Finding Gobi - Dion Leonard
2017-06-13

The New York Times
bestselling true story of an Australian ultramarathon

runner and a little dog who formed an unbreakable bond in the middle of the Gobi desert. Finding Gobi is the miraculous tale of Dion Leonard, a seasoned ultramarathon runner who crosses paths with a stray dog while competing in a 155-mile race through the Gobi Desert in China. The lovable pup, who would later earn the name Gobi, went step for step with Dion over the Tian Shan Mountains and across massive sand dunes, keeping pace with him for 77 miles. As Dion witnessed the incredible determination and heart of this small animal, he found his own heart undergoing a change as well. Whereas in the past these races were all about winning and being the best, his goal now was to make sure he and Gobi's friendship continued well after the finish line, and he undertook another difficult journey to bring Gobi home to Scotland. However, before he could take her home, Gobi went missing in the sprawling Chinese city where she was being kept. Dion, with the help of strangers and a viral

outpouring of assistance on the internet, set out to track her down, and reunite with the dog that changed his life. Finding Gobi: Proves that miracles are possible—anywhere and at any time Gives vivid details of an ultra-marathon and what it's like to run one of the toughest races on the planet Connects to that special bond that humankind has with dogs and what it can open up in our hearts Read this inspiring story and discover how miracles truly are possible—and find your own heart changing as well.

The Great Book of Cryptograms - Fenestra Books 2019-11-25

The Great Book of Cryptograms brings you more than 200 pages of fun filled with 301 Large Print Cryptogram Puzzles. All of the puzzles are printed on 8.5x11 inch paper with very large font and a lot of space for guesses and solutions. If the puzzle is too hard to solve, at the end of the book you will find three sets of hints. First two sets will help you with the letters and they should be enough helpful to solve the puzzle however, if you find yourself in trouble even after using the first two sets of hints, the third set will show you the last name of the

quote's author. Are you new to Cryptograms? Cryptograms are puzzles where every letter in the text -- in our case it's a quote with author's name -- is swapped with another one in the alphabet. If you deduce that M equals A, it will equal A throughout the whole puzzle but, not in the next one. Each puzzle is independent of the others and the letter swapping is totally random, there is no pattern in it. Single letter words and other short words, together with words with apostrophe, can give you clues. Doesn't that sound interesting? Hit the Buy button and give it a try. This book makes it a great gift for teens and adults but the senior puzzle lovers and the ones with sight issues will be most thankful for choosing exactly this one because the font is large enough and the puzzles are spacious with at most two quotes per page.

Leo, the Incredible and Amazing Dog Star - Martin Deeley 2014-02-06

The book tells the story of a pup found in a sports field and then adopted to become part of a family of three dogs. It is Leo himself that tells the story of how he developed and the problems he came up against in his pack. In telling his story, Leo explains how bad behavior and habits are easily learned and how he did not always understand why they were not accepted. The story then takes on a new turn as Leo then recounts how he came to be included in the pack of a world-famous dog trainer and behaviorist known as the Dog Whisperer. From that moment onward, his life changed and his behavior began to be more

acceptable. He also found his true vocation in life running, jumping, and playing ball. A game that he excelled and made him a star of posters and photographs all over the world. Leo explains throughout in simple terms how poor behavior is developed in dogs and gives his thoughts on how good behavior can be encouraged and taught in a way that dogs understand. Leo tells his story from his viewpoint to help dog owners and potential owners, and especially children/young people, how dogs think and learn.

Free Days With George - Colin
Campbell 2015-05-12

A heartwarming, true story about George, a rescue dog who helps his owner rediscover love and happiness. Marley & Me meets Tuesdays with Morrie and The Art of Racing in the Rain--get your tissues ready, animal lovers! After Colin Campbell went on a short business trip abroad, he returned home to discover his wife of many years had moved out. No explanations. No second chances. She was gone and wasn't coming back. Shocked and heartbroken, Colin fell into a spiral of depression and loneliness. Soon after, a friend told Colin about a dog in need of rescue—a neglected 140-pound Newfoundland Landseer, a breed renowned for its friendly nature and remarkable swimming abilities. Colin adopted the traumatized dog,

brought him home and named him George. Both man and dog were heartbroken and lacking trust, but together, they learned how to share a space, how to socialize, and most of all, how to overcome their bad experiences. At the same time, Colin relived childhood memories of his beloved grandfather, a decorated war hero and a man who gave him hope when he needed it most. Then everything changed. Colin was offered a great new job in Los Angeles, California. He took George with him and the pair began a new life together on the sunny beaches around L.A. George became a fixture in his Hermosa Beach neighborhood, attracting attention and giving affection to everyone he met, warming hearts both young and old. Meanwhile, Colin headed to the beach to rekindle his love for surfing, but when George encountered the ocean and a surfboard for the first time, he did a surprising thing—he jumped right on the board. Through surfing, George and Colin began a life-altering

adventure and a deep healing process that brought them back to life. As their story took them to exciting new heights, Colin learned how to follow George's lead, discovering that he may have rescued George but that in the end, it was George who rescued him. *Free Days with George* is an uplifting, inspirational story about the healing power of animals, and about leaving the past behind to embrace love, hope and happiness.
