## Emotion and Healing in the Energy Body - Robert

Henderson 2015-06-25

A comprehensive guide to emotional blockages in the energy body and their physical manifestations • Details how emotional trauma, long-term stress, and environmental influences cause energy blockages in the subtle body that affect the physical body • Explores more than 30 specific physical ailments, detailing the energetic origins of each condition and which meridians,

chakras, and points are affected • Explains how to interpret and work with energies released in massage and during yoga practice In this comprehensive guide to subtle energy and its associated physical manifestations, Robert Henderson reveals how the discomfort and pain you carry in your physical body is related to the energies of the life you have experienced. The author explains the eight types of subtle energy: Emotional, which carries anger, fear, love, and other emotions; Mental, which affects patterns of behavior, beliefs, actions, and memories; Spiritual, which influences intuition, inspiration, and transcendent states; Sexual, which affects creativity, spontaneity, and excitement; Environmental, which arises from stress at work, tension at home, and other outside influences; Interpersonal, which comes from interactions with family, lovers, and friends; Ancestral, the energy of the lives of your parents up to the time of your

conception; and Karmic, the energy of your past lives. Detailing how these energies are drawn in by the chakras and distributed throughout the body by the meridians, the author explains how suffering acute emotional trauma or long-term stress causes negative energies to accumulate in the energy body much like fat deposits. Our physical body reacts to these energy blockages, leading to physical conditions such as closed hips, tight hamstrings, digestive distress, chronic pain, and persistent tension in areas like the shoulders. The author explores more than 30 specific physical ailments, providing the energetic origins of each condition, the exact location of the corresponding energy blockage, and which meridians, chakras, and points are affected. He covers sexual energy in depth, explaining how to handle repressed energy as it is released during yoga or massage. As the author shows, physical ailments caused by the energies of hurtful life events can be

healed through massage and yoga, allowing you to become open to the free and spontaneous circulation of energy through the subtle body.

*Buddhish* - C. Pierce Salguero  
2022-03-08

An engaging, accessible introduction to Buddhism for those who are looking to explore a new spiritual tradition or understand the roots of their mindfulness practice. Are you curious about Buddhism but find yourself met with scholarly texts or high-minded moralizing every time you try to pick up a book about it? Well, if so, relax. This is no ordinary introduction to Buddhism; there are none of the saccharine platitudes and dense pontification that you may have come to expect. *Buddhish* is a readable introduction for complete newcomers that provides an objective, streamlined overview of the tradition—from unpacking the Four Noble Truths to understanding what “nirvana” actually means. For those who have already dipped

their toes into the tradition through the practice of mindfulness or meditation, this guide will help you create a more well-rounded and informed experience by delving into the history of the Buddhist traditions that shape a mindful practice. Buddhist scholar Dr. Pierce Salguero analyzes the ideas and philosophy of the complex tradition through the eyes of both a critic and an admirer. He shares anecdotes from his time at a Thai monastery, stories from the years he spent living throughout Asia, and other personal experiences that have shaped his study of Buddhism. Through this guide, readers will have the opportunity to develop an approach to practice that is not quite Buddhist but *Buddhish*. Through engaging and lighthearted stories, Dr. Salguero breaks down 20 central principles of the tradition, including:

- Awakening
- Suffering
- Doubt
- Karma
- Buddha Nature

### **Kundalini Yoga Massage -**

DR. GITA KALIPERSHAD-

JETHALAL 2015-06-24

Unleash the power within you! Dramatically improve your health! Bring purpose, enthusiasm, energy and abundance into your life! This unique book, written for the beginner and seasoned practitioner of Yoga, outlines in simple, readable language a new and innovative approach that combines two ancient arts of Yoga and Massage to activate and access the innate, self-healing power that resides in all human beings. Kundalini Yoga Massage embodies the philosophy and the science

behind yoga and also provides practical techniques to remove physiological blockages and unlock the innate life force that lie dormant in all human beings. Author Dr. Gita Jethalal, who has more than forty years of experience in the health care field, combined with a lifetime of yoga knowledge, discusses the new and innovative seven-step massage technique that focuses on stimulating the seven chakras within the spinal column. A practical book for those who wish to improve their physical, mental and spiritual well-being, Kundalini Yoga Massage reveals the history, philosophy, and science behind yoga and focuses on integrating and unifying the science of the West with the wisdom of the East for the benefit of your health and well-being. It shows how yoga increases the flow of life force energy and assists you to deal with the stressors of modern society more efficiently and to improve all areas of your life. Since Kundalini Yoga Massage Seven

Steps to Activate the Seven Chakras and Power People's Prana is new, Dr. Gita has designed an extensive curriculum for professionals and weekend workshops for those wishing to learn the basics for their own personal use. She can be contacted at kundaliniyogamassage@gmail.com.

