Sensational Devotion - Jill Stevenson 2013-04-15

In Sensational Devotion, Jill Stevenson examines a range of evangelical performances, including contemporary Passion plays, biblical theme parks, Holy Land re-creations, creationist museums, and megachurches, to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues. Such performative media support specific theologies and core beliefs by creating sensual, live experiences for believers, but the accessible, familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to "try out" these genres, even if only for curiosity's sake. This familiarity not only helps these performances achieve their goals, but it also enables them to contribute to public dialogue about the role of religious faith in America. Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach large audiences comprised of firm believers, extreme skeptics, and those in between. Using historical research coupled with personal visits to these various venues, the author not only critically examines these spaces and events within their specific religious, cultural, and national contexts, but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid, sensual, affectively oriented, and individualized experiences.

Discipline, Devotion, and Dissent - Graham P. McDonough 2013-09-03
The education provided by Canada's faith-based schools is a subject of public, political, and scholarly controversy. As the population becomes more religiously diverse, the continued establishment and support of faith-based schools has reignited debates about whether they should be funded publicly and to what extent they threaten social cohesion. These discussions tend to occur without considering a fundamental question: How do faith-based schools envision and enact their educational missions? *Discipline, Devotion, and Dissent* offers responses to that question by examining a selection of Canada's Jewish, Catholic, and Islamic schools. The daily reality of these schools is illuminated through essays that address the aims and practices that characterize these schools, how they prepare their students to become citizens of a multicultural Canada, and how they respond to dissent in the classroom. The essays in this book reveal that Canada's faith-based schools sometimes succeed and sometimes struggle in bridging the demands of

the faith and the need to create participating citizens of a multicultural society. Discussion surrounding faith-based schools in Canada would be enriched by a better understanding of the aims and practices of these schools, and this book provides a gateway to the subject.

Lord Jesus Christ - Larry W. Hurtado 2003

This outstanding book provides an in-depth historical study of the place of Jesus in the religious life, beliefs, and worship of Christians from the beginnings of the Christian movement down to the late second century. "Lord Jesus Christ" is a monumental work on earliest Christian devotion to Jesus, sure to replace Wilhelm Bousset's "Kyrios Christos" (1913) as the standard work on the subject. Larry Hurtado, widely respected for his previous contributions to the study of the New Testament and Christian origins, offers the best view to date of how the first Christians saw and revered Jesus as divine. In assembling this compelling picture, Hurtado draws on a wide body of ancient sources, from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the "Gospel of Thomas" and the "Gospel of Truth." Hurtado considers such themes as early beliefs about Jesus' divine status and significance, but he also explores telling devotional practices of the time, including prayer and worship, the use of Jesus' name in exorcism, baptism and healing, ritual invocation of Jesus as Lord, martyrdom, and lesser-known phenomena such as prayer postures and the curious scribal practice known today as the "nomina sacra." The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these: How important was this formative period to later Christian tradition? When did the divinization of Jesus first occur? Was early Christianity influenced by neighboring religions? How did the idea of Jesus' divinity change old views of God? And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian? Boasting an unprecedented breadth and depth of coverage -- the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology -- Hurtado's "Lord Jesus Christ" is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it.

Objects of Special Devotion - Ray Broadus Browne 1982

This book demonstrates the importance of the study of fetishes and fetishism in the study of popular culture. Some of the essays cover rather "conventional" manifestations in the world today; others demonstrate the fetishistic qualities of some unusual items. But all illustrate without any doubt that, like the icon, the ritual, and many other items in society, fetishes, fetishism and fetishists must be studied and understood before we can begin to understand the complexity of present-day society.

Passionate Devotion: Master Fudd's Beloved Wife - Oeste de la Luna
She accepted a humiliating request to save her family business. Her father had tragically died after her pregnancy, and her fiancé conspired with her stepsister to chase her out from the Mont family. Returning three years later, she had no choice but to provoke the arrogant man to reclaim her late father's villa. However, she was cornered by the man. Trembling, she said, "Mr Fudd, I didn't mean to offend you..." He pondered for a moment and said, "It's too late, I need compensation." Why was he gradually turning the fake marriage into reality? She blushed but he did not care. Amused, he frowned and stared at her. "You have children, what's the point of being so reserved?" With wide eyes, the cute munchkin standing next to her held her hand and said, "Mummy, I want a little brother!"

