The Ritual Slaughter of Gorge Mastromas - Dennis Kelly 2013-09-08

If you could lie without flinching, corrupt without caring and succeed at all costs – how far could you go...how much could you make? From the early promise of the '70s through to unrelenting capitalism of the '80s and '90s, follow George on the journey from innocence to savage greed and knotted honesty, as he invents three golden rule for success, whatever the cost. An electrifying dark tale, this new play from award-winning writer Dennis Kelly marks his Royal Court debut.

The End of Advertising as We Know It - Sergio Zyman 2003-12-09

The former chief marketing officer at Coca-Cola laments the demise of advertising--a business killed by over-emphasis on art and entertainment. Reprint.

Through Bolshevik Russia - Ethel Snowden 1920

Plume - Kathleen Flenniken 2015-01-01

The poems in *Plume* are nuclear-age songs of innocence and experience set in the "empty" desert West. Award-winning poet Kathleen Flenniken grew up in Richland, Washington, at the height of the Cold War, next door to the Hanford Nuclear Reservation, where "every father I knew disappeared to fuel the bomb," and worked at Hanford herself as a civil engineer and hydrologist. By the late 1980s, declassified documents revealed decades of environmental contamination and deception at the plutonium production facility, contradicting a lifetime of official assurances to workers and their families that their community was and always had been safe. At the same time, her childhood friend Carolyn's own father was dying of radiation-induced illness: "blood cells began to err one moment efficient the next / a few gone wrong stunned by exposure to radiation / as [he] milled uranium into slugs or swabbed down / train cars or reported to B Reactor for a quick run-in / run-out." *Plume*, written twenty years later, traces this American betrayal and explores the human capacity to hold truth at bay when it threatens one's fundamental identity. Flenniken observes her own resistance to facts: "one box contains my childhood / the other contains his death / if one is true / how can the other be true?" The book's personal story and its historical one converge with enriching interplay and wide technical variety, introducing characters that range from Carolyn and her father to Italian physicist Enrico Fermi and Manhattan Project health physicist Herbert Parker. As a child of "Atomic City," Kathleen Flenniken brings to this tragedy the knowing perspective of an insider coupled with the art of a precise, unflinching, gifted poet. Watch the book trailer:

Complete PCB Design Using OrCAD Capture and PCB Editor - Kraig Mitzner 2009-05-28

This book provides instruction on how to use the OrCAD design suite to design and manufacture printed circuit boards. The primary goal is to show the reader how to design a PCB using OrCAD Capture and OrCAD Editor. Capture is used to build the schematic diagram of the circuit, and Editor is used to design

the circuit board so that it can be manufactured. The book is written for both students and practicing engineers who need in-depth instruction on how to use the software, and who need background knowledge of the PCB design process. Beginning to end coverage of the printed circuit board design process. Information is presented in the exact order a circuit and PCB are designed Over 400 full color illustrations, including extensive use of screen shots from the software, allow readers to learn features of the product in the most realistic manner possible Straightforward, realistic examples present the how and why the designs work, providing a comprehensive toolset for understanding the OrCAD software Introduces and follows IEEE, IPC, and JEDEC industry standards for PCB design. Unique chapter on Design for Manufacture covers padstack and footprint design, and component placement, for the design of manufacturable PCB's FREE CD containing the OrCAD demo version and design files