**Thai Yoga Massage** - Kam Thye Chow 2002-02-01

An authentic guide to Thai yoga massage, a unique therapy that combines stretching, breath work, assisted yoga postures, and pressure point therapy. • Includes more than 80 illustrations, 30 charts, and a complete series of postures for a two-hour full-body massage. • Author Kam Thye Chow has taught massage in Thailand and throughout Europe and North America. Until recently Thai yoga massage was virtually unknown in the West. It has its roots in both the ancient healing traditions of Ayurveda and Thai Buddhism. In this unique practice, the therapist gives a full-body

massage that combines palming and thumbing along the Thai energy lines and pressure points with gentle stretching, movement, and breath work reminiscent of tai chi. Using his or her own hands, feet, arms, and legs, the practitioner gently guides the recipient through a series of yoga postures, creating a harmonious and therapeutic "dance" that leads to greater physical awareness, grace, and spiritual energy. In this comprehensive guide for practitioners, Kam Thye Chow leads readers through every aspect of this dance--from its history and philosophy to a detailed presentation of a complete Thai yoga massage session. This important reference includes more than 80 illustrated postures, 30 charts and drawings, and a complete series of postures for a two-hour full-body massage that focuses attention on both the upper and lower body, which receive equal stress in the Western lifestyle. Information on contraindications, anatomy,

and physiology integrates Western medical knowledge and theory with this ancient tradition. Massage therapists, physical therapists, nurses, and other medical professionals will find Thai Yoga Massage an important and innovative complement to their practice.

**American Book Publishing Record** - 2005

**Thai Yoga Therapy for Your Body Type** - Kam Thye Chow  
2006-06-15

A form of Thai Yoga Massage that focuses on the three Ayurvedic body types • Explains how to determine a person's Ayurvedic body type and provides hands-on techniques for working with them • Brings the practices presented in Thai Yoga Massage to a new customized level of therapeutic healing The traditional healing arts of Ayurveda and Thai Yoga Massage have a deep and integrated relationship that provides an unparalleled modality for restoring body, mind, and spirit. Although it originated in India, over the

centuries Ayurveda has been assimilated into the predominant Thai culture and has evolved into a distinctive folk medicine. With the growing popularity of Ayurveda and Thai Yoga Massage, there is a renewed interest in reuniting these practices into a powerful therapeutic alliance. Thai Yoga Therapy for Your Body Type bridges the practice of Thai Yoga Massage with its ancient Ayurvedic roots to offer a complete and holistic healing modality. The authors first explain in detail the fundamental principles of Ayurveda and then recommend daily practices for each of the three main body types of vata, pitta, and kapha. Practitioners learn how to customize their work with the appropriate massage approach, recommended yoga asanas, breathing techniques, and diet and lifestyle tips. More than 50 illustrated, full-body Thai Yoga Massage postures are presented as well as a massage flow for each body type. The authors indicate the Ayurvedic benefits of each posture and

detail any precautions that should be followed in this dynamic practice of transformative healing.

*Prejudice in Love* - Stephen  
Box 2020-08-25

A loving relationship can be

defined as two imperfect people who refuse to give up on each other. But what if ignorance and alienation become a dominant force within and external prejudice becomes a barrier? Cis, a beautiful, coloured twenty-eight-year-old fashion writer, and Andy, a twenty-eight-year-old Scottish businessman, have been together since university days and married for two years. Both are inexperienced lovers, too busy to care, and are sleepwalking their way to divorce over the desire for a child. Whilst escaping a storm, Cis has a chance meeting with a much older and significantly more experienced professional man, Paul. Whilst sheltering her from the storm, Paul realises her dilemma and starts to educate her in the skills and delights that she so needs for a successful marriage. She wants more, including giving her his child, much against his better judgment as he has a painful history regarding wives and children. Then she wants Paul as well in spite of the clear prejudice that such a

relationship would foster for both of them in society. And she will go to any length to keep him. This is a story of prejudice, generational value differences, and want over need, regardless of the consequences, in a culture of 'I want it all, and I want it now'.

