Hidden Valley Road - Robert Kolker 2020-04-07

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • ONE OF GQ's TOP 50 BOOKS OF LITERARY JOURNALISM IN THE 21st CENTURY • The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

A Love Episode - Emile Zola 2007-06-01

Rougon-Macquart, volume 8: There can be no doubt in the mind of the judicial critic that in the pages of "A Love Episode" ("Une page d'amour") the reader finds more of the poetical, more of the delicately artistic, more of the subtle emanation of creative and analytical genius, than in any other of Zola's works... In all literature there is nothing like the portrayal of the punishment of Helene Grandjean. Helene and little Jeanne are reversions of type. The old "neurosis," seen in earlier branches of the family, reappears in these characters. Readers of the series will know where it began. Poor little Jeanne, most pathetic of creations, is a study in abnormal jealousy, a jealousy which seems to be clairvoyant, full of supernatural intuitions, turning everything to suspicion, a jealousy which blights and kills. Could the memory of those weeks of anguish fade from Helene's soul? This dying of a broken heart is not merely the figment of a poet's fancy. It has happened in real life. The coming of death, save in the case of the very aged, seems, nearly always, brutally cruel, at least to those friends who survive. (C. C. Starkweather)

A Prince's Errand, Book One of Tales of the Amulet begins an exciting new epic fantasy saga. Several millennia ago a war raged between the factions of dragonkind. With their world ravaged, the Kaldean Alliance forged the Amulet of Draconic Control and the Tethering Stone, and banished their foes to other realms, saving Kalda from utter destruction. Fearing the power of the Amulet, the survivors secreted it away. But now knowledge of the Amulet has resurfaced--and in the wrong hands, war could erupt anew. A PRINCE'S ERRAND Long ago, men harnessed the Channels of Power, creating tevisrals-devices capable of manifesting magic. But men weren't the only ones to accomplish such feats. Dragons crafted the most sophisticated tevisrals. These shaped the world, defining civilization of man and elf alike. Over the centuries, the people of Kalda have fallen into a dark age, where elves are estranged from men and dragons have retreated into legend. Tevisrals are scarce and men are willing to trade everything for them. But there are some who wish to bury the past, and in their lands, possessing tevisrals is tantamount to treason. Still, daring men scour the world in search of Kalda's past. One such man, the scholar Krindal, seeks an ancient order known as the Keepers of Truth and Might. He yearns for their knowledge, long feared lost. Prince Kaescis Midivar also searches for these Keepers. The assassination of his uncle, the emperor of Mindolarn, killed his hopes of peace with his empire's enemies. His empire's survival hinges upon unearthing the Keepers' secrets. An aging warrior, Cornar Dol'shir, longs to be home with his wife. But his retirement must wait, as his band of adventurers is recruited to help find the Keepers' hidden temple on the Isle of Klindala. Haunted by his tragic past, Iltar, the Son of Adrin, does not join in the search for the Keepers. Instead, he seeks to unravel the mysteries held within a volume of prophecy foretelling the advent of the Unspoken One and the return of the Crimson Eye. His search takes him to the Empire of Mindolarn, where all is not as it seems. An ancient war

was won by a simple amulet. It brought peace, but in the wrong hands it could spell a doom the likes of which no world has ever seen. May the Crimson Eye remain hidden for all time...

Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living.

And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

The Boy at the Back of the Class - Onjali Q. Raúf 2019-08-06

Told with humor and heart, *The Boy at the Back of the Class* offers a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy-- he doesn't seem to smile, and he doesn't talk much. But after learning that Ahmet fled a Very Real War and was separated from his family along the way, a determined group of his classmates bands together to concoct the Greatest Idea in the World--a magnificent plan to reunite Ahmet with his loved ones. This accessible, kid-friendly story about the refugee crisis highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home. "This moving and timely debut novel tells an enlightening, empowering, and ultimately hopeful story about how compassion and a willingness to speak out can change the world." --School Library Journal, Starred Review Overall Winner of the 2019 UK Waterstones Children's Book Prize Winner of the 2019 UK Blue Peter Book Award A CLIP Carnegie Medal Children's Book Award Nominee

At My Mother's Knee - Paul O'Grady 2008

In his own uniquely acid tongue, Paul O'Grady traces the hilarious tales of life in Irish Catholic Birkenhead that took him from a virtuous altar-

boy ("my first drag") to Britain's best loved entertainer. It's a life that includes, varyingly, stints in an abbatoir, as a social worker, in a high-class Mayfair brothel, and traipsing down to London to chase his dreams. By 23, Paul O'Grady had been a father, husband, drag queen, gay lover, divorcee, and degenerate. He did it all with a smile on his face, making a mental note to register the whip-smart one-liners that would later inform his star-studded path from the fringes of comedy to the heart of the British establishment, first as his own brilliant comic creation Lily Savage, then, triumphantly, as himself. Paul's remarkable childhood and early life is littered with a dizzying cast-list of rogues, rascals, lovers, fighters, saints, and sinners. Oh, and one iconic bus conductress. Told with pathos, love, empathy, and naturally, biting humor, the story of Paul O'Grady is that of everyman, everywoman, and inevitably, every drag act ever. He has been rich and poor, posh and common, straight and gay. He has mixed with stars and whores and all that's in between, slyly spotting the similarity between them all. His amazing and riveting life story reminds us that there is, when all is said and done, a bit of savage in all of us.

Cellar - Natasha Preston 2014-03-01

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...
