How Hitchens Can Save the Left - Matt Johnson 2023-02-14

Christopher Hitchens was for many years considered one of the fiercest and most eloquent left-wing polemicists in the world. But on much of today's left, he's remembered as a defector, a warmonger, and a sellout—a supporter of the wars in Afghanistan and Iraq who traded his left-wing principles for neoconservatism after the September 11 attacks. In *How Hitchens Can Save the Left*, Matt Johnson argues that this easy narrative gets Hitchens exactly wrong. Hitchens was a lifelong champion of free inquiry, humanism, and universal liberal values. He was an internationalist who believed all people should have the liberty to speak and write openly, to be free of authoritarian domination, and to escape the arbitrary constraints of tribe, faith, and nation. He was a figure of the Enlightenment and a man of the left until the very end, and his example has never been more important. Over the past several years, the liberal foundations of democratic societies have been showing signs of structural decay. On the right, nationalism and authoritarianism have

been revived on both sides of the Atlantic. On the left, many activists and intellectuals have become obsessed with a reductive and censorious brand of identity politics, as well as the conviction that their own liberal democratic societies are institutionally racist, exploitative, and imperialistic. Across the democratic world, free speech, individual rights, and other basic liberal values are losing their power to inspire. Hitchens's case for universal Enlightenment principles won't just help genuine liberals mount a resistance to the emerging illiberal orthodoxies on the left and the right. It will also remind us how to think and speak fearlessly in defense of those principles.

[A Is for Audra: Broadway's Leading Ladies from A to Z](#) - John Robert Allman 2019-11-12

"It's an incredible honor to be included in this amazing book of the greatest talent the Broadway stage has ever known!" —AUDRA McDONALD, six-time Tony Award-winning actress From Audra McDonald to Liza with a "Z," here is a showstopping alphabet book featuring your favorite leading ladies of the Broadway stage! Step into the spotlight and celebrate a cavalcade of Broadway's legendary ladies. Start with "A" for six-time Tony Award winner Audra McDonald, then sing and dance your way through the alphabet with beloved entertainers like Patti LuPone, Bernadette Peters, Chita Rivera, Lea Salonga, Kristin Chenoweth, Kelli O'Hara, and Liza Minnelli! Broadway fans and theater lovers everywhere will give a standing ovation to this one-of-a-kind

tribute full of toe-tapping rhymes, with illustrations as bright and beautiful as the shining lights on any marquee. AND DON'T MISS THE SEQUEL COMING IN OCTOBER: B IS FOR BROADWAY: ONSTAGE AND BACKSTAGE FROM A TO Z! THE RAVE REVIEWS ARE IN FROM THE STARS THEMSELVES! A wonderful, enriching, enlightening book for theater lovers of all ages . . . and all that jazz!" —CHITA RIVERA, two-time Tony Award-winning actress (The Rink, Kiss of the Spider Woman) "A to Z—awesome to zany—I'm thrilled to be a part of such an illustrious group." —CHRISTINE EBERSOLE, two-time Tony Award-winning actress (42nd Street, Grey Gardens) "I'm so honored to be included among these fierce ladies—brought to life with such fun illustrations—in this wonderful book for little divas like my own!" —LEA SALONGA, Tony Award-winning actress (Miss Saigon) "A is for Audra turns the alphabet song into a show stopper! It is literally a love letter to Broadway's leading ladies, and I am so honored to be memorialized alongside all of my sisters!" —RENÉE ELISE GOLDSBERRY, Tony Award-winning actress (Hamilton) "I'm honored to be included in this illustrious group. A to Z, they are all incredible!" —KRISTIN CHENOWETH, Tony Award-winning actress (You're a Good Man, Charlie Brown) "What a fun and fabulous celebration of the females of Broadway! Imagine my joy just to be a part of it!" —KELLI O'HARA, Tony Award-winning actress (The King and I) "H is also for honored—because that's what I am to be included in this beautiful book. I can't wait to show my kids and tell them of all the brilliant leading ladies who have graced the Broadway stage." —HEATHER HEADLEY, Tony Award-winning actress (Aida) AND CRITICS LOVE IT TOO! "Women of the Broadway theater take center stage in this loving homage. . . . A lively introduction to a whole new cast of heroines."—Kirkus "this is a book all kids (and many adults) will enjoy as they learn about and fall in love with the theatre."—Playbill.com "A true necessity for any kid's bookshelf."—Entertainment Weekly "a thorough, eye-catching introduction to women of the theater. . . . budding theater lovers will get a thrill."—Booklist "A sure hit for thespians of all ages."—School Library Journal "Emmerich's flattering caricatures, paired with [Allman's] verse, are colorful and slick, bringing

Broadway's drama to the page"—Publishers Weekly

Oppression and Liberty - Simone Weil 2001

In this remarkable work, Weil analyses the causes of oppression, its mechanisms and forms, and questions revolutionary responses while presenting a prophetic view of a way forward.

