Demon Pack - Everly Frost 2021-10-13

I'm no stranger to the dark. The shadows belong to me. But even the dark can't hide me forever... I run with my own pack--my four demon wolves and the two friends I would kill to protect. We might be the rejected shifters of the Vegas supernaturals, different and unwanted, but our pack is strong. Feared. Think of us as your local supernatural vigilantes. With my demon wolves secretly watching our backs, we're unstoppable. Until the night the first rune appears on the streets. A rune that hasn't been seen for hundreds of years, sending the Vegas supernaturals into a tailspin. It seems that the Master of Demon Runes has returned, a demon with unlimited power to deceive and kill, dragged up from the depths of the underworld itself. What he wants, no one knows. Except maybe... me. Because there's a teeny tiny chance that my demon wolves used to be his. And an even larger chance he won't return to the underworld without them... Or without me. *Demon Pack is a full length (110k words), dark and sexy paranormal romance, the first in the Demon Pack series. This series is NOT RH. It's recommended for 18+ due to language, mature themes, and sexual situations. Ends on a cliffhanger.

Broken Legacy - Tate James 2019-08-03

They're my boys now - the four heirs of Delta. Together we're a team ... a family. Five broken, brutal, possibly sociopathic people, and we are all that stands between the world and the powerful, corrupt Delta corporation. We have no idea what we're doing, but somehow we are determined to stop them. Permanently. We just need leverage ... irrefutable evidence of their corruption. And we need it now. Before the vote that will change everything. Only there are a few other issues to deal with first. Dante in prison for murder, blood coated roses showing up on my doorstep, and my bio-mom reaching all new levels of insanity. For the first time we might be completely out of our depth ... but we won't give up. Not until the final battle is played out. Not until the war has been won. *This dark contemporary romance features one girl and four sexy, dangerous boys but is NOT a reverse harem. *Includes a sneak peek of chapter one of Princess Ballot.

Blai2e: Blaire - Anita Gray 2018-02-18

Please Note: This is the original BLAI2E cover. Only available in paperback. Part 2 in the highly anticipated, The Dark Romance Series Don't take what isn't yours. Unless you're willing to fight for it. I survived my depraved master, Maksim. Now, I belong to Charlie Decena, by nature and by nurture. He broke everything I believed in. My life still lingers in the gray zone - dark and light, love and hate, betrayal and murder. I'm battling Maksim's brutal conditioning to uncover who Blaire is, for Charlie. I adhere to his counsel, indulge in his debauched desires, and pacify his dominance - until he pushes me too far. I hope I didn't completely shatter your heart in the beginning of my story because it's just getting started. I'm being tested beyond my limit by a lurking threat who has taken something very dear to me. And if they don't return what isn't theirs, someone is going to die.

Dirty Wicked Prince - Eden O'Neill 2021-02-22

He's the elite's dark prince. I had the audacity of breathing his air. Dirty. Rotten. Savages. The Legacy boys are Windsor Preparatory Academy's most privileged. No one crosses the devil spawn of this town's upper echelon, but I managed. I call one of them out my first day, and no one hears it louder than their blond prince. Evil. Wicked. Twisted. Dorian Prinze is as cruel as he is beautiful and once he sets his sights on me, he refuses to let go. Apparently, I bother him by simply existing at my new school and no matter what I do, I can't stay off the radar of him and his boys. He says I make too much noise and stupid me for not caring. Some really messed up stuff brought my brother and me to this town, and I won't bow down to these elitist pricks. Something tells me going to war with the cruel prince of Maywood Heights may level both our foundations, but I won't go down without a fight. I'll do whatever it takes

to win Dorian's devious and twisted games. Even if he promises I'll scream for him by the end. Warning: Dirty Wicked Prince is a dark high school romance that contains dubious content and situations some may find triggering. It's recommended for readers 18+ and is the first book in an all new series by Eden O'Neill titled Court Legacy. Dirty Wicked Prince is not a standalone and does end in a cliff hanger. Author's Note: Court Legacy is a spin-off series about the children of characters featured in Eden O'Neill's Court High and Court University series. It's not necessary to read the previously released series in order to enjoy Court Legacy. This is a new series that can be read completely on its own.

