Bitterman's Field Guide to

Bitters & Amari - Mark

Bitterman 2015-10-27

Hundreds of cocktail bitters are on the market, and millions are turning to them to add punch, pizzazz, and complexity to their cocktails and even their cooking. But the storm of exciting brands and flavors has even the savviest bartenders puzzled over their personalities and best uses. Bitterman's Field Guide to Bitters and Amari is the handbook that decodes today's burgeoning selection of bitters, along with their kindred spirits amari and shrubs, complete with 190 photographs. The introduction includes everything you need to know to understand what bitters and amari are and how to use them. recipes for making

essential and inventive bitters at home. The next section offers 123 recipes for making essential bitters at home, mixing, and cooking bitters, from a Burnt Grapefruit Gimlet to a Martini Julep, from Bittered Bittersweet Chocolate Torte to BBQ Pork Ribs with Bittersweet BBQ Sauce.

Bitterman's Field Guide to Bitters and Amari cracks open the full potential of bitters, inspiring and empowering people to try them. The final section includes a comprehensive field guide to the wide world of the more than 500 great bitters and 50 amari available today. Complete with tasting notes, profiles of important makers and brand photography, the guide gives everyone from pro bartenders to home cooks a solid foundation for buying and using bitters.

is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Of Pitfalls and Pratfalls -

Dorothy F. Hart 2021-08-17

“The way it was and I saw it; the way it is as I see it.” Like many, Dorothy Hart’s life is full of ups and downs, pitfalls and pratfalls. But all those hardships and mishaps only turned her into a strong and opinionated woman. In *Of Pitfalls and Pratfalls*, we follow Dorothy’s journey through her sometimes discomfoting but often enlightening and amusing personal anecdotes. Dorothy and her twin brother, David, grew up in Stirling and Glasgow, Scotland, in the early 1940s. In 1952, her family immigrated to Canada, moving first to Toronto, then to the countryside near Whitby, Ontario. At a young age,

Dorothy excelled in art, painting many artworks, some of which she sold. She was part of many clubs and enjoyed sports, such as curling and archery. During her first marriage, Dorothy enrolled in nursing school. She worked at a number of care facilities, including Whitby Psychiatric Hospital, and several long-term care homes. Dorothy saw first-hand how the services (and ethics) of these health care facilities declined over the years due to greed and negligence. Because of this, Dorothy opened her own senior care home, which she ran for several years until her second husband took her dream away. But then she turned to teaching! *Of Pitfalls and Pratfalls* shows us that even though life can be challenging, if we work hard, support each other, have confidence in our unique abilities, and learn to laugh at our mistakes, just maybe we can make it to the other side stronger and happier.

Whisky Wars of the Canadian West - Rich Mole 2012-04-15
In 1874, the newly formed North West Mounted Police marched west to shut down unscrupulous liquor traders who had devastated the lives of many First Nations people. The Mounties' famous trek heralded over 50 years of "whisky wars" in the Canadian West. Author Rich Mole traces the turbulent history of alcohol, temperance movements and prohibition between 1870 and the 1920s through the stories of those who suffered and profited from the West's insatiable thirst for liquor. Before prohibition, young James Gray was one of many Winnipeg children who endured poverty and humiliation due to an alcoholic father. Calgary newspaperman Bob Edwards, known for his witty aphorisms, publicly supported prohibition while waging his own battle with the bottle. Harry Bronfman, "King of the Boozoriums," built a business empire shipping mail-order liquor on both sides of the Canada-US border. Rum-

runner "Emperor" Emilio Picariello and his housekeeper, Florence Lassandro, faced the gallows after an Alberta police constable was shot and killed in front of his own children. Mole's vivid, real-life stories chronicle a tumultuous and fascinating era.

[The Complete Guide to Japanese Drinks](#) - Stephen Lyman 2019-10-01

Drink your way through Japan (even from home) with the help of this book! Japan is home to some of the world's most interesting alcoholic beverages—from traditional Sake and Shochu to Japanese whisky, beer, wine and cocktails that are winning global acclaim and awards. In this comprehensive survey of Japanese drinks, experts Stephen Lyman and Chris Bunting cover all the main types of beverages found in Japanese bars and restaurants, as well as supermarkets and liquor stores around the world. The book has chapters on Sake, Shochu, whisky, wine, beer,

Awamori (a moonshine-like liquor from Okinawa), Umeshu plum wine and other fruit wines. There is also a fascinating chapter on modern Japanese-style cocktails—complete with recipes so you can get the authentic experience, including: Sour Plum Cordial Sakura Martini Improved Shochu Cocktail Far East Side Cocktail Thorough descriptions of the varieties of each beverage are given along with the history, production methods, current trends and how to drink them. Detailed bar and buyer's guides at the back of the book list specialist establishments where readers can go to enjoy and purchase the drinks, both in Japan and cities around the world, including London, Paris, New York, San Francisco, Chicago, Washington DC, Shanghai and more! This is an indispensable book for anyone interested in brewing, distilling, new cocktails or Japanese culture, travel and cuisine. Kampai! Cheers!

