Historical literatures - Noelle Gallagher 2018-04-30

Historical literatures recovers a rich, vibrant and complex tradition of Restoration and early eighteenth century English historical writing. Highlighting the wide variety of historical works being printed and read in England between the years 1660 and 1740, it demonstrates that many of the genres that we now view primarily as literary – verse satire and panegyric, memoir, scandal and chronicle – were also being used to represent historical phenomena. In surveying some of this period's 'historical literatures', it argues that many satirists, secret historians and memoirists made their choice of historical subject matter a topic of explicit commentary, presenting themselves as historians or inscribing their works in an English historical tradition. By responding to other varieties of history in this self-conscious way, writers like Andrew Marvell, John Dryden, Delarivier Manley, Daniel Defoe and John Evelyn were able to pioneer influential new techniques for representing their nation's past.

The Universe Today Ultimate Guide to Viewing The Cosmos - David Dickinson 2018-10-23

Outdoor Learning Research - Sue Waite 2020-06-30

The term 'outdoor learning' covers many forms of practice outside the classroom, including Forest School and outdoor play. Outdoor learning

has been rapidly growing as a topic of interest for educators and parents over the last ten years, and research published in this field is also increasing. Despite the fact that we are inextricably part of the natural world, there is concern that contemporary children have become disconnected from nature and that their opportunities to access natural environments are declining. Given compelling evidence that time spent in natural places has multiple benefits for human health and wellbeing and pro-environmental behaviour (Bourn et al., 2016), there is an impetus to find ways to increase children's exposure to and attachment to nature through their education. The chapters in this book were originally peer-reviewed articles published in Education 3-13:

International Journal of Primary, Elementary and Early Years Education. They are amongst the most popular in the journal, reflecting the demand for more evidence of outcomes and high-quality information about how best to implement outdoor learning for children in this age group. The authors report qualitative and quantitative studies and consider implications of the findings for children and their development, and for the integration (or not) of natural environment contexts within school practices. Gathering this body of evidence together in a single volume enables important messages about outdoor learning's various purposes, processes and outcomes to be more readily accessed by practitioners, policy makers and researchers.

The Daily Stoic - Ryan Holiday 2016-10-18

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as

lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

GRAMMAR SKILLS - Dimple Sanvlani 2021-07-27

Resources for Teaching History: 14-16 - Susie Hodge 2010-09-02
Because teachers have so many things to do, creating new, inspiring lessons can often take a back seat. This book is designed to assist you in providing lesson ideas on everything from women's role in WW1 to the

Russian Civil War. With more than 70 curriculum-linked lessons suitable for teaching 14-16-year-olds, this fabulously user-friendly resource features activities and teaching strategies based on the latest research and best practice. The practical, task-based activities are aimed at supporting and reinforcing your teaching, and promoting pupils' enjoyment of the subject; encouraging their curiosity and imagination and helping them to develop enquiring minds and engage with the past. There are activities for individual, pair and group work, and the worksheets are all photocopiable and downloadable. This is an essential resource for all secondary school history teachers: newly qualified, experienced and in training.

The Diary of a Young Girl - Anne Frank 1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Using Microsoft Office Outlook 2003 - Patricia Cardoza 2004

Discover new timesaving features like like better multi-user performance, a homepage dashboard, revamped online banking. Build budgets and plan for the future to make your business more successful. QuickBooks 2009: The Missing Manual covers only QuickBooks 2009 for Windows.

The Bullet Journal Method - Ryder Carroll 2021-12

THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising

your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

The Great Mental Models: General Thinking Concepts - Farnam Street
2019-12-16

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This

volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada
Take Control of Scrivener 3 - Kirk McElhearn 2021-06-04
Create and organize writing projects with ease using Scrivener 3! Version 1.1.1, updated June 4, 2021 Compose a masterpiece with Literature & Latte's Scrivener. Whether you're writing science fiction, a historical novel, or a zombie travelogue, learn how Scrivener's powerful tools can take your work to the next level. Kirk McElhearn shows you how to collect notes, organize your work, arrange and rearrange sections, and more. Covers Mac, Windows, and iOS/iPadOS versions! Scrivener is a powerful tool for managing long-form writing projects—like novels and screenplays—and Take Control of Scrivener 3 gives you all the details you need to know to harness its potential. In this book, best-selling author Kirk McElhearn walks you through setting up, organizing, writing, formatting, revising, and compiling a Scrivener project, whether you're working on a Mac, a Windows PC, or in iOS/iPadOS. Using this extensive guide, you'll be able to: • Meet Scrivener: Learn about the Scrivener philosophy and its basic layout • Start your project: Pick a template and add existing materials to your project • Brainstorm and organize: Discover three different ways to work with your material using the Binder, Corkboard, and Outliner. • Set up