### *Massage Therapy* - C.X. Cruz 2002

Massage is rapidly growing in popularity. In the past 10 years, the need for qualified massage therapists has increased substantially. It is no longer the sole prevue of massage parlors or wealthy

spas. You now can find massage as part of an integrated medical system of treatment. You can see it in ICUs for babies, children and elderly people. Massage is part of out care and in-house therapy as well as medical management for people with HIV-AIDS and cancer. Massage now forms a small but significant part of many different types of health care facilities. Hospices, health care centers, and various types of medical and therapeutic clinics include some form of massage as part of a recognized form of treatment. In the sporting arena, massage is also a prominent fixture, making its appearance at the Olympics. Massage is also an accepted part of athletic training at all levels of sport. Below is the list of article titles that you can get inside this bundle:

*Massage Therapy* - Susan G. Salvo 2015-04-13

Covering massage fundamentals, techniques, and anatomy and physiology, Susan Salvo's *Massage Therapy: Principles and Practice*, 5th Edition brings a whole new meaning to the word 'comprehensive.' This student-friendly text boasts more than 700 illustrations and expanded

sections on neuroscience, research, and special populations, plus new line drawings in the kinesiology chapter of origins and insertions that match the painted skeletons found in most classrooms. It makes the essential principles of massage therapy more approachable and prepares you for success in class, on licensing and board certification exams, and in a wide range of therapeutic practice settings. Clear, straightforward approach simplifies complex content for easier understanding. Complete anatomy and physiology section, in addition to material on techniques and foundations, gives you all the information you need in just one book. Certification Practice Exam on Evolve mimics the major certification exams in format and content, builds confidence, and helps increase pass rates. Over 700 high-quality illustrations, including line drawings and halftones, clarify difficult concepts in vibrant detail. Case studies challenge you to think critically

and apply your understanding to realistic scenarios, foster open-mindedness, and stimulate dialogue. Profile boxes provide an inspirational, real-world perspective on massage practice from some of the most respected authorities in massage and bodywork. Clinical Massage chapter focuses on massage in clinical settings like hospitals, nursing homes, and medical offices to broaden your career potential. Two business chapters loaded with skills to make you more marketable and better prepared for today's competitive job market. Video icons refer you to the Evolve site featuring about 120 minutes of video covering techniques, routines, client interaction sequences, and case studies that facilitate the learning process and the practical application of the material. Evolve icons listed in each chapter encourage you to go beyond the lecture and reading assignments and learn more on the Evolve site. Evolve boxes at the end of each chapter list Chapter Extras

found on Evolve that reinforce concepts learned in the chapter. NEW! Revised line drawing color scheme for origin and insertion matches the painted skeleton found in most classrooms, maintains consistency, and prevents confusion in learning origin and insertion points on the body. NEW! Coverage of Thai massage provides up-to-date content on the most useful, in-demand modalities that are most often requested by clients - and better prepares you for what you will encounter during training and practice. NEW! Updated text reflects changes to the new board certification exam so you have the most up-to-date, relevant information - and are fully prepared to pass the current exams. NEW! Brand new Think About It, Webquest, and Discussion features in each chapter's Test Your Knowledge section build your vocabulary usage and critical thinking skills necessary for day-to-day work with clients. EXPANDED! More content on pain theories, the neuromatrix model, and pain

management, plus updated guidelines for massage after surgery and injury, equips you with essential information when working in rehab. NEW! Updated instructor resources, featuring more TEACH lesson plan classroom activities and an additional 500 test questions, provide instructors with more ways to interact with and test students.

**Thai Massage** - Ananda Apfelbaum 2004-01-05  
Thai Massage, Sacred Bodywork is a complete guide to an ancient practice that benefits body, mind, and spirit. Interest in Thai massage has been growing rapidly. This is no surprise given its unique multifaceted approach to the body. Thai massage combines acupressure, stretching, reflexology, assisted yoga postures, herbal compresses, prayer and meditation. It benefits everyone. Sometimes called the "lazy person's yoga", Thai massage stretches and relaxes the muscles, increases the joints' range of motion, and balances energy flow throughout the body. Thai

Massage, Sacred Bodywork provides fully illustrated, step-by-step instructions which enable the reader to use this integrative and interactive therapy with a partner at home or with a client. The book explains the historical and philosophical background of Thai massage as well as its religious origins. Throughout the book, Ananda always reminds us of the deeper meaning of this sacred modality—compassion in action. A must for all those interested in the healing arts.  
*Ayurveda for Women* - Robert Svoboda 2000-12