Almost Everything about Whisky - Constantin Cerbu

2010-03-24

In order to brew quality malt whisky, you need three things: barley, dry peat, and the water that flows along the green fields of Scotland, the home of this 'liquid gold.' Add to that a few family secrets and a whole lot of patience, and the result is one of the many fine whiskies that has, for centuries, been delighting both amateurs and connoisseurs alike, the world over. 'Scotts Wha Hae!' ('We Are Scottish'), for urban and rural Scots alike, is something of a definition and a national anthem for many. Most of them wouldn't miss, for anything in the world, a 'Burns' dinner, complete with a 'pure malt' to honor the memory of the jolly folks that proclaim that whisky and freedom go together. Whisky is one of Scotland's signature offerings, and it makes a nation proud.

Rum-runners and Renegades - Rich Mole 2013

On October 1, 1917, prohibition came into effect in the province of British

Columbia. Washington and Oregon had gone dry the previous year. The ban on liquor sales led to deadly conflict and legal chaos in the Pacific Northwest, and the legacy of those "booze battles" continues into the 21st century. Rich Mole introduced readers to West Coast prohibition's pioneer years in *Scoundrels and Saloons: Whisky Wars of the Pacific Northwest, 1840-1917*. In *Rum-runners and Renegades*, he recounts the wild and wacky—and sometimes tragic—results of later prohibition laws through the exploits of both prohibitionists and prohibition-busters, among them Jonathan Rogers, a wealthy Vancouver builder and prohibition leader; the Billingsley brothers, a quartet of handsome bootleggers from Seattle; and enterprising Johnny Schnarr, Victoria's number-one rum-runner. From vicious marine hijackers and bedeviled police to corrupt politicians and frustrated drinkers on both sides of the border, this is an action-filled

account of liquor and lawlessness on the West Coast.

99 Drams of Whiskey - Kate Hopkins 2009-05-26

Kate Hopkins knew there had to be more to whiskey than using it as a mixer. She had an unquenchable thirst to learn more about "the drink" and set out on an ambitious itinerary researching its history.

Combining comprehensive research with informal narrative, Hopkins entertains and educates the readers on whiskey's place in the history of the world. She visited historians and pub owners, went to distilleries owned by corporations who sell thousands of gallons per day, and artisans who sell thousands of gallons per year, and interviewed the aficionados and the common drinkers, because one of the best aspects of whiskey is not just its taste, but the stories about the drink that are told around the bar. As an added bonus, she discusses the fine art of distilling, the proper ways to drink whiskey, and provides tasting notes on

different brands, all in the hope of discovering the best shot of the liquor.

Canadian Whisky, Second Edition - Davin de

Kergommeaux 2017-10-03

Savour the bold notes and rich varieties of Canadian whisky with this fully revised, updated, and indispensable guide. This fully updated and revised edition of the award-winning Canadian Whisky invites you on a journey across Canada and back through time to discover the story of this unique spirit. Independent whisky expert Davin de Kergommeaux weaves a compelling narrative, beginning with the substance of Canadian whisky—grains, water, and wood—and details the process of how it's made and how to taste it. He traces the fascinating history of the country's major distilleries and key visionaries, and introduces the present-day players—big and small—who are shaping the industry through both tradition and innovation. Newly designed, and now including a map of Canada's whisky distilleries, over 100 up-to-date

The Definitive Guide to Canadian Distilleries - Davin de Kergommeaux 2020-03-31

Shortlisted for the 2021 Gourmand Award for Best in the World - Drink Culture! From award-winning author of Canadian Whisky, Davin de Kergommeaux, comes a definitive guide to over 200 distilleries across Canada and the array of spirits they make. The Definitive Guide to Canadian Distilleries is an indispensable guide to the past, present and future of Canada's distilleries. Written by bona fide Canadian spirits expert Davin de Kergommeaux, this book covers more than 200 of the most exciting and

cutting-edge distilleries, large and small, who are shaping the industry today. Just a decade ago, fewer than a dozen distilleries, concentrated in two provinces, produced almost all the spirits (mainly whisky) made in Canada. Today, there is a movement afoot in Canada's spirits world. There has never been a better selection of rich specialty spirits--from gin to moonshine, from flavoured vodka to liqueurs--to tempt the palate and supplement your long-time favourites. Despite flourishing public enthusiasm for Canada's distillers, other than incomplete and inaccurate web-based information, no one has offered consumers an all-inclusive guide... until now. Using a trademark (and witty) blend of narrative, tasting notes, inventive cocktail recipes and vibrant photos, de Kergommeaux shares the unique genesis of each of these distillers who are pushing the boundaries and flavours of spirits of all kinds. Divided geographically with suggested distillery routes, and filled with