The Broken Heart of America - Walter Johnson 2020-04-14

A searing portrait of the racial dynamics that lie inescapably at the heart of our nation, told through the turbulent history of the city of St. Louis. From Lewis and Clark's 1804 expedition to the 2014 uprising in Ferguson, American history has been made in St. Louis. And as Walter Johnson shows in this searing book, the city exemplifies how imperialism, racism, and capitalism have persistently entwined to corrupt the nation's past. St. Louis was a staging post for Indian removal and imperial expansion, and its wealth grew on the backs of its poor black residents, from slavery through redlining and urban renewal. But it was once also America's most radical city, home to anti-capitalist immigrants, the Civil War's first general emancipation, and the nation's first general strike—a legacy of resistance that endures. A blistering history of a city's rise and decline, *The Broken Heart of America* will forever change how we think about the United States.

Brutal Heir - Eden O'Neill 2020-06-16

Never trust a campus god. Knight Reed is a devil heir with a chip on his shoulder. The arrogant a-hole I love to hate. His name may be Knight, but that armor is black as coal. He's a beautiful god with a wicked heart. I know because my mom used to work for his family. An act of brutal violence in the woods and he gets my mom fired, ultimately leaving us homeless. That was the last time I saw him face-to-face. At least, until recently. He's frat boy royalty at my new university, a campus god amongst the rich and elite. There's little interest in a freshman like me. But then I cross him, putting an end to me being invisible here in his world. At a party, I see something I shouldn't have seen. Now, suddenly, the campus god has me tackled on a bed with his hand around my throat. He tells me to forget what I witnessed. Do that or the end result will be bad for me. He's hellbent on crushing my little dove wings and all I see is that cruel boy from the woods that day. When it comes to Knight, I can't seem to stay out of his way or keep my trap shut around him, no matter how hard I try. He tells me my little mouth will get me in trouble, but I think he's wrong. I'm not afraid what will happen if I spill his secrets. What terrifies me is how badly I want to see what might be beyond all that coal-black armor... It's possible that, to some small measure, I'm tempted to give in to the only devil I've ever known. The dark knight himself. Warning: Brutal Heir is an NA bully romance that contains dubious content and situations some may find triggering. It's recommended for readers 17+ and is a standalone novel with no cliffhanger. It's book one in a series of standalones titled Court University, which is a spin-off series about characters featured in Eden O'Neill's Court High books. Reading the Court High books first is not necessary for the enjoyment of Court University. The characters origin stories merely begin in Court High and can be referred to at any time if the reader so chooses. Enjoy!

A Court of Thorns and Roses - Perfection Learning Corporation 2019

Legacy and the Queen - Kobe Bryant 2019-09-03

From the mind of basketball legend and Academy Award-winning storyteller Kobe Bryant comes a new tale of finding your inner magic against all odds. GAME. SET. MAGIC. Game - Tennis means life and

death for the residents of the magical kingdom of Nova, and for twelve-year-old Legacy, it's the only thing getting her through the long days taking care of the other kids at the orphanage. That's all about to change when she hears about Silla's tournament. Set - Silla, the ruler of Nova, hosts an annual tournament for the less fortunate of her citizens to come and prove themselves and win entrance to the Academy, where they can train to compete at nationals. The prize is Silla's favor and enough cash to keep open the orphanage, and Legacy has her heart set on both. Magic - What Legacy has yet to know is that the other players have something besides better skills and more money than she does. In Nova, tennis can unlock magic. Magic that Silla used to save the kingdom long ago and magic that her competitors have been training in for months already. Now, with the world turned against her and the orphanage at stake, Legacy has to learn to use her passion for the game to rise above those around her and shine.

