Understanding End Times

Prophecy - Paul N. Benware
2006-05-01

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it

easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Bible Study 101 - Jeff Wallace
2010-05

There is only one Bible and yet there are more than 2,000 Christian denominations or groups throughout the world. We all call the Bible, The Word of God, yet very few agree doctrinally across their own denominational lines.

Ephesians 4:5 states that there is "one Lord, one faith...one God". God gave us His Word in written form so that there would be no doubt about what He wanted us to know about Himself. It is God's desire that Christian believers be likeminded. To do this we must set aside personal viewpoints and allow God's Word to speak for itself. This undertaking is an introductory guide to aid

the reader in his or her quest to know and understand the Bible. It is by no means an exhaustive study nor is it intended to be an end all. It will, however, give the reader a solid foundation on which to study the Scriptures and unlock the truth so that "not a fool should ere therein." These summaries will help you to understand the Bible and quickly grasp an overview of the salient points of each chapter. They are not written as a commentary with detailed explanations of how different theologians or commentators interpret the meaning of scriptural passages. Rather they are a simple summary high lighting some key facts or principles. These Bible summaries are not intended as a substitute for reading the Bible for yourself but rather to enhance your experience. They will help you to focus on what you are reading and so allow God to speak to you through the 'overview' as well as the details, as you read His word.

Chapter by Chapter - Troy Schmidt 2014-05-19

The Bible is an intimidating book. It's easy to get lost in its pages. It covers over 2,000 years of history and written by over 40 authors from a variety of backgrounds, but all of the Bible points to the one thing. God loves his people and he'll stop at nothing to save them. The Bible is not impossible to understand. We all, sometimes, just need a little help to navigate through its pages.

CHAPTER BY CHAPTER walks you through the Bible so that you understand all 929 chapters of the Old Testament and all 260 chapters of the New Testament. This book is not meant to replace your reading of God's word but it is useful as a reference guide to understand what you are reading or where to find passages and stories you know are in the Bible. It's time to begin your study of the entire Bible...chapter by chapter.