Wood, Whiskey and Wine -

Henry H. Work 2014-09-15
Barrels—we rarely acknowledge their importance, but without them we would be missing out on some of the world’s finest beverages—most notably whiskies and wines—and of course for over two thousand years they’ve been used to store, transport,

and age an incredibly diverse array of provisions around the globe. In this comprehensive and wide-ranging book, Henry Work tells the intriguing story of the significant and ever-evolving role wooden barrels have played during the last two millennia, revealing how the history of the barrel parallels that of technology at large.

Exploring how barrels adapted to the requirements of the world’s changing economy, Work journeys back to the barrel’s initial development, describing how the Celtic tribes of Northern Europe first crafted them in the first millennia BCE. He shows how barrels became intrinsically linked to the use of wood and ships and grew into a vital and flexible component of the shipping industry, used to transport not only wine and beer, but also nails, explosives, and even Tabasco sauce. Going beyond the shipping of goods, Work discusses the many uses of this cylindrical container and its relations—including its smaller cousin, the keg—and examines the process of aging

*Downloaded from
latitudenews.com on by
guest*

different types of alcohol. He also looks at how barrels have survived under threat from today's plastics, cardboards, and metals. Offering a new way of thinking about one of the most enduring and successful products in history, Wood, Whiskey and Wine will be a must-read for everyone from technology buffs to beverage aficionados who wish to better understand that evasive depth of flavor.

BC Spirits Cocktail Book -

Shawn Soole 2021-07-12

The BC Spirits Cocktail book is the combination of a province wide guide book to the burgeoning distillery culture as well as an in-depth and creative cocktail book. Showcasing the stories behind the distilleries, the people that run them and the spirits they make and how to use them in inventive and tasty cocktails.

Art Boozel - Jennifer Croll
2021-08-03

Raise a glass to the world's most exciting modern and contemporary artists in this inspired cocktail book with over 50 tribute recipes. Go on a

boozy tour of art history with this collection of recipes for over 50 expertly crafted cocktails, each one a unique creation inspired by its namesake artist. Unwind with a refreshing tequila-watermelon Frida Kahlo. Spark some inspiration while sipping on a Salvador Dalí. Or mix it up with a colorfully sweet Yayoi Kusama. From painters to sculptors, photographers, and more, each artist profiled has a cocktail recipe that draws deeply from their life and work. Both art lovers and cocktail enthusiasts alike will love pouring over this collection of engaging stories and unique recipes. Inventive and deliciously fun, ART BOOZEL will give you a new appreciation for each of these inspiring artists. INVENTIVE & FUN RECIPES: Each of these recipes draws from elements of the artist's life and work in colorful ways that any cocktail enthusiast will enjoy; think tomato garnishes in the Andy Warhol, golden turmeric in the Gustav Klimt, and flower syrup in the Georgia O'Keeffe.

As the owner of a gold mine

was executed for murder in 1891, he cursed the mine and anyone who tried to find it. Professor Paul Gregory and his graduate assistant collide head-on with con-men as both parties try to solve the mystery that has baffled seasoned prospectors and tenderfoots alike for more than a century.

Forgotten Warriors - Eddie L. Kemp, Sr. 2021-12-16

Forgotten Warriors: Living with PTSD By: Eddie L. Kemp, Sr. On May 16, 1968 in North Vietnam Eddie L. Kemp, Sr., a United States Marine, was severely wounded by an artillery attack on his military base. The U.S. Marine Corps notified his mother and family at their home in Texas that he had been killed in action. Kemp woke up in what he now believes was the morgue, filled with beds of dead. Marines under white sheets, thinking he was the only survivor. This Marine returned home with a severe loss of memory, excruciating pains in his body and deep emotional scars affecting him throughout his life. Like many veterans of the

