Enochian World of Aleister Crowley - Aleister Crowley 2008-01-01

Many consider Enochiana the most powerful and least understood system of Western Occult practice. This book makes it truly accessible and easy to understand. Crowley's work was the launching pad for all that followed. Originally published in 1912, it rent the veil of the Inner Order of the Golden Dawn and revealed its most precious jewel for all to see. And now, for the first time, the reader is provided with instructions that bridge the gap between the material and spiritual worlds by integrating Enochiana with Sex Magick. Mr DuQuette and Dr Hyatt bring over forty years of practical experience in the field to show you how to start using this powerful system right now. It also includes an Enochian dictionary.

Mastering the Mystical Heptarchy - Scott Stenwick 2011-10-01

Dr. John Dee, England's most famous Renaissance magus, spent seven years working with scribe Edward Kelley in the late sixteenth century. Together the two men established contact with various angels who endeavored to teach them a new spiritual system described as the true art of magick. Dee's diaries chronicling these communications formed the basis of the Enochian magical system, which has profoundly influenced the development of ritual magick for centuries and is reputed by many to be especially effective. The Heptarchia Mystica is the only part of the Enochian system that Dee ever managed to assemble into a usable grimoire, but paradoxically it also seems to be the most overlooked portion of his work. Author Scott Michael Stenwick presents this material in a coherent manner suitable for both modern magicians and traditional grimoire practitioners, with an eye towards producing measurable, practical results. The powers of the Heptarchial Kings and Princes are extensive, and yet conjuring and conversing with them is a relatively simple process. Unlock the secrets of this remarkable grimoire, and employ them to transform your life.

Enochian Initiation - Frater W.I.T. 2006-06-15

Experience a new reality through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism. It was developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm.

Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his life's work is to develop new methods of ceremonial magick and explore new vistas of psychic and spiritual potential.

Enochian Vision Magick - Lon Milo DuQuette 2019-09-01

Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv. Replaces ISBN 978-1-57863-382-1

Infernal Geometry and the Left-Hand Path - Toby Chappell 2019-05-21

A comprehensive guide to the history and practice of Angular Magic • Details the development of the magical system of the Nine Angles by the Church of Satan and the Temple of Set, as well as its internal body, the Order of the Trapezoid • Analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu • Explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, and the writings of H. P. Lovecraft • Includes practical examples, daily practices, and guidance on creating your own rituals Revealing the magical uses of number and geometry as tools for introspection, self-development, and creating change in both the inner and outer worlds, Toby Chappell explores the rites, history, and potent practices of Angular Magic and Infernal Geometry, the Left-Hand Path of Sacred Geometry. Focusing on the advanced magical system of the Nine Angles, he details the system's development by the early Church of Satan and later the Temple of Set, as well as its internal body, the Order of the Trapezoid. He shows how the system first emerged in the Ceremony of the Nine Angles, written by Michael Aquino and published in

Anton Szandor LaVey's *The Satanic Rituals*. He explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, the theories of William Mortensen, and, most importantly, the writings of H. P. Lovecraft as well as other contributors to his Cthulhu mythos. The author analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu, expanding upon them to demonstrate how readers can craft their own rituals. He examines the Nine Angles individually, detailing their keywords, powers, and related deities, and explains how each can be used in magical practices and as part of an ongoing initiatory process. He offers practical examples, including use of Angular Magic in divination, sigils, and magical symbols, and guidance on creating your own practices--a core component of the ever-evolving Left-Hand Path. Offering a self-directed path of magic and empowerment, previously unavailable to those outside the Temple of Set, Chappell shows how the Nine Angles must be worked with and experienced personally in order to effect true transformation and change.

Liber Coronzom - A. D. Mercer 2022-11-15

Liber Coronzom offers the occult student a practical approach to working with the angelic entities and powers that populate the world of Enochian magic, the early modern occult system based on the mysterious spirit-conjurations of Elizabethan astrologer Doctor John Dee. Drawing directly from the diaries and manuscripts, and distilled from years of research and personal experience working with Dee's angelic magic, the book also brings together a detailed exposition of the magical seal known as the Sigillum Dei Aemeth, a key element of Dee's magical system, as well as a close examination of the supposed 'demon of the abyss' Coronzom. Perhaps most importantly, the book explores the ten highest Enochian Aethyrs, including a hitherto unexplored gateway into the heart of the angelic worlds. The book also examines the true history of Dee's scrying tools and dispels some of the myths that have grown up around them. Out of print since 2015, the new edition is revised, expanded and redesigned.