Broken - Lauren Layne 2014-09-02

Lauren Layne's heart-wrenching novel tells the story of a girl with secrets, a guy with scars, and a love that could save them both . . . or destroy them. When Olivia Middleton abandons the glamour of Park Avenue for a remote, coastal town in Maine, everyone assumes she's being the kind do-gooder she's always been. But Olivia has a secret: helping an injured war veteran reenter society isn't about charity—it's about penance. Only, Olivia's client isn't the grateful elderly man she's expecting. Instead, he's a brooding twenty-four-year-old who has no intention of being Olivia's path to redemption . . . and whose smoldering gaze and forbidden touch might be her undoing. Paul Langdon doesn't need a mirror to show him he's no longer the hotshot quarterback he was before the war. He knows he's ugly—inside and out. He'll do anything to stay in self-imposed exile, even accept his father's ultimatum that Paul tolerate the newest caretaker for three months or lose his inheritance. But Paul doesn't count on the beautiful twenty-two-year-old who makes him long for things that he can never have. And the more she slips past his defenses, the more keeping his distance is impossible. Now Paul and Olivia have to decide: Will they help each other heal? Or are they forever broken? Praise for Broken "A solid tale and a quick read, with plenty of steamy romance and sex."—Library Journal "Broken is as heartbreaking as it is heartwarming. It's a story about two people saving each other from themselves."—Hines and Bigham's Literary Tryst "Five stars! I pretty much loved everything about this book . . . the characters, the storyline, the pace, the writing, the love, the chemistry . . . everything!"—The Book Hookup

Tell Me to Stay - Willow Winters 2019-11-10

From USA Today bestselling author, Willow Winters, comes a seductive and emotionally captivating second-chance romance. It's impossible to get over what we had. He was everything — irresistibly handsome, ruthlessly elite, and seemingly untouchable — while I was nothing. Yet he protected me when I was at my lowest; more than that, he wanted me. He devoured me... and I did the same to him. Until it all fell apart and I ran as far away from Madox as I could. After all, the two of us were never meant to be together. I never thought I'd see him again, years later. Let alone be under him in the way I've craved since we said goodbye. The

attraction between us still burns like fire, but time can't change the past. And I don't know if it's possible for us to mend all of our broken pieces. "Winters creates another masterpiece of beautiful storytelling and leaves her readers breathless." - Nicki - The Overflowing Bookcase This romance was originally published in the Cards of Love collection. It has been revised with additional scenes. Happy reading xx. Broken Circle - Theodore Niizhotay Fontaine 2010-10-01

"Too many survivors of Canada's Indian residential schools live to forget. Theodore Fontaine writes to remember." - Hana Gartner, CBC's The Fifth Estate Bestselling Memoir, McNally Robinson Booksellers Approved curriculum resource for grade 9-12 students in British Columbia and Manitoba. Theodore Niizhotay Fontaine lost his family and freedom just after his seventh birthday, when his parents were forced to leave him at an Indian residential school by order of the Roman Catholic Church and the Government of Canada. Twelve years later, he left school frozen at the emotional age of seven. He was confused, angry and conflicted, on a path of self-destruction. At age 29, he emerged from this blackness. By age 32, he had graduated from the Civil Engineering Program at the Northern Alberta Institute of Technology and begun a journey of self-exploration and healing. In this powerful and poignant memoir, Ted examines the impact of his psychological, emotional and sexual abuse, the loss of his language and culture, and, most important, the loss of his family and community. He goes beyond details of the abuses of Indigenous children to relate a unique understanding of why most residential school survivors have post-traumatic stress disorders and why succeeding generations of First Nations children suffer from this dark chapter in history. Told as remembrances described with insights that have evolved through his healing, his story resonates with his resolve to help himself and other residential school survivors and to share his enduring belief that one can pick up the shattered pieces and use them for good.

Savage Royals - Callie Rose 2019-05-10

A long time ago, I was one of them. Now I'm back, and they hate me for it. Plucked out of the harsh life I was living and thrust into a world of unimaginable wealth, power, and privilege, all I want to do is keep my head down and survive until graduation. But they have other plans--Mason, Finn, Elijah, and Cole. Everyone at my new school calls them the Princes, and that's exactly what they act like. They always get what they want... and who they want. And they want me. I'm not sure why, since they all seem to hate me. The Princes are gorgeous, flawless, and cruel. They own this town, and they're determined to own me too. To break me. What they don't know is that I've already been broken once. I won't let it happen again. ***AUTHOR'S NOTE: Savage Royals is a reverse harem high school bully romance, the first book in the Boys of Oak Park Prep trilogy. It contains cursing and sexual situations.

