**Carlita's Way** - Carlita Hodges 1914-07-12

In Carlita's Way: Out of the Dark Into the Light (My Journey), Carlita Hodges, the ex-wife of former NBA player Craig Hodges, bares all, and provides readers with a rare glimpse into her life as a celebrity wife, and the struggles she faced with abuse, lies, and infidelity. According to Carlita, "I didn't expect to be mistreated, and cheated on; or to become a single parent. I didn't expect him to fall out of love with me, and I also didn't expect him to put women or anyone before his family." Divulging shocking details of her personal childhood battles and revealing secrets of her past relationship with R.Kelly, Carlita discusses the pitfalls of being a celebrity wife, and shares her innermost feelings about raising her two sons as a single mother, family issues, losing custody of her sons, her criminal indictment, and how she was able to move past the pain and live an empowered life. A captivating, must-read memoir, Carlita's Way: Out of the Dark into the Light (My Journey), provides essential lessons for both men and women who want to break the cycle of trauma, self-destruction, and abuse.

**Modern Hebrew for Beginners** - Esther Raizen 2016-01-15

Modern Hebrew for Beginners—which is now revised and updated—and Modern Hebrew for Intermediate Students are the core of a multimedia program for the college-level Hebrew classroom developed at the University of Texas at Austin in the early 2000s. Within an intensive framework of instruction that assumes six weekly hours in the classroom, the program provides for two semesters of instruction, at the end of which most successful students will reach the intermediate-mid or intermediate-high levels of proficiency in speaking and reading, and some will reach advanced-low proficiency, as defined by the American Council on the Teaching of Foreign Languages (ACTFL). In addition to a variety of written exercises, the workbook includes vocabulary lists, reading selections, discussions of cultural topics, illustrations of grammar points, notes on registers, suggestions for class and individual activities, and glossaries. The workbook is complemented by a website (<http://www.laits.utexas.edu/hebrew>) that provides short video segments originally scripted and filmed in Israel and the United States, vocabulary flashcards with sound, interactive exercises on topics included in the workbook, sound files parallel to the reading selections in the workbook, and additional materials that enhance the learning experience. The stability of the workbook, combined

with the dynamic nature of the website and the internet searches the students are directed to conduct, allows language instructors to reshape the curriculum and adapt it to the needs of their students and the goals of their programs.

*Christianity for Beginners* - Mike Mazzalongo 2014-03-12

This 7 chapter book explains basic topics such as belief in God; the history and writing of the Bible; the person of Jesus; the nature of salvation and more. All presented in an easy to understand approach suitable for those less familiar with the Bible or the Christian religion. #1 Belief in God - This first chapter in the series reviews the reasons why Christians believe in a Supreme Being. This idea is looked at from both a philosophical and theological perspective. #2 The Christian Religion - In this lesson we will examine the Christian religion and see how it compares to the other major religions in the world. #3 The Bible - This lesson examines the history of Bible authorship, how the Bible was organized into its present form, and some key reasons why Christians believe that it is inspired by God. #4 Jesus Christ - The Christian faith is based on the person of Jesus Christ. In this lesson we will look closely at this person in order to more clearly define His true nature and character. #5 Salvation - This lesson lays out the simple yet powerful plan that God has initiated to save mankind from eternal condemnation due to personal sin and how Jesus Christ fits in to this plan of salvation. #6 The Church - The church is the physical presence of Jesus Christ in the world today. In this lesson we will examine the New Testament in order to determine what the inspired text says the church should be like and how it should function. #7 The Christian Lifestyle - A final lesson describing the new motivation and lifestyle that God has designed for those who are followers of Jesus Christ. ----- BibleTalk.tv -----

**Conversational Hebrew Quick and Easy** - Yatir Nitzany 2012-01-24

Have you always wanted to learn how to speak Hebrew but simply didn't have the time? Look no further. You hold in your hands the most revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. Through various other discoveries about how real conversations work that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way to become fluent NOW. If you want to learn complicated grammar rules, or the non-Romanized alphabet of a foreign language, this book is not for you. If you need to actually hold a conversation for a trip to the Holy Land, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn a complex foreign alphabet. More formalized training in grammar rules, learning to write in a foreign alphabet, etc. can all come later. The first in a series of language instructional guides, the Nitzany Method's revolutionary approach is the only one in the world that uses it's unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels all with hundreds of pages in order to learn a language, with "Conversational Hebrew Quick and Easy" all you need is 48 pages. Learn Hebrew today and not tomorrow. Get started now! Note and DISCLAIMER from the Author: I wish to stress this program is by NO means, shape, NOR form a phrase book!! The sole purpose of this book is to give you a fundamental platform to enable you to connect certain words to become conversational. Please also read the "Introduction" and the "About Me" section prior to commencing the program. In order to succeed with my method, please start on the very first page of the program (page #16) and fully master one page at a time prior to proceeding to the next, otherwise you will overwhelm yourself and fail. Please do NOT skip pages, nor start from the middle of the book. It is a myth that certain people are born with the gifted talent to learn a language and this book disproves that myth. With this method anyone can learn a foreign language as long as you follow these EXPLICIT directions: Memorize the vocabulary on each page, follow it by using a notecard to cover the words you have just memorized and test yourself. Then read the sentences below which are created from the vocabulary bank which you just mastered. Once fully memorized, then give yourself the green light to proceed to the next page. Again, if you proceed to the following page without mastering the previous, you are guaranteed to gain nothing from this book. If you follow the prescribed steps you will realize just how effective and simplistic this method is.