The Complete Enochian Dictionary - Donald C Laycock 2001-09-01

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian -- the language of the angels. Donald Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. The rest of the work consists of a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and a basic Enochian-English/English-Enochian dictionary. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition. Stephen Skinner's lucid Preface sets the tone and historical context for today's readers.

The Lost Art of Enochian Magic - John DeSalvo 2010-05-14

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

Success Magick - Damon Brand 2020-03-11

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

[The Theory and Practice of Enochian Magic](#) - Mark Stavish 2016-02-24

Since its reception by Dr. John Dee and Edward Kelly in the 16th Century, Enochian magical theories and practices have been a source of fascination and at times fear among occultists. The central role Enochian has played in modern magical groups has made it a subject of intense academic and practical study. Yet, despite the many volumes currently available in Enochian studies many students still have problems understanding or working with the system. The Theory and Practice of Enochian Magic examines the various claims surrounding Enochian and suggests practical and meaningful ways of progressively studying Enochian magic so that it can become a meaningful aid in one's spiritual growth. The Theory and Practice of Enochian Magic does not repeat what is said in other works, but seeks to expand upon their ideas and synthesize them with various viewpoints thereby making Enochian easier to understand and use. Additional resources for the study and practice of Enochian magic and sample rituals are provided.

The New Hermetics - Jason Augustus Newcomb 2004-08-01

The New Hermetics is a powerful spiritual technology of the mind. It is a course of study and practice that teaches the science of illumination and the ability to alter reality. The ancient Egyptian form of Hermetic philosophy was that the mind shapes reality. The New Hermetics extends that philosophy - the universe is a great mind or consciousness, and we are a part of that consciousness; therefore by learning to control the mind, we learn to control our part of the universe. With updated versions of the ancient Rosicrucian brotherhood's 10 levels of initiation, combined with ancient and modern mind-expanding techniques such as visualization and NLP (neuro-linguistic programming), The New Hermetics progressively gives initiates power over their minds and world. Practicing these elements simultaneously makes it possible to undergo initiation into the mysteries of consciousness in a fraction of the time it was ever before possible. The course offered in the book lets practitioners master their minds in such a way that they will be able to achieve anything and everything they want in life, spiritually and physically. The New Hermetics offers 10 levels of instruction to control the mind and control reality: Level 1-The Initiate teaches mastery over behavior and visualization in the Ether. Level 2-The Zealot bestows mastery over emotions, breathing, and Etheric energy. Level 3-The Practitioner gives mastery over mind, beliefs, and the ability to project Etheric energy. Level 4-The Philosopher masters creativity, values, and the ability to direct Etheric energy. Level 5-

The Adept develops relationship with cosmic consciousness. Level 6-The Advanced Adept offers the power to direct the forces of cosmic consciousness. Level 7-The Perfect Adept gives wisdom and the ability to share these forces with others. Level 8-The Master bestows mastery of cosmic consciousness. Level 9-The Mage gains mastery of universal power. Level 10-The Ultimate Master obtains mastery over the universal self. The New Hermetics is a powerful course of instruction that can help anyone master themselves to rule their world.

[John Dee and the Empire of Angels](#) - Jason Louv 2018-04-17

A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

[Practical Enochian Magick](#) - Jason Augustus Newcomb 2007-12-01

Enochian Magick is arguably the most intriguing and potent form of ceremonial magick available today. Dr. John Dee, a prominent philosopher in the Elizabethan court, literally received this system of magick from angels through the scrying mediumship of Edward Kelly. This book offers a complete approach to

conducting this magical system for the modern adept. It contains instructions in the practical use of all three major parts of the Enochian system: the Four Watchtowers, the Thirty Aethyrs and the Heptarchia Mystica. Rather than a mere rehash of Golden Dawn material this book offers an approach that honors both the innovations of the Golden Dawn and the essence of the original Dee materials in an un-dogmatic and nonsectarian format that is extremely accessible. Although this book is particularly designed for students of the New Hermetics, any practicing occultist interested in the Enochian system will find this book incredibly useful.

John Dee's Five Books of Mystery - John Dee 2003-01-01

Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man" detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

Enochian Magic and the Higher Worlds - John DeSalvo 2015-03-16

A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

The Enochian Evocation of Dr. John Dee - Geoffrey James 2009-06-01

Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies. In