Good-bye to All that - Robert Graves 1995

"The objects of this autobiography, written at the age of thirty-three, are simple enough: an opportunity for a formal good-bye to you and to you and to you and to me and to all that; forgetfulness, because once all this

has been settled in my mind and written down and published it need never be thought about again; money". Thus begins Robert Graves's classic 1929 autobiography with its searing account of life in the trenches of the First World War; and yet this opening passage, together with much significant material, has been unavailable since 1957, when a middle-aged Graves totally revised his text, robbing it of the painfully raw edge that had helped to make it an international bestseller. By 1957 major changes in his private life had taken place. Graves was no longer living with the American poet Laura Riding, under whose influence and in whose honor the original had been written. By cutting out all references to Riding, by deleting passages which revealed the mental strains under which he had labored, and by meticulously editing the entire text, Graves destroyed most of what had made it so powerful but also removed it from the only context in which it could be fully understood. We are pleased to offer the original 1929 edition on the occasion of Graves's 100th anniversary, edited and annotated by Robert Graves's nephew and biographer, whose lucid introduction greatly enhances its value.

Liberty, Order, and Justice - James McClellan 2000

This new Liberty Fund edition of James McClellan's classic work on the quest for liberty, order, and justice in England and America includes the author's revisions to the original edition published in 1989 by the Center for Judicial Studies. Unlike most textbooks in American Government, *Liberty, Order, and Justice* seeks to familiarize the student with the basic principles of the Constitution, and to explain their origin, meaning, and purpose. Particular emphasis is placed on federalism and the separation of powers. These features of the book, together with its extensive and unique historical illustrations, make this new edition of *Liberty, Order, and Justice* especially suitable for introductory classes in American Government and for high school students in advanced placement courses.

Good-bye, Piccadilly - Jenel Virden 1996

Though the women came to the U.S. from all parts of the British Isles, they were an unusually homogeneous group, averaging 23 years of age,

from working- or lower-middle-class families and having completed mandatory schooling to the age of fourteen. For the most part they emigrated alone and didn't move into an existing immigrant population.

Relinquishing Liberty - Maureen Mayer 2013-08-26

On the outside, Liberty Davis appeared to have it all...a loving family, a tight knit circle of friends, and a bright future ahead of her. Everything was perfect. That is until her brother tragically took his own life, turning her whole world upside down. Left to pick up the pieces of her broken family, Liberty is faced with focusing all of her attention on helping her parents cope with the loss of their son, while putting her own life on the back burner. But what no one seems to realize is that she is just as broken inside. Now, four years later, twenty year old Liberty is taking back the reins of her life. She leaves behind everything she's ever known, hoping to make a fresh start...one where she isn't faced with the constant reminder that her brother is nothing more than faded memory. What she didn't expect to find along the way was Shayne. Tall, dark and tattooed, Shayne Thompson has developed quite a reputation for being a player. Despite everyone's negative perception, Liberty still finds herself drawn to him. When she learns that Shayne knows all too well what it feels like to lose someone you love, she finds that they have a lot more in common

than just a physical attraction. When Liberty discovers a secret from Shayne's past that threatens to tear them apart, she begins to question everything she's ever felt for him. Will Liberty choose to follow her heart or will she give up the one person who finally made her feel whole again?

Good-bye, Chunky Rice - Craig Thompson 1999

Chunky Rice, a small turtle, embarks on an ocean voyage, where he meets a shady skipper and conjoined twins, Ruth and Livonia,, but he also leaves behind his girlfriend Dandel, who sends him letters in a bottle.

