Brazil - Regis St. Louis 2016-06

One of the most dynamic economic and cultural forces of the twentyfirst century, Brazil is a remarkable country of diversity and character, with a forward-looking ethos that has ensured its status as a superpower. Combining the natural beauty of the rainforest, the remote territories of its indigenous peoples, the exhilarating mix of cultures to be found on the city streets and the country's fascinating history, Brazil explores every facet of the background and contemporary culture of this extraordinary nation. In the accompanying text from Lonely Planet travel writer and expert in Brazilian culture, Regis St. Louis, we are authoritatively guided through the earthly paradises of the Amazon and sublime beaches of Bahia, to the Modernist architectural masterpieces of Oscar Niemeyer and the samba rhythms and exotic costumes of carnaval, exploring the unique mix of cultures that make up modern Brazil.

Shantaram - Gregory David Roberts 2004-10-13

Based on his own extraordinary life, Gregory David Roberts' Shantaram is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his

guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.