The Self-betrayed - Joseph Wechsberg 1955

Quantitative Momentum - Wesley R. Gray 2016-10-03

The individual investor's comprehensive guide to momentum investing Quantitative Momentum brings momentum investing out of Wall Street and into the hands of individual investors. In his last book, *Quantitative Value*, author Wes Gray brought systematic value strategy from the hedge funds to the masses; in this book, he does the same for momentum investing, the system that has been shown to beat the market and regularly enriches the coffers of Wall Street's most sophisticated investors. First, you'll learn what momentum investing is not: it's not 'growth' investing, nor is it an esoteric academic concept. You may have seen it used for asset allocation, but this book details the ways in which momentum stands on its own as a stock selection strategy, and gives you the expert insight you need to make it work for you. You'll dig into its behavioral psychology roots, and discover the key tactics that are bringing both institutional and individual investors flocking into the momentum fold. Systematic investment strategies always seem to look good on paper, but many fall down in practice. Momentum investing is one of the few systematic strategies with legs, withstanding the test of time and the rigor of academic investigation. This book provides invaluable guidance on constructing your own momentum strategy from the ground up. Learn what momentum is and is not Discover how momentum can beat the market Take momentum beyond asset allocation into stock selection Access the tools that ease DIY implementation The large Wall Street hedge funds tend to portray themselves as the sophisticated elite, but momentum investing allows you to 'borrow' one of their top strategies to enrich your own portfolio. *Quantitative Momentum* is the individual investor's guide to boosting market success with a robust momentum strategy.

#AskGaryVee - Gary Vaynerchuk 2016-03-08

The New York Times bestselling author draws from his popular show *#AskGaryVee* to offer surprising, often outrageous, and imminently useful and honest answers to everything you've ever wanted to know—and more—about navigating the new world. Gary Vaynerchuk—the inspiring and unconventional entrepreneur who introduced us to the concept of crush it—knows how to get things done, have fun, and be massively successful. A marketing and business genius, Gary had the foresight to go beyond traditional methods and use social media tools such as Twitter, Facebook, and YouTube to reach an untapped audience that continues to grow. *#AskGaryVee* showcases the most useful and interesting questions Gary has addressed on his popular show. Distilling and expanding on the podcast's most urgent and evergreen

themes, Gary presents practical, timely, and timeless advice on marketing, social media, entrepreneurship, and everything else you've been afraid to ask but are dying to know. Gary gives you the insights and information you need on everything from effectively using Twitter to launching a small business, hiring superstars to creating a personal brand, launching products effectively to staying healthy—and even buying wine. Whether you're planning to start your own company, working in digital media, or have landed your first job in a traditional company, #AskGaryVee is your essential guide to making things happen in a big way.

Conspiracy Theories and Secret Societies For Dummies - Christopher Hodapp 2011-02-04

Entering the world of conspiracy theories and secret societies is like stepping into a distant, parallel universe where the laws of physics have completely changed: black means white, up is down, and if you want to understand what's really going on, you need a good reference book. That's where Conspiracy Theories & Secret Societies For Dummies comes in. Whether you're a skeptic or a true believer, this fascinating guide, packed with the latest information, walks you through some of the most infamous conspiracy theories — such as Area 51 and the assassination of JFK — and introduces you to such mysterious organizations as the Freemasons, the Ninjas, the Mafia, and Rosicrucians. This behind-the-curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world. Discover how to: Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9/11 conspiracy theories Figure out who "they" are Grasp the model on which conspiracy theories are built Figure out whether what "everybody knows" is true Distinguish on assassination brotherhood from another Understand why there's no such thing as a "lone assassin" Why do hot dogs come in packages of ten, while buns come in eight-packs? Everybody knows its a conspiracy, right? Find out in Conspiracy Theories & Secret Societies For Dummies.

The Suitcase Entrepreneur - Natalie Sisson 2017-09-05

Now in its third edition, The Suitcase Entrepreneur teaches readers how to package and sell their skills to earn enough money to be able to work and live anywhere, build a profitable online business, and live life on their own terms. With new material pertinent to today's business world, readers will receive the blueprint to create their ideal lifestyle and become their own digital nomad. After eight years of working in the soul-crushing bureaucracy of the corporate world, Natalie Sisson quit her high-paying job and moved to Canada, started a blog, and cofounded a technology company. In just eighteen months she learned how to build an online platform from scratch, and then left to start her own business—which involved visiting Argentina to eat empanadas, play Ultimate Frisbee, and launch her first digital product. After five years, she now runs a six-figure business from her laptop, while living out of a suitcase and teaching entrepreneurs worldwide how to build a business and lifestyle they love. In The Suitcase Entrepreneur you'll learn how to establish your business online, reach a global audience, and build a virtual team to give you more free time, money, and independence. With a new introduction, as well as updated resources and information, this practical guide uncovers the three key stages of creating a self-sufficient business and how to become a successful digital nomad and live life on your own terms.

