100 Fun & Easy Learning Games for Kids - Amanda Boyarshinov 2016-05-24

Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, 100 Fun & Easy Learning Games for Kids prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Parachute Subtraction, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. 100 Fun & Easy Learning Games for Kids is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.

The Stinky Giant - Ellen Weiss 2012-04-24

Pepper and Jake love herding sheep in the little valley where they live. But there's a problem— a big problem. Urk, a giant who lives on a nearby mountain, is big and stinky and doesn't care that dumping dirty laundry water in the nearby stream causes a flood down below every single week. So Pepper and Jake hike to Urk's mountaintop lair to confront him. But there's no reasoning with a giant, especially one who gives cryptic puzzles to solve. If the kids can solve it, Urk will move away. If not, Pepper and Jake (and their sheep) will be the featured ingredients in Urk's next bowl of smelly soup!

Capitalist Realism - Mark Fisher 2009-11-27

After 1989, capitalism has successfully presented itself as the only realistic political-economic system - a situation that the bank crisis of 2008, far from ending, actually compounded. The book analyses the development and principal features of this capitalist realism as a lived ideological framework. Using examples from politics, films, fiction, work and education, it argues that capitalist realism colours all areas of contemporary experience. But it will also show that, because of a number of inconsistencies and glitches internal to the capitalist reality program capitalism in fact is anything but realistic.

Angel Pavement - Quentin Blake 2005

Corky and Loopy are two perfectly normal girls. They like chocolate biscuits, fizzy drinks, screaming at each other and drawing. But they are also a little bit special... because they are angels. One day they visit Sid, a pavement artist. Sid is sad because he wants to take part in the big drawing competition but can't work out how the judges will ever get to see his work. Corky and Loopy decide to help and give him a very special pencil from their collection. So begins a bright and colourful adventure from the brilliant Quentin Blake.