### **Advanced Thai Yoga**

**Massage** - Kam Thye Chow  
2011-09-21

Expand your Thai yoga massage practice with advanced postures and energy work to treat stress, back pain, headaches, and several other common conditions • Includes step-by-step photographs for more than 50 advanced Thai yoga massage postures • Illustrates in full color the locations of the sen lines and explains their specific therapeutic qualities and connections to ayurveda and the 5 kosha bodies • Details successful treatment plans for 8 common ailments with custom 60-minute Thai yoga massage posture flows as well as ayurvedic and yoga recommendations for continued healing and prevention at home In the unique healing system of Thai yoga massage--based on yoga, ayurveda, and the martial arts--the practitioner uses his or her

own hands, feet, arms, and legs to gently guide the recipient through a series of yoga postures while palming and thumbing along the body's energy pathways and pressure points, known in the Thai tradition as sen lines and in ayurveda as marma points. Providing a way to expand one's Thai yoga massage practice, this book includes step-by-step photos and guidelines for more than 50 advanced Thai yoga postures as well as successful treatment plans for 8 common ailments: stress, back pain, stiff neck and shoulders, arm and hand exhaustion, headaches, constipation, fibromyalgia, and anxiety/depression. Each treatment plan offers a customized one-hour Thai yoga massage posture flow specific to that ailment along with ayurvedic and yoga recommendations for continued healing and prevention after the massage session. This comprehensive guide also illustrates the exact location of the sen lines and marma points, detailing their

therapeutic indications and connections to ayurveda and the five kosha bodies, as well as explaining how to incorporate them into sessions for deeper healing.

The Art of Thai Massage - Bob Haddad 2022-03-08

- Presents guidelines for effortless and effective practice, including body mechanics, breathing patterns, flowing movements, incremental pressure, and exercises to improve sensing and to strengthen intuition as you work
- Offers ways to refine and improve classic techniques that are often performed incorrectly, explains broad healing concepts behind individual techniques, and discusses the awareness and sensitivity with which they should be performed
- Answers common questions, clarifies misunderstandings, and presents ways to work with focused intention on a deeper level, and with more grace, ease, and efficiency

Unlike most books about Thai massage, this guide offers a deep and insightful view of important and often neglected aspects of Thai bodywork.

Many of the concepts presented in the book also apply to table massage, physical therapy, yoga, and other healing arts. Sharing insights from his many years of practice and teaching, Bob Haddad takes a deeper look at the conceptual, spiritual, and practical approaches behind effective bodywork. An entire section is dedicated to awareness of breath for massage, movement, and everyday activities. Assessment guidelines are offered to work with others based on physical appearance, pre-existing conditions, and elemental predisposition. Exercises to sharpen sensing abilities and intuition are presented, and ways to find, coax, and release blockages in the body are discussed. The author demonstrates in detail the execution of twelve important Thai massage techniques that are often taught and performed incorrectly. The chapters on Upper Body, Lower Body, and Flow offer ways to structure a customized sequence for each individual and help therapists

to move from one technique to another with grace and ease. Finally, the chapter on medicinal herbs discusses the preparation, use, and benefits of hot and cold compresses, medicinal poultices, balms, oils, and herbal baths, as well as easy recipes for all of these traditional therapies. This exciting and valuable guide contains information that has never been previously available in print. Full of exercises and insights to help therapists hone their bodywork skills, this book reveals the key principles that give way to effective treatment, and it explores traditional Thai massage with a special focus on intention, awareness, sensitivity, breath, movement, stillness, and spirituality.

*Yoga as Medicine* - Yoga Journal 2007-07-31

The definitive book of yoga therapy, this groundbreaking work comes to you from the medical editor of the country's premier yoga magazine, who is both a practicing yogi and a Western-trained physician. Beginning with an overview of the history and science of yoga,

Dr. McCall describes the many different techniques in the yoga tool kit; explains what yoga does and who can benefit from it (virtually everyone!); and provides lavishly illustrated and minutely detailed instructions on starting a yoga practice geared to your fitness level and your health status. Yoga as Medicine offers a wealth of practical information, including how to:

- Utilize yogic tools, including postures, breathing techniques, and meditation, for both prevention and healing of illness
- Master the art of becoming more in tune with your body
- Communicate more effectively with your doctor
- Adopt therapeutic yoga practices as either an alternative or a complement to surgery and to expensive, sometimes dangerous medications
- Practice safely