The A to Z of the Broadway Musical - William A. Everett 2009-09-17

The Broadway musical has greatly influenced American (and world) culture. Such shows as Oklahoma! and Annie Get Your Gun are as 'American as apple pie,' while the long runs of imports like Cats, The Phantom of the Opera, and Les MisZrables have broken records. Broadway has produced such cultural icons as Ethel Merman, Yul Brynner, and Julie Andrews, and composers and lyricists such as Irving Berlin, George Gershwin, Cole Porter, Richard Rodgers, Oscar Hammerstein, Leonard Bernstein, Stephen Sondheim, Andrew Lloyd Webber, and many others have had their melodies sung on its stages. Visionaries like George Abbott, Agnes de Mille, Jerome Robbins, Bob Fosse, Tommy Tune, and Susan Stroman have brought productions to life through their innovative direction and choreography. Since the latter part of the 19th century, the Broadway musical has remained one of the most popular genres in entertainment and its history is related in detail in The A to Z of the Broadway Musical. Through a chronology, an introductory essay, a bibliography, and 900 dictionary entries on Broadway shows, playwrights, directors, producers, designers, and actors, this handy desk reference offers quick information on the many aspects of the Broadway musical.

A colleccion of all the statutes, (from the begynning of Magna Carta unto the yere of our Lorde 1557,) which were before that yere imprinted. And furst a pistle, necessary to be redde by them that shall use this booke. Edited by W. Rastell. B.L. - England 1559

It Takes a Counter-Revolution - Larry Klayman Esq. 2022-03-15

With a title that again satirically mocks It Takes a Village by Hillary Clinton, It Takes a Counter-Revolution: Wake Up America! is the sequel to It Takes a Revolution: Forget the Scandal Industry!, as the nation has now been wholly taken over by the radical left. Like Revolution, this book details how our executive, legislative, and judicial branches of government have become thoroughly corrupt and failed the citizenry, but offers new and more drastic solutions given the deepening crises that have—in the last year alone—enmeshed the republic in a march to socialism, communism, atheism, and godless radical leftist ideologies of all types. Emphasizing again that Americans must turn away from the “scandal industry” of the cable news networks, which enrich themselves by magnifying crises—if not creating mass panic to boost ratings and advertising dollars—the author Larry Klayman, the founder of both Judicial Watch and Freedom Watch, now advocates for declaring independence from our current government, which he chronicles as terminally ill, after experiencing and suffering the corrosive, destructive effects of the Biden-Harris regime. Quoting Founding Fathers like John Adams and Thomas Jefferson, Klayman argues that the people must harken back to July 4, 1776, when under the laws of nature and Nature’s God—rather than the laws of the state—the colonies, faced with a king far less harmful than our present rulers, were left with no choice but to declare and form a new nation. What we now need, Klayman argues, is not a new nation, but a new government, with new righteous leaders and new political parties, offering an alternative to the citizenry over what now rules over them in a virtual leftist dictatorship, with little to no sincere and honest Republican opposition. This work is a call to arms during these times of crises, when government deceit, exploitation, corruption, and dictatorial control over the people have created a virtual noose around our collective necks. The overriding message of It Takes a Counter-Revolution: Wake Up America! is that Americans must stop wishfully hoping for the best, get up off of the couch, take calculated risks, and actively join the counter-revolution—albeit a peaceful and legal one—to restore the liberty that once made our nation great. Our

continued existence as a once God-fearing and free republic now hangs in the balance, with no time to lose!

The Billboard - 1926

Joel Whitburn Presents Across the Charts - Joel Whitburn 2008

(Book). Across the Charts: The 1960s is the complete story of a full ten years of music on five Billboard charts. One comprehensive, combined A-Z Artist Section lists, in chronological order for each artist, all of the artist's charted hits that appeared on any of the five singles charts. Shows complete chart data including data from multiple charts for crossover songs plus picture sleeve photos for certain artists, special bonus sections and more! Throughout the 1960s, music evolved and crossed over genre lines like never before and it's all captured right here in a single, mammoth, all encompassing volume!

Climatological Data - 1972

Good-bye and Amen - Beth Gutcheon 2008-07-22

Determined to keep their inheritance from dividing them, close siblings Eleanor, Monica, and Jimmy Moss struggle with differences of opinion about how to share and maintain their late parents' summer house, a situation that is further complicated by the members of their extended families. 75,000 first printing.

My Journey Through Poetry - Janice A. Smith 2019-02-22

The poetry reflects her sense of the rhythm and flow of the topic. The form of the poem also is a reflection of its meaning. Each poem is unique on its own merit. Some poems rhyme; some use a recurring line or lines. Most are free verse and have their own musical flow. "The Time Was November" uses rhyme and this recurring line.