Princess Ballot - Jaymin Eve 2019-12-26

You have been chosen. Those four words change Violet Spencer's whole life, when against staggering odds, she's selected in the "princess ballot." Arbon Academy is affectionately known as the school for Royals. Only the rich, powerful, or heir to a throne gain entry ... except for the one scholarship student accepted every five years. It's a worldwide lottery, and one that Violet entered without giving it any serious thought. But the media got it wrong and Arbon Academy is much more than a simple college for future leaders. It's a dark world of politics, intrigue, and dangerous guys who will stop at nothing to get their own way. Despite her best efforts at remaining off the radar, Violet finds herself a pawn between two of the most powerful monarchies in the world. Prince Rafe of the Switzerlands and Prince Alex of the Australasias are bitter enemies both on the soccer field and in the political arena. Monarchies rule the world now, and every waking breath is a competition for the princes. Control the ball. Control the world. Control Violet. Whether it's through love or hate, someone will ultimately win. *This is book one in a dark college romance. It includes a-hole princes, nasty princesses, and one chick who will take none of their sh!t, all the while doing her best to make it out alive. HEA guaranteed. Eventually. 17+.

for the crown. Let the summit begin.

The Man Who Broke Capitalism - David Gelles 2022-05-31

New York Times Bestseller New York Times reporter and "Corner Office" columnist David Gelles reveals legendary GE CEO Jack Welch to be the root of all that's wrong with capitalism today and offers advice on how we might right those wrongs. In 1981, Jack Welch took over General Electric and quickly rose to fame as the first celebrity CEO. He golfed with presidents, mingled with movie stars, and was idolized for growing GE into the most valuable company in the world. But Welch's achievements didn't stem from some greater intelligence or business prowess. Rather, they were the result of a sustained effort to push GE's stock price ever higher, often at the expense of workers, consumers, and innovation. In this captivating, revelatory book, David Gelles argues that Welch single-handedly ushered in a new, cutthroat era of American capitalism that continues to this day. Gelles chronicles Welch's campaign to vaporize hundreds of thousands of jobs in a bid to boost profits, eviscerating the country's manufacturing base and destabilizing the middle class. Welch's obsession with downsizing—he eliminated 10% of employees every year—fundamentally altered GE and inspired generations of imitators who have employed his strategies at other companies around the globe. In his day, Welch was corporate America's leading proponent of mergers and acquisitions, using deals to gobble up competitors and giving rise to an economy that is more concentrated and less dynamic. And Welch pioneered the dark arts of "financialization," transforming GE from an admired industrial manufacturer into what was effectively an unregulated bank. The finance business was hugely profitable in the short term and helped Welch keep GE's stock price ticking up. But ultimately, financialization undermined GE and dozens of other Fortune 500 companies. Gelles shows how Welch's celebrated emphasis on increasing shareholder value by any means necessary (layoffs, outsourcing, offshoring, acquisitions, and buybacks, to name but a few tactics) became the norm in American business generally. He demonstrates how that approach has led to the greatest socioeconomic inequality since the Great Depression and harmed many of the very companies that have embraced it. And he shows how a generation of Welch acolytes radically transformed companies like Boeing, Home Depot, Kraft Heinz, and more. Finally, Gelles chronicles the change that is now afoot in corporate America, highlighting companies and leaders who have abandoned Welchism and are proving that it is still possible to excel in the business world without destroying livelihoods, gutting communities, and spurning regulation.

Playboy Princes - Tate James 2020-04-16

She's my last chance. Those four words echo in Violet Spencer's mind, tugging at her curiosity even as rage builds within her. Arbon Academy was supposed to be a bright new start. An opportunity for greatness, and something an orphan girl could only dream of. For a while there, it seemed to be exactly that. But Violet's bright future is suddenly looking dim. Arbon Academy and Prince Alex are nothing but a facade. A trap. In a sinister world of ballgowns and backstabbing, of perfumes and politics, of indulgent parties and illegal sword fights, Violet now faces the biggest challenge of all. Recovering her shattered heart from the prince who crushed it. Supported by her new friends, Violet wants to make Alex feel the pain of his betrayal. Prince Rafe wants nothing more than to help make that happen, but things aren't always so straightforward. Don't break tradition. Don't let them know you know. Don't lose your heart... again. These rules will keep Violet alive. But at what cost?