Find an instructor and a style of yoga that are right for you. With twenty chapters devoted to the work of individual master teachers, including such well-known figures as Patricia Walden, John Friend,

and Rodney Yee, Yoga as Medicine shows how these experts have applied the wisdom of this ancient holistic practice to twenty different conditions, ranging from arthritis to chronic fatigue, depression, heart disease, HIV/AIDS, infertility, insomnia, multiple sclerosis, and obesity. Defining yoga as “a systematic technology to improve the body, understand the mind, and free the spirit,” Dr. McCall shows the way to a path that can truly alter your life. An indispensable guide for the millions who now practice yoga or would like to begin, as well as for yoga teachers, body workers, doctors, nurses, and other health professionals.

**The World's Best Massage Techniques The Complete Illustrated Guide** - Victoria Stone 2010-12-01

Massage is one of the oldest healing modalities in the world and even modern science is proving its incredible power to soothe anxiety, boost immunity, and alleviate pain. The World's Best Massage Techniques presents the most effective massage and bodywork techniques from around the world—many of which have been used for thousands of years—to soothe stress and tension, alleviate discomfort, and give pleasure. This beautiful hands-on guide teaches you how to skillfully apply a wide variety of massage and bodywork techniques from other cultures for relaxation, stress relief, and wellness. — Swedish Massage: Kneading strokes lengthen tense muscles — Hot Stone Massage: Heated, flowing movements penetrate tight

knots — Thai Yoga Massage: Assisted stretches bring the body into alignment — Reflexology: Focused pressure activates energy meridians — Lomi Lomi: Sensuous strokes calm the body and mind — Tantsu: Close, body-to-body contact creates intimacy — Polarity: Gentle rocking movements loosen muscles and joints — Shiatsu: Small compressions reduce pain and aid injury recovery Color photography and step-by-step layout make techniques understandable and immediately applicable. With The World's Best Massage Techniques you can use the world's most exciting bodywork techniques in your own home. Healing Massage - Maureen Abson 2016-10-04 This practical, detailed, and accessible guide to using massage to treat a range of medical conditions will educate and empower both massage practitioners and non-professionals who want to safely and effectively make a difference in the well-being of a friend or family member.

Chapters are conveniently organized alphabetically, so that the reader can easily find helpful treatments for more than 40 medical conditions such as asthma, cancer, frozen shoulder, and plantar fasciitis. Bringing together Eastern and Western understandings of the body, health, and wellness, this user-friendly sourcebook defines and details each of the conditions, any contraindications to massage, and massage protocols and instructions, including how often treatment should be administered. Healing Massage can make treatment and pain relief both available and affordable to those who might not have access to expensive professional treatment. It can also provide substantial and detailed information to practitioners not familiar with a specific condition. Written by a leading massage practitioner and international teacher, this book will be a will be an essential reference in the office or at home. From the Trade Paperback edition.

*Advanced Thai Yoga Massage* - Kam Thye Chow 2011-09-21

Expand your Thai yoga massage practice with advanced postures and energy work to treat stress, back pain, headaches, and several other common conditions • Includes step-by-step photographs for more than 50 advanced Thai yoga massage postures • Illustrates in full color the locations of the sen lines and explains their specific therapeutic qualities and connections to ayurveda and the 5 kosha bodies • Details successful treatment plans for 8 common ailments with

custom 60-minute Thai yoga massage posture flows as well as ayurvedic and yoga recommendations for continued healing and prevention at home In the unique healing system of Thai yoga massage--based on yoga, ayurveda, and the martial arts--the practitioner uses his or her own hands, feet, arms, and legs to gently guide the recipient through a series of yoga postures while palming and thumbing along the body's energy pathways and pressure points, known in the Thai tradition as sen lines and in ayurveda as marma points. Providing a way to expand one's Thai yoga massage practice, this book includes step-by-step photos and guidelines for more than 50 advanced Thai yoga postures as well as successful treatment plans for 8 common ailments: stress, back pain, stiff neck and shoulders, arm and hand exhaustion, headaches, constipation, fibromyalgia, and anxiety/depression. Each treatment plan offers a customized one-hour Thai yoga

massage posture flow specific to that ailment along with ayurvedic and yoga recommendations for continued healing and prevention after the massage session. This comprehensive guide also illustrates the exact location of the sen lines and marma points, detailing their therapeutic indications and connections to ayurveda and the five kosha bodies, as well as explaining how to incorporate them into sessions for deeper healing.