Jeremy Baer recounts the old tales of Thor and shows how Thor may be honored today.

[Emotion and Devotion](#) - Miri Rubin 2009-01-01

In *Emotion and Devotion* Miri Rubin explores the craft of the historian through a series of studies of medieval religious cultures. In three original chapters she approaches the medieval figure of the Virgin Mary with the aim of unravelling meaning and experience. Hymns and miracle tales, altarpieces and sermons - a wide range of sources from many European regions - are made to reveal the creativity and richness which they elicited in medieval people, women and men, clergy and laity, people of status and riches as well as those of modest means. The first chapter, "The Global 'Middle Ages'," considers the current historiographical frame for the study of religious cultures and suggests ways in which the Middle Ages can be made more global. Next, "Mary, and Others" examines the polemical situations around Mary, and the location of Muslims and Jews within them. The third chapter, "Emotions and Selves," tracks the sentimental education experienced by Europeans in the late Middle Ages through devotional encounters with the figure of the Virgin Mary in word, image and sound. Each year one scholar of world fame is invited to present lectures in the framework of the Natalie Zemon Davis Annual Lecture Series at the Central European University, Budapest. This is the second volume in the series of published lectures.

A creation devotional for children ages 6-10, which shows detailed, pen and ink illustrations of animals - mammals, insects, birds - paired with a description of each, then an application for the youthful reader. In exploring God's awesome nature, it is helpful for children to understand God's design for them. For example, just as the monarch butterfly emerges from a cocoon to soar to heights above the clouds, so too can we all rest in the knowledge that God has made each of us special, and He has great love and a plan for us.

Devotions for the Wounded Heart - Dennis Cory 2011-01-25

When Jesus Christ began His earthly ministry He first went out and got baptised and was then lead of the Holy Spirit into the wilderness and there was tempted of the devil. Then in the power of the Spirit He began teaching in the synagogues. When He came to His home town of Nazareth and went to church on the sabbath and stood up to read. The elders delivered the book of Isaiah to Him and He opened the book to the place where He read these words: "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord." Luke 4:18-19 (KJV) Jesus chose this passage of scripture because it was known to be a prophecy of the coming Messiah and it is a concise outline of the purpose and ministry calling of our Lord. The Holy Spirit living in the hearts of every born-again Christian is working to fulfill this scripture for us all.

Jesus Christ by The Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person. It is will of God that no human being perish but that everyone would come to repentance. It is therefore His will that we all hear and respond to the gospel; That our broken hearts be healed; that the chains of our captive bondage be broken; our physical and spiritual eyes be opened; and every bruise and wound we carry be healed. That is the Theme, Calling and Purpose by which this Daily Devotional has been inspired to be written. The Word of God is clear in that our Heavenly Father wants all people to accept His salvation but just as true He wants all to be healed and delivered. It is my prayer that this Devotional will be used of The Lord to help accomplish this work in your lives.

Weekly Insights for the Workplace: a Devotional for Christian Professionals - Agnes Amos-Coleman 2016-03-04

Our Christian faith can't be left for Sunday use only, yet the pressure in many working environments does not permit thoughts of much other than the immediate tasks being faced. So I welcome this Devotional, which focuses on the Christian in the workplace. A good starting point would be to read each week's Devotional on Monday at breakfast, on the journey to work, or during morning coffee time, and so set one's thoughts on an aspect of Christian living and work for the week ahead. It isn't always wise or possible to try to discuss one's faith with colleagues while at work, but I still recall the witness of a Christian who worked in the same factory as me many years ago. His work brought him into contact with people of all levels and responsibilities. Everyone spoke well of him. His clear Christian witness was in the way he did his job. As you read this Devotional each week I pray that you may, Let your light so shine before men, that they may see your good works, and glorify your Father in heaven (Matthew 5:16, NJKV).
