All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely

affirmation of just how profoundly her revelations can change hearts and minds for the better.

This Is Not a Love Letter - Kim Purcell 2018-01-30

"[A] long, beautiful, heart-breaking love letter to potential and possibilities and hope, to the pain we survive in youth and carry with us into adulthood."--NPR Book Reviews One week. That's all Jessie said. A one-week break to get some perspective before graduation, before she and her boyfriend, Chris, would have to make all the big, scary decisions about their future -- decisions they had been fighting about for weeks. Then, Chris vanishes. The police think he's run away, but Jessie doesn't believe it. Chris is popular and good-looking, about to head off to college on a full-ride baseball scholarship. And he disappeared while going for a run along the river -- the same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town, and Jessie is terrified of what might have happened. As the police are spurred to reluctant action, Jessie and others speak up about the harassment Chris experienced and the danger he could be in. But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris's character and Jessie begins receiving frightening

threats. Every Friday since they started dating, Chris has written Jessie a love letter. Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone. As Jessie searches for answers, she must face her fears, her guilt, and a past more complicated than she would like to admit.

Trying Not To Love You - Megan Smith 2016-03-21

MacKenzie Cahill has dealt with overbearing and overprotective brothers her entire life, making it near impossible to enjoy her teenage years. Having a boyfriend was practically impossible until she met a guy that wasn't afraid to stand up to them - Dominic. He was sweet, thoughtful, and everything MacKenzie ever wanted in a man. But when they go away to college at Old Dominion University, MacKenzie sees a whole new side of Dominic and begins to wonder if he really is different from every other guy. Her world is turned upside down after a party, and her brothers' best friend Hunter is the one there to offer her a shoulder to cry on. The chemistry between them is electric, and feelings for each other that have been hidden for years are finally voiced. Is Hunter willing to be disloyal to his best friends in order to be with the one girl he's always secretly wanted?

This Is Not a Love Scene - S. C. Megale 2019-05-07

"This Is Not A Love Scene rings brilliantly true from the first page to the last." —David Baldacci, #1 New York Times bestselling author Funny, emotional, and refreshingly honest, S.C. Megale's This is Not a Love Scene is for anyone who can relate to feeling different while navigating the terrifying and thrilling waters of first love. Lights, camera—all Maeve needs is action. But at eighteen, a rare form of muscular dystrophy usually stands in the way of romance. She's got her friends, her humor, and a passion for filmmaking to keep her focus off consistent rejection...and the hot older guy starring in her senior film project. Tall, bearded, and always swaying, Cole Stone is everything Maeve can't be. And she likes it. Between takes, their chemistry is shockingly electric. Suddenly, Maeve gets a taste of typical teenage dating life, but girls in wheelchairs don't get the hot guy—right? Cole's attention challenges everything she once believed about her self-image and hopes for love. But figuring this out, both emotionally and physically, won't be easy for either of them. Maeve must choose between what she needs and what she wants, while Cole has a tendency to avoid decisions altogether. And the future might not wait for either.

The Love that Will Not Let You Go - Paul Douglas Heidt 2015-05-04

This book is an alternative to what passes for Christianity in movies, television, videos, novels, political campaigns, and, sadly, in many churches. It is for Christians, people of other faiths, and people of no faiths. It is for those who have given up on religion and those with secret

doubts about concepts and biblical narratives most Christians seem to believe easily. Douglas Heidt contends that traditional Christian theology deals primarily with intellectual conclusions and emotion, leaving seekers with the idea that if they believe certain propositions, and love God, they will lead safe, happy lives, and go to heaven when they die. But this book argues that Jesus didn't teach a theological or ecclesiastical system. By his words and life he simply revealed a way to live, the way God created life to be lived, the life of sacrificial, eternal, universal love, kindness, forgiveness, justice, and compassion. Life's goal is not to believe certain things and go to heaven. Life's goal is to love your neighbor. This uncomplicated assertion has crucial implications for the church, how we understand the Bible, the Christian story, and the Christian life and its conclusion. It presents ideas that may be challenging, and describes how being Christian is not what you think, it's what you do.

In the game of love, there's always room for extra credit An enemies-to-lovers YA rom-com filled with perfect banter, nerdy drama, and heart-pounding romance—perfect for fans of Morgan Matson, Emma Lord, and Sandhya Menon. Since high school began, Alison Sanger and Ethan Molloy have competed on almost everything. AP classes, the school paper, community service, it never ends. If Alison could avoid Ethan until graduation, she would. Except, naturally, for two over-achieving seniors with their sights on valedictorian and Harvard, they share all the same classes and extracurriculars. So when their school's principal assigns them the task of co-planning a previous class's ten-year reunion, with the promise of a recommendation for Harvard if they do, Ethan and Alison are willing to endure one more activity together if it means beating the other out of the lead. But with all this extra time spent in each other's company, their rivalry begins to feel closer to friendship. And as tension between them builds, Alison fights the growing realization that the only thing she wants more than winning . . . is Ethan

Recovering the Love Feast - Paul Fike Stutzman 2011-01-01

What is a Love Feast? How did the early church celebrate the Love Feast? How might Christians today celebrate the Love Feast? In *Recovering the Love Feast*, Paul Stutzman addresses these questions, offering a unique blend of liturgical history and practical theology. Part I outlines the history of the Love Feast, noting its prevalence in early church worship, its gradual decline, and its reemergence in the practices of several Pietist groups (e.g., the Moravians, Methodists, and Brethren). Particular focus is given to five elements of the celebration, that is: eucharistic preparation, footwashing, the fellowship meal, the holy kiss, and the Eucharist proper. In Part II, Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast. Rather than prescribing a specific method for celebrating the Love Feast, Stutzman proposes that there are five key disciplines that today's Love Feasts should embody: submission, love, confession, reconciliation, and thanksgiving. This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast, with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship.

