while peppering in subtle challenges to the reader. [Steps to Personal Revival](#) - Helmut HAUBEIL 2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then

we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.