A Simple, No Fuss Guide to Making Fast, Consistent Money with Amazon Fulfillment Services - Seth Vaynerchuk 2019-08-17

You're probably already working the nine to five grind as you read this. Most people devote the most important hours of the day to making honest money to keep them afloat. But sometimes the pay from a regular job doesn't make ends meet. This is why most people have considered finding other ways to make money on top of keeping a steady job. One of the most popular choices in this field is starting an online business. But with a business comes costs and workforce and the need for even more time than you do not always enough of. What's a hopeful entrepreneur to do? This is exactly the reason why Amazon has created the FBA service. This book has been designed to walk you through the basics of understanding FBA; what it does and how it works. After taking you through an introduction, you will find information on what it takes to get started with the program. Consider this book a beginners' guide to FBA and how it can help you generate extra income in the thousands filed without having to double your

daily workload. Taking advantage of FBA is going to be your key to automated income. Simply put, by signing up with FBA, you're setting yourself up to make money while you work your job or pursue a hobby. And this book is the trick to figuring out exactly how to accomplish that. Each chapter in this book prepared you for the next section so please make sure to read it from start to finish. We can't wait for you to start growing a business online! Thanks again for downloading and enjoy!

Crushing It - Gary Vaynerchuk 2018-10-25

From Omega to Charleston - Richard Shone 2018-02

First published to accompany the exhibition From Omega to Charleston: The Art of Vanessa Bell and Duncan Grant, 1910-1934, this fully illustrated publication explores the life and works of two of the most innovative and influential British artists of the twentieth century. With a substantial essay and catalogue entries by Richard Shone (author of Bloomsbury Portraits, 1993 and curator of The Art of Bloomsbury, Tate, 1999), the catalogue explores the unique creative relationship shared by Bell (1879-1961) and Grant (1885-1978). It traces their move from the early years flush with post-impressionist experimentation to their later work at Charleston, their shared Sussex home. Whether working in fine painting or decorative schemes, together they emerge as consistently radical practitioners at the very heart of their cultural milieu. Drawing from private collections and a substantial group of works from The Charleston Trust, the second half of the publication focusses exclusively on one of Bell and Grant's most spectacular joint commissions: The Famous Women Dinner Service. Begun in 1932 at the request of the art historian and director of the National Gallery Kenneth Clark and his wife Jane, its fifty plates were decorated with images of famous women through the ages, from Sappho to Greta Garbo. Considered lost for nearly forty years, and first publically exhibited at this exhibition, this set of plates forms an impressive testament to Bell and Grant's close working partnership. A significant essay by Hana Leaper (Charleston scholar, Fellow of the Paul Mellon Centre, and Senior Lecturer, Liverpool John Moores University) is succeeded by closer scholarship dedicated to the individual plates and the women that inspired them. The catalogue also has introductions from both Frances Spalding (Biographer of Bell and Grant) and Darren Clarke (Raising Head of Collections, Research and Exhibitions at the Charleston Trust).

When She Makes More - Farnoosh Torabi 2014-05-01

As seen on CNBC's Follow the Leader "Farnoosh's ground-breaking book will save more relationships than couples counseling ever could." —Barbara Stanny, author of Secrets of Six-Figure Women Today, a record number of women are their household's top-earner. But if you're that woman, you face a much higher risk of burnout, infidelity, and divorce. In this important and timely book, personal finance expert Farnoosh Torabi candidly addresses how income imbalances affect relationships and family dynamics, and presents a bold strategy to achieving happiness at work and home. Torabi's ten essential rules include: • Buy Yourself a Wife: Outsource as many household tasks as possible to bring more peace and happiness to both your lives • Don't Assume a Mr. Mom is Best: The math might say he should quit his job, but doing so can be dangerous. • Understand the Male Brain: Know how men think and what motivates their behavior to communicate effectively, share responsibilities, and avoid power struggles in your relationship.