If It's Not Love - Syed Arshad 2021-08-28

Ever met someone who had given a new meaning to your life? Most of us have. They might be with you forever or have left you at some point, but their names are carved in gold in your heart. Every time you hear their name or think about them, a smile creeps onto your lips or a tear escapes your lids. Well, that's the idea of this story. The story is about Aarav Khanna, a Fashion Designer from NIFT who works at a call centre because of certain circumstances. He has a girlfriend, a good friend at work, a contented life, a handsome face and a job, enough for a guy to be happy with. And then he meets Ada Maciel, a Mechanical engineering

student, a preplanned online friendship from the Metro girl's (Ada) side brings them close and soon enough they become friends.

A History of the Laws of War: Volume 2 - Alexander Gillespie 2011-10-07

This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day. Relying on written records from as far back as 2400 BCE, and using sources ranging from the Bible to Security Council Resolutions, the author pieces together the history of a subject which is almost as old as civilisation itself. The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and ascribing rules to them, protecting civilians who are either inadvertently or intentionally caught up between them, and controlling the use of particular classes of weapons that may be used in times of conflict. Thus it is that this work is divided into three substantial parts: Volume 1 on the laws affecting combatants and captives; Volume 2 on civilians; and Volume 3 on the law of arms control. This second book on civilians examines four different topics. The first topic deals with the targeting of civilians in times of war. This discussion is one which has been largely governed by the developments of technologies which have allowed projectiles to be discharged over ever greater areas, and attempts to prevent their indiscriminate utilisation have struggled to keep pace. The second topic concerns the destruction of the natural environment, with particular regard to the utilisation of starvation as a method of warfare, and unlike the first topic, this one has rarely changed over thousands of years, although contemporary practices are beginning to represent a

clear break from tradition. The third topic is concerned with the long-standing problems of civilians under the occupation of opposing military forces, where the practices of genocide, collective punishments and/or reprisals, and rape have occurred. The final topic in this volume is about the theft or destruction of the property of the enemy, in terms of either pillage or the intentional devastation of the cultural property of the opposition. As a work of reference this set of three books is unrivalled, and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare. It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself.

The Four Loves - C. S. Lewis 2017-02-14

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Love is not blind - Anuroop Sebastian 2019-02-15

Anuroop Sebastian explores the theme of "true" vs. counterfeit, or "fake," love and explains how the reader can identify the real thing by following the example of Jesus. In John 2:24, Jesus rejects the praises of a certain group of people. Their praises appear to be genuine but Jesus knows that they are simply flattering Him. Yet when Mary pours expensive perfume on His feet, he accepts her love (John 12:1-8). Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions! The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships.

IF IT'S NOT LOVE ... IT'S KARMIC - Adrian Gabriel Dumitru

We always try to understand our thoughts and emotions regarding the relationships we are involved in. And so many times ... we fail in interpreting the meaning behind all what is going on. We simple don't understand it. We believe it's a love story ... or even the love story of our lives or a very good friendship ... but it always has an ugly end. And

damn it ... it was the perfect case scenario of a connection between 2 souls. The meaning of all what happened becomes a nonsense. Someone that used to be a good friend ... or a soul mate if it's about a love story ... becomes the worst enemy you ever had. No one around ... is understanding the meaning of all that. What looked like love between 2 souls ... ended as a weird life lesson. So ... should we say ... it's karmic?! It looked a story about love ... but all became ... a lesson offered by the karma. But why?! Why this life lesson?! Why couldn't that love story or friendship continue?! Why such a beautiful connection ... ended with a betrayal?! What is the message behind that nonsense?! Love and karma ... somehow 2 contradictory directions that we could follow ... but maybe having the same final destination. So ... is it love?! Is it karmic?! Should we ask this question from the early beginning ... or simple explore and enjoy that relationship till life will reveal us the real meaning?! Asking ourselves about the fact that it could look as great connection, but might be ... just karmic ... or be a karmic relationship looking as an amazing connection ... should induce too many paranoia ideas from the early beginning and we will not let us follow the right steps for the story. So?! Should we let everything ... just happen?! Too many questions ... and maybe contradictory answers. Would help a lot to know the real meaning ... and maybe we should explore all the connections we have with the

people from the timeline of our lives. And the final question which comes in our mind is ... if it is karmic how do we break this karmic chain?! Well ... it starts with love ... has a karmic end but It always needs to end ... with love. It all becomes a cycle ... the love-karmic cycle. The meaning?! Maybe ... to understand the connections between everything it exists in this world ... and the world itself. Love?! Karmic?! Or love-karmic?! I invite you in a journey of finding those answers. And i will not be so naive to tell you that we'll come up with the absolute truth ... but ... Let's do it ... Let's analyze ... define all what is going on ... and if it's karmic ... there is only one thing to do ... metamorphose it into ... into love again. I believe that karma is not a bitch ... but a teacher, but also that love is everything ... and the key to the Infinity.
