Always Day One - Alex
Kantrowitz 2020-04-07

"This is a terrific book" - Kara Swisher An acclaimed tech reporter reveals the inner workings of Amazon, Facebook, Google, Apple, and Microsoft, showing how to compete with the tech titans using their own playbook. At Amazon, "Day One" is code for inventing like a startup, with little regard for legacy. Day Two is, in Jeff Bezos's own words, "stasis, followed by irrelevance, followed by excruciating, painful decline, followed by death." Most companies today are set up for Day Two. They

build advantages and defend them fiercely, rather than invent the future. But Amazon and fellow tech titans Facebook, Google, and Microsoft are operating in Day One: they prioritize reinvention over tradition and collaboration over ownership. Through 130 interviews with insiders, from Mark Zuckerberg to hourly workers, Always Day One reveals the tech giants' blueprint for sustainable success in a business world where no advantage is safe. Companies today can spin up new products at record speed -- thanks to artificial intelligence

and cloud computing -- and those who stand still will be picked apart. The tech giants remain dominant because they've built cultures that spark continual reinvention. It might sound radical, but those who don't act like it's always day one do so at their own peril. Kantrowitz uncovers the engine propelling the tech giants' continued dominance at a stage when most big companies begin to decline. And he shows the way forward for everyone who wants to compete with--and beat--the titans.

CSB Day-by-Day Chronological Bible, TradePaper - George H. Guthrie 2018-11-01

Many people are unfamiliar with the stories of the Bible and how they fit together into the grand narrative of God's Word. God gave us the Bible to reveal great truth about himself and about our lives, and he wants to draw us into the ongoing story of what he is doing in the world. The CSB Day-by-Day Chronological Bible features a clear narrative approach to the Bible, arranging the complete text into a fresh chronological reading plan with daily readings guided by Dr. George Guthrie. Ideal for daily Bible study or reading, this chronological study Bible is thoughtfully arranged so readers can track the story of Scripture, day-by-day, from beginning to end, and

understand the flow of events and how the grand narrative of Scripture applies to everyday life. Unlike other chronological Bibles, this arrangement is not date specific (e.g. "January 1"), so the reading plan can begin at any point in the calendar year. The CSB Day-by-Day Chronological Bible is comparable to the chronological study Bibles found on the market. Features of this CSB Bible include 52 weeks of readings (six readings per week) in chronological order, Scripture presented in three main acts for a unique Bible study experience (God's Plan for All People; God's Covenant People; God's New Covenant People) and seventeen total scenes, an introduction for each act and scene to orient the reader to its importance in the grand story, single-column text with plenty of space for taking notes, concordance, Smyth-sewn binding, presentation page, and full-color maps. You can get the CSB Day-by-Day Chronological Bible in a LeatherTouch (or leather like)

Bible cover or paperback. This Christian Bible in chronological order features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.