The Hidden Legacy - Christine Rees 2016-12-18

The curse of premonition follows Faye Lithyer, forcing her to witness death-over and over again. When Faye moves in with her grandmother in Astoria, Oregon, her visions grow stronger. Faye watches a new friend fall victim to a murder in the not-so-distant future and becomes obsessed with preventing it from happening. However, Faye's insecurity has her undecided whether she should tell her friend about their impending death or hunt down the murderer before it's too late. Faye will be faced with an epic choice that threatens to expose her abilities. Will she choose to save her friend from a monster or risk becoming one herself?

Fear Us - B. B. Reid 2015-09-22

KEENAN It's been four years since I ran away-from home, my brother, and my maybe father. I created a life free of expectations while pretending I wasn't being hunted by all of the above. I managed to stay under the radar all this time... or so I thought. When big brother shows up and saves my ass, I'm forced to face everything I left behind, including her. SHELDON It's been four years since I became another statistic. I made a lot of mistakes when it came to Keenan Masters. The first was loving him at all. He took something from me the night he left,

and when I told him I still loved him, he told me he'd always hate me. After that, I learned how to be okay... until he came back. Gone was the boy who always knew how to make me laugh, and in his place was a cold, arrogant monster. Fear Us is a continuation of the events from book one and two. It's recommended you read the series in order.

Torn - Natasha Knight 2018-11-14

Taking her is my right. Breaking her, my duty. I was always going to choose Helena. I knew it the instant I saw her. She's different than the others. There's a darkness about her. Something wild inside her. And it calls to the beast inside me. But she isn't what I expect. With every word and every touch, she pushes me, burrows deep under my skin, challenging the rules, upending history. And all the while, I see how my brother watches her. He wants her, and as the rules stand, she'll become his in one year's time. Except that I have no intention of giving her up.

Kings of Quarantine - Susanne Valenti 2020-05-05

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully reverse harem series which means the main character will end up with multiple love interests. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying, sexual scenes and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

Dylan - Tate James 2020-12-02

Dylan Grant. One of Forbes' 30 under 30. One of the most eligible yet unattainable men in the country. One of the Delta Five. Together with his friends, Beck, Riley, Jasper and Evan, Dylan runs half the damn world. He is the epitome of power... and the definition of emotional baggage. Too damaged from his shitty upbringing. Too hung up on his best friend's girl. Too cold and guarded to let anyone else into his stratosphere. So why can't I stay away? Why can't I end things? He doesn't even know my real name or my real age. If he finds out... He can't find out. I'll end it. One more night, and I'll end it. Men like Dylan Grant never commit to women like me. I'm too weak, too broken, too tragic. Just one more night, and I'll walk away. Dylan Grant will never see me again. Or... that was the plan.

Fluidus Rising - Margo Ryerkerk 2017-12-16

Magic. Romance. And a fight to the death. The Secret Circle meets Sookie Stackhouse in this pulse-pounding, fast-paced YA paranormal read. Torn away from her high school graduation, Sierra Reeves discovers that everything she thought she knew is a lie. In a flash, she's no longer a normal girl preparing for college, but a Fluidus—a rare supernatural with telekinetic powers. Her new abilities attract the attention of both the Ardere regency and the Culpatus, a group that wants to overthrow the supernatural government. Fearful for Sierra's future, her grandmother

decides to leave their home state Vermont and hide out in Savannah, Georgia. In Savannah, Sierra forms an alliance with the overprotective and handsome Ardere marshal Gavin McLoughlin. With his help, she slowly accepts her new powers and that she's a part of the supernatural community. Just when Sierra begins to settle into her new life, her world is rocked again. In addition to the Culpatus discovering her location, a serial killer is on the loose in Savannah. Fighting to control her developing power, and facing danger on multiple fronts, Sierra will have to use all her resources to stay alive. Fluidus Rising is the first book in The Ardere Series.

Broken and Screwed - Tijan 2016-05-26

Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her. This is part one, so expect a cliffhanger for an ending.