your writing environment and avoid distractions: Choose default fonts and colors, opt for Script Mode if you're writing a script or screenplay, and simplify your workspace by hiding interface elements or by using Composition Mode or Full Screen Mode. • Make the most of key features: Learn how to work with styles; use annotations and comments; add footnotes and endnotes; view more than one file at once; use collections to view selected items from the Binder; store bookmarks and project notes; and share and synchronize your project with others. • Go further with Scrivener: Get the details on special features like Scrivenings View (write in sections, but view as a single document) and Snapshots (allows you to make and view periodic backups of your text). • Revise and edit your work: Learn how to find and replace text, and work with revisions. • Use Scrivener in iOS and iPadOS: Sync your projects to iOS/iPadOS and work on an iPhone or iPad. • Print and export: Understand the process of preparing your project to be printed, and what's involved in compiling it so that it can be exported in a different format. Kirk also highlights the many changes to Scrivener since the last version (see the What's New section below), including updates to the interface, styles, outlining and metadata capabilities, and improved searching and writing features. In addition, he explains brand-new features in Scrivener 3, including Bookmarks (lets you store references to other sections of your project), Linguistic Focus (Mac only—highlights specific elements such as dialog, adverbs, or adjectives), Section types (such as Chapter Text and Scene), and Copyholders (allows you to view three or four documents at once).

The Important Book - Margaret Wise Brown 1990-03-10

The important thing about *The Important Book* -- is that you let your child tell you what is important about the sun and the moon and the wind and the rain and a bug and a bee and a chair and a table and a pencil and a bear and a rainbow and a cat (if he wants to). For the important thing about *The Important Book* is that the book goes on long after it is closed. What is most important about many familiar things -- like rain and wind, apples and daisies -- is suggested in rhythmic words and vivid pictures. 'A perfect book . . . the text establishes a word game which tiny

children will accept with glee.' -- K.

The Writing Revolution - Judith C. Hochman 2017-08-07

Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many

students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Xero For Dummies - Heather Smith 2013-05-23

Need to get the most out of the world's simplest accounting software? Easy. Xero has revolutionised the world of accounting software. Completely cloud-based, it lets small business owners monitor their finances in real time and promises to reduce the need for endless back-ups, data entry and software upgrades. Literacy Assessment and Metacognitive Strategies - Stephanie L.

McAndrews 2020-07-27

Introduction to literacy, assessment, and instruction -- Building relationships: learning from students, families, and community -- Language development -- Word analysis -- Reading fluency -- Reading, listening, and viewing comprehension -- Writing composition and visual representation.

Power Outlook - Stephen J. Link 2004-09-01

This guide assists all levels of Microsoft Outlook users in furthering their understanding of the program's features, from communicating with an ever-growing list of contacts to upgrading installations. A full range of functions are discussed, such as adding an appointment to a calendar, sending a message to only a portion of a distribution list, creating e-mail templates, and customizing menus and toolbars. Also addressed are setting up the Microsoft Free/Busy service, working with Internet faxes, and backing up data.

Dragonflyers - Christine Velde 2015-08-25

This book explores the lives of prominent expatriates working in varying fields and aims to understand why they were drawn to Indonesia and examines their diverse, but valuable contributions to Indonesia and its way of life. In doing so, it will facilitate a better understanding for readers in the East and the West regarding the contributions of prominent expatriates to Indonesia and their feelings towards a country which in many cases, may have become their "home." Dragonflies which have been described as fantastic flyers, darting, twisting, turning and transforming, are just like expatriates who have contributed to Indonesia in a variety of fields. Like dragonflies, they are also reminders that we

can reflect light in powerful ways. They contribute to others by helping them to see through their misinterpreted illusions and allowing their own light to shine in a new vision, like academics, artists, writers or entrepreneurs. *** "Much of Indonesia outside of Jakarta and other major cities, we found incredibly beautiful. The greatest attraction of the country was the pleasure of working with Indonesians who accepted me as a colleague, rather than a dangerous foreigner, who had to be kept at a distance. Over time, both my wife and myself became greatly attached to Indonesia, both personally and professionally." -Gustav Papanek- "Living in Indonesia is very different to living in Australia. It has changed from the turbulent situation during the 1980s and 1990s, and is now much more open and liberal. For most foreigners living and working in Indonesia, it takes time and effort to develop the skills and understanding, that best enable them to operate in Indonesia. Personally, I have always found most Indonesians very welcoming." -David Hill- "I have acquired an enriched understanding of another culture. I possess another language and this opens up the mind immeasurably. rough speaking the language, wI can get much closer to people and be a part of the decision making process. I am more relaxed about life in general, through my Indonesian experiences." -David Reeve- "I can sympathise with the idea of being a 'global citizen', but believe that those with experiences of other cultures must be able to share these experiences and insights with members of their own culture. Indonesia gains most value from me not when I think like an Indonesian, but when I act like an Australian who knows and respects Indonesian culture and can present different and distinct perspectives on it: to Australians and Indonesians alike." -Harry Aveling-

