**Grete Meisel-Hess** - Helga Thorson 2022  
Grete Meisel-Hess (1879-1922), a contemporary of Freud, Schnitzler, and Klimt, was a feminist voice in early-twentieth-century modernist discourse. Born in Prague to Jewish parents and raised in Vienna, she became a literary presence with her 1902 novel *Fanny Roth*. Influenced by many of her contemporaries, she also criticized their notions of gender and sexuality. Relocating to Berlin, she continued to write fiction and began publishing on sexology

and the women's movement. Helga Thorson's book combines a literary-cultural exploration of modernism in Vienna and Berlin with a biography of Meisel-Hess and a critical analysis of her works. Focusing on Meisel-Hess's negotiations of feminism, modernism, and Jewishness, it illustrates the dynamic interplay between gender, sexuality, and race/ethnicity in Austrian and German modernism. Analyzing Meisel-Hess's fiction as well as her sexological studies, Thorson argues that Meisel-Hess posited herself as both a "New Woman" and the writer of the "New Woman." The book draws on extensive archival research that uncovered a large number of new sources, including an unpublished drama and a variety of documents and letters scattered in collections across Europe. Until now there have been only limited secondary sources about Meisel-Hess, most containing errors and omissions regarding her biography. This is the first book on Meisel-Hess in English.

The Complete Church and Secular Cantatas - Johann Sebastian Bach 2000

This volume contains parallel texts and translations of all Bach's church and secular cantatas that have come down to us complete. The volume also includes a short glossary of geographical and mythological names, a list of dedicatees of the secular cantatas, a list of the poets with their dates, and an introduction to the cantatas by Martin Neary, formerly organist of Winchester Cathedral and Westminster Abbey.

The Cantatas of J. S. Bach -  
Alfred Dürr 2005-06-09  
This is the only English  
translation of this important  
book by the world's most  
distinguished Bach scholar.  
This work is widely regarded as  
the most authoritative and  
comprehensive treatment of  
the Bach cantatas. It begins  
with a historical survey of the  
seventeenth-century  
background to the cantatas,  
and performance practice  
issues. The core of the book is  
a work-by-work study in which  
each cantata in turn is  
represented by its libretto, a  
synopsis of its movements, and  
a detailed analytical  
commentary. This format  
makes it extremely useful as a  
reference work for anyone  
listening to, performing in, or  
studying any of the Bach  
cantatas. All the cantata  
librettos are given in German-

Ludwig Van Beethoven - 26 Welsh Songs - woO 154 - A Score for Voice, Piano, Cello and Violin - Ludwig Van Beethoven 2016-05-20  
This volume presents the scores for Beethoven's "26 Welsh Songs, WoO155".

Composed between 1810-15, these dual English and German-language folk songs were written for one or two voices to be accompanied by piano, cello, and violin. The songs include: "Sion, the Son of Evan. The Chace of the Wolf - Sion, der Sohn Evans, oder Die Wolfsjagd", "The Monks of Bangor's March - Der Moenche Ausmarsch von Bangor", "The Cottage Maid - Das Hirtenmaedschen", "Love without Hope - Liebe ohne Hoffnung", "The Golden Robe 0 Das Gold'ne Wamms", et cetera. Ludwig van Beethoven (1770 - 1827) was a seminal German composer. He had a significant influence on the transition from the Classical to the Romantic era of music, and to this day he is considered to be one the most celebrated and important composers of all time. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students

the world over.

Shakespeare's Influence on  
Karl Marx - Christian A. Smith  
2021-12-29

This volume presents a close-reading of instances of Shakespearean quotations, allusions, imagery, and rhetoric found in Karl Marx's collected works and letters which provides evidence that Shakespeare's writings exerted a formative influence on Marx and the development of his work. Through a methodology of intertextual and interlingual close-reading, this study provides evidence of the extent to which Shakespeare influenced Marx and to which Marxism has Shakespearean roots. As a child, Marx was home-schooled in Ludwig von

Westphalen's little academy, as it were, which was Shakespeare- and literary-focused. The group included von Westphalen's daughter, who later became Marx's wife, Jenny. The influence of Shakespeare in Marx's writings shows up as early as his school essays and love letters. He modelled his early journalism partly on ideas and rhetoric found in Shakespeare's plays. Each turn in the development of Marx's thought - from Romantic to Left Hegelian and then to Communist - is achieved in part through his use of literature, especially Shakespeare. Marx's mature texts on history, politics and economics - including the famous first volume of *Das Kapital* - are laden with Shakespearean allusions and quotations. Marx's engagement with Shakespeare resulted in the development of a framework of characters and imagery he used to stand for and anchor the different concepts in his political critique. Marx's prose style uses a conceit in which politics

are depicted as performative. Later, the Marx family - Marx, Jenny and their children - was a central figure in the late-nineteenth-century revival of Shakespeare on the London stage, and in the growth of academic Shakespeare scholarship. Through providing evidence for a formative role of

Shakespeare in the development of Marxism, the present study suggests a formative role for literature in the history of ideas.
