Children, Media And Culture - Messenger Davies, M?ire 2010-04-01
Childhood and children's culture are regularly in the forefront of debates about how society is changing - often, it is argued, for the worse. Some of the most visible changes are new media technology; digital television; the internet; portable entertainment systems such as games, mobile phones, i-pods and so on. Television, the most popular medium with children for the last thirty years, is becoming less so. This book is intended to broaden the public debate about the role of popular media in children's lives. Its definition of 'media' is wide-ranging: not just television and the internet, but also still-popular forms such as fairy tales, children's literature - including the triumphantly successful Harry Potter series - and playground games. It sets these discussions within a framework of historical, sociological and psychological approaches to the study of children and childhood. At times of rapid technological change, public anxieties always arise about how children can be protected from new harmful influences. The book addresses the perennial controversies around media 'effects' from a range of academic perspectives. It examines critically the view that technology has dramatically changed modern children's lives, and looks at how technology has both changed, and sustained, children's cultural experiences in different times and places. Does new interactive technology give children a 'voice'? It can permit children to be their own authors and to engage in civil society, as well as to explore taboo and potentially dangerous areas. The book discusses how children can use technology to enhance their role as 'citizens in the making', as well its utilizing more playful applications. The book includes interviews with both producers and consumers - media workers, and children and their families, and has historical and contemporary illustrations.

The Prophet - Kahlil Gibran 2021-01-08

The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human condition. The book is divided into chapters dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods" , "The Garden of the Prophet".

The Secret Garden by Frances Hodgson Burnett - Frances Hodgson Burnett 2020-01-06

"At first people refuse to believe that a strange new thing can be done, then they begin to hope it can be done, then they see it can be done--then it is done and all the world wonders why it was not done centuries ago." - Frances Hodgson Burnett, *The Secret Garden*
The Secret Garden is a novel by Frances Hodgson Burnett first published in book form in 1911, after serialization in *The American Magazine* (November 1910 - August 1911). Set in England, it is one of Burnett's most popular novels and seen as a classic of English children's literature. Several stage and film adaptations have been made. It is often noted as one of the best children's books of the twentieth century. In 2003 it ranked number 51 in

The Big Read, a survey of the British public by the BBC to identify the "Nation's Best-loved Novel" (not children's novel). Based on a 2007 online poll, the U.S. National Education Association named it one of "Teachers' Top 100 Books for Children". In 2012 it was ranked number 15 among all-time children's novels in a survey published by *School Library Journal*, a monthly with primarily U.S. audience. A True Classic that Belongs on Every Bookshelf!

The Classic Serial on Television and Radio - Robert Giddings 2001-02-14
The classic serial, invented by BBC Radio Drama sixty years ago, survived and adapted itself to television, the arrival of colour and the global market in what has become a flood of classics with all channels competing for ratings and overseas sales. This richly detailed book traces these developments and analyses the genre's response to social, economic, technical and cultural changes, which have re-shaped it into the form we recognise today. The book contains considerable interview material with performers and media professionals.

The Making of a Marchioness - Frances Hodgson Burnett 2018-05-03
"The Making of a Marchioness" is a novel by Frances Hodgson Burnett. It was followed by a sequel, *The Methods of Lady Walderhurst*, but both have been subsequently published together, either under the original name "The Making of a Marchioness" or as "Emily Fox-Seton". Emily Fox-Seton is a young woman of good birth but no money who works as a companion and assistant for various members of the upper class. Her chief employer is Lady Maria Bayne, who is both very selfish and very funny, although she does come to care for Emily. In a "Cinderella-like" ending, Emily eventually marries a much older man, James, the Marquess of Walderhurst, thus herself becoming a marchioness. In the sequel, originally "The Methods of Lady Walderhurst", Emily has Walderhurst's child, and his former heir, Alec Osborn, attempts to regain what he sees as his birthright.

