**We Own This City** - Justin Fenton 2022-03-15

NEW YORK TIMES EDITORS' CHOICE • The astonishing true story of "one of the most startling police corruption scandals in a generation" (The New York Times), from the Pulitzer Prize-nominated reporter who exposed a gang of criminal cops and their yearslong plunder of an American city NOW AN HBO SERIES FROM THE WIRE CREATOR DAVID SIMON AND GEORGE PELECANOS "A work of journalism that not only chronicles the rise and fall of a corrupt police unit but can stand as the inevitable coda to the half-century of disaster that is the American drug war."—David Simon Baltimore, 2015. Riots are erupting across the city as citizens demand justice for Freddie Gray, a twenty-five-year-old Black man who has died under suspicious circumstances while in police custody. Drug and violent crime are surging, and Baltimore will reach its highest murder count in more than two decades: 342 homicides in a single year, in a city of just 600,000 people. Facing pressure from the mayor's office—as well as a federal investigation of the department over Gray's death—Baltimore police commanders turn to a rank-and-file hero, Sergeant Wayne Jenkins, and his elite plainclothes unit, the Gun Trace Task Force, to help get guns and drugs off the street. But behind these new efforts, a criminal conspiracy of unprecedented scale was unfolding within the police department. Entrusted with fixing the city's drug and gun crisis, Jenkins chose to exploit it instead. With other members of the empowered Gun Trace Task Force, Jenkins stole from Baltimore's citizens—skimming from drug busts, pocketing thousands in cash found in private homes, and planting fake evidence to throw Internal Affairs off their scent. Their brazen crime spree would go unchecked for years. The results were countless wrongful convictions, the death of an innocent civilian, and the mysterious death of one cop who was shot in the head, killed just a day before he was scheduled to testify against the unit. In this urgent book, award-winning investigative journalist Justin Fenton

distills hundreds of interviews, thousands of court documents, and countless hours of video footage to present the definitive account of the entire scandal. The result is an astounding, riveting feat of reportage about a rogue police unit, the city they held hostage, and the ongoing struggle between American law enforcement and the communities they are charged to serve.

**The Horror Stories of Robert E. Howard** - Robert E. Howard 2008-10-28

Here are Robert E. Howard's greatest horror tales, all in their original, definitive versions. Some of Howard's best-known characters—Solomon Kane, Bran Mak Morn, and sailor Steve Costigan among them—roam the forbidding locales of the author's fevered imagination, from the swamps and bayous of the Deep South to the fiend-haunted woods outside Paris to remote jungles in Africa. The collection includes Howard's masterpiece "Pigeons from Hell," which Stephen King calls "one of the finest horror stories of [the twentieth] century," a tale of two travelers who stumble upon the ruins of a Southern plantation—and into the maw of its fatal secret. In "Black Canaan" even the best warrior has little chance of taking down the evil voodoo man with unholy powers—and none at all against his wily mistress, the diabolical High Priestess of Damballah. In these and other lavishly illustrated classics, such as the revenge nightmare "Worms of the Earth" and "The Cairn on the Headland," Howard spins tales of unrelenting terror, the legacy of one of the world's great masters of the macabre.

*Justin Martyr and the Jews* - Rokeah 2020-01-29

Justin Martyr, a second-century Gentile Christian apologist, was active in the Christian-Jewish propaganda war to convert each other and the pagans. He radicalized the ideas of St. Paul on the divine Election, Abraham, the Pentateuch, and the Gentiles. Justin's background, sources, and thought, and his place in the inter-religious propaganda war, are discussed, as are the irreconcilable views of Jesus and Paul on the Pentateuch and the Gentiles. Justin Martyr and the Jews considers the place of Paul and Justin's teachings in today's Christian-Jewish dialogue about the roots of early Christian Antisemitism, showing that the presuppositions of Paul and Justin must be abandoned if Christians and Jews today are to reach true understanding.

The Other Wes Moore - Wes Moore 2011-01-11

NEW YORK TIMES BESTSELLER • The "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two

shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

*Billionaire Wilderness* - Justin Farrell 2021-03-02

"*Billionaire Wilderness* offers an unprecedented look inside the world of the ultra-wealthy and their relationship to the natural world, showing how the ultra-rich use nature to resolve key predicaments in their lives. Justin Farrell immerses himself in Teton County, Wyoming--both the richest county in the United States and the county with the nation's highest level of income inequality--to investigate interconnected

questions about money, nature, and community in the twenty-first century. Farrell draws on three years of in-depth interviews with "ordinary" millionaires and the world's wealthiest billionaires, four years of in-person observation in the community, and original quantitative data to provide comprehensive and unique analytical insight on the ultra-wealthy. He also interviewed low-income workers who could speak to their experiences as employees for and members of the community with these wealthy people. He finds that the wealthy leverage nature to climb even higher on the socioeconomic ladder, and they use their engagement with nature and rural people as a way of creating more virtuous and deserving versions of themselves. *Billionaire Wilderness* demonstrates that our contemporary understanding of the relationship between the ultra-wealthy and the environment is empirically shallow, and our reliance on reports of national economic trends distances us from the real experiences of these people and their local communities"--
