[Thirty-five Castration Fantasies](#) - Aunt Cassie 2020-11-22

Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. The Horse Mistress - R. A. Steffan 2015-09-23

Through hard work and determination, Carivel has carved out a reasonably successful life as assistant to the Horse Master in the Bronze Age village of Draebard. Unfortunately, Carivel also harbors a scandalous, destructive secret which could bring everything crashing down in tiny, broken pieces at any time... and that's completely separate from the hopeless romantic infatuation with two utterly unattainable people. On further reflection, Carivel's life is actually a bit of a mess. Senovo struggles to keep a lid on his "furry little problem" almost every night. Being a shapeshifter is a challenge he never asked for or wanted, any more than he wanted to be castrated and made into a eunuch after

his parents sold him to the Priests' Guild as a child. Andoc, First Warrior of Draebard, firmly believes that most problems can be solved by the liberal application of a) natural charm, b) good food, and c) really great sex. Or, failing that, by banging heads together until the parties involved see sense. Now, however, the Alyrion Empire is invading, and the village chief wants him to travel to the rival Mereni tribe with Carivel and Senovo to negotiate a defense treaty. It's an easy two-day journey there and back, punctuated by a couple of ritual challenges and some boring diplomatic talks. What could possibly go wrong? Author's note: This book contains descriptions of graphic sex, including sex between men, sex with multiple partners (MMF), and elements of consensual BDSM. Additionally, it deals with issues of gender identity and gender fluidity. It is intended for a mature audience.

Revenge of the Nympho Ninja Castratrix - Katelyn Price 2018-02-07

A high-profile businessman sells information that endangers the secrecy of a clan of all-female Malaysian ninjas. The Shi-Uzi Clan determines his punishment to be a painful castration in order to make an example of him. The Clan wants to hang his testicles in their dojo but they want them big and heavy and filled to the brim with a denied orgasm first. So, they send one of their most beautiful ninjas to give James the best foreplay of his life. She's not only a ninja and a seductress, but a castratrix as well. Sophia makes love to James better than he's ever been done before times a hundred. She's trained for months to learn how to provide him with the most pleasure a man can feel. But, before he can blow that huge pent up load of his, Sophia gives James the worst case of blue balls a man has ever gotten. She also gives him a very painful and controlling ballbusting session, and then she proceeds to painfully pull his heavy horny balls right off of his crotch. During this long and painful and quite sweaty castration erotica session, Sophia grins at James and teases him about the trouble he got himself in. She finds herself getting off on the task of removing his loaded balls from his body. But, somehow her mission fails just before she can completely remove his ball bag from his body. So, the Shi-Uzi Clan is forced to send more gorgeous ninjas after James in an effort to remove his now very sore and very stretched-

out testicles, which now hang a foot lower than normal, making it very difficult for him to move around or even to masturbate. Though, this is a great story to masturbate to by the way. We can't really describe the story any further without compromising some of the plot twists. But we can say this, Annabelle really gives James the ride of his life, the ride of any man's life. A very dangerous ride. Very painful. And very erotic. Download the audiobook under the same title, performed in full by the author herself, Katelyn Price. An incredibly sexy and well-executed performance. There's a LOT of dirty words in this story and she says them all in such an erotic way. In addition to being the story narrator, she also plays the voice of the Asian seductresses and the distressed voice of James.

Reformation - Tanya Simmonds 2011-05-01

Feminizing the Fetish - Emily Apter 2018-03-15

Shoes, gloves, umbrellas, cigars that are not just objects—the topic of fetishism seems both bizarre and inevitable. In this venturesome and provocative book, Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn-of-the-century French culture. Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive, she considers fetishism as a cultural artifact and as a subgenre of realist fiction. Apter traces the web of connections among fin-de-siècle representations of perversion, the fiction of pathology, and the literary case history. She explores in particular the theme of "female fetishism" in the context of the feminine culture of mourning, collecting, and dressing.