The Routledge Companion to Libertarianism - Matt Zwolinski 2022-04-29

Have you ever wondered what libertarians think about vaccine mandates? About gun control? About racial and sexual inequalities? While libertarianism is well known as a political theory relating to the scope and justification of state authority, the breadth and depth of

libertarian work on a wide range of other topics in social and political philosophy is less well known. This handbook is the first definitive reference on libertarianism that offers an in-depth survey of the central ideas from across philosophy, politics, and economics, including applications to contemporary policy issues. The forty chapters in this work provide an encyclopedic overview of libertarian scholarship, from foundational debates about natural rights theories vs. utilitarian approaches, to policy debates over immigration, punishment and policing, and intellectual property. Each chapter presents a comprehensive and up-to-date overview of historical and contemporary libertarian thought on its subject, and thus serves as an essential guide to current scholarship, and a starting place for discovering future lines of research. The book also contains a section on criticisms of libertarianism, written by leading scholars from the feminist, republican, socialist, and conservative perspectives, as well as a section on how libertarian political theory relates to various schools of economic thought, such as the Chicago, Austrian, Bloomington, and Public Choice schools. This book is an essential and comprehensive guide for anyone interested in libertarianism, whether sympathizer or critic.

Good-bye to the Mermaids - Karin Finell 2006

"Memoir of a child living in Berlin during World War II. Tells how the war affected three generations of middle-class German women who lived through the bombing of Berlin, the Russian and Allied occupation, the Berlin Airlift, and the postwar recovery"--Provided by publisher.

XVI. Geo. III. c. 65. An Act for making the River Soar navigable, from the River Trent, to Bishop's Meadow, within the Liberty of Garenton, in the County of Leicester, etc. MS. notes - England 1776

Good-bye, Gweilo - Erwin Atwood 1996

This work explores long-term public opinion and media use regarding Britain's return of Hong Kong to the People's Republic of China. Content analysis, opinion surveys, and reviews are used to summarise public and international opinion. An overview of Hong Kong past and present is incorporated.

Schwann Spectrum - 2001

Good-Bye, Pittsburgh - Mary Lou Reed 2013-03-01

In the years following America's victory over Germany and Japan, the heady exhilaration of winning the war begins to fade in post-war Pittsburgh. The spewing filth of the steel mills and the stinging aftermath of the war take their toll on the Donatti family. Better jobs await them in California, and the family plans to head west. Ten-year-old Marianne isn't happy about leaving her home, and she likes it even less when she and her family move into her grandmother's house for six months before heading to California. From the start, Marianne dislikes the new street and the mean kids on it. But at her new school, she finds a kindred spirit with the neighborhood whipping boy, Hurkey Polowski, and the two develop a deep friendship. Even so, Marianne feels torn between acceptance by the other kids and loyalty to Hurkey. She finds solace with Hurkey's mother, Sophie, who is struggling with her husband's change of character since his return from the war. When tragedy strikes, however, Marianne and Sophie will need each other more than ever before. A window into post-war America, Good-Bye, Pittsburgh is a moving tale of friendship, loyalty, and shattered dreams.

[Hit Records, 1950-1975](#) - David F. Lonergan 2005

Hit Records, 1950-1975 references nearly 6,000 popular songs that were featured on the Top-40 charts during that period. Entries list song title and variants, writer, artist, label, and peak position on and date of entry onto the charts. Also provided are two long indexes that allow the user to find every song written or recorded by a given composer or artist. This

resource greatly simplifies the process of discovering which composers provided songs for a particular artist, and which composers assisted one another. This reference will be of great value to both the serious researcher and the nostalgic browser.

Good-bye, Machiavelli - Bernard W. Wishy 1995

From the formation of the first American colony at Jamestown in 1607 through the Reagan "revolution" and beyond, Americans have struggled with two opposing dreams: unlimited growth and escape from big government. Bernard Wishy here provides the first comprehensive study of how we have alternately pursued, won, lost, debated, and reclaimed those dreams during almost four centuries of American life. Rich in deep historical and political insight and refreshingly nonpartisan, Good-bye, Machiavelli traces the distinctly American tension between government growth - in tandem with economic, demographic, and geographic expansion - and our contradictory distrust of such activity as hostile to free enterprise and the Jeffersonian ideal of minimal government.
