**The American Revolution** - Gordon S. Wood 2002-03-05

NEW YORK TIMES BESTSELLER "An elegant synthesis done by the leading scholar in the field, which nicely integrates the work on the American Revolution over the last three decades but never loses contact with the older, classic questions that we have been arguing about for over two hundred years."—Joseph J. Ellis, author of *Founding Brothers* A magnificent account of the revolution in arms and consciousness that gave birth to the American republic. When Abraham Lincoln sought to define the significance of the United States, he naturally looked back to the American Revolution. He knew that the Revolution not only had legally created the United States, but also had produced all of the great hopes and values of the American people. Our noblest ideals and aspirations—our commitments to freedom, constitutionalism, the well-being of ordinary people, and equality—came out of the Revolutionary era. Lincoln saw as well that the Revolution had convinced Americans that they were a special people with a special destiny to lead the world toward liberty. The Revolution, in short, gave birth to whatever sense of nationhood and national purpose Americans have had. No doubt the story is a dramatic one: Thirteen insignificant colonies three thousand miles from the centers of Western civilization fought off British rule to become, in fewer than three decades, a huge, sprawling, rambunctious republic of nearly four million citizens. But the history of the American Revolution, like the history of the nation as a whole, ought not to be viewed simply as a story of right and wrong from which moral lessons are to be drawn. It is a complicated and at times ironic story that needs to be explained and understood, not blindly celebrated or condemned. How did this great revolution come about? What was its character? What were its consequences? These are the questions this short history seeks to answer. That it succeeds in such a profound and enthralling way is a tribute to Gordon Wood's mastery of his subject, and of the historian's craft.

**Armorial of Jersey** - James Bertrand Payne 1862

being an account, heraldic and antiquarian, of its chief native families, with pedigrees, biographical notices, and illustrative data; to which are added, a brief history of heraldry, and remarks on the mediæval antiquities of the island

**Bench Bosses** - Matthew DiBiase 2015-10-27

Bench Bosses celebrates the greatest NHL Coaches in the history of the game. Bench Bosses is filled with compelling biographical narrative, innovative analysis, historical allusion, hockey folklore, humour, heartbreak, and tragedy. By introducing a creative new method for evaluating coaching success, professional historian and hockey columnist Matthew DiBiase settles many a debate. His hard-hitting prose and cogent analysis covers key aspects of coaching and definitively identifies the greatest offensive and defensive coaches, expounds on the best penalty-killing or power-play coaches and delves into statistics to determine the nastiest squads on the ice. His unique assessment method determines his selection of the top fifty head coaches of all time.

DiBiase's in-depth hockey research delivers a powerful, gripping and informative look at the game's best of the best. This seminal book tells the story behind the story of coaching success. It removes subjectivity and bias and provides a comprehensive overview of each coach's major career achievements and the contributions each has made to the game. In the writing of this book, the author personally interviewed many of the game's best known coaches and their players to get the most accurate and complete perspective of the sport and its coaching elite. Readers will enjoy hearing from such names as Scotty Bowman, Al Arbour, Jean Beliveau, Dick Irving Jr., and more.

*Blue Song* - Henry I. Schvey 2021-06-04

In 2011, the centennial of Tennessee Williams's birth, events were held around the world honoring America's greatest playwright. There were festivals, conferences, and exhibitions held in places closely associated with Williams's life and career—New Orleans held major celebrations, as did New York, Key West, and Provincetown. But absolutely nothing was done to celebrate Williams's life and extraordinary literary and theatrical career in the place that he lived in longest, and called home longer than any other—St. Louis, Missouri. The question of this paradox lies at the heart of this book, an attempt not so much to correct the record about Williams's well-chronicled dislike of the city, but rather to reveal how the city was absolutely indispensable to his formation and development both as a person and artist. Unlike the prevailing scholarly narrative that suggests that Williams discovered himself artistically and sexually in the deep South and New Orleans, *Blue Song* reveals that Williams remained emotionally tethered to St. Louis for a host of reasons for the rest of his life.