Of Muscles and Men - Michael G. Cornelius 2011-09-29

Few movie genres have highlighted the male body more effectively than the "sword-and-sandal" film, where the rippling torso and the bulging muscle are displayed for all to appreciate. Carrying his phallic sword and dressed in traditional garb calculated to bring attention to his magnificent physique, the sword-and-sandal hero is capable of toppling great nations, rescuing heroines, defeating monsters, and generally

saving the day. Each of these essays examines the issues of masculinity and utility addressed in the sword-and-sandal genre. The contributors offer insights on a film form which showcases its male protagonists as heroic, violent, fleshy, and, in the end, extremely useful.

The Color of Kink - Ariane Cruz 2016-10-04

Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality. The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

Females of Vulvar - J. K. Spenser 2021-01-05

The first installment in the new dark fantasy science fiction series set on a planet called Vulvar, where females rule and all males are enslaved to serve them. What if alien DNA was encoded in your genes and no one told you? Archaeology professor Tobias Hart once would have laughed at such a notion. Hart, orphaned as a small child when someone murdered his father and his mother disappeared without a trace, was reared by an aunt and uncle in upstate New York. Fortunately, after such a tragic beginning, Hart's life is much improved these days. He's recently completed a PhD at Princeton and received his first post in the academic world, a tenure-track appointment to teach at Stanford University. Hart is positive he is on his way to realizing his life's dream, a tenured archaeology professorship at a prestigious university. Until he stops in southwest New Mexico to visit a Native American archaeology site on his way to the West Coast. There Hart's life takes a most unexpected and dramatic turn. Camping overnight near some ancient cliff dwellings, Hart glimpses an alien spacecraft moments before the aliens abduct him. Soon

he finds himself a captive on a strange, dystopian and barbaric planet where females rule and all males are slaves. As he struggles to figure out who abducted him and why, Hart becomes party to a shocking reunion with someone he hasn't seen in over thirty years, his mother. She reveals that Vulvar is her home planet, and that Hart is half Vulvarian. Next she tells him the most disturbing thing of all. Over her objections, the powers that be have brought Hart to the alien world for use as breeding stock. Like all males on the planet Vulvar, Hart quickly finds himself enslaved, the property of a beautiful but ruthless Mistress. Just as Hart despairs and contemplates ending his own life over being used as a breeding animal and the other realities of the harsh life his captors have imposed on him, they offer him an opportunity to win his freedom. The group of physical, absentee Vulvarian divine entities need someone to find and recover a valuable ancient artifact. Because of his education and experience as an archaeologist, they deem Hart the only being on Vulvar qualified for the undertaking. The problem is they believe the artifact is hidden in the most remote and dangerous region on the planet. If Hart accepts the mission, he may not live to complete it. But, if he finds and recovers the artifact, the deities promise to return him home to Earth as a reward. Hart desperately wants to return home. He wants his life back. But with such an infinitesimal chance of success, is the opportunity at freedom they offer worth dying for?

Sexual Personae - Camille Paglia 1991-08-20

The fiery, provocative, and unparalleled work of feminist art criticism that launched the exceptional career of one of our most important public intellectuals—"a remarkable book, at once outrageous and compelling, fanatical and brilliant.... One must be awed by [Paglia's] vast energy, erudition and wit" (The Washington Post). Is Emily Dickinson "the female Sade"? Is Donatello's David a bit of pedophile pornography? What is the secret kinship between Byron and Elvis Presley, between Medusa and Madonna? How do liberals and feminists—as well as conservatives—fatally misread human nature? This audacious and omnivorously learned work of guerrilla scholarship offers nothing less than a unified-field theory of Western culture, high and low, since Egyptians invented beauty—making a persuasive case for all art as a

pagan battleground between male and female, form and chaos, civilization and daemonic nature. With 47 photographs.

