Head, Heart and Hands - Álvaro González Alorda 2020-04-10

Sarah is as agile as a squirrel, passionate, and somewhat scattered. In her company she is considered high potential and within months they may appoint her a vice president. Over the last few years, they have sent her on courses and programmes at the best educational institutions, but this time they have asked her to decide how to form herself. Right now she is managing a project that requires constant travel between the United States and Europe and she has anything except time. Sarah opts for something easy and flexible: an online mentoring programme. But opposite her she encounters Oliver, an experienced and demanding mentor who challenges her to embark on a journey of personal transformation.

Narcoland - Anabel Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-

cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

Nineteen Eighty-Four - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-

Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Don't Waste Your Life (Redesign) - John Piper 2018-03-31

"If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full." —from the Introduction The American Dream beckons people to spend their lives on trivial diversions, slipping through life caught up with seeking success, comfort, and pleasure above all else. But God designed people for far more than this. In this best-selling book, John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life, calling us to take risks and make sacrifices that matter for eternity—with a single, soul-satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives.

With delightful color illustrations by Jeff Vernon, this book will become an important part of any child's library, and a valuable resource for parents, educators and child life professionals.

Gentle Warrior - Julie Garwood 2011-10-11

From New York Times bestselling author and queen of romance Julie Garwood comes this classic novel of a medieval lady who risks everything to win a champion's heart. In feudal England, Elizabeth Montwright barely escaped the massacre that destroyed her family and exiled her from her ancestral castle. Bent on revenge, she rode again through the fortress gates, disguised as a peasant...to seek aid from Geoffrey Berkley, the powerful baron who had routed the murderers. He heard her pleas, resisted her demands, and vowed to seduce his beautiful subject. Yet as Elizabeth fought the warrior's caresses, love flamed for this gallant man who must soon champion her cause...and capture her spirited heart.

How to Read a Book - Mortimer J. Adler 2011-05-10

With half a million copies in print, How to Read a Book is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: "Explains not just why we should read books, but how we should read them. It's masterfully done." -Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to "judge a book by its cover," and also how to X-ray it, read critically, and extract the author's message from the text. Also included is instruction in the different techniques that work best for reading

particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

The Magic of Thinking Big - David J. Schwartz 2014-12-02

The timeless and practical advice in The Magic of Thinking Big clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Marcas sonrientes - Valiente Alber, Sònia 2016-10-28

¿Por qué la publicidad televisiva ha empleado tan poco el humor en los últimos años? ¿Por qué la publicidad en España es tan gris? Estas cuestiones son el germen de una investigación que ha durado tres años (2012-2015) y que ha dado lugar a la tesis doctoral: «La conexión emocional generada por el humor como elemento de engagement en

marcas consolidadas». Una investigación que ha demostrado que, en un contexto de crisis económica, fragmentación de las audiencias, saturación publicitaria y entorno multipantalla el humor continúa siendo una estrategia válida para generar engagement. Es más, si el anuncio gusta -hace que «la marca me caiga mejor»- se viralizará. Conexión emocional y prescripción orgánica. ¿Hay algo más que una marca pueda soñar?

Live Alone and Like It - Marjorie Hillis 2009-11-29

"Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it." Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances. Hillis takes readers through the fundamentals of living alone, including the importance of creating a hospitable environment at home, cultivating hobbies that keep her there ("for no woman can accept an invitation every night without coming to grief"), the question of whether single ladies may entertain men at home (the answer may surprise you!), and many more. With engaging chapter titles like "A Lady and Her Liquor" and "The Pleasures of a Single Bed," along with a new preface by author Laurie Graff (You Have to Kiss A Lot of Frogs), LIVE ALONE AND LIKE IT is sure to appeal to live-aloners and many other readers alike.

Love in the Time of Cholera (Illustrated Edition) - Gabriel García Márquez 2020-10-27

A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

A Manual for Cleaning Women - Lucia Berlin 2015-08-18

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be—their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis
A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

How To Overcome Emotional Dependency - Walter Riso 2013-06-01
Being emotionally independent does not mean that you have to stop being loving. It is about being the master of your own feelings, faithful to your own principles and never handing over your personal dignity to someone else in exchange for something, not even in the name of love. Do I love you or do I depend? If this is a question you ask yourself, then

this guide, based on the bestseller, *To Love or to Depend?* is for you. In it, Walter Riso teaches us, in a practical manner and without too much theory involved, the steps we need to take in order to be able to love without being emotionally dependent. He provides ideas and processes that will help you develop the right skills to deal with emotional dependency, prevent it and/or create a lifestyle aimed at emotional independence and affective detachment.

[Manual de comunicación y divulgación científica](#) - José Ramos Vivas 2021-02-17

La comunicación de la ciencia es un elemento crucial para lograr que ésta sea realmente útil a la sociedad. Cuando hablamos de comunicación de la ciencia hablamos también de una comunicación dirigida a personas no expertas; es decir, no solo se refiere a la que se da entre científicos - que también-, sino sobre todo a la comunicación de los científicos con otros agentes sociales interesados en que la sociedad funcione, como políticos, empresarios, colectivos de profesionales muy diversos y, finalmente, con la gente de la calle. El objetivo del autor ha sido el de animar a los jóvenes científicos -y no tan jóvenes- a comunicar la ciencia al público, a esa “gente de la calle”. Animarles y demostrarles que comunicar la ciencia es beneficioso para la sociedad y para ellos mismos. Y avisa que no es tarea fácil. Se requiere tiempo, esfuerzo, práctica, disponibilidad... Pero este libro no solo lo leerán científicos e investigadores. Este es, también, un libro de divulgación, así que todas las personas que quieran conocer los entresijos del mundo científico aprenderán muchas cosas interesantes. En él descubriremos quiénes fueron los primeros divulgadores científicos y cómo los gobiernos de diferentes países han intentado desde hace décadas que el conocimiento

científico no se quedara solo en los laboratorios, sino que fuera utilizado también para que los ciudadanos estuvieran mejor informados sobre cuestiones científicas. El importante papel que desempeñan las revistas especializadas o el reciente auge de las redes sociales —las hay también para la comunicación y el intercambio de ideas entre los propios científicos— son también objeto de análisis en esta práctica y amena obra, que colma con brillantez una laguna editorial que requería, desde hace mucho, atención específica y versada.

