The Forty Rules of Love - Elif Shafak 2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's

work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Atlas Shrugged - Ayn Rand 2005-04-21

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most

extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Biography of Dr. BR Ambedkar - Rph
Editorial Board 2020-10

Dr. Bhimrao Ambedkar was an Indian jurist, scholar, political leader and a Buddhist revivalist. He was the Chief Architect of the Indian Constitution. He played a great role in framing of Indian Constitution. He was the first Law Minister of India. He spent his whole life fighting against Social discrimination and untouchability. He was posthumously awarded the highest civilian award: the Bharat Ratna, in 1990. Dr. Ambedkar is viewed as messiah of dalits and downtrodden in India. Though he was the son of large family of then called 'Untouchable' Mahar caste, still he managed to get the highest degree of education and scaled even higher political heights and wisdom. The inside pages contain an interesting and elevating account of how an average boy of a lowcaste and not so rich family fought against the discrimination and became the messiah of dalits and downtrodden in India. The book also gives its readers minute detail about his life and personality. We hope the book will prove successful in clinching the readers' interest.