Narco Cinema - Ryan Rashotte 2015-04-23

This book provides the first comprehensive study of narco cinema, a cross-border exploitation cinema that, for over forty years, has been instrumental in shaping narco-culture in Mexico and the US borderlands. Identifying classics in its mammoth catalogue and analyzing select films at length, Rashotte outlines the genre's history and aesthetic criteria. He approaches its history as an alternative to mainstream representation of the drug war and considers how its vernacular aesthetic speaks to the anxieties and desires of Latina/o audiences by celebrating regional cultures while exploring the dynamics of global transition. Despite recent federal prohibitions, narco cinema endures as a popular folk art because it reflects distinctively the experiences of those uprooted by the forces of globalization and critiques those forces in ways mainstream cinema has failed.

The Slave Soul of Russia - Daniel Rancour-Laferriere 1995

Why, asks Daniel Rancour-Laferriere in this controversial book, has Russia been a country of suffering? Russian history, religion, folklore, and literature are rife with suffering. The plight of Anna Karenina, the submissiveness of serfs in the 16th and 17th centuries, ancient religious

tracts emphasizing humility as the mother of virtues, the trauma of the Bolshevik revolution, the current economic upheavals wracking the country-- these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making. Bringing to light dozens of examples of self-defeating activities and behaviors that have become an integral component of the Russian psyche, Rancour-Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia. Until now, much attention has been paid to the psychology of Russia's leaders and their impact on the country's condition. Here, for the first time, is a compelling portrait of the Russian people's psychology.

Raw Deal - Gil Valle 2017-02-28

"One of the most twisted tales you will ever read . . . a story of cannibal fetishes, a terrified wife, lying FBI agents, a false conviction."—Patrick Quinlan, Los Angeles Times bestselling author *Optioned in February 2019 for a motion picture* Raw Deal is the untold story of former New York City police officer Gil Valle, who in 2012 became known throughout the world as "The Cannibal Cop." It is part the controversial saga of a man who was imprisoned for "thought crimes," and a look into a world of dark sexuality and violence that most readers don't know exists, except maybe in their nightmares. After Valle's arrest, media coverage exploded in a frenzy of lurid tabloid headlines and stories about the cop charged with planning to kidnap, torture, rape . . . and eat . . . women, including his own wife. But here's the fascinating part; there was no such plan in reality. Valle faced life in prison for his charges and served 21 months for nothing more than having online chats about his fantasies. He was finally exonerated of all charges. Raw Deal raises the question of when does thought become a crime? A question that goes beyond his perverse sexuality to answers society must deal with in order to meet the challenge of terrorism. It will challenge the reader's beliefs about free speech, the right to privacy, and government's role in watching over us. WARNING: This book contains graphic fantasy material of a sexual and violent nature. It is intended for Mature Audiences. "A big part of what makes this book fascinating is seeing the contrast between Valle's

extreme interests and his normal life.”—Cultured Vultures

My Miserable Life As an Asian Boy Growing Up in America - Ling Anderson 2018-06-04

Humiliation, forced feminization, forced homosexuality, castration, brainwashing, slavery, solitary confinement, despair I have been born into a prison, and my body is my prison. I was never allowed to be the real me, and this life is a mere transient state to which I could never call home, and all my life I have been waiting, waiting to escape, to return home, to a world that is mine. This entire existence is my prison. I cannot think. I cannot move. I must endure silently. I still remember the times I saw my mother being fucked by my step dad and I had to look away, in disgust, in horror, and in envy. Even though I turned away, I would jealously leer at them, fighting back tears of unfulfilled desire. How much I wish it was to me that my step dad would show the same affection. The sight of my mother being filled to the brim with his powerful white cock made me tingle, and, ever since I could remember, I resented my little asian peepee. I wished I was an Asian girl so I could be fucked by my white step dad too, but he simply refused to touch me. He would complement me on how feminine I was, how little I was, how much he loved the fact that asian boys are basically interchangeable with girls, and how often he jokingly referred to me as a girl, but he never actually treated me like the girl I am. He never loved me the way he loved mommy. I hated him. Yet I loved him and looked up to him, and even worshipped him. And as long as I can remember, I have always wished that I could find a white man just like my white step dad, but unlike my step dad, my white man will castrate me, keep me as a girl for the rest of my life. I want to be fucked in the same way my white step dad fucked my asian mother.