The Archetypal Actions of Ritual - Caroline Humphrey 1994

The book explores the implications for anthropology of this new theory of ritual, with discussions of the relation between texts and action, the importance of bodily experience in ritual enactment, and the sense of selfhood as it is affected by ritual.

The Maryland Germans - Dieter Cunz 2015

American Mediterranean - Matthew Pratt Guterl 2013-03-11

How did slave-owning Southern planters make sense of the transformation of their world in the Civil War era? Matthew Pratt Guterl shows that they looked beyond their borders for answers. He traces the links that bound them to the wider fraternity of slaveholders in Cuba, Brazil, and elsewhere, and charts their changing political place in the hemisphere. Through such figures as the West Indian Confederate Judah Benjamin, Cuban expatriate Ambrosio Gonzales, and the exile Eliza McHatton, Guterl examines how the Southern elite connected by travel, print culture, even the prospect of future conquest with the

communities of New World slaveholders as they redefined their world. He analyzes why they invested in a vision of the circum-Caribbean, and how their commitment to this broader slave-owning community fared. From Rebel exiles in Cuba to West Indian apprenticeship and the Black Codes to the Ólabor problemÓ of the postwar South, this beautifully written book recasts the nineteenth-century South as a complicated borderland in a pan-American vision.

Chicken Soup for the Soul: Grand and Great - Jack Canfield 2011-04-19

Grandparents and grandchildren will enjoy Chicken Soup for the Soul: Grand and Great with its 101 stories written by grandparents about their grandchildren and by grateful grandchildren about their grandparents. A parent becomes a new person the day the first grandchild is born. Formerly serious adults become grandparents who dote on their grandchildren and find new delight in life. This new book includes the best stories on being a grandparent from Chicken Soup for the Soul's library. Everyone can understand the special ties between grandparents and grandchildren -- the unlimited love, the mutual admiration and unqualified acceptance. Printed in a larger font.

Jab, Jab, Jab, Right Hook - Gary Vaynerchuk 2013-11-26

New York Times bestselling author and social media expert Gary Vaynerchuk shares hard-won advice on how to connect with customers and beat the competition. A mash-up of the best elements of Crush It! and The Thank You Economy with a fresh spin, Jab, Jab, Jab, Right Hook is a blueprint to social media marketing strategies that really works. When managers and marketers outline their social media strategies, they plan for the "right hook"—their next sale or campaign that's going to knock out the competition. Even companies committed to jabbing—patiently engaging with customers to build the relationships crucial to successful social media campaigns—want to land the punch that will take down their opponent or their customer's resistance in one blow. Right hooks convert traffic to sales and easily show results. Except when they don't. Thanks to massive change and proliferation in social media platforms, the winning combination of jabs and right hooks is different now. Vaynerchuk shows that while communication is still key, context matters more than ever. It's not just about developing high-quality content, but developing high-quality content perfectly adapted to specific social media platforms and mobile devices—content tailor-made for Facebook, Instagram, Pinterest, Twitter, and Tumblr.

American Cold War Culture - Lecturer of 20th-Century American Literature Douglas Field 2005

This book guides the reader through recent and established theories as well as introducing a number of previously neglected themes, films and texts.