**Preservation and Place** - Katherine Crawford-Lackey 2019-09-04  
Significant historic and archaeological sites affiliated with two-spirit,

lesbian, gay, bisexual, transgender, and queer history in the United States are examined in this unique volume. The importance of the preservation process in documenting and interpreting the lives and experiences of queer Americans is emphasized. The book features chapters on archaeology and interpretation, as well as several case studies focusing on queer preservation projects. The accessible text and associated activities create an interactive and collaborative process that encourages readers to apply the material in a hands-on setting.

*The Agent* - Leigh Steinberg 2014-01-21

A New York Times bestseller! The real-life "Jerry Maguire," superagent Leigh Steinberg shares his personal stories on the rise, fall, and redemption of his game-changing career in the high-stakes world of professional sports. Leigh Steinberg is renowned as one of the greatest sports agents in history, representing such All-Pro clients as Troy Aikman, Bruce Smith, and Ben Roethlisberger. Over one particular seven-year stretch, Steinberg represented the top NFL Draft pick an unheard of six times. Director Cameron Crowe credits Steinberg as a primary inspiration for the titular character in *Jerry Maguire*, even hiring Steinberg as a consultant on the film. Lightyears ahead of his contemporaries, he expanded his players' reach into entertainment. Already the bestselling author of a business book on negotiation, the original superagent is now taking readers behind the closed doors of professional sports, recounting priceless stories, like how he negotiated a \$26.5 million package for Steve Young—the biggest ever at the time—and how he passed on the chance to represent Peyton Manning. Beginning with his early days as a student leader at Berkeley, Steinberg details his illustrious rise into pro sports fame, his decades of industry dominance, and how he overcame a series of high-profile struggles to regain his sobriety and launch his comeback. This riveting story takes readers inside the inner circle of top-notch agents and players through

the visionary career of Leigh Steinberg, the pre-eminent superagent of our time.

**Encyclopedia of American Short Films, 1926-1959** - Graham Webb 2020-07-13

Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

**House of Page's** - Robert E. Page 2013-05-08

This book's focus is on the European side of his father's line in England and maybe France, while his mother's side is from France and Germany, and not discussed very much. Most of the content is from documents mostly in the County Suffolk, England area and the book begins with the history of this PAGE line in Normandy, France area around the year 900 to the arrival of PAGE Family C in Virginia in the middle 1600s. He published CAROLINA PAGES in 1990 which was about his PAGE line that arrived in Virginia in middle 1600s as they moved to North Carolina, then South Carolina, then Georgia, then Florida where he was born. Since DNA arrived on the scene in early 2000, much of the paper trail has been verified. DNA has provided about 15 different PAGE lines and around 44 individuals most of which have the surname PAGE in the PAGE Line C. Photographs are provided of the many English houses that the PAGE family lived in beginning in early 1400 to date.

Possession - A. S. Byatt 2012-04-18

Hailed by The New York Times Book Review as "a gifted observer, able to discern the exact details that bring whole worlds into being" and "a storyteller who could keep a sultan on the edge of his throne for a thousand and one nights," A. S. Byatt writes some of the most engaging and skillful novels of our time. Time magazine calls her "a novelist of dazzling inventiveness." *Possession*, for which Byatt won England's prestigious Booker Prize, was praised by critics on both sides of the Atlantic when it was first published in 1990. "On academic rivalry and obsession, Byatt is delicious. On the nature of possession—the lover by the beloved, the biographer by his subject—she is profound," said The Sunday Times (London). The New Yorker dubbed it "more fun to read than *The Name of the Rose* . . . Its prankish verve [and] monstrous richness of detail [make for] a one-woman variety show of literary styles and types." The novel traces a pair of young academics—Roland Michell and Maud Bailey—as they uncover a clandestine love affair between two long-dead Victorian poets. Interwoven in a mesmerizing pastiche are love letters and fairytales, extracts from biographies and scholarly accounts, creating a sensuous and utterly delightful novel of ideas and passions. With an Introduction by the author that describes the novel's origins and its twenty-year gestation, this Modern Library edition is a handsome keepsake for fans of *Possession*—new and old alike.
