Bikes and Bloomers - Kat Jungnickel 2018-05-04

An illustrated history of the evolution of British women's cycle wear. The bicycle in Victorian Britain is often celebrated as a vehicle of women's liberation. Less noted is another critical technology with which women forged new and mobile public lives--cycle wear. This illustrated account of women's cycle wear from Goldsmiths Press brings together Victorian engineering and radical feminist invention to supply a missing chapter in the history of feminism. Despite its benefits, cycling was a material and ideological minefield for women. Conventional fashions were unworkable, with skirts catching in wheels and tangling in pedals. Yet wearing "rational" cycle wear could provoke verbal and sometimes physical abuse from those threatened by newly mobile women. Seeking a solution, pioneering women not only imagined, made, and wore radical new forms of cycle wear but also patented their inventive designs. The most remarkable of these were convertible costumes that enabled wearers to transform ordinary clothing into cycle wear. Drawing on in-

depth archival research and inventive practice, Kat Jungnickel brings to life in rich detail the little-known stories of six inventors of the 1890s. Alice Bygrave, a dressmaker of Brixton, registered four patents for a skirt with a dual pulley system built into its seams. Julia Gill, a court dressmaker of Haverstock Hill, patented a skirt that drew material up the waist using a mechanism of rings or eyelets. Mary and Sarah Pease, sisters from York, patented a skirt that could be quickly converted into a fashionable high-collar cape. Henrietta Müller, a women's rights activist of Maidenhead, patented a three-part cycling suit with a concealed system of loops and buttons to elevate the skirt. And Mary Ann Ward, a gentlewoman of Bristol, patented the "Hyde Park Safety Skirt," which gathered fabric at intervals using a series of side buttons on the skirt. Their unique contributions to cycling's past continue to shape urban life for contemporary mobile women.

#1 NEW YORK TIMES BESTSELLER • Debbie Macomber returns with a powerful standalone novel about a woman forced to start her life anew, embarking on the most courageous journey of all—to a place where she learns what love and trust really mean. Shay Benson adored her younger brother, Caden, and that got her into trouble. When he owed money, Shay realized she would do anything to help him avoid the men who were threatening him, and she crossed lines she never should have crossed. Now, determined to start fresh, she finds herself in search of a place to stay and wanders into a church to escape from the cold. Pastor Drew Douglas adored his wife. But when he lost her, it was all he could do to focus on his two beautiful kids, and his flock came in a distant third. Now, as he too is thinking about a fresh start, he walks through his sanctuary and finds Shay sitting in a pew. The pair strike up a friendship—Drew helps Shay get back on her feet, and she reignites his sense of purpose—that, over time, turns into something deeper, something soulful, spiritual, and possibly romantic. Even Drew's two children are taken with this woman who has brought light back into their lives. We will give you a wide variety of dress styles; however once you learn and practice the basics, you will be able to draw patterns that you see in pattern books, clothing in department stores or an item of clothing that you want to design for yourself.

No Patterns Needed - Rosie Martin 2016-08-16

If you want to sew your own clothes but are put off by the idea of cutting out pattern pieces covered with dotted lines and symbols, this is the book for you. Using Rosie Martin's innovative method, you begin with nothing but a rectangle, circle, or triangle of fabric and some basic body measurements. Next, follow the detailed step-by-step photographs and diagrams to complete your garment. You'll need a sewing machine, but no special equipment or expensive fabrics. With plenty of variations suggested for each garment, there's lots of room for your own creative touches, too.