The Thank You Economy (Enhanced Edition) - Gary Vaynerchuk 2011-03-08

If this were 1923, this book would have been called "Why Radio Is Going to Change the Game" . . . If it were 1995, it would be "Why Amazon Is Going to Take Over the Retailing World" . . . The Thank You Economy is about something big, something greater than any single revolutionary platform. It isn't some abstract concept or wacky business strategy—it's real, and every one of us is doing business in it every day, whether we choose to recognize it or not. It's the way we communicate, the way we buy and sell, the way businesses and consumers interact online and offline. The Internet, where the Thank You Economy was born, has given consumers back their voice, and the tremendous power of their opinions via social media means that companies and brands have to compete on a whole different level than they used to. Gone are the days when a blizzard of marketing dollars could be used to overwhelm the airwaves, shut out the competition, and grab customer awareness. Now customers' demands for authenticity, originality, creativity, honesty, and good intent have made it necessary for companies and brands to revert to a level of customer service rarely seen since our great-grandparents' day, when business owners often knew their customers personally, and gave them individual attention. Here renowned entrepreneur Gary Vaynerchuk reveals how companies big and small can scale that kind of personal, one-on-one attention to their entire customer base, no matter how large, using the same social media platforms that carry consumer word of mouth. The Thank You Economy offers compelling, data-driven evidence that we have entered into an entirely new business era, one in which the companies that see the biggest returns won't be the ones that can throw the most money at an advertising campaign, but will be those that can prove they care about their customers more than anyone else. The businesses and brands that harness the word-of-mouth power from social media, those that can shift their culture to be more customer-aware and fan-friendly, will pull away from the pack

and profit in today's markets. Filled with Vaynerchuk's irrepressible candor and wit, as well as real-world examples of companies that are profiting by putting Thank You Economy principles into practice, The Thank You Economy reveals how businesses can harness all the changes and challenges inherent in social media and turn them into tremendous opportunities for profit and growth.

Flourish - Martin Seligman 2012

Flourish: A new understanding of Life's Greatest Goals- and what it takes to reach them. In this groundbreaking book, one of the world's foremost academic psychologists- and founder of the Positive Psychology movement- offers a new theory on what makes people flourish and how to truly get the most out of life. Eight years have passed since the publication of Dr Seligman's internationally bestselling Authentic Happiness. As a highly esteemed psychologist, Dr Seligman has been on the cutting edge of psychological research for over two decades, pioneering a science that improves people's lives. And now, with his most life-changing book yet, Flourish, he offers a new theory of individual satisfaction and global purpose. In a fascinating evolution of thought, Flourish, refines what Positive Psychology is all about and offers inspiring stories of Positive Psychology in action- innovative schools that add resilience to their curricula, with a case study of Geelong Grammar in particular: a new theory of success and intelligence; and evidence on how positive physical health can turn medicine on its head. Building on his game-changing work on optimism, motivation, and character, Dr Seligman shows us how to flourish and bring well being into our own lives.

The 5 Essential Principles of Think and Grow Rich - Napoleon Hill Foundation 2018-07-15

Drawn from the modern-day classic, Think and Grow Rich -- this new edition dives deeper into the 5 core secrets that have shown the greatest success. With these 5 lessons, you have the power to change your life and set you upon the path of learning and self-development. Originally published in 1937, Napoleon Hill draws on stories from Andrew Carnegie, Thomas Edison, Henry Ford, and more than 500 other men of great wealth to demonstrate his moneymaking philosophies. With simple and practical techniques, Hill teaches that great and lasting success is possible with nothing but thoughts, ideas, and organized plans.

Chefsache Mensch - Jörg Mosler 2020-02-14

PERSPEKTIVWECHSEL! Haben Sie sich schon einmal gefragt, warum manche Unternehmen nie über den Fachkräftemangel oder Nachwuchsprobleme klagen? Was machen diese Unternehmen anders? Sie sind vor allen Dingen in der Lage, die Perspektive zu wechseln. Sie suchen keine Arbeitskräfte, sie suchen Menschen. Das ist ihr Fokus. Welche Perspektiven Sie brauchen, um auch Ihr Unternehmen zum Magneten für Mitarbeiter und Talente zu machen, lesen Sie in diesem Buch.

Crush It! - Gary Vaynerchuk 2009-10-13

This book will give you an excellent introduction to earning as much as 10K or more a month! Start selling on the internet right now, and create your ideal life!