Special Edition Using Microsoft Office Outlook 2007 - Patricia DiGiacomo 2006-12-26

Every business professional faces challenges in managing their time to be as efficient and productive as possible. Information management has become an important everyday task in helping manage these challenges successfully, and Microsoft Outlook is the gold standard to help users stay organized. Outlook not only helps manage contacts, appointments,

and tasks, it also serves as the e-mail and fax client. Outlook 2007 has been redesigned and improved with a new user interface, electronic business cards, RSS support, smart scheduling, anti-phishing capabilities, junk e-mail filter, and more. Case study sections called "Improving Your Outlook" illustrate how to apply the information learned in real-world situations. Troubleshooting sections in each chapter illustrate common problems that occur when using Outlook, followed by a detailed solution. With this book, you learn the latest features and improvements in Outlook by focusing on user productivity through real-world techniques in real-world environments.

Just-in-Time Accounting - Steven M. Bragg 2009-03-25

Praise for Just-in-Time Accounting How to Decrease Costs and Increase Efficiency Third Edition "Most books on business accounting focus only on the accounting process?and never address the operational issues that impact it. Steve Bragg has delivered the rest of the story the valuable insight and detailed information accountants need to help?them not only properly account for business activities, but to streamline and improve the overall process. Whether the practitioner is just starting up or is working with a well-established business, the information in this book offers real benefits to both." Joanie C. Mann, Executive Vice President, InsynQ e-Accounting; Business Development Consultant, The Sleeter Group "Mr. Bragg delivers another essential reference for every CFO's bookshelf. Just-in-Time Accounting is full of specific guidance you can use right now to save money, improve processes, and make you more effective." Luella Schmidt, President, Fine Point Consulting LLC "Just-in-Time Accounting is the 'go-to' accounting department transaction and streamlining reference. Process improvement begins here." Geoffrey Garland, Controller, Staco Systems "Just-in-Time Accounting is an incredible toolkit for streamlining and simplifying the accounting process. Practical but intelligent approaches to the whole accounting cycle make this book so effective and unique that it is a must-read for accounting clerk and CFO alike, regardless of the company and accounting department size or the industry you are in. Shan Staka, MBA, Controller, PGP International "One of the critical goals for the CFO is to

develop a Lean Finance Factory that is efficient, on time, reliable, and accurate. Steve Bragg's Just-in-Time Accounting does exactly that and more. It not only teaches how to set up a system that delivers, but also teaches how to optimize it and, as such, is a great resource for both new and established CFOs. In today's world of information and data overload, this book is invaluable in teaching how to focus on the urgent and important." Arif Iqball, Executive Director and Board Member, Avon Products Co. Ltd., Japan "The underlying theme of the book is working in a consistent and efficient manner. Topics discussed and suggestions presented often have a 'lean' feel to them. These methodologies and practices lead to higher efficiency, the elimination of waste, and an increase in quality. The examples on Value-Added Analysis are prime examples of 'lean' thinking. In a time when global competition requires faster response times and lower prices, having an accounting system in place to accurately and effectively support business operations is extremely important. Operational efficiencies lead to lower operating costs and higher operating margins, and Just-in-Time Accounting helps identify many potential candidates for increasing efficiency." Chip Nickolett, MBA, PMP, Director, Consulting Services Americas, Ingres Corporation;former president, Comprehensive Solutions (U.S. and UK) *Recipes* - Soulpress Journals 2019-11-05

Fast Close - Steven M. Bragg 2005-06-14

Written for controllers, CFOs, accounting managers, and business managers, Fast Close incorporates Steven Bragg's own personally tested guidelines to help professionals speed up the closing process, especially in response to Sarbanes-Oxley's more time-sensitive requirements. Bragg outlines numerous key improvements that, when gradually implemented together, are guaranteed to shrink the closing process down to as little as one day. Chock-full of helpful flowcharts and checklists to help readers prevent delays and bring accounting department closing procedures up to date, Fast Close explores specific instructions for closing faster, common areas of delay and how to overcome them, required controls to keep financials accurate despite the fast close, and much more. Create financial statements faster . . . much faster . . . with the expert guidance found in Steven Bragg's Fast Close.

The Freedom Writers Diary (20th Anniversary Edition) - The Freedom Writers 2007-04-24

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

Professional Tips and Workarounds for QuickBooks Online - Ashley Beetson 2021-12-08

Save hours of guesswork and Internet browsing by enhancing your QuickBooks Online skills and leveraging Ash Beetson's extensive QuickBooks knowledge Key Features Broaden your knowledge of QuickBooks Online and accounting concepts Understand how QuickBooks can be adapted to suit different business types using professional techniques Learn best practices for preparing annual accounts before closing the books for the year Book Description Accountants and bookkeepers can sometimes face challenges while coming up with solutions to help their clients.
