Life in the Clocktower Valley - Shakoor Rather 2021-03

Description Srinagar, summer of 2008: the chinar trees are shedding leaves, outdated matadors are still polluting the streets and checkpoints with men in army fatigue dot the city. Samar, a college student, is head over heels in love with Rabiya, his batchmate. Secret rendezvous in matadors, campus corridors and at the city's historical sites help them to get to know each other better. But will their love survive the unending curfews and their families' opposing political allegiances? Sheikh Mubarak, Samar's neighbour, is a famed metal craftsman stuck in a loveless marriage. He is further distanced from his unsympathetic wife, Naziya, when he loses his cherished pregnant cow on a curfewed night. Will their marriage survive the arrival of Rosaline, a tourist from New York? Sana, Mubarak and Naziya's five-year-old daughter, is best friends with Pintoji, the neighbourhood simpleton. Both chase their little dreams together with a wide-eyed curiosity, ignoring the adults who frequently indulge in the stonethrowing game. But what happens when Pintoji ventures out without a care during a curfew? Delicate and sensitive, Life in the Clock Tower Valley is an unusual debut novel that travels between Kashmir's pristine past, its grievous present and alwaysuncertain future, giving us an insider's view to everyday life and emotions in the conflict-ridden valley

Essence and Alchemy - Mandy Aftel 2022-05-16

For centuries, people have taken an instinctive pleasure in rubbing scents into their skin and using them to pray, to heal, and to make love. Yet in many ways perfumery, with its lush history and creative and sensual possibilities, is a lost art. No one knows this better than artisan natural perfumer Mandy Aftel, who has spent nearly thirty years immersed in the world of scent, culling the most beautiful natural essences from all over the world and using them to create exquisite fragrances. In *Essence and Alchemy*, she teaches the art of making natural perfumes, complete with recipes. Aftel resurrects the social and metaphysical legacy that is entwined with the evolution of perfumery, from the dramas of the spice trade to the quests of the alchemists. Tracking scent through the boudoir and bath and into the sanctums of worship, she offers insights on the relationship of scent to sex, solitude, and the soul. In *Essence and Alchemy*, which has been published in fourteen foreign editions, Aftel unearths a forgotten world of natural essences and their profound resonance with body, mind, and spirit.

Fragrant - Mandy Aftel 2014-10-16

Winner of the 2016 Perfumed Plume Award The "Alice Waters of American natural perfume" (indieperfume.com) and author of the Art of Flavor celebrates our most potent sense, through five rock stars of the fragrant world Mandy Aftel is widely acclaimed as a trailblazer in natural perfumery. Over two decades of sourcing the finest aromatic ingredients from all over the world and creating artisanal fragrances, she has been an evangelist for the transformative power of scent. In *Fragrant*, through five major players in the epic of aroma, she explores the profound connection between our sense of smell and the appetites that move us, give us pleasure, make us fully alive. Cinnamon, queen of the Spice Route, touches our hunger for the unknown, the exotic, the luxurious. Mint, homegrown the world over, speaks to our affinity for the familiar, the native, the authentic. Frankincense, an ancient incense ingredient, taps into our longing for transcendence, while ambergris embodies our unquenchable curiosity. And exquisite jasmine exemplifies our yearning for beauty, both evanescent and enduring. In addition to providing a riveting initiation into the history, natural history, and philosophy of scent, *Fragrant* imparts the essentials of scent literacy and includes recipes for easy-to-make fragrances and edible, drinkable, and useful concoctions that reveal the imaginative possibilities of creating with—and reveling in—aroma. Vintage line drawings make for a volume that will be a treasured gift as well as a great read.

Brian Jones Straight from the Heart - Gloria Shepherd 2006-06-30

Brian Jones life was a David vs. Goliath. Young, petite, and naïve, his Goliath was the Rolling Stones money machine. Unlike the Bible, Brian lost his life. This book levels the battlefield by telling what happened to the band's founder. Written from Brian's POV, the Stones rise to stardom is chronicled, ending with British authorities lack to properly investigate the bi-sexual bandleader's death at 27. Brian recalls being an incest victim, homeless at age 16 and forced into prostitution. Regardless, with extreme talent, sexuality, and imagination he led the band he picked, taught and named to glory. His vision was to bring world music to the Stones catalog; the band declined—content to crank out mundane sounds as long as records sold. After a fight over musical direction Brian left the band planning to start anew and take the Rolling Stones name with him. Three weeks later he drowned in his swimming pool. Brian's tale of death threats and witness accounts recount what actually happened.