I Put a Spell on You - John Burnside 2014-05-01

In this exquisite, haunting book, John Burnside describes his coming of age from the industrial misery of Cowdenbeath and Corby to the new world of Cambridge. This is a memoir of romance - of lost love and the love of being lost - darkened by threat, illuminated by glamour. The old Scots word 'glamour' means magical charm, and the first time he was played *I Put a Spell on You*, John Burnside thought he had never heard a more beautiful song - it was an enchantment, a fascination that would turn to obsession. Implicit in the song were all the ambiguities that intrigued him - love, possession and danger - and this book is an exploration of the darker side of glamour and attraction. Beginning with memories of a brutal murder, the book follows the author through a series of uncanny encounters with 'lost girls', with brilliant digressions on murder ballads, voodoo, acid and insomnia, and a cast that includes Kafka and Narcissus, Diane Arbus and Mel Lyman, *The Four Tops* and *Screamin' Jay Hawkins*, and time spent lost in the Arctic Circle, black-and-white films and a mental institution. Ending with the tender summoning of the ghost of his dying mother as she sings along to the radio in her empty kitchen, *I Put a Spell on You* is a book about memory, about the other side of love: a book of secrets and wonders.

The Winners Laws - 30 Absolutely Unbreakable Habits of Success - Bodo Schaefer

The Winners Laws by Bodo Schaefer is a number-one best-selling book in the world that has helped innumerable people and can you can be one of them! What is it that you want most out of life? These laws have assisted many over a lengthy period of time and this infallible method can help you too! ©2016 AB Publishing, The Rights Company (P)2016 AB Publishing, The Rights Company

Climate Control - Andrew Montford 2014

Was ich mit 20 Jahren gerne über Geld, Motivation, Erfolg gewusst hätte - Mario Lochner
2020-03-15

Viele plagen sich lange Jahre im Beruf, um dann festzustellen, dass sie doch nicht das tun, was sie erfüllt und womit sie erfolgreich sind. Es kommt darauf an, frühzeitig im Leben auf die persönliche Motivation und die eigenen Potenziale zu setzen und die Weichen auf Glück und Erfolg zu stellen. Mario Lochner weist den Weg zur Überholspur im Leben. Im ersten Teil des Buches geht es darum, wie man seine persönliche Motivation im privaten und beruflichen Bereich findet. Im zweiten Teil gibt der Autor Ihnen die Erfolgswerkzeuge an die Hand, die Sie maßgeschneidert für sich anwenden können. Im dritten Teil schließlich geht es darum, wie Sie mit nur wenigen Stunden pro Jahr ein finanzielles Fundament für die Rente aufbauen. Mario Lochner ist Diplom-Betriebswirt, Journalist und einer der profiliertesten Finanz-Blogger Deutschlands. Er ist Redakteur des Wirtschaftsmagazins *Focus-Money* und das Gesicht des erfolgreichen Youtube-Kanals »Mission Money« mit mehr als 100 000 Abonnenten.

We Now Know - John Lewis Gaddis 1997

Examines the history of the Cold War, reflecting Soviet, East European, Chinese, American, and West European viewpoints, and offering new insights and solutions to long-standing puzzles

The Scandal of the Scandals - Manfred Lütz 2020-05-08

Mahatma Gandhi once chided a Christian friend, "All you Christians, missionaries and all, must begin to live more like Jesus Christ." And what Christian among us would disagree with him? After the holy wars and witch-hunts, after persecutions and political machinations, there is a broad sense today that the Church,

however well-meaning, is on the wrong side of history. But do we really know our history? In this collaboration with historian Arnold Angenendt, best-selling German author Manfred Lütz dares to show us what contemporary historians actually say about Christianity's track record over the ages. This detailed overview begins with the ancient pagans, passing through Israel, the early Church martyrs, Constantine's Rome, the reign of Charlemagne, the Crusades, the Inquisition, the Reformation, the Borgia popes, the Galileo affair, the conquistadores, the French Revolution, the slave trade, the Holocaust, the sex abuse crisis, and more. *The Scandal of the Scandals* separates myth from fact, giving us a candid portrait of Christendom with its scars and all. Prepare to be amazed at how little you really knew about Christianity.