The Hawthorne Legacy - Jennifer Lynn Barnes 2021-09-07

The #1 New York Times bestseller and a USA Today bestseller! Intrigue, riches, and romance abound in this thrilling sequel to the beloved, bestselling *The Inheritance Games*. *The Inheritance Games* ended with a bombshell, and now heiress Avery Grambs has to pick up the pieces and find the man who might hold the answers to all of her questions—including why Tobias Hawthorne left his entire fortune to Avery, a virtual stranger, rather than to his own daughters or grandsons. Thanks to a DNA test, Avery knows that she's not a Hawthorne by blood, but clues pile up hinting at a deeper connection to the family than she had ever imagined. As the mystery grows and the plot thickens, Grayson and Jameson, two of the enigmatic and magnetic Hawthorne grandsons, continue to pull Avery in different directions. And there are threats lurking around every corner, as adversaries emerge who will stop at nothing to see Avery out of the picture—by any means necessary. With nonstop action, aspirational jet-setting, Knives Out-like family intrigue, swoonworthy romance, and billions of dollars hanging in the balance, *The Hawthorne Legacy* will have you racing through the pages.

Bittersweet Legacy - R. G. Angel 2020-01-23

You don't realize when your life is about to change forever, how a simple text can tear your world apart. Esme Danvers doesn't have an easy life but at least she is loved by her widower father... or at least that's who she thought he was for 17 years. Enter William Forbes, top 10 of America's 1% and her actual father - or rather the father of Esmeralda Forbes, the girl she was born to be, the heir to a legacy she'd never known or wanted. Esme's thrown into a world of glamour and money, smoke and mirrors, hate, pain and unspoken rancor. A world with a distant, calculating and uncaring father; Archibald, a brother who hates her; and Caleb, his best friend who is as wicked and mean as he is beautiful and charismatic. Caleb, this broken boy whom she can't seem to hate enough to keep him out of her bloodstream, a boy who doesn't seem to hate her enough to stay away. But as the past reveals itself in ways Esme didn't expect, she finds herself in the middle of a swirl of lies, betrayals, conspiracy and even murder, with barely anyone to watch her back. The only thing she really wants is to get back to being Esme Danvers, to find a way out before it's too late.

Revenge of The Gods - Jaymin Eve 2020-07-11

After losing Cronus, Maisey had to make a choice; lay broken on the floor and sink into depression, or charge into the underworld and get her man back. Not one to sit around, she and Hyperion waltz into Thanatos's office and demand the god of Death give them safe passage through the seven levels of the underworld to retrieve her love. It seemed like a good idea at the time... but will Maisey be able to retrieve Cronus and resurrect him in time to finally take out Zeus? Maybe if a huge wrench hadn't been thrown in their plans. #JustGoingToHaveToWingIt

The Summer of Broken Rules - K. L. Walther 2021-05-04

Perfect for fans of Jenny Han and Katie Cotugno, this is a story of loss, romance, and the time it takes to become who you really want to be. It's all just fun and games...until someone loses their heart. When Meredith Fox lost her sister, Claire, eighteen months ago, she shut everyone out. But this summer she's determined to join the world again. The annual family vacation to Martha's Vineyard seems like the perfect place to

reconnect. Her entire extended family is gathering for a big summer wedding, and although Meredith is dateless after being unexpectedly dumped, she's excited to participate in the traditional Fox family game of assassin that will take place during the week of wedding festivities. Claire always loved the game, and Meredith is determined to honor her legacy. But when Meredith forms an assassin alliance with a cute groomsman, she finds herself getting distracted. Meredith tries to focus on the game and win it for her sister, but she can't help falling for him. And as the week progresses, she realizes she's not only at risk of losing the game, but also her heart.

We Are Not Broken - George M Johnson 2021-09-07

New memoir from George M. Johnson, the New York Times bestselling author of *All Boys Aren't Blue*—a "deeply impactful" (Nic Stone), "striking and joyful" (Laurie Halse Anderson), and "stunning read" (Publishers Weekly, starred) that celebrates Black boyhood and brotherhood in all its glory! This is the vibrant story of George, Garrett, Rall, and Rasul -- four children raised by Nanny, their fiercely devoted grandmother. The boys hold each other close through early brushes with racism, memorable experiences at the family barbershop, and first loves and losses. And with Nanny at their center, they are never broken. George M. Johnson captures the unique experience of growing up as a Black boy in America through rich family stories that explore themes of vulnerability, sacrifice, and culture. Complete with touching letters from the grandchildren to their beloved matriarch and a full color photo insert, this heartwarming and heartbreaking memoir is destined to become a modern classic of emerging adulthood.