Think and Grow Rich - Napoleon Hill 2020-10-12

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

The Hitchhiker's Guide to the Galaxy: The Illustrated Edition - Douglas Adams 2007-12-18

This beautifully illustrated edition of the New York Times bestselling classic celebrates the 42nd anniversary of the original publication—with all-new art by award-winning illustrator Chris Riddell. SOON TO BE A HULU SERIES • “An astonishing comic writer.”—Neil Gaiman Nominated as one of America’s best-loved novels by PBS’s The Great American Read It’s an ordinary Thursday morning for Arthur Dent . . . until his house gets demolished. The Earth follows shortly after to make way for a new hyperspace express route, and Arthur’s best friend has just announced that he’s an alien. After that, things get much, much worse. With just a towel, a small yellow fish, and a book, Arthur has to navigate through a very hostile universe in the company of a gang of unreliable aliens. Luckily the fish is quite good at languages. And the

book is The Hitchhiker’s Guide to the Galaxy . . . which helpfully has the words DON’T PANIC inscribed in large, friendly letters on its cover. Douglas Adams’s mega-selling pop-culture classic sends logic into orbit, plays havoc with both time and physics, offers up pithy commentary on such things as ballpoint pens, potted plants, and digital watches . . . and, most important, reveals the ultimate answer to life, the universe, and everything. Now, if you could only figure out the question. . . .

A Course in Miracles - Helen Schucman 2019-03-20

A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The "miracles" of the title refers to shifts in perception from fear to love, which fosters the healing and sanctification of relationships. Although expressed in terms of traditional Christianity, this life-changing work constitutes nonsectarian, universal spiritual teachings. The three-part approach begins with an explanation of the course's theory and the development of the experience of forgiveness. The second consists of a workbook, comprising 365 lessons — an exercise for each day of the year — intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has been translated into more than 20 languages and sold millions of copies around the world.

Microbe Hunters - Paul De Kruif 1926

Paul de Kruif's *Microbe Hunters* is a timeless dramatization of the scientists, bacteriologists, doctors, and medical technicians who discovered microbes and invented the vaccines to counter them. De Kruif reveals the now seemingly simple but really fundamental discoveries of science - for instance, how a microbe was first viewed in a clear drop of rain water, and when, for the first time ever, Louis Pasteur discovered that a simple vaccine could save a man from the ravages of rabies by attacking the microbes that cause it.

The Prophet of Akhran - Margaret Weis 2019-12-17

The Great War of the Gods means nothing to the proud people on the mortal planet - until Akhran the Wandering God decrees the union of two mighty feuding clans. Though the families are fierce Warriors, they are few in number. Even the marriage of Khardan and Zohra is not enough to over power the strength of the invading army or prevent the imprisonment of their peoples. Now, with Khardan and Zohra mysteriously missing - seemingly cowards who hid from certain defeat - the two clans have lost all hope of ever again seeing their beloved open skies. But Prince Khardan and Princess Zohra, aided by the wizard Matthew, have been given another mission . . . a mission that at first seems less useful than counting the many grains of the desert sands, but soon proves to be of far more lasting importance.

How to Take the Suffering Out of Love - Walter Riso 2014-02-01

I have written this guide in order to help you create a space for reflection within your life and as a result develop emotional and cognitive strategies that can make you more resistant to love-sickness. Once you learn exactly why we absurdly equate love to suffering, you'll know how to avoid falling into the trap and learn to foster more adaptive schemes of behaviour. Through the concepts of philosophy, psychology and his 30 years plus of experience as a therapist, in the 39 chapters of this book, Walter Riso guides us through a model or scheme of reflection to help us understand the characteristics of a love that is good (healthy, coherent, constructive) and one that is bad (sick, incoherent, destructive).

A New York Times bestseller • One of Time Magazine's 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family, loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera "Dazzling."—The New York Times Book Review "A blazing prismatic explosion of color."—Entertainment Weekly "Powerful and well-crafted . . . Stunning." —Time Magazine "We were all heading for each other on a

collision course, no matter what. Maybe some people are just meant to be in the same story." At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah's to tell; the later years are Jude's. But they each have only half the story, and if they can only find their way back to one another, they'll have a chance to remake their world. From the acclaimed author of *The Sky Is Everywhere*, this exhilarating novel will leave you breathless and teary and laughing—often all at once.

The Book of Love - Kathleen McGowan 2012-12-11

Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable magnitude, referred to by the Cathars of medieval France as *The Book of Love*... Fresh from her successful search for the long-hidden scrolls written by Mary Magdalene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the *Book of Love*. But just as there were those who would stop at nothing to seize and suppress the *Book of Love* seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, *The Book of Love* is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art, architecture and history, until a potentially fatal encounter reveals the *Book of Love* to her -- and to us.