In the Bar of a Tokyo Hotel - Tennessee Williams 1969

THE STORY: As described by New York critic Clive Barnes: Superficially the play is about the painter--famous, rich and lost--and his wife, who find themselves in a Tokyo hotel. The wife, wildly promiscuous, tries to seduce the Japanese barman in the

The author teaches what you should have known from the start and how to turn financial problems into financial blessings. Now it is your time!

Conspiracy Theories in American History - Peter Knight 2003

The first comprehensive history of conspiracies and conspiracy theories in the United States. * Over 300 A-Z entries on various events, ideas, and persons, as well as crucial supporting and refuting evidence, and competing explanations for the origins, history, and popularity of this mode of political thought * Primary documents from organizations promoting conspiracy theories * Contributions from over 100 international scholars with a full range of historical expertise * Separate section containing about 100 illustrative extracts covering the full range of American history, each with a brief headnote placing it in context

The Civil War as Global Conflict - David T. Gleeson 2014-04-23

A collection of scholarly essays exploring the American Civil War from international perspectives. In an attempt to counter the insular narratives of much of the sesquicentennial commemorations of the Civil War in the United States, editors David T. Gleeson and Simon Lewis present this collection of essays that examine the war as more than a North American conflict, one with transnational concerns. The book, while addressing the origins of the Civil War, places the struggle over slavery and sovereignty in the United States in the context of other conflicts in the Western hemisphere. Additionally, Gleeson and Lewis offer an analysis of the impact of the war and its results overseas. Although the Civil War was the bloodiest conflict in US history and arguably its single most defining event, this work underscores the reality that the war was by no means the only conflict that ensnared the global imperial powers in the mid-nineteenth century. In some ways the Civil War was just another part of contemporary conflicts over the definitions of liberty, democracy, and nationhood. The editors have successfully linked numerous provocative themes and convergences of time and space to make the work both coherent and cogent. Subjects include such disparate topics as Florence Nightingale, *Gone with the Wind*, war crimes and racial violence, and choices of allegiance made by immigrants to the United States. While we now take for granted the nation's values of freedom and democracy, we cannot understand the impact of the Civil War and the victorious "new birth of freedom" without thinking globally. The contributors to *The Civil War as Global Conflict* reveal that Civil War-era attitudes toward citizenship and democracy were far from fixed or stable. Race, ethnicity, nationhood, and slavery were subjects of fierce controversy. Examining the Civil War in a global context requires us to see the conflict as a seminal event in the continuous struggles of people to achieve liberty and fulfill the potential of human freedom. The book concludes with a coda that reconnects the global with the local and provides ways for Americans to discuss the war and its legacy more productively.

Schultz; Aaron Sheehan-Dean; Christopher Wilkins "The writers of this collection effectively balance local

and global contexts to produce a significant text that is invaluable to any scholar interested in research desiring to move away from 'pantomime-like North-South, black-white, blue-gray binaries.'" —Jesse Tyler Lobbs, Kansas State University

Crushing it - Gary Vaynerchuk 2018-10-25

Über 50 Millionen aufgerufene Videos auf Youtube, 1,73 Millionen Follower bei Twitter, 2,7 Millionen bei Facebook, 3,2 Millionen bei Instagram, "New York Times"- und "Wall Street Journal"-Bestsellerautor - Gary Vaynerchuk ist einer der erfolgreichsten Social-Media-Gurus überhaupt. In seinem weltweiten Bestseller "Crush it!" (dt.: "Hau rein!") zeigte Gary Vaynerchuk bereits im Jahr 2009, dass eine gute Social-Media-Strategie essenziell für den unternehmerischen Erfolg ist. In seinem neuen Werk erklärt er, warum das heute zutreffender und wichtiger ist denn je. Er erläutert seine zeitlosen Erfolgsprinzipien und lässt den Leser an den Erfolgsgeschichten anderer Entrepreneure teilhaben. Das Geheimnis ihres Erfolges ist untrennbar mit ihrem Verständnis der sozialen Medien und ihrem Willen verbunden, alles zu tun, um diese Plattformen optimal für sie arbeiten zu lassen. Und genau darum geht es in diesem Buch!