Essence & Alchemy - Mandy Aftel 2001

As long as there has been passion, there has been perfume. Wealthy Romans used to scent their doves to impress their friends; in Shakespeare's time, a woman in love would place a peeled apple into her armpit to saturate it with her scent and then present it to her lover. This book is a sensual journey through one of life's great pleasures.

Perfumes - Luca Turin 2010-08-06

'I've long wished perfumery to be taken seriously as an art, and for scent critics to be as fierce as opera critics, and for the wearers of certain "fragrances" to be hissed in public, while others are cheered. This year has brought Perfumes: The Guide by Luca Turin and Tania Sanchez, which I breathed in, rather than read, in one delighted gulp.' Hilary Mantel, Guardian Perfumes: The Guide is the culmination of Turin's lifelong obsession and rare scientific flair and Sanchez's stylish and devoted blogging about every scent that she's ever loved and loathed. Together they make a fine and utterly persuasive argument for the unrecognised craft of perfume-making. Perfume writing has certainly never been this honest, compelling or downright entertaining.

Essence and Alchemy - Mandy Aftel 2011-04-01

An artisan perfumer reveals a lost art and its mysterious, sensual history. For centuries, people have taken what seems to be an instinctive pleasure in rubbing scents into their skin. Perfume has helped them to pray, to heal, and to make love. And as long as there has been perfume, there have been perfumers, or rather the priests, shamans, and apothecaries who were their predecessors. Yet, in many ways, perfumery is a lost art, its creative and sensual possibilities eclipsed by the synthetic ingredients of which contemporary perfumes are composed, which have none of the subtlety and complexity of essences derived from natural substances, nor their lush histories. *Essence and Alchemy* resurrects the social and metaphysical legacy that is entwined with the evolution of perfumery, from the dramas of the spice trade to the quests of the alchemists to whom today's perfumers owe a philosophical as well as a practical debt. Mandy Aftel tracks scent through the boudoir and the bath and into the sanctums of worship, offering insights on the relationship of scent to sex, solitude, and the soul. Along the way, she imparts instruction in the art of perfume compositions, complete with recipes, guiding the reader in a process of transformation of materials that continues to follow the alchemical dictum solve et coagula (dissolve and combine) and is itself aesthetically and spiritually transforming.

The Art of Flavor - Daniel Patterson 2017-08-01

Out of the East - Paul Freedman 2008-03-25

How medieval Europe's infatuation with expensive, fragrant, and exotic spices led to an era of colonial expansion and the discovery of new worlds The demand for spices in medieval Europe was extravagant and was reflected in the pursuit of fashion, the formation of taste, and the growth of luxury trade. It inspired geographical and commercial exploration ,as traders pursued such common spices as pepper and cinnamon and rarer aromatic products, including ambergris and musk. Ultimately, the spice quest led to imperial missions that were to change world history. This engaging book explores the demand for spices: why were they so popular, and why so expensive? Paul Freedman surveys the history, geography, economics, and culinary tastes of the Middle Ages to uncover the surprisingly varied ways that spices were put to use--in elaborate medieval cuisine, in the treatment of disease, for the promotion of well-being, and to perfume

important ceremonies of the Church. Spices became symbols of beauty, affluence, taste, and grace, Freedman shows, and their expense and fragrance drove the engines of commerce and conquest at the dawn of the modern era.

The Secret of Scent - Luca Turin 2007-10-23

One man's passion for perfume leads him to explore one of the most intriguing scientific mysteries: What makes one molecule smell of garlic while another smells of rose? In this witty, engrossing, and wildly original volume, author Luca Turin explores the two competing theories of smell. Is scent determined by molecular shape or molecular vibrations? Turin describes in fascinating detail the science, the evidence, and the often contentious debate—from the beginnings of organic chemistry to the present day—and pays homage to the scientists who went before. With its uniquely accessible and captivating approach to science via art, *The Secret of Scent* will appeal to anyone who has ever wondered about the most mysterious of the five senses.
