04-29

Beauty and the Lumberjacks - Lee Savino
2018-10-03

After this logging season, I'm never having sex again. Because: reasons. But first, I have a gig earning room and board and ten thousand dollars by 'entertaining' 8 lumberjacks. Eight strong and strapping Paul Bunyan types, big enough to break me in two. There's Lincoln, the leader, the stern, silent type... Jagger, the Kurt

Cobain look-alike, with a soul full of music and rockstar moves... Elon & Oren, ginger twins who share everything... Saint, the quiet genius with a monster in his pants... Roy and Tommy, who just want to watch... And Mason, who hates me and won't say why, but on his night tries to break me with pleasure. They own me: body, mind and orgasms. But when they discover my secret—the reason I'm hiding from the world—everything changes.

Sinners' Playground - Caroline Peckham
2022-01-25

I hate the Harlequin boys. Fox, JJ, Chase and Maverick. The four names tattooed onto my heart more permanently than the ink on my skin. Once upon a time, they broke my heart, stole my life and sent me away from everything I'd ever known. But they don't just live in this town anymore, they rule it. And the view here may be beautiful, but the sun, sea and sand hide dark secrets. The gangs. The lies. The violence. It all lurks beneath a veil so thin that once you've

seen through it, you can never close your eyes to the truth again. But I don't plan on closing my eyes. I have four devils set in my sights. And this dead girl no longer has anything to lose.

Logan Kade - Tijan 2019-11-10

You think you know me? Manwhore. Partier. Fighter. You know what? You're right. I'm all those things. F*ck with mine and I'll f*ck you ten times harder. Suspensions. Arrests. You think I care? So yeah, I may fit the bad boy image, but there's so much more you don't know. I'm loyal to a damned fault. I'll never leave your side. The real Logan Kade isn't a manwhore. When I love, I love hard and completely. Taylor saw that side of me. Inside of me. She saw my darkness and pain, and the second she did, she owned me. You may think you know me... ...but she's the only one who sees me. **Standalone for new readers, but does fit in the Fallen Crest Series between Fallen Crest University and Fallen Crest Home.

The Princess Diarist - Carrie Fisher 2017-10-24

This last book from beloved Hollywood icon Carrie Fisher is the crown jewel of ideal Star Wars gifts. The Princess Diarist is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naiveté, and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977,

Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford. With these excerpts from her handwritten notebooks, *The Princess Diarist* is Fisher's intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, *The Princess Diarist* brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.

Tau Zero - Poul Anderson 2018-09-18

This Hugo Award finalist, “justifiably regarded as a classic” (SFReviews.net), is the tale of an epic space voyage where time dilation goes horribly wrong. Aboard the spacecraft *Leonora Christine*, fifty crewmembers, half men and half women, have embarked on a journey of discovery like no other to a planet thirty light-years away. Since their ship is not capable of traveling faster than light, the crew will be subject to the effects of time dilation and relativity. They will age five years on board the ship before reaching their destination, but thirty-three years will pass on Earth. Experienced scientists and researchers, they have come to terms with the time conditions of their space travel. Until . . . the *Leonora Christine* passes through an uncharted nebula, which damages

the engine, making it impossible to decelerate the ship on the second half of their trip. To survive, the crewmembers have no choice but to bypass their destination and continue to accelerate toward the speed of light. But how will they keep hope alive and maintain order as they hurtle deeper into space with time passing more and more rapidly, and their ultimate fate unknown? With its combination of mind-blowing hard science and compelling human drama, *Tau Zero* is “the ultimate hard science novel” (Mike Resnick).