Tiny Dark Deeds - Eden O'Neill 2021-10-20

Stolen. Missing. Erased. I'm a headline in the town of Maywood Heights and known by a name I've never heard. They tell me I was taken, stolen, but none of this makes sense. I'm not who they say I am. I'm not a... twin, but even those close to me seem to believe the rumors swarming around me. Tiny. Dark. Deeds. With my universe suddenly imploding, I find myself at the center of a history with more darkness than could ever be imagined. My entire existence has been a lie, and those I should be able to trust hold just as many secrets as the ones who destroyed my entire world. Dorian Prinze isn't who he said he was. He's a liar, and I find myself in a town of the same. Maywood Heights appears to be the city of the damned, and if I'm not careful... It might just claim me as its next victim. Warning: *Tiny Dark Deeds* is a dark high school romance that contains dubious content and situations some may find triggering. It's recommended for readers 18+ and is the third book in an all new series by Eden O'Neill titled *Court Legacy*. *Tiny Dark Deeds* is not a standalone and is the final book in Noa and Dorian's story. Author's Note: *Court Legacy* is a spin-off series about the children of characters featured in Eden O'Neill's *Court High* and *Court University* series. It's not necessary to read the previously released series in order to enjoy *Court Legacy*. This is a new series that can be read completely on its own.

Heartless - Jade West 2020-09-15

In a single moment, she becomes my obsession... Elaine Constantine will be mine. And her destruction is only my beginning. I've known all my life that the Constantines deserved to be wiped from the face of the earth, only a smoking crater left where their mansion once stood. That's my plan until I see her, the woman in gold with the sinful curves and the blonde curls. My will to dominate her runs as deep as the hate I have for her last name. No matter how beautifully she bends beneath my hands, I'll leave her shattered, a broken toy for her cruel family. I'm a sadist, and she's the object of my obsession. "I'm speechless... My limits were tested and I even found a few hard limits of my own. I still hear that divinely, sexy man demanding those sinfully sweet words." - USA Today bestselling author B.B. Reid on *Dirty Bad Wrong Welcome to the Midnight Dynasty*... The warring Morelli and Constantine families have enough bad blood to fill an ocean, and their brand new stories will be told by your favorite dangerous romance authors. WARNING: This book is intended for readers eighteen years old and over. It contains material that some readers could find disturbing. Enter at your own risk...

Dark Ties - Leia Thorne 2019-07-09

He calls us his broken saints. And that's what I am...or was. Broken. Until Gage Astor stole my heart and introduced me to a whole new seductive world--one with secrets and intrigue and money. So much money. Money buys everything, even your reputation at Brighton Saints Academy, an exclusive high school for the elite. I'm Remi St. James, and I'm new money. I don't belong here, but the Broken Saints accepted me, molded me, shaped me into a stunning creature that slays life. Enter Sawyer, Palmer, Rush, and Emry. The secret society amid Brighton Saints. The most beautiful and powerful. The only thing more valuable to them than money is secrets. And oh, Brighton Saints is full of secrets. We all have secrets... After I'm initiated into the Broken Saints, that's when the fun (and fear) really begins. I see things and hear things and do things no high school girl should ever be subjected to. And they make me believe it's all my idea... I'm a toy to them. It's all a twisted game, and I don't even know if I want it to stop... I'm in too deep now. There might not be any hope. Gage is a god here; he won't let me leave his society. When he says you're his, you belong to him. Body, mind, and soul. Just like all of his Broken Saints. So I have to play their game. For now. I have to find a way out...before I lose myself to them completely.*This is the first book in the Broken Saints Society series. A dark high school romance. Books in the series: *Dark Ties* *Dangerous Girls* *Nefarious Boys* *More to come..*