Canada in Flanders - Max Aitken Baron Beaverbrook 1917

Countersexual Manifesto - Paul B. Preciado 2018-12-18

Countersexual Manifesto is an outrageous yet rigorous work of trans

theory, a performative literary text, and an insistent call to action. Seeking to overthrow all constraints on what can be done with and to the body, Paul B. Preciado offers a provocative challenge to even the most radical claims about gender, sexuality, and desire. Preciado lays out mock constitutional principles for a countersexual revolution that will recognize genitalia as technological objects and offers step-by-step illustrated instructions for dismantling the heterocentric social contract. He calls theorists such as Derrida, Foucault, Butler, and Haraway to task for not going nearly far enough in their attempts to deconstruct the naturalization of normative identities and behaviors. Preciado's claim that the dildo precedes the penis—that artifice, not nature, comes first in the history of sexuality—forms the basis of his demand for new practices of sexual emancipation. He calls for a world of sexual plasticity and fabrication, of bio-printers and "dildonics," and he invokes countersexuality's roots in the history of sex toys, pornography, and drag in order to rupture the supposedly biological foundations of the heterocentric regime. His claims are extreme, but supported through meticulous readings of philosophy and theory, as well as popular culture. The Manifesto is now available in English translation for its twentieth anniversary, with a new introduction by Preciado. Countersexual Manifesto will disrupt feminism and queer theory and scandalize us all with its hyperbolic but deadly serious defiance of everything we've been told about sex.

Beauty and Misogyny - Sheila Jeffreys 2005-05-31

Should western beauty practices, ranging from lipstick to labiaplasty, be included within the United Nations understandings of harmful traditional/cultural practices? By examining the role of common beauty practices in damaging the health of women, creating sexual difference, and enforcing female deference, this book argues that they should. In the 1970s feminists criticized pervasive beauty regimes such as dieting and depilation, but some 'new' feminists argue that beauty practices are no longer oppressive now that women can 'choose' them. However, in the last two decades the brutality of western beauty practices seems to have become much more severe, requiring the breaking of skin, spilling of blood and rearrangement or amputation of body parts. Beauty and Misogyny seeks to make sense of why beauty practices are not only just as persistent, but in many ways more extreme. It examines the pervasive use of makeup, the misogyny of fashion and high-heeled shoes, and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants, genital waxing and surgical alteration of the labia. It looks at the cosmetic surgery and body piercing/cutting industries as being forms of self-mutilation by proxy, in which the surgeons and piercers serve as proxies to harm women's bodies, and concludes by considering how a culture of resistance to these practices can be created. This essential work will appeal to students and teachers of feminist psychology, gender studies, cultural studies, and feminist sociology at both undergraduate and postgraduate levels, and to anyone with an interest in feminism, women and beauty, and women's health.

Transgender Marxism - Jules Joanne Gleeson 2021-05-20

Transgender Marxism is the first volume of its kind, offering a provocative and groundbreaking synthesis of transgender studies and Marxist theory. Reflecting on the relations between gender and labour, it shows how these linked phenomena structure antagonisms in particular social and historical situations. While no one is spared gendered conditioning, the contributors argue that transgender people nonetheless face particular pressures, oppressions and state persecution. The collection makes a particular contribution to Marxist feminism and social

reproduction theory, through both personal and analytic examinations of the social activity demanded of trans people around the world. Exploring trans lives and movements through a Marxist lens, the book also assesses the particular experience of surviving as trans in light of the totality of gendered experience under capitalism. Twinning Marxism with other schools of thought - including psychoanalysis, phenomenology and Butlerian performativity - Transgender Marxism ultimately offers an insight into transgender experience, and an exciting renewal of Marxist theory itself.