*Our Inner Ocean* - LeCain W. Smith 2014-08-12

Good health is something we all aspire to, but it's so much more than just being free of disease. A perfectly functioning body, tranquil mind, and vibrant spirit working together harmoniously create the joy and happiness that put the good in good health and the worth into a life worth living. *Our Inner Ocean* describes ancient and new holistic modalities of practitioner-applied bodywork and revitalizing self-care practices. These illuminate our human

potential and awaken our ability to attain and maintain perfect health and well-being. These modalities act as a springboard from which to dive into our inner ocean—the realm of wisdom within that is entered by making the body, breath, and energy our allies. This mystical space of awareness, intuition, peace, and love can become the resting place of the spirit, subtly working its magic on ourselves and others. Bodywork has long been recognized as a way to help people feel better physically, but the magic of touch can also help us tap in to the wisdom of the body, discover the power of the energy that permeates it, and evoke its innate healing ability. Self-care practices such as yoga, qi gong, breathwork, and meditation help us become our own healers. When we pass through these portals into the inner ocean, we can reduce stress and pain, release blockages, prevent and resolve dysfunctions, and ignite our spiritual nature. And in doing so, we make the world a better

place.

### **Table Thai Yoga Massage -**

Heath Reed 2014-10-22

Table Thai Yoga Massage is a modern-day evolution and fusion of Traditional Thai Massage and Yoga. These blended healing practices harmonize breath, movement, and intention to provide decreased stress, tension, and pain. At the heart of Table Thai Yoga Massage is the practice of loving kindness, or what the Thais call “Metta.” Metta is truly applied when both giver and receiver are in a space of loving kindness. That is, practicing Table Thai in a way that feels good to give AND feels good to receive. With the spirit of “metta,” this book showcases simple, easy, and fun approaches to safely move and stretch the body to feel good from the inside out! Table Thai Yoga Massage is a 3-dimensional experience, where the muscles, tendons, ligaments, as well as the joints receive the benefit of movement and massage. Table Thai restores natural range of motion and joint health,

enhances functional integration of the body, and clears fascial restrictions from previous injuries and repetitive stress patterns. Likewise, Table Thai Yoga Massage clears blockages along the wind channels, or sen, and powerfully relaxes the mind and calms the heart. To respect the Thai culture and the inspiration for this book, we've included Thai cultural nuances entitled "The Thai Way." As reminders to let go of unnecessary tension, "Yoga Gem" inserts are provided to encourage physical and energetic alignment. In addition, we provide pointers for cultivating loving kindness with "Growing Metta" sections. And, to delineate where our Table Thai Yoga Massage techniques vary from traditional Thai Massage, or to provide additional variations to address different body types, we offer inserts entitled "Same-Same." It is with grateful hearts and warm smiles, that we are pleased to share Table Thai Yoga Massage!

*Yoga for Men* - Thomas Claire  
2003-10-08

A comprehensive introduction to yoga geared to men of all ages and backgrounds—whether they're athletic or sedentary, young or old, devotees of yoga seek new information to enhance their existing practices or neophytes just starting out of their yoga journals.

**The Art and Knowledge of Thai Yoga Massage** - Attila Pegan 2010-03

Connecting the medical perspectives of the east with those of western medical science offers the possibility of developing fresh approaches for practitioners of modalities from both cultures. The Art and Knowledge of Thai Yoga Massage presents the art of Thai massage in a form of 130 exercises with guidelines to structure them into an individualized 2 hour full body energy balancing massage session. The book also presents the knowledge of Thai massage via a unique and eye opening comparison of the traditional Sen Energy Lines of Thai Medicine with Myofascial Meridians, a groundbreaking

'whole systems' view of the network of connective tissue or fascia by Thomas W. Myers. The Art and Knowledge of Thai Yoga Massage and its 'open source' framework invite Thai massage practitioners to collaborate and increase the importance of the field of complementary and alternative medicine. Features: Introduction to the Tradition of Thai massage 130 authentic

Northern style exercises Full color illustrations Introduction to the Pranic or Life-energy system Detailed description of the Sen Lines Collection of appropriate exercises for each Sen Line Comparison of each Sen Line to the corresponding Myofascial Meridians Session structuring guide Mantras and relaxation exercises used in the course based on this book