Midnight in the Garden of Good and Evil - John Berendt 2010-05-12

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the

well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

Teaching Language and Literature in Elementary Classrooms - Marcia S. Popp 2006-04-21

The goal of this book -- a theoretically based, well-organized, useful guide for teaching -- is to help the beginning teacher create a classroom environment that integrates literacy development with learning in all areas of the curriculum. The major components of an integrated language program are identified, and the skills teachers need to implement this kind of program in their own classrooms are described. Designed to be kept and used as a resource in the classroom, this text provides fundamental information about language arts teaching. A constructivist orientation, an emphasis on teachers as reflective decision makers, and vivid portrayals of the classroom as a community of learners and inquirers are woven throughout the book. Key features include: * a wealth of models, suggestions, and step-by-step guidelines for introducing integrated teaching and learning practices into elementary classrooms at the kindergarten, primary, and intermediate levels; * a focus on relevant research in language arts and professional teacher development; * true-to-life classroom narratives that model instructional strategies and demonstrate interactions between real teachers and students; and * an innovative chapter format that makes the text accessible as a resource for student, beginning, and experienced teachers.

The Secret Garden - Frances Hodgson Burnett 2017-04-29

The Secret Garden is a children's novel by Frances Hodgson Burnett first published as a book in 1911, after some version was published as an American magazine serial beginning in 1910. Set in England, it is one of Burnett's most popular novels and is considered a classic of English children's literature. Several stage and film adaptations have been made. At the turn of the 20th century, Mary Lennox is a sickly and unloved 10-year-old girl, born in India to wealthy British parents who never wanted her. She is cared for by servants, who allow her to become a spoiled, aggressive and selfish child. Through the discovery of her aunt's secret garden, her brother, and a cousin, Mary becomes a child we would all like to have as part of our household. The Secret Garden has become an

important part of children's literature: in 2003, it ranked number 51 in "The Big Read," a survey of the British public by the BBC to identify the "Nation's Best-loved Novel" among all genres. Based on a 2007 online poll, the U.S. National Education Association named it one of "Teachers' Top 100 Books for Children." In 2012 it was ranked number 15 among all-time children's novels in a survey published by School Library Journal. This edition of the book contains the four original illustrations, rejuvenated, and six additional nature illustrations unique to this edition of the book.

Turning the Page - Fiona M. Collins 2006

Since the nineteenth century, children's literature has been adapted for both the stage and the screen. As the twentieth century progressed, children's books provided the material for an increasing range of new media, from radio to computer games, from television to cinema blockbuster. Although such adaptations are now recognised as a significant part of the culture of childhood and popular culture in general, little has been written about the range of products and experiences that they generate. This book brings together writers whose work offers contrasting perspectives on the process of adaptation and the varying transformations - social, historical and ideological - that take place when a text moves from the page to another medium. Linking all these contributions is an interest in the changing definition of children's literature and its target audience within an increasingly media-rich society.

Snow Flower and the Secret Fan - Lisa See 2011-10-17

Lily is the daughter of a humble farmer, and to her family she is just another expensive mouth to feed. Then the local matchmaker delivers startling news: if Lily's feet are bound properly, they will be flawless. In nineteenth-century China, where a woman's eligibility is judged by the shape and size of her feet, this is extraordinary good luck. Lily now has the power to make a good marriage and change the fortunes of her family. To prepare for her new life, she must undergo the agonies of footbinding, learn nu shu, the famed secret women's writing, and make a very special friend, Snow Flower. But a bitter reversal of fortune is about to change everything.

A Hundred Years of the Secret Garden - Marion Gymnich 2012

Although Frances Hodgson Burnett published numerous works for an adult readership, she is mainly remembered today for three novels written for children: Little Lord Fauntleroy (1886), A Little Princess (1905) and The Secret Garden (1911). This volume is dedicated to The Secret Garden. The articles address a wide range of issues, including the representation of the garden in Burnett's novel in the context of cultural history; the relationship between the concept of nature and female identity; the idea of therapeutic places; the notion of redemptive children in The Secret Garden and Little Lord Fauntleroy; the concept of male identity; constructions of 'Otherness' and the redefinition of Englishness; film and anime versions of Burnett's classic; Noel Streatfeild's The Painted Garden as a rewriting of The Secret Garden; attitudes towards food in children's classics and Burnett's novel in the context of Edwardian girlhood fiction and the tradition of the female novel of development.