Downloaded from
latitudenews.com on by
guest

Vietnam War, Kemp returned home from combat to find himself hated by the American people he had volunteered to protect, defend and die for, abandoned by the Federal Government or Veterans Administration who refused to treat him with the dignity and respect he had earned as an honorably discharged combat veteran, and suffering with what he would learn decades later were severe symptoms of Post-Traumatic Stress Disorder (PTSD), a condition that has resulted in the suicide of many of our war veterans at an alarming rate today. Kemp candidly recalls numerous problems living with PTSD caused in his life. He describes in detail the psychological and physical suffering he was forced to live alone with for years because he thought no one would understand or people would think he was insane. However, like the Marine he is, Kemp fought the demons every day to live and is still fighting those same demons from hell today. This Marine found the courage and

strength to tell the suicidal voices of PTSD in his head that he would not become one of their victims. After years of trying to make sense of what happened on that tragic day, Kemp was connected with two pieces of the puzzle. Exactly forty years after that ill-fated day in May 1968, two Marines wounded in combat with him reunited with Kemp. After weeks of talking to them, the flashbacks experiences almost daily began to form complete pictures for him. Finally, he had someone else who truly understood what living in hell was all about. You never know what tomorrow brings, but Kemp hopes this book will help veterans and others living with PTSD find a way to cope, fight and live another day. With the support of those who found a way to love him, in spite of, today this Marine continues to battle the U.S. Department of Veterans Affairs for the “dignity and respect” earned as a United States Marine. Realizing this is a major battle for many, Kemp’s message is especially for veterans

struggling with this problem. Choosing death should not be the final option. Even when you have been made to feel worthless, you are irreplaceable and of immeasurable value to those closest to you. Kemp encourages you to continue the fight because somebody needs you to stay in the race.

Make a Difference: Talk to Your Child about Alcohol - Health and Human Services Dept., National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism
2017-03-08

"Why develop a booklet about helping kids avoid alcohol?" Alcohol is a drug, as surely as cocaine and marijuana are. It's also illegal to drink under the age of 21. And it's dangerous. Kids who drink are more likely to: * Be victims of violent crime. * Have serious problems in school. * Be involved in drinking-related traffic crashes. This guide is geared to parents and guardians of young

people ages 10 to 14. These suggestions are just that-- suggestions. Trust your instincts. Choose ideas you are comfortable with, and use your own style in carrying out the approaches you find useful. Your child looks to you for guidance and support in making life decisions--including the decision not to use alcohol .Audience: Parents, child counselors, educators, child psychologists, physicians, school guidance counselors, and teenagers may be interested in this resource.

Canadian Whisky - Davin de Kergommeaux 2012-05-08

Davin de Kergommeaux takes readers on a journey through the first systematic presentation of Canadian whisky: how it's made, who makes it, why it tastes the way it does, its history, and the rich, centuries-old folklore surrounding it. Join whisky authority Davin de Kergommeaux on a pan-Canadian journey from British Columbia to Nova Scotia, celebrating the diversity of Canada's unique spirit. With his conversational and accessible tutelage, de Kergommeaux offers readers a carefully researched, reliable, and authoritative guide to Canadian whisky that is, quite simply, not available anywhere else. Not only a book describing the history and culture of the spirit, Canadian Whisky: The Portable Expert is also an informed exploration of taste. For the first time, whisky

consumers -- experts and novices alike -- can approach Canadian whisky with a connoisseur's appreciation of its rich subtleties.

Crusaders, Gangsters, and Whiskey - Patrick O'Daniel

2018-11-26

Prohibition, with all its crime, corruption, and cultural upheaval, ran its course after thirteen years in most of the rest of the country—but not in Memphis, where it lasted thirty years. Patrick O'Daniel takes a fresh look at those responsible for the rise and fall of Prohibition, its effect on Memphis, and the impact events in the city made on the rest of the state and country. Prohibition remains perhaps the most important issue to affect Memphis after the Civil War. It affected politics,

Downloaded from
latitudenews.com *on by*
guest

religion, crime, the economy, and health, along with race and class. In Memphis, bootlegging bore a particular character shaped by its urban environment and the rural background of the city's inhabitants. Religious fundamentalists and the Ku Klux Klan supported Prohibition, while the rebellious youth of the Jazz Age fought against it. Poor and working-class people took the brunt of Prohibition, while the wealthy skirted the law. Like the War on Drugs today, African Americans, immigrants, and poor whites made easy targets for law enforcement due to their lack of resources and effective legal counsel. Based on news reports and documents, O'Daniel's lively account distills long-forgotten gangsters, criminal organizations, and crusaders whose actions shaped the character of Memphis well into the twentieth century.

A Good Drink - Shanna Farrell
2021-09-16

"In A Good Drink, Farrell goes in search of the bars, distillers,

and farmers who are driving a transformation to sustainable spirits. She meets mezcaleros in Guadalajara who are working to preserve traditional ways of producing mezcal, for the health of the local land, the wallets of the local farmers, and the culture of the community. She visits distillers in South Carolina who are bringing a rare variety of corn back from near extinction to make one of the most sought-after bourbons in the world. She meets a London bar owner who has eliminated individual bottles and ice, acculturating drinkers to a new definition of luxury."--Amazon.