Crushing It! - Gary Vaynerchuk 2018-01-30

Four-time New York Times bestselling author Gary Vaynerchuk offers new lessons and inspiration drawn from the experiences of dozens of influencers and entrepreneurs who rejected the predictable corporate path in favor of pursuing their dreams by building thriving businesses and extraordinary personal brands. In his 2009 international bestseller *Crush It*, Gary insisted that a vibrant personal brand was crucial to entrepreneurial success. In *Crushing It!*, Gary explains why that's even more true today, offering his unique perspective on what has changed and what principles remain timeless. He also shares stories from other entrepreneurs who have grown wealthier—and not just financially—than they ever imagined possible by following *Crush It* principles. The secret to their success (and Gary's) has everything to do with their understanding of the social media platforms, and their willingness to do whatever it took to make these tools work to their utmost potential. That's what *Crushing It!* teaches readers to do. In this lively, practical, and inspiring book, Gary dissects every current major social media platform so that anyone, from a plumber to a professional ice skater, will know exactly how to amplify his or her personal brand on each. He offers

both theoretical and tactical advice on how to become the biggest thing on old standbys like Twitter, Facebook, YouTube, Instagram, Pinterest, and Snapchat; podcast platforms like Spotify, Soundcloud, iHeartRadio, and iTunes; and other emerging platforms such as Musical.ly. For those with more experience, *Crushing It!* illuminates some little-known nuances and provides innovative tips and clever tweaks proven to enhance more common tried-and-true strategies. *Crushing It!* is a state-of-the-art guide to building your own path to professional and financial success, but it's not about getting rich. It's a blueprint to living life on your own terms.

Gary Vaynerchuk's 101 Wines - Gary Vaynerchuk 2008-05-13

Millions have logged onto Gary Vaynerchuk's Wine Library TV—watching him boldly and unconventionally rate hundreds of wines. Viewers are attracted to his youthful energy, unique voice, and often outrageous descriptions. Now, in Gary Vaynerchuk's *101 Wines*, Vaynerchuk reveals his first ranked list of the most exciting and tantalizing spirits he has sampled while traveling the globe. Deeming himself "the wine guy for the average Joe," Vaynerchuk avoids the pomposity of traditional educators. Unlike wine guides that lack animation and lecture rather than inspire, *101 Wines* shows you how to develop the necessary go-drink-wine attitude. Vaynerchuk encourages you to trust your own palate—stressing that your love of a certain wine makes it good regardless of what the experts or the price on the bottle say. Vaynerchuk's recommendations span a wide range of prices, nations, grapes, and styles—allowing everyone from novices to connoisseurs to expand their wine horizons. Unlock the secret to why Vaynerchuk labels wines "From Ruins to Riches," "Red with Fish," and "Not Your Father's Spumante." Discover wines that taste like ones 10 times their price. Read as Vaynerchuk illuminates his top choices with vivid terminology such as "Bring the Thunder" and "Riding the Rainbow." Demystify conventions that once limited your wine-tasting desires. Journey through wine styles and break down barriers with his technical notes and stories behind the vintage. Smile as you realize you too can become a wine aficionado. With your newfound knowledge, you will out-entertain and enlighten your friends, host extraordinary parties and treat your taste buds to an exhilarating ride. So if you are ready to become a "Vayniac"—one devoted to selecting wines based on Vaynerchuk's innovative principles—grab that corkscrew because a wine sampling adventure like no other awaits.