She didn't appreciate that at all, and she wasn't about to let this creep off with a simple ball kicking that he'd probably enjoy. So she decides to really humiliate him and punish him so badly he couldn't possibly like it. She pantses him in front of a hallway full of girls and guys and gives him an incredibly nasty ball spanking session while lecturing him like his momma. The word of Scott's ballbusting quickly made its way around campus and boys were starting to become much more well-behaved around Miley. For awhile, that is. Until Scott... Scott went way too far molesting Miley, and she went WAY too far punishing him. Among other things, she straps him to her dresser and slams his privates in her drawer over and over again while teasing and taunting him the whole time. Instead of going easier on him after he's had MORE than enough, she starts to go harder on him. And then it just gets worse and worse for Scott. Ultimately, she turns him into a sort of cuckold house pet, leaving him locked balls deep in her dresser drawer to think about what he did... Find out what happens to Scott in the epic femdom erotica. Also download the audio performance on Amazon.com. Written and performed by Kristen McCale. Caution: this story contains a lot of extreme ballbusting, humiliation, hanging, bondage, duct tape, punishment, male nullification, torture, female domination, sexual harassment revenge themes, girls getting off on teasing and tormenting boys, and a whole lot of mockery from sarcastic little Miley. Story should not be taken literally but more as an erotic metaphor for sexual enamor.

Bad Girls and Transgressive Women in Popular Television, Fiction, and Film - Julie Chappell 2017-07-03

This collection of essays focuses on the representations of a variety of “bad girls”—women who challenge, refuse, or transgress the patriarchal limits intended to circumscribe them—in television, popular fiction, and mainstream film from the mid-twentieth century to the present. Perhaps not surprisingly, the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women. From the beginning, for good or ill, women have been depicted as insubordinate. Today’s popular manifestations include such widely known figures as Lisbeth Salander (the “girl with the dragon tattoo”), The Walking Dead’s Michonne, and the queen bees of teen television series. While the existence and prominence of transgressive women has continued uninterrupted, however, attitudes towards them have varied considerably. It is those attitudes that are explored in this collection. At the same time, these essays place feminist/postfeminist analysis in a larger context, entering into ongoing debates about power, equality, sexuality, and gender.

Tombstone - M Missy 2012-10-03

Part one covers the early days of sissy maid missys travels to becoming a sissy maid to a lovely Governess, Sofia, and missys own sister, Christy. My story begins on a Farm in Pennsylvania where missy grew up as Mitchell. Mitchells early behavior and punishments are covered; while Mitchell experienced plenty of attention from his fathers strap, a big long thick strap. Highlighted other events of Mitchells growing years also include a couple of very humiliating punishments as well as the sadness

of a DEATH TOO SOON. That DEATH TOO SOON; set Mitchells life in motion to become a sharpshooter and gun slinger like no other the West had ever seen before, or after. The story continues with Mitchell and his family taking a train to the famous Dodge City, where Mitchell actually met Wyatt Earp, Doc Holliday, and Bat Masterson. That was the highlight of Mitchells life at that point in time. However, it would not be the last time they met. Then it was onto the wagon train; to Tombstone Arizona. While in the wagon train, Mitchells behavior became uncontrollable and he kept getting himself punished. While at the same time; Mitchells gun handling ability saves the lives of others and make Mitchell the most unlikely hero. Finally, as Mitchells parents tire of his poor behavior, they resort to hiring an English Governess to teach Mitchell how to behave and to obey. The Governess takes Mitchell down the path to obedience the old fashion English way; in the form of petticoat punishment and the cane. The Governess changes Mitchell into missy! My story continues as the family settles in Tombstone where Mitchell, since converted to missy, becomes THE FIRST SISSY MAID of the West in Tombstone, Arizona.