**Hebrew For Dummies** - Jill Suzanne Jacobs 2003-04-01

One of the most amazing things about Hebrew is that, in less than a century, it has gone from an ancient language of prayer and ritual spoken by a few holy men to a modern language of sunbathing, dining, going to the movies, and countless other everyday activities, spoken by millions. Modern Hebrew is a beautiful language, but for a native English speaker it can be tough wrapping your tongue around exotic expressions like "Ha'im Ayn Oogiyot?" ("What, no cookies?"). As with any language, the quickest way to master Hebrew basics is to immerse yourself in its sounds and rhythms. The next best thing to six months in Haifa, Hebrew For Dummies lets you do just that! Whether you want to communicate with your Israeli cousins, understand Jewish prayers and sacred literature, impress your Jewish in-laws, or you're planning a trip to Israel, this book/audio package can help. In no time, you'll: Master Hebrew sounds and rhythms Understand basic grammar and usage Get a handle on the Hebrew alphabet Make small-talk, and most everyday transactions Discover the basics of Hebrew blessings and prayer Gain insights into Hebrew culture and traditions Each chapter of Hebrew For Dummies is organized around a specific set of activities—such as eating, traveling, shopping, and asking directions—and gives you the lowdown on all the Hebrew you'll need to get by. Topics covered include: Eating, going shopping, having fun, sports, hobbies, talking on the phone, communicating around the office, and other everyday activities Hebrew for travelers, including transportation, hotels, money changing, asking directions, and handling emergencies Sacred Hebrew, including reading the Bible and prayer books, blessing formulas, sacred rites and services, and more The enclosed audio CD let's you pick up Hebrew the easy way—through actual conversations. It features: Dialogues by native Hebrew speakers Answers to the Fun & Games activities in the book The fun, easy way to master basic Hebrew, this book will quickly get you on track with the language skills you need to speak and read Hebrew like a native.

**The Jewish Gypsy** - Ruti Yudovich 2018-03-14

Dreadful circumstances of World War II change the fate of Nadia Kovach, a Gypsy teenager who is forced to form complex relationships. From carefree and simple life in Czechoslovakia, through extreme conflicts, Nadia climbs up the ladder of an intelligence agency while struggling to fit in. She hides her identity while continuing to search for her lost love. The story takes place in Czechoslovakia, Germany, France and Israel. It is a story of passionate love, revenge, uncompromised loyalty and the everlasting spirit of Man. "Having experienced reading The Jewish Gypsy I found myself wishing it will never end." G.B "This historical novel took me on a journey the like of which I never experienced. Reading it, I participated in passion, love, jealousy, trust and distrust spanning two continents and two wars. It will leave you breathless." B.G ..".we know almost nothing about the Romani people during that era. This multi-genre book brings a different perspective of this era." B.B "Wonderfully written by a most talented author." C.W "Aside from the stunning flow, changes in pace and scenery, it is a study in the full spectrum of humanity. It takes one back and forth from unbounded love just to descend to the acts of the most vicious animals wearing a human façade. And yes, after much sacrificing it returns to humanity. This is the story of teens growing up from nomadic illiterate beginnings, through tough maturity to become pivotally important individuals in their zones. A one of a kind book." D.G. "Having experienced reading The Jewish Gypsy I found myself wishing it will never end." G.B

*The Hebrew Bible for Beginners* - Joel N. Lohr 2015-09-15

Jews call the Hebrew Scriptures the "Tanakh" and Christians call them the "Old Testament." It doesn't take long to see that Jews and Christians view the same set of books differently and interpret these scriptures in unique and at times conflicting ways. *The Hebrew Bible for Beginners* introduces students to the tremendous influence the Hebrew Bible has had on western society for over two millennia and explores the complexities of reading ancient religious literature today. The book also addresses how certain modern critical approaches may initially be alarming, indeed even shocking, to those who have not been exposed to them, but it tackles the conversation in a respectful fashion. Avoiding jargon and convoluted prose, this highly accessible volume provides textboxes, charts, a timeline, a glossary, and regularly includes artistic renderings of biblical scenes to keep lay and beginning readers engaged.

*Language Hacking Spanish* - Benny Lewis 2017-03-28

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.
